ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION (page 58)

Shareholders are asked to approve the executive compensation of the Company's named executive officers through a non-binding advisory vote. In evaluating the executive compensation paid by the Company in 2017, the Compensation Committee considered that the Company has no employees and the Company's manager, The RMR Group LLC ("RMR LLC"), conducts the day to day operations of the Company and provides the services that otherwise would be provided by employees, including employing and compensating the Company's executive officers. RMR LLC is compensated for its services to the Company pursuant to a business management agreement and the Company does not reimburse RMR LLC for compensation that RMR LLC pays to the Company's executive officers. In this evaluation, the Company also generally considered the results of the advisory vote of the Company's shareholders on the compensation of the executive officers named in the proxy statement for the Company's 2017 annual meeting of shareholders.

RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS (page 59)

Shareholders are asked to ratify the appointment of Ernst & Young LLP as independent auditors of Hospitality Properties Trust for the Company's fiscal year ending December 31, 2018. The Company's Audit Committee evaluates the performance of the Company's independent auditors and determines whether to reengage the current independent auditors or consider other audit firms. In doing so, the Audit Committee considers the quality and efficiency of the services provided by the auditors, the auditors' technical expertise and knowledge of the Company's operations and industry, the auditors' independence, legal proceedings involving the auditors, the results of PCAOB inspections and peer quality reviews of the auditors and the auditors' reputation in the marketplace. Based on its consideration of these matters, the Audit Committee has appointed Ernst & Young LLP to serve as the Company's independent auditors for the fiscal year ending December 31, 2018.

NON-BINDING SHAREHOLDER PROPOSAL REQUESTING THAT THE COMPANY'S BOARD OF TRUSTEES ADOPT A "PROXY ACCESS" BYLAW, IF PROPERLY PRESENTED (page 62)

A shareholder proposal was submitted by the Comptroller of the City of New York, as the custodian and a trustee of the New York City Employees' Retirement System, the New York City Fire Pension Fund, The

New York City Teacher's Retirement System and the New York City Policy Pension Fund, and custodian of the New York City Board of Education Retirement System. If the shareholder proponent, or its representative who is qualified under state law, is present at the 2018 Annual Meeting and properly submits the proposal for a vote, then the proposal will be voted on at the 2018 Annual Meeting. As an advisory vote, if approved, the proposal would be a non-binding recommendation to the Board.

NON-BINDING SHAREHOLDER PROPOSAL REQUESTING THAT THE COMPANY'S BOARD OF TRUSTEES ADOPT A CONSEQUENTIAL MAJORITY VOTE STANDARD FOR UNCONTESTED DIRECTOR ELECTIONS, IF PROPERLY PRESENTED (page 65)

A shareholder proposal was submitted by UNITE HERE, which is a labor union representing hotel workers in the United States, including hotel workers who are employees of the managers of some of our hotels. If the shareholder proponent, or its representative who is qualified under state law, is present at the 2018 Annual Meeting and properly submits the proposal for a vote, then the proposal will be voted on at the 2018 Annual Meeting. As an advisory vote, if approved, the proposal would be a non-binding recommendation to the Board.

QUESTIONS AND ANSWERS

Proxy Materials and Voting Information

1. What is included in the proxy materials? What is a proxy statement and what is a proxy?

The proxy materials for the 2018 Annual Meeting include the Notice Regarding the Availability of Proxy Materials, Notice of 2018 Annual Meeting, this Proxy Statement and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the "Annual Report" and, together with the other materials, the "proxy materials"). If you request a paper copy of these materials, the proxy materials will also include a proxy card or voting instruction form.

A proxy statement is a document that the Securities and Exchange Commission ("SEC") regulations require the Company to give you when it asks you to return a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the shares you own. That other person is called your proxy. We are asking you to designate the following three persons as your proxies for the 2018 Annual Meeting: Jennifer B. Clark, Secretary; John G. Murray, Managing Trustee, President, Chief Operating Officer and Assistant Secretary; and Adam D. Portnoy, Managing Trustee.

