Exhibit A

Dear Channel Partner,

As you know, we announced on Monday that ArcSight has entered into a definitive agreement to be acquired by HP. While we see many merits and opportunities for shared growth after the closing of this transaction, I want to assure you that our relationship with you continues on the same basis and reassure you that our commitment to you as well as our customers remains paramount. With respect to our valued channel partners, we remain totally committed to our channel program and in particular the deal registration process. Once again, ArcSight's Channel Program remains in force and any and all Deal registrations that have been received and/or approved will be treated within the existing, published rules and guidelines.

We want to be unequivocal about our position on this matter as well as our relationship with you and will reinforce the fact that, until this transaction closes, ArcSight remains an independent and separate legal and business entity. We will keep you informed of developments as they emerge. Once again, your relationship with ArcSight is extremely important and I urge you to contact Mark Boullie, General Manager and Vice President Americas, Iain Chidgey, Managing Director, EMEA or Albert Kuo, General Manager and Vice President, Asia Pacific if you have any questions about this matter.

Thank you for your ongoing partnership and support.

Sincerely,

Tom Reilly, President and CEO

ArcSight
