Introductory Note.

This Current Report on Form 8-K is being filed in connection with the completion, on March 1, 2019 (the “Closing Date”), of the Merger (defined below) contemplated by the Agreement and Plan of Merger, dated as of November 6, 2018 (the “Merger Agreement”), by and among Investment Technology Group, Inc., a Delaware corporation (the “Company” or “ITG”), Virtu Financial, Inc., a Delaware corporation (“Virtu”), and Impala Merger Sub, Inc., a Delaware corporation and an indirect wholly owned subsidiary of Virtu (“Merger Sub”). At the effective time of the Merger (the “Effective Time”), in accordance with the Merger Agreement, Merger Sub merged with and into the Company, with the Company surviving as an indirect wholly owned subsidiary of Virtu (the “Merger”). At the Effective Time, each share of Company common stock, par value \$0.01 per share (“Company Common Stock”), issued and outstanding immediately prior to the Effective Time (other than certain shares specified in the Merger Agreement) was cancelled and converted into the right to receive \$30.30 in cash without interest (the “Merger Consideration”), less any applicable withholding taxes. Shares of Company Common Stock ceased trading on the New York Stock Exchange (the “NYSE”) prior to the open of trading on March 1, 2019.

At the Effective Time, (i) each outstanding and unexercised stock option of the Company was converted into an option to purchase Class A common stock, par value \$0.00001 per share, of Virtu (“Virtu Common Stock”), with the number of shares of Virtu Common Stock and the exercise price applicable to such option based on an exchange ratio, the numerator of which is the Merger Consideration, and the denominator of which is the volume-weighted average price per share of Virtu Common Stock for the ten trading days prior to the Effective Time of \$25.4696 (the “Exchange Ratio”); (ii) each outstanding award of restricted stock units or deferred stock units with respect to shares of Company Common Stock (other than awards with performance-based vesting or delivery requirements) (a “Company RSU Award”) that was granted on or after January 23, 2017 and was not held by a non-employee director, former employee or employee whose employment was being terminated involuntarily without cause immediately following the Effective Time was converted into the right to receive restricted stock units of Virtu on the same terms and conditions as were applicable under the Company RSU Award, with the number of shares of Virtu Common Stock subject to such replacement restricted stock unit award based on the number of shares of Company Common Stock subject to such Company RSU Award and the Exchange Ratio; (iii) each outstanding Company RSU Award other than those described in the preceding clause (ii) became fully vested and converted into the right to receive the Merger Consideration with respect to the number of shares of Company Common Stock subject to such Company RSU Award; (iv) each outstanding award of restricted stock units with respect to shares of Company Common Stock with performance-based vesting or delivery requirements (a “Company PSU Award”) that was granted on or after January 23, 2017 and was not held by a non-employee director, former employee or employee whose employment was being terminated involuntarily without cause immediately following the Effective Time was converted into the right to receive restricted stock units of Virtu on the same terms and conditions as were applicable under the Company PSU Award (other than the performance-based vesting schedule, which was converted into a service-based vesting schedule in accordance with the applicable award agreement), with the number of shares of Virtu Common Stock subject to such replacement restricted stock unit award based on the number of shares of Company Common Stock deemed earned at the Effective Time and the Exchange Ratio; and (v) each outstanding Company PSU Award other than those described in the preceding clause (iv) became fully vested and converted into the right to receive the Merger Consideration with respect to the number of shares of Company Common Stock deemed earned at the Effective Time.

Pursuant to the Merger Agreement, Virtu financed the Merger Consideration with new debt financing.