2. What is the difference between holding shares as a shareholder of record and as a beneficial owner?

If your shares are registered directly in your name with the Company's registrar and transfer agent, Equiniti Trust Company (formerly known as Wells Fargo Shareowner Services), you are considered a shareholder of record of those shares. If you are a shareholder of record, you should receive only one notice or proxy card for all the Common Shares you hold in certificate form and in book entry form.

If your shares are held in an account you own at a bank or brokerage or you hold shares through another nominee, you are considered the "beneficial owner" of those shares. If you are a beneficial owner, you will receive voting instruction information from the bank, broker or other nominee through which you own your Common Shares.

If you hold some shares of record and some shares beneficially, you should receive a notice or proxy card for all the Common Shares you hold of record and a separate voting instruction form for the shares from the bank, broker or other nominee through which you own Common Shares.

3. What different methods can I use to vote?

By Written Proxy. All shareholders of record can submit voting instructions by written proxy card. If you are a shareholder of record and receive a Notice Regarding the Availability of Proxy Materials, you may request a written proxy card by following the instructions included in the notice. If you are a beneficial owner, you may request a written proxy card or a voting instruction form from your bank, broker or other nominee. Proxies submitted by mail must be received by 11:59 p.m., Eastern time, on June 13, 2018 or, if the meeting is postponed or adjourned to a later date, by 11:59 p.m., Eastern time, on the day immediately preceding the date of the reconvened meeting.

By Telephone or Internet. All shareholders of record also can authorize a proxy to vote their shares by touchtone telephone by calling 1-800-690-6903, or through the internet at www.proxyvote.com, using the procedures and instructions described in your Notice Regarding the Availability of Proxy Materials or

Edgar Filing: HOSPITALITY PROPERTIES TRUST - Form DEF 14A

proxy card. Beneficial owners may authorize a proxy by telephone or internet if their bank, broker or other nominee makes those methods available, in which case the bank, broker or nominee will include the instructions with the proxy voting materials. To authorize a proxy by telephone or internet, you will need the 16 digit control number provided on your Notice Regarding the Availability of Proxy Materials, proxy card or voting instruction form. The telephone and internet proxy authorization procedures are designed to authenticate shareholder identities, to allow shareholders to vote their shares and to confirm that their instructions have been recorded properly. Proxies submitted by telephone or through the internet must be received by 11:59 p.m., Eastern time, on June 13, 2018 or, if the meeting is postponed or adjourned to a later date, by 11:59 p.m., Eastern time, on the day immediately preceding the date of the reconvened meeting.

In Person. All shareholders of record may vote in person at the meeting. Beneficial owners may vote in person at the meeting if they have a legal proxy, as described in the response to [question 15](#).

If you have any questions or need assistance in voting your shares or authorizing your proxy, please call the firm assisting the Company in the solicitation of proxies:

As an advisory vote, the proposal to approve executive compensation is not binding upon the Company. Our Compensation Committee, which is 100% comprised of Independent Trustees, is responsible for determining and approving any compensation payable directly by the Company to our executive officers and administering the Company's equity compensation program. Our Compensation Committee values the opinions expressed by shareholders and will consider the outcome of this vote, among other factors, when making future compensation decisions.

Our Audit Committee, which is 100% comprised of Independent Trustees, appoints the Company's independent auditors. Your vote will ratify prior action by the Audit Committee and will not be binding upon the Audit Committee. However, the Audit Committee values the opinions of the Company's shareholders and may reconsider its prior appointment of the independent auditors or consider the results of this shareholder vote, among other factors, when it determines to appoint the Company's independent auditors in the future.

As advisory votes, the shareholder proposals are not binding upon the Company and, if approved, would serve only as recommendations to the Board. However, the Board values the opinion of the Company's shareholders and will consider the outcome of these votes and other factors and circumstances.

8 HOSPITALITY PROPERTIES TRUST

2018 Proxy Statement

6. What if I am a shareholder of record and do not specify a choice for a matter when returning a proxy card or authorizing a proxy by internet or telephone?

