Table of Contents

ABOUT THE MEETING

Who Can Vote

Record holders of common stock, par value \$.01 per share, of Cavco at the close of business on May 10, 2010 may vote at the annual meeting. On that date, the issued and outstanding capital stock of Cavco entitled to vote at the annual meeting consisted of 6,541,684 shares of common stock. Each holder of common stock will be entitled to one vote per share on the election of directors and each other matter that is described above or that may be properly brought before the meeting. There are no cumulative voting rights.

How You Can Vote

Stockholders can vote their shares of common stock at the annual meeting by voting and submitting the accompanying proxy by telephone, over the Internet, or by completing, signing, dating and returning the proxy in the enclosed envelope.

How Proxies Will be Voted

Shares represented by valid proxies received by telephone, over the Internet or by mail will be voted at the annual meeting in accordance with the directions given. If no specific choice is indicated, the shares represented by all valid proxies received will be voted: (i) **FOR** the election of the nominee for director named in the proxy; (ii) **FOR** the re-approval of the performance goals for Section 162(m) awards under the Cavco Industries, Inc. 2005 Stock Incentive Plan, as amended; and (iii) **FOR** the ratification of the appointment of Ernst & Young LLP as Cavco's independent registered public accounting firm for fiscal year 2011. In the event you specify a different choice by means of the enclosed proxy, your shares will be voted in accordance with those instructions.

Our board does not intend to present, and has no information that others will present, any business at the annual meeting other than as is set forth in the attached notice of the meeting. However, if other matters requiring the vote of stockholders come before the annual meeting, the persons named in the accompanying proxy intend to vote the proxies held by them in accordance with their best judgment in such matters.

How to Revoke Your Proxy

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by submitting a later-dated proxy, by attending the annual meeting and voting in person or by written notice to Cavco addressed to James P. Glew, Secretary, Cavco Industries, Inc., 1001 N. Central Avenue, Suite 800, Phoenix, Arizona 85004. No such revocation will be effective, however, unless received by us at or prior to the annual meeting. Attending the meeting does not revoke your proxy.

Quorum and Required Vote

The presence at the annual meeting, in person or by proxy, of a majority of the shares of common stock entitled to vote at the meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be counted as present for the purpose of establishing a quorum. If a quorum is present, in order to be elected as a director, a nominee must receive the affirmative vote of the holders of a plurality of the shares of common stock present, either in person or by proxy, and entitled to vote on the election of directors. If a quorum is present, approval of all other matters that properly come before the meeting requires the affirmative vote of the holders of a majority of the shares of common stock present, either in person or by proxy, and entitled to vote on the matter presented at the meeting.

In the election of directors, withhold authority votes will have no effect on the outcome of the vote; however, in the votes on the other matters that properly come before the meeting, abstentions will have the effect of votes against the proposals.

As you may know, recent changes to exchange rules eliminated broker discretionary voting with respect to the election of directors. Therefore, unlike in prior years, your broker is not able to vote on your behalf in any director election without specific voting instructions from you. **Accordingly, we encourage you to vote your shares in the election of directors before the meeting either by returning your proxy by mail, voting by telephone or voting via the Internet so that your shares will be represented and voted at the meeting if you cannot attend in person.**

Table of Contents

If sufficient votes for approval of the matters to be considered at the annual meeting have not been received prior to the meeting date, we may postpone or adjourn the annual meeting in order to solicit additional votes. The form of proxy being solicited by this proxy statement provides the authority for the proxy holders, in their discretion, to vote the stockholders' shares with respect to a postponement or adjournment of the annual meeting. At any postponed or adjourned meeting, proxies received pursuant to this proxy statement will be voted in the same manner described in this proxy statement with respect to the original meeting.

Expenses of Soliciting Proxies

We will bear the cost of soliciting proxies for the annual meeting. Solicitation may be made by mail, personal interview, telephone or other electronic means by our officers and other employees, who will receive no additional compensation therefor.

Cavco's Restated Certificate of Incorporation and Amended and Restated Bylaws provide for the division of the board of directors into three classes, with the directors in each class to hold office for staggered terms of three years each. Each class of directors is to consist, as nearly as possible, of one-third of the total number of directors constituting the entire board. There is presently one director in the class whose term expires at the 2010 annual meeting, two directors in the class whose terms expire at the 2011 annual meeting, and two directors in the class whose term expires at the 2012 annual meeting. (2) Amounts in this column represent the aggregate grant date fair value computed in accordance with the Financial Accounting Standards Board Accounting Standards Codification 718, *Compensation Stock Compensation* (ASC 718). We describe the assumptions made in

this valuation in Note 7 to the Consolidated Financial Statements filed with the Form 10-K in the discussion below. As of March 31, 2010, each director had the following number of options outstanding: Mr. Boor - 12,500 shares (10,000 granted on July 9, 2008; 2,500 granted on July 9, 2009); Mr. Bunger - 12,500 shares (5,000 granted on April 27, 2006; 2,500 granted on April 27, 2007; 2,500 granted on April 27, 2008; 2,500 shares granted on April 27, 2009); Mr. Greenblatt - 12,500 shares (10,000 granted on October 21, 2008; and 2,500 granted on October 21, 2009); and Mr. Hanna - 16,250 shares (1,250 granted on March 31, 2005; 5,000 granted on November 30, 2005; 2,500 granted on September 22, 2006; 2,500 granted on September 22, 2007; 2,500 granted on September 22, 2008; and 2,500 granted on September 22, 2009). Options are granted on the date of the director's initial election to the board and the anniversary date of such election. The foregoing options vest at the

rate of 25% on the date of grant and an additional 25% on each of the following three anniversaries of the date of grant. See Note 7 to the Consolidated Financial Statements in Cavco's Annual Report on Form 10-K for fiscal year ended March 31, 2010.

Board and Committee Meetings

During Cavco's fiscal year ended March 31, 2010, our board held five regularly scheduled meetings and one special meeting. Each of our directors attended all of the meetings of the board and board committees on which they served in fiscal year 2010.

All board members are expected to attend our annual meetings of stockholders, unless an emergency or unavoidable conflict prevents them from doing so. At our 2009 annual meeting of stockholders, all directors serving at that time were present in person with the exception of Mr. Hanna who was present by telephone and could not attend the meeting in person because of an emergency related to his duties with the Columbus Zoo and Aquarium.

Director Nominating Process

Selection by Independent Directors.

The board has not established a director nominating committee. Instead, our board has determined that the independent directors, as a group, should fulfill this responsibility. The board has adopted resolutions, as required by the NASDAQ Rules, providing for the nomination of directors by the independent directors of the board, which promotes flexibility and independence. Generally, director nominees are identified and screened by all independent directors. For any nominee to be placed on Cavco's ballot for voting by Cavco's stockholders at any meeting of stockholders of Cavco, such nominee must first be approved by a majority of the independent directors of Cavco, and by a majority of the entire board of directors. The board may form a nominating committee in the future at such time as the board determines that a committee structure is necessary or useful in the director nominating process.

