EXPLANATORY NOTE

ChevronTexaco Corporation, a Delaware corporation (the Registrant), filed a Registration Statement on Form S-8 (File No. 333-72672) (the Registration Statement) on November 1, 2001, related to the following securities registered in connection with the Registrant's employee benefit plans: (i) 80,504,336 shares of its common stock, par value \$0.75 per share, issuable pursuant to the Texaco Inc. Stock Incentive Plan, the Employees Thrift Plan of Texaco Inc., the Texaco Puerto Rico Inc. Retirement Savings Plan, the Chevron Corporation Profit Sharing/Savings Plan, the Chevron Corporation Long-Term Incentive Plan, the Chevron Corporation Restricted Stock Plan for Non-Employee Directors, the Chevron Corporation Salary Deferral Plan for Management Employees, the Chevron Corporation Management Incentive Plan, the Employees Savings Plan of Caltex Corporation and the Employees Thrift Plan of Fuel and Marine Marketing LLC and (ii) the Deferred Compensation Obligations in the amount of \$545,477,354 issuable pursuant to the Texaco Inc. Director and Employee Deferral Plan, the Chevron Corporation Long-Term Incentive Plan, the Chevron Corporation Salary Deferral Plan for Management Employees and the Chevron Corporation Management Incentive Plan.

The Chevron Corporation Profit Sharing/Savings Plan has been amended, restated and renamed the ChevronTexaco Corporation Employee Savings Investment Plan; the Employees Savings Plan of Caltex Corporation has been amended, restated and renamed Employees Savings Plan of ChevronTexaco Global Energy Inc.; the Chevron Corporation Long-Term Incentive Plan has been amended, restated and renamed the ChevronTexaco Corporation Long-Term Incentive Plan; the Chevron Corporation Salary Deferral Plan for Management Employees has been amended, restated and renamed the ChevronTexaco Corporation Deferred Compensation Plan for Management Employees; the Chevron Corporation Management Incentive Plan has been amended, restated and renamed the Management Incentive Plan of ChevronTexaco Corporation; and the Chevron Corporation Restricted Stock Plan for Non-Employee Directors has been amended and renamed the ChevronTexaco Corporation Restricted Stock Plan for Non-Employee Directors.

In addition, effective April 1, 2002, all outstanding deferred compensation obligations of the ChevronTexaco Corporation Long-Term Incentive Plan and the Management Incentive Plan of ChevronTexaco Corporation have been transferred to and assumed by the ChevronTexaco Corporation Deferred Compensation Plan for Management Employees and shall be governed by its terms. All future deferrals of awards under the ChevronTexaco Corporation Long-Term Incentive Plan and the Management Incentive Plan of ChevronTexaco Corporation shall be credited to bookkeeping accounts maintained pursuant to and governed by the terms of the ChevronTexaco Corporation Deferred Compensation Plan for Management Employees. Consequently, effective April 1, 2002, neither the ChevronTexaco Corporation Long-Term Incentive Plan nor the Management Incentive Plan of ChevronTexaco Corporation will offer securities of the Registrant in the form of deferred compensation obligations (or corresponding issuances of common stock of the Registrant to fulfill certain deferred compensation obligations at the option of the participant). In addition, as awards under the Management Incentive Plan of ChevronTexaco Corporation are solely in the form of cash payments, and effective April 1, 2002, the plan will no longer offer securities of the Registrant in the form of deferred compensation obligations, the Management Incentive Plan of ChevronTexaco Corporation will no longer maintain registration hereunder.

All remaining deferred compensation obligations registered hereunder are unsecured obligations of the Registrant to pay deferred compensation in the future in accordance with the terms of the Texaco Inc. Director and Employee Deferral Plan and the ChevronTexaco Corporation Deferred Compensation Plan for Management Employees.

This Post-Effective Amendment No. 1 is being filed to amend and restate the descriptions under Part II, Item 4 of securities registered under such amended plans. This Post-Effective Amendment also amends and restates certain footnotes to the registration fee table. This Post-Effective Amendment affects only those provisions of the Registration Statement specifically restated herein; all other provisions of the Registration Statement remain unchanged.