If you return a signed proxy card or authorize a proxy by internet or telephone and do not specify a choice for a matter, you will be instructing your proxy to vote in the manner recommended by the Board on that matter:

FOR the election of the Trustee nominee identified in this Proxy Statement;

FOR the advisory vote to approve executive compensation;

FOR the ratification of the appointment of Ernst & Young LLP as independent auditors;

AGAINST the non-binding shareholder proposal requesting that the Board adopt a "proxy access" bylaw, if properly presented; and

AGAINST the non-binding shareholder proposal requesting that the Board adopt a consequential majority vote standard for uncontested director elections, if properly presented.

7. What if I am a beneficial owner and do not give voting instructions to my broker?

If you are a beneficial owner and do not provide voting instructions to your bank, broker or other nominee, the following applies:

Non-Discretionary Items. The election of the Trustee nominee, the advisory vote to approve executive compensation, the non-binding shareholder proposal requesting that the Board adopt a "proxy access" bylaw (if properly presented) and the non-binding shareholder proposal requesting that the Board adopt a consequential majority vote standard for uncontested director elections (if properly presented) are non-discretionary items and may not be voted on by brokers, banks or other nominees who have not received specific voting instructions from beneficial owners. The result of the inability of a broker, bank or other nominee to vote on a non-discretionary item for which it has not received specific voting instructions from beneficial owners is referred to as a broker non-vote.

Discretionary Items. The ratification of the appointment of Ernst & Young LLP as independent auditors is a discretionary item. Generally, banks, brokers and other nominees that do not receive voting instructions from beneficial owners may vote on this proposal in their discretion.

8. What is a quorum? How are abstentions and broker non-votes counted?

A quorum of shareholders is required for shareholders to take action at the 2018 Annual Meeting. The presence, in person or by proxy, of shareholders entitled to cast a majority of all the votes entitled to be cast at the 2018 Annual Meeting constitutes a quorum.

Abstentions and broker non-votes are included in determining whether a quorum is present. Abstentions are not votes cast and, therefore, will not be included in vote totals and will have no effect on the outcome of any Item to be voted on at the 2018 Annual Meeting. Broker non-votes are not votes cast and, therefore, will not be included in vote totals and will have no effect on the outcome of Item 1, 2, 4 or 5. There can be no broker non-votes on Item 3 as it is a matter on which, if you hold your shares in

street name and do not provide voting instructions to the broker, bank or other nominee that holds your shares, the nominee has discretionary authority to vote on your behalf.

9. What may I do if I change my mind after I authorize a proxy to vote my shares?

Shareholders have the right to revoke a proxy at any time before it is voted at the 2018 Annual Meeting, subject to the proxy voting deadlines described above. Shareholders may revoke a proxy by authorizing a proxy again on a later date by internet or by telephone (only the last internet or telephone proxy submitted prior to the meeting will be counted) or by signing and returning a later dated proxy card or by attending the meeting and voting in person. If you are a beneficial owner, see the response to [question 15](#).

A shareholder's attendance at the 2018 Annual Meeting will not revoke that shareholder's proxy unless that shareholder votes again at the meeting or sends an original written statement to the Secretary of the Company revoking the prior proxy. An original written notice of revocation or subsequent proxy should be delivered to Hospitality Properties Trust, Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, Attention: Secretary, or hand delivered to the Secretary before the taking of the vote at the 2018 Annual Meeting.

Beneficial owners who wish to change their votes should contact the organization that holds their shares.

10. Can I access the proxy materials on the internet? How can I sign up for the electronic proxy delivery service?

The Notice of 2018 Annual Meeting, this Proxy Statement and the Annual Report are available at www.proxyvote.com. You may access these proxy materials on the internet through the conclusion of the 2018 Annual Meeting.

Instead of receiving future copies of the Company's proxy materials by mail, shareholders of record and most beneficial owners may elect to receive these materials electronically. Opting to receive your future proxy materials electronically will save us the cost of printing and mailing documents, and also will give you an electronic link to our proxy voting site. Your Notice Regarding the Availability of Proxy Materials instructs you as to how you may request electronic delivery of future proxy materials.

11. When will the Company announce the voting results?

The Company will report the final results in a Current Report on Form 8-K filed with the SEC following the completion of the 2018 Annual Meeting.

