Edgar Filing: EARTHSHELL CORP - Form 424B2

We will use the net proceeds of this offering of our convertible debentures and common stock as described in the prospectus and in accordance with the terms of the Purchase Agreement (as defined below), which we will file as an exhibit to a Current Report on Form 8-K once it has been executed. See "Use of Proceeds" beginning on page 19 of the prospectus.

We will be required to use the net proceeds of this offering for working capital purposes and not for the satisfaction of debt or outstanding liabilities, subject to specific exceptions.

PLAN OF DISTRIBUTION

To date, before the issuance of the securities being offered pursuant to this prospectus supplement, we have issued and sold secured convertible debentures due August 12, 2007 in the aggregate principal amount of \$10,000,000 and 23,722,958 shares of our common stock (which includes 3,699,543 shares of common stock issued upon conversion of \$1,800,000 aggregate principal amount of such secured convertible debentures) pursuant to the prospectus dated January 3, 2002, which is part of our Registration Statement on Form S-3 (File No. 333-76092) for aggregate proceeds of \$32,156,640.60. We have also issued warrants originally to purchase an additional 5,500,000 shares of our common stock under such Registration Statement, although warrants to purchase 3,000,000 of such shares expired without being exercised by the holders thereof.

We are offering 2% convertible debentures due 2006 (the "Debentures") in the aggregate principal amount of \$11,000,000 and 5,650,000 shares of common stock (the "Shares") under this prospectus supplement for aggregate consideration of approximately \$11,000,000. The Debentures and Shares being offered hereunder are referred to collectively herein as the "Securities".

We have negotiated a term sheet with a group of investors (the "Purchasers") pursuant to which we expect to issue and sell to the Purchasers the Securities. We are in negotiations with the Purchasers regarding the sale of the Securities being offered hereunder, and expect that we will enter into a definitive securities purchase agreement with the Purchasers which will set forth the specific terms of the transaction (the "Purchase Agreement"). Until the Purchase Agreement has been executed, the Purchasers will not be obligated to purchase the securities offered hereby.

We expect that the Debentures will be convertible into shares of our common stock at an initial conversion price equal to the lesser of (i) 110% of the average volume weighted average trading price per share of common stock for the ten trading days preceding the closing date of the sale of the Securities and (ii) \$1.00, subject to adjustment on the terms and conditions set forth in the Debentures. We will allocate a portion of the proceeds from the sale of the Securities to 5,000,000 of the Shares based on a price equal to the trading price of our common stock on the closing date under the Purchase Agreement.

In addition, upon a purchase by the Purchasers of the Securities, we will issue to the lead purchaser ("Lead Purchaser") 650,000 shares of common stock, comprising the balance of the Shares, and will pay the Lead Purchaser \$20,000 in cash for reimbursement of expenses incurred in connection with the negotiation of the transactions contemplated by the Purchase Agreement. To date, we have already reimbursed the Lead Purchaser an aggregate of \$30,000 for the legal fees and expenses incurred in connection with the preparation and negotiation of the Purchase Agreement.

Pursuant to an engagement letter dated September 17, 2002, as amended on November 1, 2002, we have engaged Roth Capital to act as our exclusive placement agent in connection with offerings of securities under our shelf Registration Statement on Form S-3 (File No. 333-76092). The initial term of our engagement of Roth Capital expired December 17, 2002. Under the terms of the engagement letter, Roth Capital agreed to assist us in raising capital on a "best efforts" basis, and was not obligated purchase or acquire any of our securities. With respect to offerings consummated during the term of

S-1

the engagement, we have agreed to pay Roth Capital a placement fee of 7.5% of the gross proceeds received from the sale of securities. Under certain circumstances, including consummation of the transactions contemplated by the Purchase Agreement, the engagement letter would require us to pay a placement fee to Roth Capital in connection with an offering consummated during a period of up to six months following the termination of the engagement. In addition, we have agreed to reimburse Roth Capital for up to \$25,000 of its out-of-pocket expenses, including the fees and expenses of Roth Capital's legal counsel, incurred in connection with the engagement. We have also agreed to indemnify Roth Capital against certain liabilities arising in connection with the engagement, including liabilities under federal securities laws. We will not pay any other compensation in connection with the sale of the Securities pursuant to the Purchase Agreement.

