ITEM 5. OTHER EVENTS.

In late 2002, a number of putative class action lawsuits were filed against Broadwing and certain of its former officers. As the Company has previously disclosed, plaintiffs in these lawsuits alleged purported violations of the securities laws. While the outcome of any litigation is uncertain, the Company believes that it possesses meritorious defenses to the allegations contained in those lawsuits.

Last month, plaintiffs' counsel in these securities actions filed an amended consolidated complaint that contains additional allegations, including allegations relating to the Company's recognition of revenue from network construction agreements in 2000 and 2001. The Company is currently investigating the new allegations contained in plaintiffs' amended consolidated complaint.