12. How are proxies solicited and what is the cost?

The Company bears all expenses incurred in connection with the solicitation of proxies. The Company has engaged Morrow Sodali LLC ("Morrow") to assist with the solicitation of proxies for an estimated fee of \$25,000 plus reimbursement of expenses. The Company has agreed to indemnify Morrow against certain liabilities arising out of the Company's agreement with Morrow. We will request banks, brokers and other nominees to forward proxy materials to the beneficial owners of Common Shares and to obtain their voting instructions. We will reimburse those firms for their expenses of forwarding proxy materials.

Proxies may also be solicited, without additional compensation, by the Company's Trustees and officers, and by The RMR Group LLC ("RMR LLC"), its officers and employees and its parent's and subsidiaries' directors, officers and employees, by mail, telephone or other electronic means or in person.

13. What is householding?

As permitted by the Securities Exchange Act of 1934, as amended (the "Exchange Act"), we may deliver only one copy of the Notice Regarding the Availability of Proxy Materials, Notice of 2018 Annual Meeting, this Proxy Statement and the Annual Report to Shareholders residing at the same address, unless the shareholders have notified us of their desire to receive multiple copies of those documents. This practice is known as "householding."

We will deliver a separate copy of any of those documents to you if you write to the Company at Investor Relations, Hospitality Properties Trust, Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, or call the Company at (617) 796-8232. If you want to receive separate copies of our notices regarding the availability of proxy materials, notices of annual meetings, proxy statements and annual reports in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee, or you may contact us at the above address or telephone number.

Election Process

In accordance with our Amended and Restated Declaration of Trust (our "Declaration of Trust") and Bylaws, the Board currently consists of five members, three of whom are Independent Trustees and two of whom are Managing Trustees. Our Declaration of Trust, as supplemented by Articles Supplementary filed with the State Department of Assessments and Taxation of Maryland on April 20, 2017, provides that the Board is divided into three classes, with each Trustee of each class elected at an annual meeting of shareholders serving for a term that continues until the third annual meeting of shareholders following his or her election and until his or her successor is elected and qualifies. In accordance with our Declaration of Trust and Bylaws, on April 12, 2018, pursuant to a recommendation of the Nominating and Governance Committee, the Board elected John G. Murray as a Managing Trustee in Class I to fill the vacancy created by the death of Barry M. Portnoy on February 25, 2018 and to serve the remainder of the full term of the Class I Trustees, the Class of Trustees which stands for election at the 2020 annual meeting of shareholders.

Assuming a quorum is present at the meeting, a majority of all the votes cast is required to elect a Trustee at the 2018 Annual Meeting.

TRUSTEE COMPENSATION

The Compensation Committee is responsible for reviewing and determining the Common Share awards granted to Trustees and making recommendations to the Board regarding cash compensation paid to Trustees, in each case, for Board, committee and committee chair services. Managing Trustees do not receive cash compensation for their services as Trustees but do receive Common Share awards for their Board service. The number of Common Shares awarded to each Managing Trustee for Board service is the same as the number awarded to each Independent Trustee.

All Trustees receive compensation in Common Shares to align the interests of Trustees with those of the Company's shareholders. To this end, the Company's Governance Guidelines codify our expectation that, subject to certain exemptions, each Trustee retain at least 20,000 Common Shares by the later of: (i) the date of the 2019 annual meeting of shareholders of the Company and (ii) five years from the annual meeting of shareholders of the Company at which the Trustee was initially elected or, if earlier, the first annual meeting of shareholders of the Company following the initial appointment of the Trustee to the Board.

In determining the amount and composition of our Trustees' compensation, the Compensation Committee and the Board take various factors into consideration, including, but not limited to, the responsibilities of Trustees generally, as well as for service on committees and as committee chairs, and the forms of compensation paid to trustees or directors by comparable companies, including the compensation of trustees and directors of other companies managed by RMR LLC or its subsidiaries. The Board reviews the Compensation Committee's recommendations regarding Trustee cash compensation and determines the amount of such compensation.

2017 Annual Trustee Compensation

In 2017, each Independent Trustee received an annual fee of \$40,000 for services as a Trustee, plus a fee of \$1,250 for each meeting attended. Up to two \$1,250 fees were paid if a Board meeting and one or more Board committee meetings, or two or more Board committee meetings, were held on the same date. Each Independent Trustee and Managing Trustee received an award of 3,000 Common Shares in 2017.

