Item 7.01 Regulation FD Disclosure

On Friday, October 6, 2006, John Moroney, the president of Landmark Financial Corporation (Landmark) and the investment banker to IGI, Inc. (the Company), inadvertently disclosed to Mergers and Acquisitions Report and Source Media Inc. that some of Landmark spast strategic clients may be interested in IGI, although he declined to name any particular firms. IGI had previously announced, on Sep. 27, that it had retained Landmark Financial Corporation to act as its financial advisor to assist the Company in exploring strategic alternatives to realize the Company's potential. These alternatives could include, but are not limited to, raising additional development capital for IGI, and/or the combination, sale or merger of the Company. To date, IGI has had preliminary discussions with third parties. There can be no assurances that IGI will be successful in finding a strategic partner or alternative.
