REGISTRATION OF ADDITIONAL SECURITIES

We filed with the Securities and Exchange Commission the following registration statements on Form S-8 relating to shares of our common stock, par value \$0.001 per share, to be offered and sold under our 1999 Employee Stock Purchase Plan, and the contents of such prior registration statements are incorporated by reference in this registration statement: registration statement on Form S-8 filed January 13, 2000 (File No. 333-94629); registration statement on Form S-8 filed September 17, 2001 (File No. 333-69512). We are hereby registering an additional 1,200,000 shares of common stock issuable under our 1999 Employee Stock Purchase Plan.

Section 11(a) of the Securities Act provides that if any part of a registration statement at the time it becomes effective contains an untrue statement of a material fact or an omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, any person acquiring a security pursuant to such registration statement (unless it is proved that at the time of such acquisition such person knew of such untruth or omission) may sue, among others, every accountant who has consented to be named as having prepared or certified any part of the registration statement or as having prepared or certified any report or valuation which is used in connection with the registration statement with respect to the statement in such registration statement, report or valuation which purports to have been prepared or certified by the accountant.

Although we have dismissed Arthur Andersen as our independent public accountants and engaged KPMG LLP, our consolidated financial statements as of and for the one-month transition period ended January 31, 2001, and the fiscal years ended December 31, 2000 and 1999 have only been audited by Arthur Andersen. On March 14, 2002, Arthur Andersen was indicted on federal obstruction of justice charges arising from the government's investigation of Enron Corporation. On June 15, 2002, a jury in Houston, Texas found Arthur Andersen guilty of these federal obstruction of justice charges. We understand that Arthur Andersen was sentenced to five years of probation and fined \$500,000 on October 16, 2002. In light of the jury verdict and the underlying events, Arthur Andersen informed the Securities and Exchange Commission that it would cease practicing before the Securities and Exchange Commission by August 31, 2002, unless the Securities and Exchange Commission determined another date is appropriate. A spokesperson for Arthur Andersen announced that, as of August 31, 2002, Arthur Andersen voluntarily relinquished, or consented to revocation of, its firm permits in all states where it was licensed to practice public accountancy with state regulators. A substantial number of Arthur Andersen's personnel have already left the firm, including the individuals responsible for auditing our audited financial statements incorporated by reference in this registration statement, and substantially all remaining personnel are expected to do so in the near future. Because it is unlikely that Arthur Andersen will survive, you are unlikely to be able to exercise effective remedies or collect judgments against them.

In addition, Arthur Andersen has not consented to the incorporation by reference of their audit report in this registration statement, and we have dispensed with the requirement to file their consent in reliance on Rule 437a under the Securities Act. Because Arthur Andersen has not consented to the incorporation by reference of their audit report in this registration statement, you may not be able to recover against Arthur Andersen under Section 11(a) of the Securities Act for any untrue statement of a material fact contained in the financial statements audited by Arthur Andersen or any omissions to state a material fact required to be stated in those financial statements.