Each Independent Trustee who served as a committee chair of the Board's Audit, Compensation or Nominating and Governance Committees received an additional annual fee of \$15,000, \$10,000 and \$10,000, respectively. The Lead Independent Trustee received an additional annual cash retainer fee of \$12,500 for serving in this role. Trustees were reimbursed for travel expenses they incurred in connection with their duties as Trustees and for out of pocket costs they incurred in connection with their attending certain continuing education programs.

The following table details the total compensation of the Trustees for the year ended December 31, 2017 for services as a Trustee.

All Trustees play an active role in overseeing the Company's business both at the Board and committee levels. Our Trustees are skilled and experienced leaders and currently serve or have served as members of senior management in public and private for profit organizations and law firms, and have also served in academia. Our Trustees may be called upon to provide solutions to various complex issues and are expected to, and do, ask hard questions of the Company's officers and advisers. We do not have a Chairman of the Board. However, we do have a Lead Independent Trustee. Our Lead Independent Trustee is selected annually by a majority of the Independent Trustees, and Mr. Harrington currently serves as our Lead Independent Trustee. Among other things, the Lead Independent Trustee's responsibilities include: serving as a liaison between the Company's management and the Independent Trustees; presiding at all meetings of the Board at which the Managing Trustees are not present, including each executive session of the Independent Trustees; assisting the Compensation Committee in its annual evaluation of the performance of the Company's management; being reasonably available for consultation and direct communication with shareholders upon request; and such other responsibilities as the Board may determine. The Lead Independent Trustee may call meetings of the Independent Trustees or executive sessions of Independent Trustees and presides at any such meeting.

Our President and Treasurer regularly attend Board and Board committee meetings, as does our Director of Internal Audit. Other officers of RMR LLC also sometimes attend Board meetings at the invitation of the Board. Special meetings of the Board may be called at any time by any Managing Trustee, the president or pursuant to the request of any two Trustees then in office. Our Managing Trustees, in consultation with the Company's management and the Director of Internal Audit, set the agenda for Board meetings. The Lead Independent Trustee may place an item on an agenda, and any other Independent Trustee may suggest agenda items by submitting such a request to the Lead Independent Trustee. Discussions at Board meetings are led by the Managing Trustee or Independent Trustee who is most knowledgeable on a subject.

Pursuant to the Company's Governance Guidelines, the Company's Independent Trustees are expected to meet in regularly scheduled meetings at which only Independent Trustees are present. It is expected that these executive sessions may occur at least twice per year. Our Independent Trustees also meet separately with the Company's officers, with the Company's Director of Internal Audit and with the Company's independent auditors. The presiding Trustee for purposes of leading Independent Trustee sessions will be the Lead Independent Trustee, unless the Independent Trustees determine otherwise.

In 2017, the Board held nine meetings. In 2017, each then Trustee attended 75% or more of the aggregate of all meetings of the Board and the committees on which he or she served. All of the then Trustees attended last year's annual meeting of shareholders. The Company's policy with respect to Board members' attendance at meetings of the Board and annual meetings of shareholders can be found in the Company's Governance Guidelines, the full text of which appears at the Company's website, www.hptreit.com.

Independence of Trustees

Under the corporate governance listing standards of the Nasdaq, the Board must consist of a majority of Independent Trustees. To be considered independent:

a trustee must not have a disqualifying relationship, as defined in the corporate governance section of the Nasdaq rules; and

the Board must affirmatively determine that the trustee otherwise has no relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a trustee. To facilitate the trustee independence assessment process, the Board has adopted written Governance Guidelines as described below.

Our Bylaws also require that a majority of the Board be Independent Trustees. Under our Bylaws, Independent Trustees are Trustees who are not employees of RMR LLC, are not involved in the Company's day to day activities and who meet the qualifications of independent directors under the applicable rules of the Nasdaq and the SEC.

