Item 9. Undertakings.

American Resources and Development Company hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "1933 Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) To include any additional or changed material information with respect to the Plans of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, only to the extent required by the general rules and regulations of the Commission.

(2) That, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: AMERICAN RESOURCES & DEVELOPMENT CO - Form S-8

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That for purposes of determining any liability under the 1933 Act, each filing of an annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit Plans' annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the 1933 Act, as amended, may be permitted to directors, executive officers and controlling persons of American Resources and Development Company as outlined above or otherwise, we have been advised that in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by American Resources and Development Company of expenses incurred or paid by a director, executive officer or controlling person of American Resources and Development Company in the successful defense of any action, suit or proceeding) is asserted by such director, executive officer or controlling person in connection with the securities being registered, American Resources and Development Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