Director Qualifications. The independent directors evaluate potential director nominees according to the following criteria:

- decisions for nominating candidates are based on the business and corporate governance needs of Cavco and if the need for a director exists, then candidates are evaluated on the basis of merit, qualifications, performance and competency;

- the independent directors consider the composition of the entire board when evaluating individual directors, including the diversity of experience and background represented by the board; the need for financial, business, academic, public or other expertise on the board and its committees; and the desire for directors working cooperatively to represent the best interests of Cavco, its stockholders and employees, and not any particular constituency;

- a majority of our board must be comprised of independent directors in accordance with applicable NASDAQ Rules;

- we seek directors with the highest personal and professional character and integrity who have outstanding records of accomplishment in diverse fields of endeavor, and who have obtained leadership positions in their chosen business or profession;

- candidates must be willing and able to devote the necessary time to discharge their duties as a director, and should have the desire to represent and evaluate the interests of Cavco as a whole;

- candidates must be free of conflicts of interest that would interfere with their ability to discharge their duties as a director or that would violate any applicable law or regulation; and

- candidates must also meet any other criteria as determined by the independent directors, which may differ from time to time.

Diversity. Cavco does not have a formal policy with regard to the consideration of diversity in identifying Director nominees, but the board strives to nominate Directors with a variety of complementary skills so that, as a group, the board will possess the appropriate talent, skills, and expertise to oversee Cavco's businesses.

Nominations by Stockholders. Our bylaws also impose some procedural requirements on stockholders who wish to:

- make nominations for the election of directors;

- propose that a director be removed; or

- propose any other business to be brought before an annual meeting of stockholders.

Table of Contents

Under these procedural requirements, in order to bring a proposal before an annual meeting of stockholders, a stockholder must deliver timely notice of a proposal pertaining to a proper subject for presentation at the meeting to our corporate secretary along with, among other specified information, the following:

- a description of the business or nomination to be brought before the meeting and the reasons for conducting such business at the meeting;
- the stockholder's name and address;
- the number of shares beneficially owned by the stockholder;
- the names and addresses of all persons with whom the stockholder is acting in concert and a description of all arrangements or understandings with such persons; and
- the number of shares beneficially owned by each person with whom the stockholder is acting in concert.

To be timely, a stockholder must deliver notice:

- in connection with an annual meeting of stockholders, not less than 90 nor more than 180 days prior to the date on which the immediately preceding year's annual meeting of stockholders was held;
- in connection with a special meeting of stockholders to elect directors, not less than 40 nor more than 60 days prior to the date of the special meeting; or
- in connection with a special meeting of stockholders for purposes other than the election of directors, not less than 10 nor more than 60 days prior to the date of the special meeting.

In order to submit a nomination for our board of directors, a stockholder must also submit information with respect to the nominee that would be required to be included in a proxy statement, as well as other specified information. If a stockholder fails to follow the required procedures, the stockholder's nominee or proposal will be ineligible for election or other action and will not be voted on by our stockholders.

Other Board Matters

Board Leadership Structure

The board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the board as the board believes it is in the best interests of Cavco to make that determination based on the position and direction of Cavco and the membership of the board. The board has determined that having Cavco's Chief Executive Officer serve as Chairman is in the best interest of Cavco's shareholders at this time. This structure makes the best use of the Chief Executive Officer's extensive knowledge of Cavco and its industry, as well as fostering greater communication between Cavco's management and the board. Cavco does not have a lead independent director.

The Board's Role in Risk Oversight

Management of risk is the responsibility of Cavco's executive officers and senior management team. The Board has oversight responsibility and has designated the Audit Committee to oversee Cavco's processes to manage business and financial risk and compliance with significant applicable legal, ethical, and regulatory requirements. The Audit Committee reports to the board regarding the adequacy of Cavco's risk management processes. To assist the Audit Committee in overseeing risk management, Cavco's Director of Internal Audit is directly accessible by the Audit Committee and reports to the Audit Committee upon request. Additionally, the board encourages management to promote a corporate culture that incorporates risk management into Cavco's corporate strategy and day-to-day business operations. The board regularly works, with the input of Cavco's executive officers, to assess and analyze the most likely areas of future risk for Cavco.

Audit Committee

Our Audit Committee is composed of three directors, Messrs. Boor, Bungler, and Greenblatt, who satisfy the independence requirements set forth in (1) Section 10A(m) of the Exchange Act and the rules adopted by the SEC thereunder and (2) applicable NASDAQ Rules. The Audit Committee functions under a charter, which was initially adopted by our board of directors on September 22, 2003, and was most recently amended on June 30, 2009. The Audit Committee Charter is posted on our website at www.cavco.com.

The board of directors has determined that one or more of the members of the Audit Committee meets the definition of Audit Committee financial expert as such term is defined under SEC rules. William C. Boor, the chairperson of the Audit Committee, is a Senior Vice President of Cliffs, an international mining company, and President of Cliffs Ferroalloys business. Previously, Mr. Boor held the position of Senior Vice President, Business Development at Cliffs. Prior to joining Cliffs, Mr. Boor was Executive Vice President, Strategy and Development, at American Gypsum Company, a company that manufactures, sells, and distributes gypsum wallboard products. Mr. Boor earned an MBA from Harvard University in 1994 and is a Chartered Financial Analyst. Accordingly, the board of directors has determined that Mr. Boor meets the qualifications of an Audit Committee financial expert in accordance with the SEC rules and similar sophistication requirements under the NASDAQ Rules.

The Audit Committee assists the board in its general oversight of (1) the quality and integrity of Cavco's accounting, auditing and financial reporting practices and processes, (2) the financial information to be provided to Cavco stockholders, (3) the systems of disclosure controls and procedures and internal control over financial reporting established by management, the Audit Committee and the board, (4) compliance with Cavco's code of ethics, (5) the independence, qualification and performance of Cavco's independent auditors and (6) Cavco's internal audit process. The Audit Committee Charter provides that the Audit Committee shall perform the following key tasks:

- select, appoint, evaluate, retain, terminate and replace Cavco's independent auditors (subject, if the Audit Committee so determines, to stockholder ratification);

- obtain and review, at least annually, a report by Cavco's independent auditors describing the firm's internal quality-control procedures, any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with such issues;

- receive the applicable written independence disclosures required by the Public Company Accounting Oversight Board, including those disclosures required by Ethics and Independence Rule 3526 (the Independence Report);

- actively engage in a dialogue with the independent auditors with respect to any relationships or services disclosed in the Independence Report or otherwise known to the Audit Committee that may impact the objectivity or independence of the auditor, and recommend that the Board take appropriate action in response to such information to satisfy itself of the auditor's independence;

- review any report made by the Cavco's independent auditors pursuant to Section 10A(k) of the Exchange Act;

- confirm with the independent auditor that the independent auditor is in compliance with the partner rotation requirements established by the SEC;

Table of Contents

review with the independent auditors any audit problems or difficulties and management's response; and preapprove all auditing services, audit engagement fees and terms and permitted non-audit services provided to Cavco by its independent auditors (subject to the de minimis exceptions for certain non-audit services set forth in Section 10A(i)(1)(B) of the Exchange Act), provided that the Audit Committee may delegate to one or more subcommittees the authority to grant approvals of audit and permitted non-audit services.