The Board affirmatively determines whether Trustees have a direct or indirect material relationship with the Company, including the Company's subsidiaries, other than serving as the Company's Trustees or trustees or directors of the Company's subsidiaries. In making independence determinations, the Board observes the Nasdaq and SEC criteria, as well as the criteria set forth in our Bylaws. When assessing a Trustee's relationship with the Company, the Board considers all relevant facts and circumstances, not merely from the Trustee's standpoint, but also from that of the persons or organizations with which the Trustee has an affiliation. Based on this review, the Board has determined that Donna D. Fraiche, John L. Harrington and William A. Lamkin currently qualify as independent trustees under applicable Nasdaq and SEC criteria and as Independent Trustees under our Bylaws. In making these independence determinations, the Board reviewed and discussed additional information provided by the Trustees and the Company with regard to each of the Trustees' relationships with the Company, RMR Inc. or RMR LLC and the other companies to which RMR LLC or its subsidiaries provide management services. The Board has concluded that none of these three Trustees possessed or currently possesses any relationship that could impair his or her judgment in connection with his or her duties and responsibilities as a Trustee or that could otherwise be a direct or indirect material relationship under applicable Nasdaq and SEC standards.

Board Committees

The Board has an Audit Committee, Compensation Committee and Nominating and Governance Committee. The Audit Committee, Compensation Committee and Nominating and Governance Committee have each adopted a written charter, which is available on the Company's website, www.hptreit.com, by

Our Audit Committee, Compensation Committee and Nominating and Governance Committee are comprised entirely of Independent Trustees, and an Independent Trustee serves as Chair of each committee. The Director of Internal Audit, with the assistance of Company management, proposes the agenda for committee meetings under the oversight and direction of the Committee Chairs. Additionally, the charter of each of our Audit Committee, Compensation Committee and Nominating and Governance Committee provides that the committee may form and delegate authority to subcommittees of one or more members when appropriate. Subcommittees are subject to the provisions of the applicable committee's charter. Additional information about the committees is provided below.

Board Oversight of Risk

The Board is elected by shareholders to oversee the Company's business and long term strategy. As part of fulfilling its responsibilities, the Board oversees the safeguarding of the assets of the Company, the maintenance of appropriate financial and other internal controls and the Company's compliance with applicable laws and regulations. Inherent in these responsibilities is the Board's understanding and oversight of the various risks facing the Company. The Board considers that risks should not be viewed in isolation and should be considered in virtually every business decision and as part of the Company's business strategy.

Oversight of Risk

The Board oversees risk management.

Board committees play significant roles in carrying out the risk oversight function.

RMR LLC implements risk management and the Company's officers and Director of Internal Audit help evaluate and implement risk management.

The Board oversees risk as part of its general oversight of the Company. Oversight of risk is addressed as part of various Board and Board committee activities and through regular and special Board and Board committee meetings. The actual day to day business of the Company is conducted by RMR LLC, and RMR LLC and the Company's officers and Director of Internal Audit are responsible to incorporate risk management in their activities. The Company's Director of Internal Audit provides the Company advice and assistance with the Company's risk management function.

In discharging their oversight responsibilities, the Board and Board committees review regularly a wide range of reports provided to them by RMR LLC and other service providers, including:

reports on market and industry conditions;

operating and regulatory compliance reports;

financial reports;

reports on risk management activities;

regulatory and legislative updates that may impact the Company;

reports on the security of the Company's information technology processes and the Company's data; and

legal proceedings updates and reports on other business related matters.

The Board and Board committees discuss these matters among themselves and with representatives of RMR LLC, officers of the Company, the Director of Internal Audit, counsel and the Company's independent auditors.

The Audit Committee takes a leading role in helping the Board fulfill its responsibilities for oversight of the Company's financial reporting, internal audit function, risk management and the Company's compliance with legal and regulatory requirements. The Audit Committee meets at least quarterly and reports its findings to the Board. The Board and Audit Committee review periodic reports from the Company's independent auditors regarding potential risks, including risks related to the Company's internal control over financial reporting. The Audit Committee also reviews annually, approves and oversees an internal audit plan developed by the Company's Director of Internal Audit with the goal of helping the Company systematically evaluate the effectiveness of its risk management, control and governance processes. The Audit Committee also

meets periodically with the Company's Director of Internal Audit to review the results of the Company's internal audits, and directs or recommends to the Board actions or changes it determines appropriate to enhance or improve the effectiveness of the Company's risk management.