Edgar Filing: EARTHSHELL CORP - Form 424B2

Under the Purchase Agreement, we will agree to indemnify and hold harmless each of the Purchasers and their affiliates or any officers, directors, partners, controlling persons, employees or agents of any such Purchaser against certain liabilities arising under the Securities Act of 1933 and otherwise as more fully set forth in the Purchase Agreement.

MARKET FOR OUR COMMON STOCK

Our common stock is listed on the NASDAQ National Market under the symbol "ERTH". On February 13, 2003, the closing price per share of our common stock was \$0.53. The common stock offered under this prospectus supplement, including the shares of common stock issuable in connection with the Debentures, will be listed on the trading market on which our common stock is then listed after we notify such market that the shares have been issued. As of February 13, 2003, we had 146,424,666 shares of common stock outstanding.

CERTAIN PROVISIONS RELATED TO OFFER OF SECURITIES

We expect that the following provisions will apply in connection with the offer and sale of the Securities.

Right of First Offer

If we propose a subsequent offer of equity securities or securities convertible into equity securities, we will generally be required to offer the holders of the Debentures the right to purchase such securities before offering such securities to any third parties.

Lock-Up of 5,000,000 Shares of Common Stock

Each Purchaser of the 5,000,000 shares which may be purchased under the Purchase Agreement and which constitute that portion of the Shares being offered hereby will be required to agree not to sell, assign or otherwise transfer more than one-sixth of the Shares purchased by such Purchaser during any month, provided that such Purchaser may carry forward and sell during any subsequent month any Shares that could have been sold but were not sold during any prior month.

Amendment and Waiver of Existing Secured Convertible Debentures

In connection with a closing of the purchase and sale of the Securities offered hereby, we may amend the terms of the Previous Debentures (as defined below). Such amendments may include, among others, prepayment of portions of the Previous Debentures and amendment of existing terms that may be affected by the offering of the Debentures, such as the anti-dilution provisions of the Previous Debentures.

General

The Debentures in the aggregate principal amount of \$11,000,000 will be unsecured debt. The entire principal amount of the Debentures will become due and payable, if not converted in full on the third anniversary of the date of issuance.

Interest

The Debentures will bear interest at the rate of 2% per annum, payable quarterly in arrears on each April 30, July 31, October 31 and January 31. Interest may be paid in cash or, provided certain conditions are satisfied, in shares of our common stock.

Conversion

The Debentures will be convertible by the Holders into shares of our common stock at any time, in whole or in part, after the issuance thereof. We expect that the initial conversion price will be equal to the lesser of (i) 110% of the average VWAP for the ten Trading Days preceding the closing date of the sale of the Securities and (ii) \$1.00, as set forth in the Debentures. The conversion price will be subject to adjustment upon the occurrence of certain events enumerated in the Debentures, including

S-5

but not limited to stock dividends and splits, distributions to stockholders, certain corporate transactions, subsequent equity sales, and reclassifications and share exchanges.

The Debentures will be convertible at the election of EarthShell at any time after the first anniversary of the date of issuance if (i) the closing prices during any 10 consecutive trading days following such anniversary are greater than or equal to 300% of the then effective conversion price, (ii) all of the Equity Conditions (as defined in the Debentures) are satisfied with respect to the shares of our common stock issuable upon conversion of the Debentures and (iii) the closing price for each trading day during the period between the time of our conversion notice and the later of the conversion date specified in the notice and the date on which the Debenture holders actually receive shares of our common stock exceeds 300% of the initial conversion price, adjusted only for stock splits or reverse stock splits.

The conversion provisions applicable to the Debentures will be subject to the limitations set forth in the Debentures. The number of shares of our common stock issuable upon conversion of a Debenture by a Holder shall be limited such that, together with all other shares of our common stock beneficially owned by such Holder and its affiliates, it would not exceed 4.999% of the total number of our issued and outstanding shares of common stock. Further, we will agree that we may not issue more than 29,283,469 shares of our common stock in the aggregate pursuant to the Purchase Agreement and the Debentures at a conversion price below the closing price of our common stock on the trading day immediately preceding the closing date of the sale of the Securities to the Purchasers.

Events of Default

We expect that the Debentures will provide that at any time following the occurrence of an "Event of Default" under the Debentures, the holders of the Debentures will be able to require us to repurchase all or any portion of the outstanding principal amount of the Debentures.

The Debentures will provide that one or more of the following events shall constitute an "Event of Default" under the Debentures. Capitalized terms used but not defined below have the respective meanings given such terms in the glossary at the beginning of this section.