The Audit Committee also reviews Cavco's corporate compliance program. The Audit Committee meets separately with the independent auditors, outside the presence of Cavco's management or other employees, to discuss matters of concern, to receive recommendations or suggestions for change and to exchange relevant views and information. During the last fiscal year, the Audit Committee met six times. Every member attended each of the meetings.

Report of the Audit Committee

In accordance with its written charter, the primary function of the Audit Committee is to assist the board in fulfilling its responsibility for oversight of: (i) the quality and integrity of Cavco Industries Inc.'s (Cavco) accounting, auditing, and financial reporting practices and processes; (ii) the financial information to be provided to the stockholders of Cavco; (iii) the systems of disclosure controls and procedures and internal control over financial reporting established by management, the Committee and the Board; (iv) compliance with Cavco's Code of Conduct; (v) the independent auditors' qualifications and independence; (vi) the performance of Cavco's independent auditors; and (vii) the internal audit process.

Management is responsible for Cavco's financial reporting process, including the system of internal controls, and for the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. The independent accountants are responsible for auditing and rendering an opinion on Cavco's consolidated financial statements, as well as auditing certain aspects of the Cavco's internal controls. The Audit Committee's responsibility is to monitor these processes.

In discharging its duties, the Audit Committee has: (i) reviewed and discussed Cavco's audited Consolidated Financial Statements as of and for the year ended March 31, 2010 with our management; (ii) discussed with the independent registered public accounting firm the matters required to be discussed by Statement of Auditing Standards No. 114, The Auditor's Communication with Those Charged with Governance (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; (iii) received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the audit committee concerning independence; (iv) discussed with the independent registered public accounting firm such independent registered public accounting firm's independence; and (v) discussed with management critical accounting policies and the processes and controls related to the President and Chief Executive Officer and the Chief Financial Officer financial reporting certifications required by the SEC and the Sarbanes-Oxley Act of 2002 to accompany Cavco's periodic filings with the SEC. Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the Consolidated Financial Statements referred to above be included in Cavco's Annual Report on Form 10-K for the year ended March 31, 2010.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The purpose of this compensation discussion and analysis is to provide information about each material element of compensation that we pay or award to, or that is earned by, our named executive officers. For fiscal year 2010, our named executive officers were Joseph H. Stegmayer, our Chairman, Chief Executive Officer, and President; and Daniel L. Urness, our Chief Financial Officer, Vice President, and Treasurer.

Overview

Our executive compensation program for our named executive officers is relatively uncomplicated, consisting of cash compensation comprised of base salary, and either a cash bonus or non-equity incentive compensation, as well as awards of options to purchase shares of our common stock or grants of restricted stock. Generally, we do not offer perquisites to our named executive officers. We do not have a defined benefit pension plan or any other similar retirement plan; however, our named executive officers are permitted to participate in Cavco's 401(k) plan and other health and welfare programs that are generally available for all other full-time employees.

Table of Contents

Compensation Policies and Practices as they Relate to Risk Management

The Compensation Committee has reviewed Cavco's compensation policies and practices for its employees as they relate to risk management and has determined that such policies and practices are not reasonably likely to have a material adverse effect on Cavco.

Compensation Committee

Our Compensation Committee of our board of directors reviews and approves, or recommends to the board for approval, all salary and other remuneration for our executive officers and oversees matters relating to our employee compensation and benefit programs.

Benchmarking

Market pay levels are one of many elements used by Cavco to maintain competitive pay opportunities for our named executive officers. For fiscal year 2010, we considered our compensation peer group for benchmarking the Chief Executive Officer and Chief Financial Officer compensation to include the following companies: Cavalier Homes; Champion Enterprises, Inc.; Coachmen Industries, Inc.; Fleetwood Enterprises, Inc.; Palm Harbor Homes, Inc.; and Skyline Corporation. These peers were chosen because each is publicly traded manufactured housing company.

In connection with its compensation decisions for Fiscal Year 2010, the Compensation Committee used peer group compensation information as guidance to ascertain whether our Chief Executive Officer and Chief Financial Officer base salaries and incentive compensation are generally aligned with those positions in the peer group. The Committee did not decide that the compensation for the named executives should be a specified percentage above or below, or equal to, the comparable compensation for the peer group. However, the Compensation Committee did note that the compensation of its senior management was below that paid to executives of most peer group companies.

While the Compensation Committee does review peer group compensation information, it is not the sole factor it considers in setting executive compensation. The Compensation Committee also takes into account other factors, including an executive's compensation history, experience, performance, tenure, and Cavco's performance.

Role of Compensation Consultants

The Compensation Committee has authority to retain compensation consultants in determining or recommending executive or director compensation pursuant to its written charter (including the sole authority to approve such consultant's fees and other retention terms). The Compensation Committee did not engage a compensation consultant during fiscal year 2010 and relied primarily on its analysis of peer group performance and compensation data.

Role of Management in Establishing and Awarding Compensation

The Compensation Committee annually reviews and approves the base salary levels and incentive opportunity levels for Cavco's named executive officers. Following the conclusion of each fiscal year, the Compensation Committee then makes a recommendation of incentive compensation awards to be paid to the named executive officers. Upon this recommendation, the board makes all final compensation decisions related to our named executive officers. In addition, our Chief Executive Officer, with the assistance of the Human Resources Department and General Counsel, regularly provides information and recommendations to the Compensation Committee on the performance of the Chief Financial Officer, appropriate levels and components of compensation, including equity grants, as well as such other information as the Compensation Committee may request.

Following the conclusion of a fiscal year, the Compensation Committee reviews and makes recommendations to the board with respect to incentive compensation awards for the Chief Executive Officer and the other members of senior management of Cavco, including awards under short-term and long-term incentive compensation plans. To assist the Compensation Committee with its review, management provides the Compensation Committee with peer group performance results and compensation data and other information as requested by the Compensation Committee. The board then reviews the recommendations of the Compensation Committee and considers the approval of such incentive compensation awards.