The Compensation Committee evaluates the performance of the Company's Director of Internal Audit and RMR LLC's performance under the Company's business and property management agreements, including any perceived risks created by compensation arrangements. Also, the Compensation Committee and the Board consider that the Company has a share award program that requires share awards to executive officers to vest over a period of years. The Company believes that the use of share awards vesting over time rather than stock options mitigates the incentives for the Company's management to undertake undue risks and encourages management to make longer term and appropriately risk balanced decisions.

It is not possible to identify all of the risks that may affect the Company or to develop processes and controls to eliminate all risks and their possible effects, and processes and controls employed to address risks may be limited in their effectiveness. Moreover, it is necessary for the Company to bear certain risks to achieve its objectives. As a result of the foregoing and other factors, the Company's ability to manage risk is subject to substantial limitations.

To learn more about the risks facing the Company, you can review the matters discussed in Part I, "Item 1A. Risk Factors" and "Warning Concerning Forward Looking Statements" in our Annual Report. The risks described in the Annual Report are not the only risks facing the Company. Additional risks and uncertainties not currently known or that may currently be deemed to be immaterial also may materially adversely affect the Company's business, financial condition or results of operations in future periods.

Shareholder Engagement

Shareholders may effectively communicate a point of view to the Board in a number of ways, including:

recommending candidates for election to the Board;

participating in the advisory vote to approve executive compensation;

attending the annual meeting of shareholders.

The Board has established a process to facilitate communication by shareholders and other interested parties with Trustees. We intend to satisfy the requirements under Item 5.05 of Form 8-K regarding disclosure of amendments to, or waivers from, provisions of our Code that apply to the principal executive officer, principal financial officer or controller, or persons performing similar functions, by posting such information on our website.

Trustee Share Ownership Policy

All Trustees receive compensation in Common Shares to align the interests of Trustees with those of the Company's shareholders. The Company's Governance Guidelines codify our expectation that, subject to certain exemptions, each Trustee retain at least 20,000 Common Shares by the later of: (i) the date of the 2019 annual meeting of shareholders of the Company and (ii) five years from the annual meeting of shareholders of the Company at which the Trustee was initially elected or, if earlier, the first annual meeting of shareholders of the Company following the initial appointment of the Trustee to the Board.

The Company's insider trading policy generally prohibits (i) the Company's Trustees and officers, (ii) the trustees and officers of the Company's subsidiaries, (iii) RMR Inc. and its directors and officers and (iv) RMR LLC and its officers and employees, to the extent they are involved in RMR LLC's services to the Company, from, directly or indirectly through family members or others, purchasing or selling Common Shares or the Company's other equity or debt securities while in possession of material, non-public information concerning the Company. Similar prohibitions also apply to trading in the securities of RMR Inc. and the other public companies to which RMR LLC provides management services on the basis of material, non-public information learned in the course of performing services for those companies.

Related Person Transactions

The descriptions of agreements in this "Related Person Transactions" section do not purport to be complete and are subject to, and qualified in their entirety by, reference to the actual agreements, copies of certain of which are filed as exhibits to the Annual Report.

A "related person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which (i) the Company was, is or will be a participant, (ii) the amount involved exceeds \$120,000 and (iii) any related person had, has or will have a direct or indirect material interest.

A "related person" means any person who is, or at any time since January 1, 2017 was:

a Trustee, a nominee for Trustee or an executive officer of the Company;

Edgar Filing: HOSPITALITY PROPERTIES TRUST - Form DEF 14A

known to the Company to be the beneficial owner of more than 5.0% of the outstanding Common Shares when a transaction in which such person had a direct or indirect material interest occurred or existed;

an immediate family member of any of the persons referenced in the preceding two bullets, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of any of the persons referenced in the preceding two bullets, and any person (other than a tenant or employee) sharing the household of any of the persons referenced in the preceding two bullets; or

a firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10.0% or greater beneficial ownership interest.