AMENDMENT OF ITEM 4 OF PART II

Part II, Item 4 of the Registration Statement is hereby amended and restated in its entirety to read as follows:

Item 4. Description of Securities.

The Common Stock of ChevronTexaco Corporation is registered under section 12 of the Securities Exchange Act of 1934, and accordingly, no description is provided hereunder.

Table of Contents

Deferred Compensation Obligations

An aggregate principal amount of \$545,477,354 of deferred compensation obligations have been registered pursuant to the Registration Statement. Further amounts may be registered and issued as new or existing plan participants elect to defer portions of their compensation in subsequent years.

Texaco Inc. Director and Employee Deferral Plan

ChevronTexaco Corporation (the Registrant) will assume Texaco Inc.'s obligations under the Texaco Inc. Director and Employee Deferral Plan (the Texaco Deferral Plan) to provide directors and eligible current and retired key employees (Eligible Employees) the opportunity to request that the Registrant defer payment of cash amounts which may otherwise have been or become payable to such director or employee as salary, fees or amounts payable under certain former Texaco Inc. employee benefits plans. The obligations of the Registrant to pay such deferred amounts to the participants in the Texaco Deferral Plan in the future in accordance with the terms of the Texaco Deferral Plan (the Obligations) will be unsecured general obligations of the Registrant and will rank pari passu with other unsecured and unsubordinated indebtedness of the Registrant from time to time outstanding. Under the Texaco Deferral Plan, there is no limitation on the Registrant's right to issue senior debt or other securities.

The amount to be deferred by each Eligible Employee will be determined in accordance with the Texaco Deferral Plan based on elections by the participant. Each Obligation will be payable on a date selected by the participant in accordance with the terms of the Texaco Deferral Plan. The Obligations will either accrue interest at a formula rate or will be indexed to one or more mutual funds as chosen by each Eligible Employee. The Obligations will be denominated and payable in United States dollars.

An Eligible Employee's right or the right of any other person to the Obligations cannot be assigned, transferred, pledged, or encumbered except by a written designation of a beneficiary under the Texaco Deferral Plan, by written will, or by the laws of descent and distribution.

The Obligations are not subject to redemption, in whole or in part, prior to the individual payment dates specified by the participant, at the option of the Registrant or through operation of a mandatory or optional sinking fund or analogous provision.

The Obligations are not convertible into another security of the Registrant. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Registrant. No trustee has been appointed having the authority to take action with respect to the Obligations and each participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any requests for consents, waivers or amendments pertaining to the Obligations, enforcing covenants and taking action upon a default.

The Registrant reserves the right to amend or terminate the Texaco Deferral Plan at any time, except that no such amendment or termination shall adversely affect the right of a participant to the balance of his or her deferred account as of the date of such amendment or termination. The Texaco Deferral Plan will remain in effect until it is terminated.

ChevronTexaco Corporation Deferred Compensation Plan for Management Employees

The ChevronTexaco Corporation Deferred Compensation Plan for Management Employees (the Deferred Compensation Plan) is an unfunded deferred compensation plan. The securities to be issued under the Deferred Compensation Plan constitute general obligations of the Registrant and will be offered to eligible participants (Eligible Employees) in the Deferred Compensation Plan, the ChevronTexaco Corporation Long-Term Incentive Plan (the Long-Term Incentive Plan) and the Management Incentive Plan of ChevronTexaco Corporation (the Management Incentive Plan) as described below.

Eligible Employees are eligible for designation as participants by the Management Compensation Committee of the Board of Directors of the Registrant (the Committee) or any successor thereto. Eligible Employees include executive and other key employees, including officers (whether or not directors) of the Registrant or a subsidiary who hold positions of significant responsibility or whose performance or potential contribution, in the judgment of the Committee, would benefit the future success of the Registrant and whom the Registrant designates to participate

Table of Contents

in the Deferred Compensation Plan. Each Eligible Employee who makes a Deferral Election (as defined below) available under the terms of the Management Incentive Plan or the Long-Term Incentive Plan automatically becomes a participant in the Deferred Compensation Plan.