Table of Contents

Objectives of Cavco's Compensation Programs

Cavco's executive compensation program is structured to achieve the following objectives:

to attract, retain and motivate highly qualified, energetic and talented executives necessary for Cavco to deliver consistently superior results;

to create an incentive to increase stockholder returns by establishing a direct and substantial link between individual compensation and certain financial measures that have a direct effect on stockholder values; and

to create substantial long-term compensation opportunities for individual executive officers based not only on long-term corporate performance but also on sustained long-term individual performance.

Components of Executive Compensation

In structuring the specific components of executive compensation, Cavco is guided by the following principles:

compensation programs should be performance based, market driven and stockholder aligned;

annual compensation should be set within reasonable ranges of the annual compensation for similar positions with similarly-sized and similar types of companies that engage in one or more of the principal businesses in which Cavco engages;

bonus payments should vary with the individual's performance and Cavco's financial performance;

a significant portion of compensation should be in the form of long-term, equity-linked incentive compensation that aligns the interests of executives with those of the stockholders and that creates rewards for long-term sustained company performance and the achievement of Cavco's strategic objectives; and

compensation programs should not encourage executives to take unnecessary risks.

The Compensation Committee attempts to structure its compensation programs to the named executive officers as performance-based compensation that is tax deductible. However, the Compensation Committee may award compensation that is or could become non-deductible when such awards are in the best interest of Cavco, balancing tax efficiency with long-term strategic objectives.

Base Salary

The Compensation Committee is responsible for recommending to the board the base salary levels for the named executive officers. In developing salary amounts, the Compensation Committee conducts a general review of salaries for similar positions in our peer group. In setting base salary levels, the Compensation Committee also considers an executive's compensation history, experience, performance, tenure, and potential for significant contributions to Cavco's profitability.

Mr. Stegmayer's employment agreement specifies an initial base salary and requires Cavco to review the base salary at such times as Cavco regularly reviews the compensation being paid to its executives generally (but no less frequently than once each year). Upon completion of such review, Cavco may in its sole discretion adjust Mr. Stegmayer's current base salary; however, Cavco may not decrease Mr. Stegmayer's then current base salary without his prior written consent. Mr. Stegmayer's base salary for fiscal year ended March 31, 2010 was \$236,250. Effective April 1, 2010, Mr. Stegmayer's base salary was increased for the first time since April 1, 2004 to \$300,000 per annum.

Table of Contents

Mr. Urness, who does not have an employment agreement, was paid a base salary of \$175,000 for fiscal year ended March 31, 2010. Effective April 1, 2010, Mr. Urness' base salary was increased to \$190,000 per annum. See the Summary Compensation Table on page 19.

Incentive Bonus

Incentive compensation for Mr. Stegmayer is derived from his employment agreement and is based solely upon Cavco's earnings performance. Mr. Stegmayer receives non-equity incentive compensation (referred to as "bonus" in his employment agreement) in an amount equal to 3% of the first \$2.5 million of pretax income for the fiscal year and 6% of pretax income for the fiscal year in excess of such amount. See the Summary Compensation Table on page 19.

Based on this formula, for the fiscal year ended March 31, 2010, there was no non-equity incentive compensation paid to Mr. Stegmayer.

Incentive Compensation for Mr. Urness is paid at the sole discretion of Cavco's board in accordance with the incentive compensation program that is considered and adopted annually by the Compensation Committee. On November 5, 2009, the Compensation Committee approved the Vice President and Chief Financial Officer Incentive Compensation Plan for Fiscal Year 2010 (the "CFO Incentive Plan") for Mr. Urness, consisting of three components: (i) a specific objectives based bonus of up to \$50,000 to be paid in quarterly installments corresponding to Cavco's fiscal year; (ii) a special projects based bonus of up to \$50,000 to be paid in increments upon completion of certain assigned projects; and (iii) a profit related bonus of up to \$75,000. The specific objectives based bonus is based upon the performance of Mr. Urness and the specific progress made in successfully achieving certain business objectives established by the Compensation Committee and the CEO in the areas of (i) accounting and finance, including the expansion of the internal audit function; (ii) information technology; and (iii) operations. The special projects bonus is related to Mr. Urness' work on projects such as the integration of the Fleetwood Homes assets; development and implementation of an inventory finance program; and other acquisition and corporate development work. The profit based bonus is dependent upon Cavco achieving specific pre-tax income thresholds as follows: (i) for pretax income between \$500,000 and \$999,999 a bonus of up to \$25,000 may be awarded; (ii) for pretax income between \$1,000,000 and \$1,499,000 a bonus of up to \$50,000 may be paid; and (iii) for pretax income of \$1,500,000 and above, a bonus of up to \$75,000 may be paid. For fiscal year 2010, the Compensation Committee awarded Mr. Urness the full specific objectives and special projects based bonuses payable under the CFO Incentive Plan. The specific objectives based bonus was paid in quarterly installments following reviews by the Compensation Committee and Mr. Stegmayer of Mr. Urness's performance in, among other things, financial reporting, advancement of inventory finance initiatives, expansion of the accounting staff, development of Cavco's internal audit function, and progress achieved toward information system related activities. The special projects based bonus awards, also paid in installments, were made following reviews and determinations by the Compensation Committee that certain projects pertaining to corporate development, including among other things, activities related to Cavco's Fleetwood Homes transaction, were satisfactorily completed. In making the performance related awards, the Compensation Committee specifically considered the degree of completion of objective goals and special projects, as well as the quality of the work performed. Mr. Stegmayer, who supervises Mr. Urness and monitors the progress he makes towards satisfying the performance goals, recommended to the Compensation Committee that the full performance bonus be paid. No profit based bonus was paid for fiscal year 2010. See the Summary Compensation Table on page 19.

Long-Term Compensation

The existing stock incentive program of Cavco, which is subject to annual review and may be revised or superseded in the future, is designed to provide incentive to the participants under such program, which include the named executive officers, to focus on maximizing Cavco's return to stockholders and to plan and prepare properly for Cavco's future. Stock options or grants of restricted stock may be granted at the fair market value on the date of the grant under the Cavco Industries, Inc. Stock Incentive Plan, as amended, and the Cavco Industries, Inc. 2005 Stock Incentive Plan, as amended.

