We offer a full range of banking services and financial products through our subsidiary banks: currently, The State Bank, Davison State Bank and West Michigan Community Bank. USE OF PROCEEDS

We have no basis for estimating precisely the prices at which the shares of our common stock will be sold. However, we propose to use the net proceeds from the sale of shares of common stock pursuant to the plan, when and as received, for general corporate purposes, including investments in or advances to our subsidiaries.

DESCRIPTION OF THE PLAN

The Fentura Financial, Inc. Amended and Restated Automatic Dividend Reinvestment Plan is described in the following questions and answers. The plan was originally approved by our board of

Table of Contents

directors on October 25, 2001, and became effective as of December 14, 2001. We have currently reserved 200,000 shares of our authorized and unissued common stock for issuance under the plan. All shares of our common stock issued and to be issued pursuant to the plan have been or will be, when issued, fully paid and nonassessable.

1. WHAT IS THE PURPOSE OF THE PLAN AND WHAT ARE ITS ADVANTAGES?

The plan offers a convenient and economical way for the record holders of our common stock to increase their ownership of shares of our common stock without incurring brokerage commissions or service charges and without having to pay full dealer mark-ups, if any.

To the extent that shares purchased under the plan are purchased from our authorized and unissued shares of common stock, we will use the proceeds of the sale for working capital or other general corporate purposes including investments in or advances to our subsidiaries.

A participant in the plan may:

- (a) automatically reinvest cash dividends of all shares of common stock;
- (b) automatically reinvest cash dividends of less than all shares of our common stock and continue to receive cash dividends on remaining shares;
- (c) avoid trading fees, service charges or other fees in connection with purchases under the plan;
- (d) avoid record keeping requirements and costs for any and all shares held by the Transfer Agent through the free custodial service and reporting provisions of the plan.

2. WHO ADMINISTERS THE PLAN AND WHAT REPORTS WILL PARTICIPANTS RECEIVE CONCERNING THE PLAN?

Illinois Stock Transfer Company will administer the plan and will directly purchase shares of our common stock from us or make market purchases of our common stock under the plan for the participants. Illinois Stock Transfer Company will send each participant a statement as soon as practicable following each purchase of shares of our common stock. Illinois Stock Transfer Company will also provide plan participants with copies of any amendments to the plan and any prospectuses relating to the plan together with information for reporting dividend income for Federal income tax purposes. Illinois Stock Transfer Company will maintain shares purchased under the plan as book entry non-certificated securities. This means that paper certificates for shares purchased under the plan will not be issued or sent to participants, to protect participants from loss, theft or destruction of stock certificates, unless a participant requests otherwise (see Question Number 10: WILL CERTIFICATES BE ISSUED TO PLAN PARTICIPANTS FOR SHARES PURCHASED? below).

All inquiries, notices, requests and other communications by participants concerning the plan should be sent to:
Illinois Stock Transfer Company
209 W. Jackson Blvd., Suite 903
Chicago, Illinois 60606
312-427-2953 or 800-757-5755

Table of Contents

We reserve the right to delegate the administration of the plan at any time and without prior notice to plan participants.

3. WHO IS ELIGIBLE TO PARTICIPATE IN THE PLAN?

Any shareholder of record owning not greater than 9.9% of the outstanding shares of our common stock in his or her own name is eligible to participate in the plan. If any shareholder's stock is registered in street name through their broker or in the name of a nominee and that shareholder wishes to participate in the plan, it will be necessary for him or her to withdraw his or her shares from street name or other registration and register the stock in his or her own name.

4. HOW DOES AN ELIGIBLE STOCKHOLDER PARTICIPATE?

Any eligible shareholder may participate in the plan at any time by completing a Shareholder Authorization Form and returning it to Illinois Stock Transfer Company. The Shareholder Authorization Form will direct Illinois Stock Transfer Company to apply cash dividends from shares of our common stock, owned of record by the participant and designated in the Shareholder Authorization Form, to be used to purchase shares of our common stock. If a Shareholder Authorization Form is received later than the record date for a cash dividend, the dividend will be paid to the participant in cash and participation in the plan will begin as of the next dividend payment date. A new Shareholder Authorization Form, decreasing or increasing the amount of stock subject to the plan, may be submitted at any time.

Shareholders may choose to either:

Use the cash dividends paid on ALL shares of our common stock owned by the participant at the dividend record date to purchase as many shares as possible.

Use the cash dividends paid on ONLY A SPECIFIED NUMBER of shares (rounded to the nearest whole share) of our common stock owned by the participant at the dividend record date to purchase as many shares as possible, with the remaining dividend paid to the participant by check.

