-

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(d) On July 1, 2010, Vanda Pharmaceuticals Inc. (the Company) announced that, based upon the recommendation of the Nominating/Corporate Governance Committee of the Board of Directors, the Board has elected Steven K. Galson, M.D., age 53, as a director, with his initial term expiring at the Company's 2012 annual meeting of stockholders, effective as of July 1, 2010. In connection with Dr. Galson's election, and pursuant to the Company's bylaws, the Board has increased the number of directors to seven.

Dr. Galson is the Senior Vice President for Civilian Health Operations at Science Applications International Corporation (SAIC), a scientific, engineering and technology applications company. Prior to joining SAIC, Dr. Galson was the Acting U.S. Surgeon General. Prior to that, Dr. Galson was the Director of the Food and Drug Administration's Center for Drug Evaluation and Research. Dr. Galson also held executive positions in the U.S. Environmental Protection Agency, U.S. Department of Energy and the Centers for Disease Control and Prevention's National Institute for Occupational Safety and Health. Dr. Galson received his Bachelor of Science degree in biochemistry from the State University of New York at Stony Brook, his Doctor of Medicine degree from the Mt. Sinai School of Medicine and his Master of Public Health degree from the Harvard School of Public Health.

Pursuant to the Company's outside director compensation program, Dr. Galson will be granted an option to purchase 35,000 shares of the Company's common stock at an exercise price equal to the closing price per share of the common stock on July 1, 2010, the date on which he joins the Board. Such option will vest in equal monthly installments over a period of four years from the date of the grant, except that in the event of a change of control the option will accelerate and become immediately exercisable. Dr. Galson will also receive a \$25,000 annual fee and \$2,500 for each Board meeting he attends in person (\$1,250 for meetings attended by telephone). In addition, he will be eligible to receive, upon the conclusion of each annual meeting of stockholders, an option to purchase 15,000 shares of the Company's common stock. Such annual option will vest in equal monthly installments over a period of one year from the date of grant, except that in the event of a change of control the option will accelerate and become immediately exercisable. The outside director compensation program is described in further detail in the Company's Definitive Proxy Statement for its 2010 annual meeting of stockholders filed with the Securities and Exchange Commission on April 28, 2010. Dr. Galson and the Company will also enter into an indemnification agreement requiring the Company to indemnify him to the fullest extent permitted under Delaware law with respect to his service as a director. The indemnification agreement will be in the form entered into with the Company's other directors and executive officers. This form is filed as Exhibit 10.11 to the Company's Registration Statement on Form S-1 (File No. 333-130759), as originally filed on December 29, 2005.

The Board has determined that Dr. Galson is an independent director in accordance with applicable rules of the Securities and Exchange Commission and The Nasdaq Global Market.