Table of Contents

On June 30, 2009, consistent with Cavco's objective of creating incentives for its executive officers to increase stockholder returns by establishing a direct and substantial link to executive compensation, Cavco granted to Mr. Stegmayer a non-qualified option to purchase up to 80,000 shares of common stock and to Mr. Urness a non-qualified option to purchase up to 20,000 shares of common stock, each grant subject to a five year pro-rata vesting schedule commencing on the second anniversary of the grant date. Among other reasons, the primary reasons for the Compensation Committee to make these stock option grants include the following: the date or dates of the most recent equity grants to the named executive officers, the estimated value of the equity grants to the named executive officers (using customary option modeling tools), the contribution of the named executive officers to the successful implementation of strategic goals of the Company, the retentive effect of the equity grants, and the dilutive effect of the equity grants. In determining the size of the awards made, the Compensation Committee did not utilize a set formula but made a grant that it deemed an appropriate level of estimated compensation for the Named Executive Officers based on the factors set forth above. See the Summary Compensation Table on page 19.

Perquisites and Other Compensation

Cavco does not offer perquisites. Mr. Stegmayer's employment agreement does provide for an automobile allowance; however, Mr. Stegmayer has never accepted this allowance. The named executive officers may participate in Cavco's 401(k) plan and other health and welfare programs that are available to all other full-time employees.

Employment, Severance, and Change in Control Agreements

Mr. Stegmayer's employment agreement, as amended on March 26, 2007, provides for: (a) a term ending September 30, 2008, and is automatically extended for successive one-year periods unless the board or Mr. Stegmayer elects not to renew the term by notice to the other at least 90 days prior to the end of the three-year term or any renewal term; (b) an annual base salary of no less than \$225,000; (c) an annual cash bonus in an amount equal to 3% of the first \$2.5 million of pretax income for the fiscal year and 6% of pretax income for the fiscal year in excess of such amount; and (d) certain fringe benefits. During fiscal year 2010, Mr. Stegmayer declined any fringe benefits that are not generally available to salaried employees.

Mr. Stegmayer's employment agreement includes provisions for certain payments to be made upon his termination or resignation. If Cavco terminates Mr. Stegmayer's employment for cause, or if he voluntarily resigns prior to the occurrence of a Change in Control, as defined in the agreement, of Cavco at a time when there is no uncured breach by Cavco of the agreement, then in either case he is entitled to receive only his then current base salary on a pro rata basis to the date of such termination or resignation. If Mr. Stegmayer dies, or becomes disabled, or if Cavco terminates his employment without cause prior to the occurrence of a Change in Control, or if he resigns because of a breach by Cavco of this agreement, then in each case Cavco must continue to pay his base salary for each fiscal year under the remaining term of the employment agreement and the Average Bonus (as defined in the agreement) for such year(s), plus an additional year of base salary, and Average Bonus and health insurance for such additional year. If within two years after the occurrence of a Change in Control of Cavco (a) Cavco terminates Mr. Stegmayer's employment hereunder for any reason other than for cause, or (b) he voluntarily resigns his employment hereunder for any reason, then in each case Cavco must pay to him a lump sum termination payment equal to two times the sum of his then current base salary and Average Bonus.

The table below reflects the amount of compensation that would have been payable to Mr. Stegmayer in the event of termination of his employment, per the terms of his employment agreement. The amounts shown assume that termination was effective as of March 31, 2010, and are estimates of the amounts that would have been paid to Mr. Stegmayer upon his termination. The actual amounts that would be payable can be determined only at the time of termination. We have not included below any accrued but unpaid salary or payment of accrued and vested benefits and unused vacation time, as those amounts would be paid in the event of termination of employment for any reason. Equity awards that are not subject to acceleration and the value of health benefits, which is nominal, are not included below.

Table of Contents

Executive Benefits and Payments Upon Termination	Disability or Death	Termination without Cause prior to a Change in Control or Resignation by Executive due to Breach by Company	Termination without Cause within two years after a Change in Control	Voluntary Resignation after a Change in Control
Base Salary	\$ 354,375	\$ 354,375	\$ 472,500	\$ 472,500
Bonus	\$ 360,045	\$ 360,045	\$ 480,060	\$ 480,060
Total:	\$ 714,420	\$ 714,420	\$ 952,560	\$ 952,560

We do not have a written or oral employment, severance or change in control agreement with Mr. Urness. Certain restricted stock award agreements with Mr. Urness provide for full vesting of all restricted shares in the event of his termination of service, other than as a result of: (i) a termination for cause; (ii) a voluntary resignation when there is no uncured breach by Cavco of any obligation or duty owed by Cavco to him; (iii) disability; or (iv) death. The restricted stock award agreements require that Mr. Urness must have been in continuous service with Cavco since the grant date in order to be eligible for such benefit.

PROPOSAL NO. 2: RE-APPROVAL OF PERFORMANCE GOALS

UNDER THE CAVCO INDUSTRIES, INC. 2005 STOCK INCENTIVE PLAN, AS AMENDED

Section 162(m) of the Internal Revenue Code (Section 162(m)) limits the tax deductibility of annual compensation paid to certain executive officers in excess of \$1 million. Section 162(m) and the applicable regulations provide exemptions to the limitation on the deductibility of compensation, one of which is the performance-based compensation exception. The Cavco Industries, Inc. 2005 Stock Incentive Plan, as amended (the Plan) permits Cavco to grant Performance Awards (which are Cash Awards, Restricted Stock Awards or Stock Unit Awards) that are intended to satisfy the performance-based compensation exception to Section 162(m). Performance Awards must be

granted by the Compensation Committee and are payable only upon achieving one or more Performance Goals which must be based on one or more business criteria set forth in the Plan. The Section 162(m) regulations require that Cavco obtain shareholder approval of the specific business criteria upon which the Performance Goals are based every five years to rely on the performance-based compensation exception to Section 162(m) for the Performance Awards. To comply with the Section 162(m) regulations, the Board asks that the shareholders re-approve the specific business criteria upon which the Performance Goals are based as set forth in the Plan.

Material Terms of the Performance Goals. The Plan permits the grant of the following Awards as Performance Awards that are intended to qualify as performance-based compensation under Section 162(m): Cash Awards, Restricted Stock Awards and Stock Unit Awards. See Section 7 of the Plan for additional information on each of these Awards. The Plan is administered by the Compensation Committee of the Board of Directors of Cavco (the Administrator).

Table of Contents

The material terms of the performance goals for Performance Awards consist of (i) the employees eligible to receive Performance Awards; (ii) the performance criteria on which the performance goals for the Performance Awards are based; and (iii) the maximum payout of a Performance Award that can be paid to a participant pursuant to the Plan.

Eligibility. Awards may be granted under the Plan to certain officers, Directors, and key employees of Cavco and its Affiliates (as defined in the Plan) and individuals who have agreed to become employees of Cavco and its Affiliates and are expected to become such employees within the following six months.

