**Item 4. Purpose of Transaction**

The disclosure in Item 4 is hereby amended and supplemented by adding the following:

On August 25, 2003, Janus, DST and DST Output Marketing Services, Inc. ( OMS ), a wholly owned subsidiary of DST, entered into a share exchange agreement, pursuant to which, upon the satisfaction of the terms and conditions set forth in such agreement, DST will acquire from Janus 32.3 million shares of DST Common Stock (27.9 % of the outstanding shares) in exchange for all of the stock of OMS, which is part of DST's Output Solutions segment. At the time of the exchange, OMS will hold an operating commercial printing and graphics design business and additional cash to approximately equalize the value of the operating business and the DST shares being exchanged. Upon completion of the transaction, Janus will still own approximately 7.4 million shares of DST Common Stock (approximately 9% of the outstanding shares, on a pro forma basis) but DST will hold a proxy to vote those shares. The agreement also provides for certain restrictions on the acquisition and/or disposition of shares of DST Common Stock by Janus following the completion of the transaction.

Janus and DST have agreed that the exchange value of the DST shares at closing will be determined based on the average price of DST Common Stock during the twenty trading day period prior to the close of the transaction, but at not less than \$30.00 per share nor more than \$34.50 per share. On this basis, and including the value of its other assets, OMS would have an approximate aggregate value of between \$969 million to \$1.114 billion, and its assets at closing would include cash of approximately \$854 million to \$999 million.

The definitive agreement is subject to a number of closing conditions, including DST stockholder approval, Hart-Scott-Rodino clearance and the receipt of final tax opinions. Subject to satisfaction of those conditions, the transaction is expected to close in the fourth quarter of 2003.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Share Exchange Agreement which is filed as Exhibit A hereto and incorporated by reference.

**Item 5. Interest in Securities of the Issuer.**

Janus directly holds 39,724,052 shares of Common Stock of DST.