5. WHEN WILL FUNDS BE INVESTED UNDER THE PLAN?

Cash dividends (if any) will be invested within a reasonable time after the dividend payment date.

6. WHAT IS THE SOURCE OF SHARES PURCHASED UNDER THE PLAN?

Shares purchased under the plan may come from our authorized and unissued shares, if we deem it advisable, or come from shares purchased in the open market. Any market purchases may be in negotiated transactions and may be on such terms as Illinois Stock Transfer Company may determine.

7. WHAT IS THE PURCHASE PRICE OF THE SHARES?

The purchase price of shares purchased pursuant to the plan will be at the Current Market Price, as defined below. If shares of authorized but unissued common stock are purchased directly from us with a participant's cash dividends, the Current Market Price will be the average of the closing bid and asked prices during the five trading days immediately preceding the dividend payment date. If purchases are made in the open market, the Current Market Price will be the weighted average price of the shares purchased for all plan participants in respect to a particular dividend payment date.

Table of Contents

8. HOW MANY SHARES OF OUR COMMON STOCK WILL BE PURCHASED FOR A PARTICIPANT?

The number of shares of our common stock to be purchased depends on the amount of the participant's dividends and the price paid for the shares. Dividends designated by a participant will be used to purchase as many shares as possible. (See Question Number 4: HOW DOES AN ELIGIBLE STOCKHOLDER PARTICIPATE? above).

9. ARE ANY FEES OR EXPENSES INCURRED BY PARTICIPANTS IN THE PLAN?

Plan participants will not be responsible for payment of any brokerage commissions or fees or service charges in connection with the purchase of shares of our common stock under the plan whether their shares are newly issued or purchased on the open market.

10. WILL CERTIFICATES BE ISSUED TO PLAN PARTICIPANTS FOR SHARES PURCHASED?

Normally, paper certificates for shares purchased under the plan will not be issued to plan participants. Instead, shares purchased for each participant will be credited to his or her shareholder account that Illinois Stock Transfer Company maintains and held in book entry form for safety and convenience. However, we may elect or a participant may choose (by written notice to Illinois Stock Transfer Company) to have certificates for any number of shares credited to a participant's account furnished to that participant without affecting his or her participation in the plan.

11. HOW DOES A PARTICIPANT WITHDRAW FROM THE PLAN?

A participant may withdraw from the plan at any time by notifying the Transfer Agent in writing. If a participant's request to withdraw is received before a dividend record date, the amount of the dividend which would have otherwise been applied for the purchase of shares of our common stock on the related dividend payment date and all subsequent dividends will be paid to the withdrawing participant unless he or she re-enrolls in the plan (see Question Number 4:

HOW DOES AN ELIGIBLE STOCKHOLDER PARTICIPATE? above). If the request is received on or after the record date, but before the dividend payment date, shares will be purchased for the participant's account and, as a result, the procedure outlined below for delivery of certificates, sale of shares and cash payments will be followed.

When a participant withdraws from the plan, he or she may request that a certificate for the whole shares credited to his or her account under the plan be issued to the participant. If the participant's account contains fractional shares, a cash payment equal to the fair market value of the common stock, as determined by us, multiplied by such fraction, together with certificates for the whole shares, will be mailed directly to the participant. A participant may not request that Illinois Stock Transfer Company sell the whole shares credited to his or her plan account or that we purchase any whole shares.

Generally, it will require ten days to two weeks from the time notice of withdrawal from the plan is received until share certificates and the cash payment for any fractional shares are mailed to a participant. A longer time is required if the notice is received between a dividend record date and the dividend payment date.

Table of Contents

An eligible shareholder may again become a participant at any time following his or her withdrawal by following the procedures then in effect for enrollment in the plan (see Question Number 4: HOW DOES AN ELIGIBLE STOCKHOLDER PARTICIPATE? above).

12. WHAT HAPPENS IF WE ISSUE A STOCK DIVIDEND, DECLARE A STOCK SPLIT, OR HAVE A RIGHTS OFFERING?

Stock dividends in the form of common stock or split shares we distribute on shares of common stock held in book entry form for a participant will be credited to the participant's shareholder account. Certificates for stock dividends and split shares distributed on shares of our common stock that are held in certificate form by and in the name of the participant will be mailed directly to that participant. In the event of a subscription rights offering or a dividend in the form of stock other than our common stock, such rights or such stock will be mailed directly to participants in the plan in the same manner as to holders of our common stock not participating in the plan.