Performance Goals. The Administrator, in its discretion, may designate any Award as a Performance Award that is intended to qualify for the performance-based compensation exception to Section 162(m). If the Administrator designates an Award as a Performance Award, the Administrator must establish the Performance Goal(s) for the Performance Award prior to the earlier to occur of ninety (90) days after the commencement of the period of service to which the Performance Goals relate and the lapse of twenty-five (25) percent of the period of service. The Performance Goal(s) may be based on one or more of the following business criteria:

- operating income;
- operating margin;
- earnings before interest, taxes, depreciation and amortization (EBITDA);
- pre-tax income;
- net income;
- net earnings per share;
- net earnings per share growth;
- return on beginning stockholders' equity;
- return on average net assets;
- total stockholder return relative to other companies in a relevant industry group;
- debt/capitalization ratio; and
- customer satisfaction.

The business criteria on which the Performance Goal(s) is based may apply to the individual receiving the Performance Award, to one or more business units of Cavco or to Cavco and its Affiliates as a whole. A Performance Goal that is based on the above-listed business criteria need not be based upon an increase or positive result under a particular business criterion but may include, for example, maintaining the status quo or limiting economic losses, as measured by reference to such criterion. The Administrator must certify that the Performance Goal(s) applicable to any Performance Award have been satisfied prior to the lapse of restrictions, vesting, or payment of the Performance Award.

Maximum Payout of Performance Awards. The following limitations shall apply to any Performance Awards made under the Plan:

- (a) No individual may be awarded a Restricted Stock Award or Stock Unit Award on shares having a Fair Market Value on the Grant Date of the Award of more than \$1,000,000 in any one-year period; and
- (b) No individual may be awarded a Cash Award having a value of more than \$1,000,000 in any one-year period.

Options. Options granted pursuant to the Plan are deemed to qualify for the performance-based compensation exception to Section 162(m) provided that the Options are granted by the Administrator at Fair Market Value and the number of shares does not exceed the limit set forth in the Plan.

Table of Contents

The foregoing summary of the material terms of the performance goals is qualified in its entirety by reference to the Plan, a copy of which is attached as an annex to the electronic copy of the proxy statement filed with the SEC and may be accessed from the SEC's website at www.sec.gov.

Recommendation of the Board

The Board of Directors unanimously recommends a vote FOR the re-approval of the performance goals under the Cavco Industries, Inc. 2005 Stock Incentive Plan, as amended.

PROPOSAL NO. 3: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Ernst & Young LLP acted as Cavco's independent registered public accounting firm to audit its books and records for fiscal year 2010, and the Audit Committee has appointed Ernst & Young LLP as Cavco's independent registered public accounting firm for fiscal year 2011, subject to ratification by Cavco stockholders.

If the stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP, but still may retain them. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of Cavco and our stockholders.

Representatives of Ernst & Young LLP are expected to be present at the annual meeting, with the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions from Cavco stockholders.

Recommendation of the Board

The Board of Directors unanimously recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as Cavco's independent registered public accounting firm for fiscal year 2011.

AUDIT FEES

The Audit Committee has adopted policies and procedures pre-approving all audit and permissible non-audit services performed by Ernst & Young LLP. Under these policies, the Audit Committee pre-approves the use of audit and specific permissible audit-related and non-audit services up to certain dollar limits. Services that do not come under this authority must be pre-approved separately by the Audit Committee. In determining whether or not to pre-approve services, the Audit Committee determines whether the service is a permissible service under the SEC's rules, and, if permissible, the potential effect of such services on the independence of Ernst & Young LLP.

The aggregate fees billed for professional services by Ernst & Young LLP in the last two fiscal years are as follows:

Type of Fees	Fiscal 2010	Fiscal 2009

Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Options awarded pursuant to this Plan, including the Grant Price, the term of the Options and the date or dates upon which they become exercisable, shall be determined by the Administrator.
- (i) *Option Period.* Options will become exercisable at such time or times not more than seven (7) years from the Grant Date as may be provided by the applicable Award Agreement, subject to the following limits:
 - (A) Except as is otherwise provided in the Award Agreement and as

provided below in this subsection (A), all rights to exercise an Option shall terminate within four (4) months after the date the optionee ceases to be an employee of the Company, or ceases to be a Director, whichever may occur later, for any reason other than death or Disability (but in no event later than the end of the original period of the Option). In the event of an optionee's death, an Option will terminate fifteen (15) months thereafter. In the event of an optionee's Disability and resulting termination of Employment, an Option will terminate six (6) months after such optionee's Employment Termination Date. However, if an Option is held by a Director who, on the date he or she ceases to be a Director (and, if also an employee, ceases to be an employee), has at least ten (10) years of service as a Director, then all Shares subject to such Option will vest on the date the Director ceases to be a Director, and all rights to exercise such Option will terminate three (3) years thereafter.

(B) The Administrator may, in its discretion, grant a new Option or amend an outstanding Option to provide an extended period of time during which an optionee can exercise such Option to the maximum permissible exercise period (seven (7) years from the original Grant Date) for which such Option would have been exercisable in the absence of the optionee's ceasing to be an employee of the Company or ceasing to be a Director. In no case may any Option be exercised later than seven years from the Grant Date. If the Employment of the optionee or the optionee's service as a Director is terminated for cause, the Option shall thereafter be null and void for all purposes.

(ii) *Payment of Option/Exercise Price.* The exercise price of an Option may be paid in cash, by check or wire transfer or, with the consent of the Administrator, by delivery or withholding of Shares, including actual or deemed multiple exchanges of Shares. The exercise price shall be paid at the time of delivery of Shares.

(c) *Restricted Stock Award.* An Award to an officer, key employee, or Director of the Company may be in the form of a Restricted Stock Award which shall be subject to vesting or forfeiture as described below. Cash dividends on Restricted Stock shall be paid directly to the holder of the Restricted Stock Award.

(i) *Vesting of Awards.*

(A) Unless different terms are set by the Administrator, a Restricted Stock Award shall be immediately 25% vested on its Grant Date and shall become vested in cumulative 25% increments on each of the first through third anniversaries of such Grant Date, so that on the third anniversary of the Grant Date the Award will be 100% vested; provided, however, that the Participant must be in continuous Employment from the Grant Date through the date of the applicable anniversary in order for the Restricted Stock Award to vest.

(B) A Participant's Restricted Stock Award shall be fully vested, irrespective of the limitations set forth in subparagraph (A) above, in the event of (i) a Change in Control, as provided for in Section 8 below, provided that the Participant has been in continuous Employment from the Grant Date until the date of such Change in Control or (ii) Retirement of the Participant.

(ii) *Forfeiture of Restricted Stock Awards.* Except as otherwise provided in subsection (i) above and the applicable Award Agreement, if a Participant's Employment is terminated for any reason, the Participant shall forfeit his or her Restricted Stock Award(s) with respect to any portion that is not vested as of such Participant's Termination Date and such portion will be transferred at no cost to Cavco Industries unless otherwise determined by the Administrator. Prior to vesting, a Restricted Stock Award, with the approval of the Administrator, shall be fully vested on the date selected by the Administrator on or after the date the Participant satisfies the definition of Disability.

