INTRODUCTION

This Information Statement is being mailed or otherwise furnished to shareholders of Franklin Wireless Corp., a California corporation (the "Company"), in connection with the prior receipt by the Company of approval by written consent of the holders of a majority of the Company's Common Stock of a proposal (the "Proposal") to approve an amendment (the "Amendment") to the Certificate of Incorporation of the Company to increase the authorized capitalization of the Company to 1,200,000,000 shares of Common Stock.

## Edgar Filing: FRANKLIN WIRELESS CORP - Form PRE 14C

This Information Statement is being first sent to shareholders on or about December , 2006. The Company anticipates that the Amendment will become effective on or about January , 2007.

### VOTE REQUIRED

The vote required to approve the Proposal was the affirmative vote of the holders of a majority of the Company's voting capital stock. Each holder of Common Stock is entitled to one vote for each share held.

The record date for purposes of determining the number of outstanding shares of Common Stock of the Company, and for determining shareholders entitled to vote, was the close of business on November 10, 2006 (the "Record Date"). As of the Record Date, the Company had outstanding 897,040,050 shares of Common Stock. Holders of the shares have no preemptive rights. All outstanding shares are fully paid and nonassessable.

### GENERAL

On September 11, 2006, the Board of Directors approved, subject to shareholder approval, an Amendment to the Company's Certificate of Incorporation to increase the number of shares of Common Stock the Company is authorized to issue from 900,000,000 to 1,200,000,000 shares,

On December 7, 2006, the Proposal was approved by written consent of holders of 543,014,627 shares, constituting a majority of the Company's Common Stock.

The proposal will be effectuated by amending paragraph (a) of Article 5 of the Company's Articles of Incorporation to read as follows:

5. (a) The corporation is authorized to issue two classes of stock, designated "Common Stock" and "Preferred Stock," respectively. The number of shares of Common Stock authorized to be issued is One Billion Two Hundred Million (1,200,000,000), and the number of shares of Preferred Stock authorized to be issued is Ten Million (10,000,000).

The Amendment will become effective upon filing the Amendment to the Company's Articles of Incorporation with the California Secretary of State, anticipated to be approximately 21 days after this Information Statement has been distributed to the Company's shareholders.

The Board of Directors of the Company believes that the Amendment is advisable and in the best interests of the Company and its shareholders. Except for outstanding warrants and stock options, the Company has no current commitments or obligations to issue any of the additional shares. The additional shares of Common Stock to be authorized may be issued for any proper corporate purpose, including acquiring other businesses or technologies in exchange for shares, entering into joint venture arrangements with other companies in which Common Stock is part of the consideration, stock splits or stock dividends, raising capital through the sale of Common Stock, and attracting and retaining valuable employees by the issuance of stock options or use of stock-based employee benefit plans.

The authorized but unissued shares of Common Stock will be available for issuance from time to time as may be deemed advisable or required for various purposes by the Board of Directors. The Board of Directors will be able to authorize the issuance of shares for these transactions without the necessity and related costs and delays of a special shareholders' meeting or consent.

## Edgar Filing: FRANKLIN WIRELESS CORP - Form PRE 14C

Although the amendment will increase the number of shares of authorized Common Stock, it will not immediately result in any change of the voting power or of the equity percentages of the Company owned by the shareholders prior to the issuance of any new shares of Common Stock. The amendment to increase the authorized shares of Common Stock is not intended to have any anti-takeover effect and is not part of any series of any anti-takeover measures. However, shareholders should note that the availability of additional authorized but unissued shares of Common Stock could make any attempt to gain control of the Company or the Board of Directors more difficult or time-consuming and that the availability of additional authorized but unissued shares of Common Stock might make it more difficult to remove management. The Company is not aware of any proposed attempt to take over the Company or of any plans to acquire a large block of the Company's Common Stock.

### ACTION BY WRITTEN CONSENT

Pursuant to Section 603 of the California General Corporation Law ("CGCL"), any action which may be taken at any meeting of the Shareholders may also be taken without a meeting and without prior notice and without a vote, if a consent in writing, setting forth the action so taken, is signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted (here, a majority of the outstanding shares of Common Stock of the Company) and delivered to the Company.

The Company's Bylaws provide that the Board of Directors may fix, in advance, a date not more than sixty nor less than ten days before the date then fixed for the holding of any meeting of the Shareholders of the Company (or before the last day on which the consent of the shareholders may be effectively expressed for any purpose without a meeting), as the time as of which the shareholders entitled to notice of and to vote as such meeting or whose consent is required or may be expressed for any purpose, as the case may be, shall be determined, and all persons who were Shareholders of record of Common Stock at such time, and no others, shall be entitled to notice of and to vote at such meeting or to express their consent, as the case may be.
