**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

We have been unable to complete our Quarterly Report on Form 10-Q for the quarter ended June 30, 2006 within the prescribed timeframe. As previously reported, the filing of our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 was delayed until June 9, 2006 due primarily to certain complex accounting issues and the delay in the year-end audit, and the filing of our Quarterly Report on Form 10-Q for the quarter ended March 31, 2006 was delayed until August 10, 2006 due to these same factors, as well as personnel shortages in our accounting and finance organization that were exacerbated by the resignation of our Chief Financial Officer in June 2006. Our personnel also lacked certain required skills and competencies to oversee the accounting operations and perform certain important control functions. These same factors have resulted in our inability to complete our Quarterly Report on Form 10-Q for the quarter ended June 30, 2006 within the prescribed timeframe. We are continuing our efforts to remediate personnel shortages in our accounting and finance organization.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes ☐ No ☐

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes ☐ No ☐

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

We currently anticipate that our results of operations for the quarter ended June 30, 2006, to be reported in the Quarterly Report on Form 10-Q to which this filing relates, will reflect significant changes from the prior year, unrelated to the causes for the delay described in Part III. We currently expect to report that our total revenues for the quarter ended June 30, 2006 were approximately \$12.7 million, compared with approximately \$15.5 million for the quarter ended June 30, 2005. The anticipated decrease in total revenues was due primarily to a decline in services revenue. We currently expect to report that our total operating expenses for the quarter ended June 30, 2006 were approximately \$7.6 million, compared with approximately \$12.2 million for the quarter ended June 30, 2005. The anticipated decrease in operating expenses was due primarily to reduced headcount.

This Notification of Late filing on Form 12b-25 contains forward-looking statements, including statements regarding our financial results for the quarter ended June 30, 2006. These statements are based on current expectations as of the date of this filing and involve a number of risks and uncertainties, which results may differ materially from those indicated by these forward-looking statements. These risks include, without limitation, risks related to our ability to complete our quarter-end financial statement preparation and other risks detailed in our filings with the Securities and Exchange Commission.