13. WHO VOTES THE SHARES HELD IN THE PLAN?

Each plan participant will, for all purposes, be the record owner of all shares standing in his or her name, and will have full voting rights as to all whole shares held by that participant, the same as if a paper certificate had been issued to each participant.

14. WHAT IS THE TAX STATUS OF REINVESTED CASH DIVIDENDS AND SHARES OF OUR COMMON STOCK ACQUIRED THROUGH THE PLAN?

Participants are advised to consult their own tax advisors with respect to the tax consequences of their participation in the plan. The reinvestment of cash dividends does not relieve the participant of any income tax payable on such dividends. In general, we believe that stockholders who participate in the plan will have the same Federal and state income tax consequences with respect to dividends payable to them, as any other holder of our common stock. A plan participant will be treated for Federal income tax purposes as having received, on each dividend payment date, a dividend equal to the full amount of the cash dividend payable with respect to the participant's shares, even though that amount is not actually received by the participant in cash but, instead, is applied to the purchase of additional shares of our common stock for the participant's account under the plan. Each year a participant will receive all required Federal income tax statements which reflect the dividends paid on shares of our common stock registered in the participant's name and the dividends paid on the participant's credited shares of our common stock under the plan.

Generally, any service fees paid on a participant's behalf are not subject to income taxes. Also, when open market purchases of our common stock are made, the pro-rata share of any brokerage fees attributable to such purchases will be included in the per-share price. The participant's tax basis for each share is the per-share price.

A participant will not realize any taxable income upon receipt of certificates for shares of our common stock acquired through the plan. Gain or loss may also be recognized by a participant when shares of our common stock are sold by the participant after withdrawal from the plan. The amount of such gain or loss will be the difference between the amount a participant receives for such shares and the purchase cost thereof. Statements of a participant's plan account should be retained by the participant to help determine the tax basis of shares of our common stock acquired through the plan.

15. WHAT IS OUR RESPONSIBILITY UNDER THE PLAN?

Table of Contents

Neither Illinois Stock Transfer Company nor Fentura Financial, Inc., shall be liable in administering the plan for any act done in good faith, or for any good faith omission to act, including, without limitation, any claims of liability: (1) arising out of failure to terminate the participant's plan account upon such participant's death prior to receipt of notice in writing of such death; (2) with respect to the prices at which shares of our common stock are purchased or sold for the participant's plan account and the time when such purchases or sales are made (provided, however, that nothing herein shall be deemed to constitute a waiver of any rights that a participant might have under the federal or applicable state securities laws); and (3) for any fluctuations in the market price after purchase or sale of shares of our common stock.

16. WHO INTERPRETS AND REGULATES THE PLAN?

Our board of directors reserves the right to interpret and regulate the plan.

17. MAY THE PLAN BE AMENDED OR DISCONTINUED?

Our board of directors may suspend, amend, or terminate the plan at any time. Plan participants will be notified of any such suspension, amendment or termination.

INDEMNIFICATION

The Michigan Business Corporation Act and provisions of the Bylaws of Fentura Financial, Inc. (Corporation) provide for indemnification of our directors and officers in a variety of circumstances against liabilities arising in connection with the performance of their duties. The Corporation's Bylaws provide that its directors and officers are to be indemnified as of right to the fullest extent permitted under the Michigan Business Corporation Act (MBCA). Under the MBCA, directors, officers, employees or agents are entitled to indemnification against expenses (including attorneys' fees) whenever they successfully defend legal proceedings brought against them by reason of the fact that they hold such a position with the corporation. In addition, with respect to actions not brought by or in the right of the corporation, indemnification is permitted under the MBCA for expenses (including attorneys' fees), judgments, fines, penalties and reasonable settlement if it is determined that the person seeking indemnification acted in a good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders and, with respect to criminal proceedings, he or she had no reasonable cause to believe that his or her conduct was unlawful. With respect to actions brought by or in the right of the corporation, indemnification is permitted under the MBCA for expenses (including attorneys' fees) and reasonable settlements, if it is determined that the person seeking indemnification acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders; provided, indemnification is not permitted if the person is found liable to the corporation, unless the court in which the action or suit was brought has determined that indemnification is fair and reasonable in view of all the circumstances of the case.

In addition to the available indemnification referenced above, the Corporation's Articles of Incorporation, as amended, limit the personal liability of the members of its Board of Directors for monetary damages with respect to claims by the Corporation or its shareholders resulting from certain negligent acts or omissions.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Corporation pursuant to the foregoing provisions, the Corporation has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.