An Eligible Employee may elect to defer either a percentage of his or her base salary for each plan year or all of his or her base salary in excess of \$1 million annually (a Deferral Election). The minimum amount that an Eligible Employee may defer in any plan year is 5% of base salary (1% effective for Deferral Elections for 2003 and later years). The maximum amount that an Eligible Employee may defer in any plan year is the lesser of (i) 50% of base salary or (ii) the amount of the Eligible Employee's base salary in excess of the limitations on earnings imposed under section 401(a)(17) of the Internal Revenue Code of 1986, as amended, for the applicable plan year. In the event of a change in control, Eligible Employees who previously had not made Deferral Elections are given an opportunity to defer the payment of base salary to be paid following a change in control.

The Registrant will maintain a deferral account (the Deferral Account) for each Eligible Employee. All of the Eligible Employee's deferrals will be credited to this Deferral Account. In addition, all amounts which had been credited to a deferred account maintained for an Eligible Employee pursuant to the Long-Term Incentive Plan or the Management Incentive Plan as of March 31, 2002, were credited to the Eligible Employee's Deferral Account as of April 1, 2002. The Deferral Accounts are bookkeeping entries only; no assets of the Registrant have been set aside to fund the Registrant's obligations under the Deferred Compensation Plan. The Deferral Accounts do not give a participant any interest in or claim to any specific asset of the Registrant, nor shall they be deemed to create a trust for the benefit of the participant. The Eligible Employee's status is at all times that of a general unsecured creditor of the Registrant.

The value of the deferred portion will be determined by crediting the Deferral Account with such earnings, gains and losses as would have accrued to the Eligible Employee's Deferral Account had such funds actually been invested and reinvested in one or more of certain Investment Funds maintained in the ChevronTexaco Corporation Employee Savings Investment Plan and specified pursuant to the Deferred Compensation Plan. Such investment election may be made in whole percentages totaling 100% of the deferred amount. Distributions from the Deferral Accounts shall be made as provided the Deferred Compensation Plan, unless the Committee approves a participant's request for an alternate form of distribution in accordance with the terms. In the event of a participant's death, such participant's Deferral Account shall be distributed to his or her designated beneficiary at such time or times as the Committee shall determine in its sole discretion. To the extent that at the time of distribution the value of the participant's Deferral Account is determined with reference to the ChevronTexaco Stock Fund in the ChevronTexaco Corporation Employee Savings Investment Plan, that portion of the Deferral Account shall be distributed in shares of ChevronTexaco Stock; the remaining balance of the Deferral Account shall be distributed in cash.

In the event that the balance of an Eligible Employee's Deferral Account on the date of his or her termination of employment is less than \$50,000, then payment shall be made in a lump sum as soon as reasonably practicable after the last business day of the calendar quarter following the calendar quarter in which the Eligible Employee's employment terminated.

Amounts paid under the Deferred Compensation Plan will be paid, subject to the Eligible Employee's Deferral Election, either from the general funds of the Registrant or in shares of Common Stock of the Registrant, and each participant and his beneficiaries have the status of unsecured general creditors of the Registrant with no special or prior right to any assets of the Registrant for payment of any obligations under the Deferred Compensation Plan. Except as otherwise provided by law, Deferred Compensation Plan benefits are not assignable, may not be used as security for loans or otherwise alienated and are exempt from the claims of participants' creditors and other claimants. Under the Deferred Compensation Plan, there is no limitation on the Registrant's right to issue senior debt or other securities. No events of default exist under the Deferred Compensation Plan nor is any absence of default evidence required.

The Board may, at any time and for any reason, amend or terminate the Deferred Compensation Plan. However, any amendment of the Deferred Compensation Plan will be subject to the approval of the Registrant's stockholders to the extent required by applicable law, regulations or rules. No amounts will be deferred under the Deferred Compensation Plan after its termination, but the termination of the plan will not affect any previously deferred amounts. The Deferred Compensation Plan will remain in effect until it is terminated.