(iii) *Removal of Restrictions.* As soon as practicable following a determination that a Participant's Restricted Stock Award is vested, but not later than five (5) business days after the date of such vesting, Cavco Industries shall remove the employment-related restrictions from the Shares except that no fractional Shares will be issued and in lieu thereof cash will be paid to the Participant.

(d) *Stock Unit Award.* An Award to an officer, key employee, or Director of the Company may be in the form of a Stock Unit Award. The term of a Stock Unit Award shall run from the Grant Date to the Expiration Date, subject to early Payout or forfeiture as described below. Credit for cash dividends on Stock Units will not be allowed (or accrued) prior to the Payout.

(i) *Vesting of Awards.*

(A) Unless different terms are set by the Administrator, a Stock Unit Award shall be immediately 25% vested on its Grant Date and shall become vested in cumulative 25% increments on each of the first through third anniversaries of such Grant Date, so that on the third anniversary of the Grant Date the Award will be 100% vested; provided, however, that the Participant must be in continuous Employment from the Grant Date through the date of the applicable anniversary in order for the Stock Unit Award to vest.

(B) A Participant's Stock Unit Award shall be fully vested, irrespective of the limitations set forth in subparagraph (A) above, in the event of (i) a Change in Control, as provided for in Section 8 below, provided that the Participant has been in continuous Employment from the Grant Date until the date of such Change in Control or (ii) Retirement of the Participant.

(ii) *Forfeiture of Stock Unit Awards.* Except as otherwise provided in subsection (i) above and the applicable Award Agreement, if a Participant's Employment is terminated for any reason, the Participant shall forfeit his or her Stock Unit Award(s) with respect to any portion that is not vested as of such Participant's Termination Date and such portion will be transferred at no cost to Cavco Industries unless otherwise determined by the Administrator.

(iii) *Payouts of Stock Unit Awards.* Payouts will occur as follows:

(A) *Automatic Payout on Expiration Date.* When a Participant's Stock Unit Award has vested, such Award shall have an automatic Payout on the Expiration Date of such Stock Unit Award.

Table of Contents

(B) *Early Payouts.* In addition to automatic Payout on the Expiration Date, there may be an early Payout of the vested portion of a Stock Unit Award as follows:

(1) *Termination of Employment (whether voluntary or involuntary).* The vested portion of each Stock Unit Award shall have an automatic Payout on the Participant's Termination Date.

(2) *Death.* If a Participant dies prior to the Expiration Date, such Participant's Stock Unit Award, to the extent vested, shall have an automatic Payout as of the date of the Participant's death and be made to the Participant's Beneficiary.

(3) *Disability.* Prior to the Expiration Date, a Stock Unit Award, with the approval of the Administrator, shall both be fully vested and have an automatic Payout on the date selected by the Administrator on or after the date the Participant satisfies the definition of Disability.

(4) *Early Payout Request.* A Participant may request that the Administrator consider an early Payout to him or her with respect to any vested portion of a Stock Unit Award. The Administrator will consider such request at such time as it deems appropriate and determine in its sole and absolute discretion whether to allow such early Payout, and then notify the Participant of its decision.

(iv) *Form of Payout.* As soon as practicable following a determination that Payout of a Participant's Stock Unit Award shall be made as described in paragraph (iii), but not later than five (5) business days after the required Payout Date, Cavco Industries shall make a Payout to the Participant. All Payouts shall be made in Shares except that no fractional Shares will be issued and in lieu thereof cash will be paid to the Participant.

(v) *Delivery of Share Certificates.* As promptly as may be practicable following a Payout, Cavco Industries shall make delivery of one or more Share certificates, either by delivery of a physical certificate or an electronic transfer to a broker, for the appropriate number of Shares.

(e) *Performance Award.* The Administrator may determine that an Award will be subject to restriction until one or more pre-established, objective performance goals established by the Administrator have been achieved. With respect to any such Award, the restrictions will lapse and the Award will vest only upon achievement of the goals. A performance goal may be based on one or more business criteria that apply to the recipient, one or more business units of Cavco Industries or the Company as a whole, and may include one or more of the following criteria: operating income, operating margin, earnings before interest, taxes, depreciation and amortization (EBITDA), pre-tax income, net income, net earnings per Share, net earnings per Share growth, return on beginning stockholders' equity, return on average net assets, total Shareholder return relative to other companies in a relevant industry group, debt/capitalization ratio and customer satisfaction. A performance goal need not be based upon an increase or positive result under a particular business criterion but may include, for example, maintaining the status quo or limiting economic losses, as measured by reference to such criterion. Performance goals must be established prior to the earlier to occur of ninety (90) days after the commencement of the period of service to which the goals

relate and the lapse of twenty-five (25) percent of the period of service. Prior to the lapse of any applicable restrictions and the vesting of any Award based on the achievement of performance goals, the Administrator must determine that the applicable performance goals were, in fact, satisfied.

(f) Notwithstanding anything contrary contained in this Plan, the following limitations shall apply to any Awards made hereunder:

(i) No individual may be awarded Options (including Options awarded as Performance Awards) that are exercisable for more than 250,000 Shares in any one-year period;

(ii) No individual may be awarded a Restricted Stock Award or Stock Unit Award subject to performance goals designed to comply with Section 162(m) of the Code on shares having a Fair Market Value on the Grant Date of the Award of more than \$1,000,000 in any one-year period (the limitation set forth in this clause (ii), together with the limitation set forth in clause (i) above, being hereinafter referred to as the Stock Based Awards Limitations); and

(iii) No individual may be awarded a Cash Award subject to performance goals designed to comply with Section 162(m) of the Code having a value of more than \$1,000,000 in any one-year period.

8. **Change in Control.** Notwithstanding the provisions of Section 7 hereof, unless otherwise expressly provided in the applicable Award Agreement, or as otherwise specified in the terms of an Award, in the event of a Change in Control during a Participant's employment (or service as a nonemployee Director) with the Company or one of its Affiliates, each Award granted under this Plan to the Participant shall become immediately vested and fully exercisable, with performance-based awards vested at target level (regardless of the otherwise applicable vesting or exercise schedules or performance goals provided for under the Award Agreement or the terms of the Award); provided however, that this Section 8 shall not apply with respect to Awards that have expired or been terminated, canceled or forfeited.

9. **Tax Withholding.** Cavco Industries may satisfy withholding obligations with respect to any Award or Payout by retaining, or accepting delivery by the Participant of, at the time of Award or Payout, or the exercise or vesting of an Award, as appropriate, a number of Shares, based on the Fair Market Value on such date, for payment of taxes required by law.

