QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

The following are some questions that you, as a shareholder of Dragon, may have regarding matters being considered at the annual shareholders' meeting and the answers to those questions.

What is the purpose of the Annual Meeting?

The purpose of the annual meeting is to allow you to vote on the election for directors.

Who is entitled to vote?

Only shareholders of record at the close of business on April 11, 2006 (the Record Date), are entitled to vote at the meeting, or any postponements or adjournments of the meeting.

What are the Board's recommendations on the proposals?

The Board recommends a vote FOR each of the nominees for director.

How do I vote?

Sign and date each proxy card you receive and return it in the postage-prepaid envelope enclosed with your proxy materials. If you are a registered shareholder and attend the meeting, you may deliver your completed proxy card in person.

If your shares are held by your broker or bank, in "street name," you will receive a form from your broker or bank seeking instructions as to how your shares should be voted. If you do not instruct your broker or bank how to vote, your broker or bank will vote your shares if it has discretionary power to vote on a particular matter.

Who will count the votes?

Our Secretary will count the votes and act as the inspector of election. Our transfer agent, Computershare Trust Company of Canada, will count the proxies and provide this information at the time of the meeting.

What shares are included on the proxy card(s)?

The shares on your proxy card(s) represent ALL of your shares. If you do not return your proxy card(s), your shares will not be voted.

What does it mean if I get more than one proxy card?

If your shares are registered differently and are in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all your shares are voted. We encourage you to have all accounts registered in the same name and address (whenever possible). You can accomplish this by contacting our transfer agent, Computershare Trust Company of Canada

Edgar Filing: DRAGON PHARMACEUTICAL INC - Form DEF 14A

((604) 661-9400), or, if your shares are held in "street name," by contacting the broker or bank who holds your shares.

5

How many shares can vote?

There were 62,878,004 shares of common stock issued and outstanding as of the Record Date. Every shareholder is entitled to one vote for each share of common stock held.

What is a "quorum"?

A "quorum" is a majority of the outstanding shares entitled to vote and attending the meeting. They may be presented in person or represented by proxy. For the purposes of determining a quorum, shares held by brokers or nominees for which we receive a signed proxy will be treated as present even if the broker or nominee does not have discretionary power to vote on a particular matter or if instructions were never received from the beneficial owner. These shares are called "broker non-votes." Abstentions will be counted as present for quorum purposes.

What do I need to do now?

After you have carefully read this proxy statement, indicate on your proxy card how you want your shares voted, then sign and mail the proxy card in the enclosed postage-prepaid return envelope marked "Proxy" as soon as possible so that your shares may be represented and voted at the meeting.

Can I change my vote after I have mailed my signed proxy card?

Yes. There are three ways for you to revoke your proxy and change your vote. First, you may send a written notice to our secretary stating that you would like to revoke your proxy. Second, you may complete and submit a new proxy card. Third, you may vote in person at the meeting.

What is required to approve the proposal?

For the election of the directors, once a quorum has been established, the nominees who receive the plurality of votes will be elected as our directors.

If a broker indicates on its proxy that it does not have discretionary authority to vote on a particular matter, the affected shares will be treated as not present and not entitled to vote with respect to that matter, even though the same shares may be considered present for quorum purposes and may be entitled to vote on other matters.

What happens if I withhold my vote?

Proxies marked "withheld" will be counted as shares present for the purpose of determining the presence of a quorum, but for purposes of determining the outcome of a proposal, shares represented by such proxies will not be treated as affirmative votes.

If my shares are held by a broker, will the broker vote my shares for me?

Your broker will vote your shares according to the instructions you provide to your broker about how to vote. You should instruct your broker how to vote your shares in accordance with the directions your broker provides. If you do not instruct your broker how to vote, your broker will vote your shares if it has discretionary power to vote on a particular matter. Failure to provide

Edgar Filing: DRAGON PHARMACEUTICAL INC - Form DEF 14A

instructions to your broker on items that the broker does not have discretionary power to vote will result in your shares not being voted.

6

How will we solicit proxies?

The enclosed proxy is solicited on behalf of our board of directors. We will distribute this proxy statement and solicit votes. The cost of soliciting proxies, which will be conducted by mail, will be borne by us. These costs will include the expense of preparing and mailing proxy solicitation materials for the meeting and reimbursements paid to brokerage firms and others for their reasonable out-of-pocket expenses for forwarding proxy solicitation materials to shareholders. Proxies may also be solicited in person, by telephone, or by facsimile by our directors, officers and employees without additional compensation.

Whom should I contact with questions or to obtain additional copies of this proxy statement?

The Compensation Committee acts on executive compensation policies and procedures and other compensation-related items that are corporate in nature. The Compensation Committee is comprised solely of independent directors (as defined in the NASD rules) and met one time during the last year.

The Board does not have a nominating committee. However, all of our directors participate in the consideration of director nominees. Candidates may come to the board's attention through current directors, management, shareholders or other persons. Candidates are evaluated at regular or special meetings of the board and may be considered at any point during the year. The board may take such measures that it considers appropriate in connection with its evaluation of a candidate, including candidate interviews, inquiry of the person recommending the candidate, engagement of an outside search firm to gather additional information, or reliance on the knowledge of the members of the board or management.

We do not have a policy with regard to the consideration of any director candidates recommended by security holders. However, the board will review correspondence and other communications it receives from security holders and, therefore, is of the view that it is appropriate for us not to have such a policy. The board will consider candidates recommended by security holders and will do so upon their receipt of information that includes the candidates name
