ITEM 1.01– Entry into a Material Definitive Agreement

Combination with Hawaiian Telcom

Agreement and Plan of Merger

On July 9, 2017, Cincinnati Bell Inc. (the “Company”), Twin Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of the Company (“Hawaiian Merger Sub”), and Hawaiian Telcom Holdco, Inc., a Delaware corporation (“Hawaiian Telcom”) entered into an Agreement and Plan of Merger (the “Hawaiian Telcom Merger Agreement”) providing for the combination of the Company and Hawaiian Telcom. Subject to the terms and conditions of the Hawaiian Telcom Merger Agreement, Hawaiian Merger Sub will be merged with and into Hawaiian Telcom with Hawaiian Telcom becoming a wholly-owned subsidiary of the Company (the “Hawaiian Telcom Merger”).

As a result of the Hawaiian Telcom Merger, each outstanding share of Hawaiian Telcom’s common stock, par value \$0.01 (“Hawaiian Telcom Common Stock”), will be converted into the right to receive, at the holder’s election and subject to proration as set forth in the Hawaiian Telcom Merger Agreement and as described below:

- (i) 1.6305 common shares, par value \$0.01 per share, of the Company (the “Company Common Shares”) (the “Share Consideration”);
- (ii) 0.6522 Company Common Shares and \$18.45 in cash, without interest (the “Mixed Consideration”); or
- (iii) \$30.75 in cash, without interest (the “Cash Consideration”).

Hawaiian Telcom stockholders who elect to receive the Share Consideration or the Cash Consideration will be subject to proration to ensure that the aggregate number of Company Common Shares to be issued by the Company in the Hawaiian Telcom Merger and the aggregate amount of cash to be paid in the Hawaiian Telcom Merger will be the same as if all electing stockholders received the Mixed Consideration.

Any Hawaiian Telcom stockholder who does not make an election will be treated as having elected to receive the Mixed Consideration.

The consummation of the Hawaiian Telcom Merger is subject to customary conditions, including: (i) the adoption of the Hawaiian Telcom Merger Agreement by Hawaiian Telcom’s stockholders; (ii) the expiration or early termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) the receipt of any required consents or approvals from (a) the Federal Communications Commission (“FCC Consents”), (b) state public service and state public utility commissions (“State Consents”) and (c) local regulators in connection with the provision of telecommunications and media services (“Local Consents”); (iv) the effectiveness of a registration statement on Form S-4 to be filed by the Company for the issuance of the Company Common Shares in connection with the Hawaiian Telcom Merger; (v) the approval of the listing of such Company Common Shares on the New York Stock Exchange; and (vi) the absence of any legal restraint preventing the consummation of the Hawaiian Telcom Merger or imposing any Burdensome Condition (as defined in the Hawaiian Telcom Merger Agreement) on the consummation of the Hawaiian Telcom Merger.

The consummation of the Hawaiian Telcom Merger is not conditioned on the consummation of the OnX Merger (which is described below) and the consummation of the OnX Merger is not conditioned on the consummation of the Hawaiian Telcom Merger.

The Hawaiian Telcom Merger Agreement contains customary representations and warranties, most of which are reciprocal between the Company and Hawaiian Telcom. The Hawaiian Telcom Merger Agreement also contains

customary covenants, including certain covenants requiring that each of the parties: (i) use reasonable best efforts to cause the Hawaiian Telcom Merger to be consummated, including with regard to receiving antitrust approval and the required FCC Consents, State Consents and Local Consents; and (ii) conduct their business in the ordinary course consistent with past practice during the period between the execution of the Hawaiian Telcom Merger Agreement and the consummation of the Hawaiian Telcom Merger. In addition, each of the Company and Hawaiian Telcom is subject to certain additional customary interim operating covenants. Further, subject to certain exceptions, Hawaiian Telcom is prohibited from soliciting alternative transactions and from entering into discussions with, and providing information to, any person in connection with a potential alternative transaction. In addition, Hawaiian Telcom is required to call and hold a special stockholders' meeting and, subject to certain exceptions, recommend the adoption of the Hawaiian Telcom Merger Agreement.

The Hawaiian Telcom Merger Agreement contains certain termination rights and provides that upon the termination of the Hawaiian Telcom Merger Agreement under specified circumstances, including a change in the recommendation of Hawaiian Telcom's board of directors, Hawaiian Telcom will be required to pay the Company a cash termination fee of \$11.94 million.

The Hawaiian Telcom Merger Agreement also provides that upon the consummation of the Hawaiian Telcom Merger the Company's board of directors will be expanded from nine to eleven directors consisting of nine directors from the Company and two directors from Hawaiian Telcom. Leigh R. Fox, the current Chief Executive Officer of the Company, will remain as Chief Executive Officer of the Company.

The foregoing description of the Hawaiian Telcom Merger Agreement is not complete and is qualified in its entirety by reference to the Hawaiian Telcom Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Accordingly, the Hawaiian Telcom Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Hawaiian Telcom Merger Agreement, and not to provide investors with any other factual information regarding the Company, Hawaiian Telcom or their respective subsidiaries or businesses. Each party’s obligation to consummate the OnX Merger is conditioned upon the expiration or termination of the applicable waiting period (and any extension thereof) under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and other customary closing conditions. Completion of the transaction does not require the approval of the Company’s shareholders. The OnX Merger Agreement also contains certain termination rights, including the right of either the Company or the Seller to terminate the OnX Merger Agreement if the closing has not occurred on or before December 31, 2017.

The OnX Merger Agreement contains customary representations, warranties and covenants, including certain customary operating restrictions on the conduct of the business of OnX and its subsidiaries during the period from the execution of the OnX Merger Agreement to the closing of the OnX Merger. In connection with the entry into the OnX Merger Agreement the Company also entered into a customary indemnification agreement with OnX and with certain equity holders of OnX.