10. **Non-Assignability.** Unless otherwise determined by the Administrator and provided in the applicable Award Agreement, no Award or Payout or any other benefit under this Plan shall be assignable or otherwise transferable except to a Beneficiary or by will, the laws of descent and distribution or a domestic relations order, and during the lifetime of the optionee the Option may be exercised only by the optionee or the optionee's guardian or legal representative. The Administrator may prescribe other restrictions on transfer. Any attempted assignment of an Award or any other benefit under this Plan in violation of this Section 10 shall be null and void.

11. **Changes in Shares and Certain Corporate Transactions.**

(a) The existence of outstanding Awards shall not affect in any manner the right or power of Cavco Industries or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the capital stock of Cavco Industries or its business or any

merger or consolidation of Cavco Industries, or any issue of bonds, debentures, preferred or prior preference stock (whether or not such issue is prior to, on a parity with or junior to the existing Shares) or the dissolution or liquidation of Cavco Industries, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding of any kind, whether or not of a character similar to that of the acts or proceedings enumerated above.

(b) In the event of any subdivision or consolidation of outstanding Shares, declaration of a dividend payable in Shares or other stock split, then (i) the number of Shares reserved under this Plan, (ii) the number of Shares covered by outstanding Awards, (iii) the Grant Price or other price in respect of such Awards, (iv) the appropriate Fair Market Value and other price determinations for such Awards, and (v) the Stock Based Awards Limitations shall each be proportionately adjusted by the Board as appropriate to reflect such transaction. In the event of any other recapitalization or capital reorganization of Cavco Industries, any consolidation or merger of Cavco Industries with another corporation or entity, the adoption by Cavco Industries of any plan of exchange affecting Shares or any distribution to holders of Shares of securities or property (other than normal cash dividends or dividends payable in Shares), the Board shall make appropriate adjustments to (x) the number of Shares reserved under this Plan and (y)(i) the number of Shares covered by Awards, (ii) the Grant Price or other price in respect of such Awards, (iii) the appropriate Fair Market Value and other price determinations for such Awards, and (iv) the Stock Based Awards Limitations to reflect such transaction; provided that such adjustments shall only be such as are necessary to maintain the proportionate interest of the holders of the Awards and preserve, without increasing, the value of such Awards. In the event of a merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Administrator shall be authorized (x) to issue new Awards in substitution for previously issued compensatory awards, including Awards, as deemed appropriate by the Board or (y) to reflect the assumption of, any other compensatory award (including Awards), whether or not awarded under the Plan.

12. **Requirements of Law.** Notwithstanding anything herein to the contrary, Cavco Industries shall not be required to issue Shares under any Award if the issuance thereof would constitute a violation by the Participant or Cavco Industries of any provisions of any law or regulation of any governmental authority or any national securities exchange, automated quotation system or other self regulated organization, and as a condition of any issuance of Shares under any Award, Cavco Industries may require such agreements or undertakings, if any, as Cavco Industries may deem necessary or advisable to ensure compliance with any such law or regulation.
13. **Amendment, Suspension or Termination.** The Board may amend, modify, suspend or terminate this Plan for the purpose of meeting or addressing any changes in legal requirements or for any other purpose permitted by law, except that (i) no amendment or alteration that would adversely affect the rights of any Participant under any Award previously granted to such Participant shall be made without the consent of such Participant and (ii) no amendment or alteration shall be effective prior to its approval by the stockholders of Cavco Industries to the extent such approval is required by applicable legal requirements or the requirements of the securities exchange on which Cavco Industries' stock is listed or automated quotation system or other self regulated organization to which such stock is admitted for trading.
14. **Unfunded Plan.** This Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants representing Awards, any such accounts shall be used merely as a bookkeeping convenience. Cavco Industries shall not be required to segregate any assets that may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall Cavco Industries, the Board or the Administrator be deemed to be a trustee of any Awards to be granted under this Plan. Any liability or obligation of Cavco Industries to any

Participant with respect to a grant of Awards under this Plan shall be based solely upon any contractual obligations that may be created under this Plan, and no such liability or obligation of Cavco Industries shall be deemed to be secured by any pledge or other encumbrance on any property of Cavco Industries. None of Cavco Industries or any other Company, the Board or the Administrator shall be required to give any security or bond for the performance of any obligation that may be created by this Plan.

Notwithstanding the foregoing, upon the occurrence of a Change in Control each company whose employees are Participants shall, as soon as possible, but in no event longer than 15 days following the Change in Control, make an irrevocable contribution to a trust established by Cavco Industries in an amount sufficient to fully pay the entire benefit to which each Participant employed by such company would be entitled pursuant to the terms of this Plan as of the date on which such Change in Control occurs. In its sole discretion, Cavco Industries may establish such a trust at any time prior to a Change in Control and may make contributions to such trust in Shares or in cash which would be used to acquire Shares to transfer to Participant. Any such trust shall be designed to assist Cavco Industries in satisfying its obligations under this Plan; but it shall remain subject to the claims of its creditors.

15. **No Employment Guaranteed.** No provision of this Plan or any Award Agreement hereunder shall confer any right upon any employee to continued Employment with the Company.
16. **No Stockholder Rights.** A recipient of an Option shall have no rights as a holder of the Shares subject thereto unless and until the Option has been exercised in accordance with this Plan and the Award Agreement. Unless specifically provided otherwise in the applicable Award Agreement, and in accordance with the terms of the Plan, the recipient of any Restricted Stock Award shall be the record owner of such Shares, and have all the rights of a stockholder with respect to such Shares, including the right to vote and the right to receive dividends or other distributions made or paid with respect to such Shares.
17. **Governing Law.** This Plan and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by mandatory provisions of the Act or other securities laws of the United States, shall be governed by and construed in accordance with the laws of the State of Delaware, without reference to any conflicts of law principles thereof that would require the application of the laws of another jurisdiction.
18. **Indemnification.** Neither the members of the Board nor any member of the Compensation Committee, acting in the capacity of Administrator, shall be liable for any act, omission or determination taken or made in good faith with respect to the Plan or any Award granted under it, and the members of the Board and the Administrator shall be entitled to indemnification and reimbursement by Cavco Industries in respect of any claim, loss, damage or expense (including counsel fees) arising therefrom to the full extent permitted by law and under any directors and officers liability or similar insurance coverage that may be in effect from time to time.
19. **Release.** Any issuance or transfer of Shares or other payment to a Participant or to his legal representative, heir, legatee or distributee in accordance with the provisions hereof shall, to the extent thereof, be in full satisfaction of all claims of such persons hereunder. The Board or Administrator may require any Participant or legal representative, heir, legatee or distributee, as a condition precedent to such payment, to execute a release and receipt therefor in such form as it shall determine.