The Company has adopted written Governance Guidelines that describe the consideration and approval of related person transactions. Under these Governance Guidelines, the Company may not enter a transaction in which any Trustee or executive officer, any member of the immediate family of any Trustee or executive officer or other related person, has or will have a direct or indirect material interest unless that transaction has been disclosed or made known to the Board and the Board reviews and approves or ratifies the transaction by the affirmative vote of a majority of the disinterested Trustees, even if the disinterested Trustees constitute less than a quorum. If there are no disinterested Trustees, the transaction must be reviewed, authorized and approved or ratified by both (i) the affirmative vote of a majority of the Board and (ii) the affirmative vote of a majority of the Independent Trustees. In determining whether to approve or ratify a transaction, the Board, or disinterested Trustees or Independent Trustees, as the case may be, also act in accordance with any applicable provisions of the Company's Declaration of Trust and Bylaws and consider all of the relevant facts and circumstances and approve only those transactions that they determine are fair and reasonable to the Company. All related person transactions described below were reviewed and approved or ratified by a majority of the disinterested Trustees or otherwise in accordance with the Company's policies, Declaration of Trust and Bylaws, each as described above. In the case of transactions with the Company by employees of RMR Inc. and its subsidiaries who are subject to the Code but who are not Trustees or executive officers of the Company, the employee must seek approval from an executive officer who has no interest in the matter for which approval is being requested. Copies of the Company's Governance Guidelines and the Code are available on the Company's website, www.hptreit.com.

Certain Related Person Transactions

Relationship with TA. TA was the Company's 100% owned subsidiary until the Company distributed its common shares to the Company's shareholders in 2007. TA is the Company's largest tenant and property operator, leasing 35% of the Company's gross carrying value of real estate properties as of December 31, 2017. The Company is TA's largest shareholder; as of December 31, 2017, the Company owned 3,420,000 common shares, representing approximately 8.6% of TA's outstanding common shares.

One of the Company's Managing Trustees, Adam D. Portnoy, is a managing director of TA, and a former Managing Trustee of the Company, Barry M. Portnoy, was a managing director of TA until his death on February 25, 2018. Thomas O'Brien, who resigned effective December 31, 2017 as a managing director and president and chief executive officer of TA, was also an officer of RMR LLC until December 31, 2017, and was an executive officer of the Company until 2007. TA's chief executive officer, president and chief operating officer, executive vice president, chief financial officer and treasurer and executive vice president and general counsel are also officers and employees of RMR LLC. RMR LLC provides management services to both the Company and TA.

Spin-Off of TA. In connection with TA's spin-off, the Company entered a transaction agreement with TA and RMR LLC, pursuant to which TA granted the Company a right of first refusal to purchase, lease, mortgage or otherwise finance any interest TA owns in a travel center before it sells, leases, mortgages or otherwise finances that travel center to or with another party, and TA also granted the Company and any other company managed by RMR LLC a right of first refusal to acquire or finance any real estate of

Edgar Filing: HOSPITALITY PROPERTIES TRUST - Form DEF 14A

the types in which the Company or they invest before TA does. TA also agreed that for so long as TA is a tenant of the Company's, TA will not permit: the acquisition by any person or group of beneficial ownership of 9.8% or more of the voting shares or the power to direct the management and policies of TA or any of its subsidiary tenants or guarantors under its leases with the Company; the sale of a material part of the assets of TA or any such tenant or guarantor; or the cessation of certain continuing directors constituting a majority of the board of directors of TA or any such tenant or guarantor. TA also agreed not to take any action that might reasonably be expected to have a material adverse impact on the Company's ability to qualify as a REIT and to indemnify the Company for any liabilities it may incur relating to TA's assets and business.

TA Leases. As of December 31, 2017, the Company leased all of its 199 travel centers to TA under five leases, and the number of travel centers leased, the term, the minimum annual rent and deferred rent balances owed under each of these leases were as follows (*dollar amounts in thousands*):

	Number of Travel Sites	Initial Term End ⁽¹⁾	Annual Minimum Rent as of December 31, 2017	Deferred Rent ⁽²⁾
TA No. 1 Lease	40	December 31, 2029	\$ 52,763	\$ 27,421
TA No. 2 Lease	40	December 31, 2028	53,681	29,107
TA No. 3 Lease	39	December 31, 2026	54,005	29,324
TA No. 4 Lease	40	December 31, 2030	54,437	21,233
TA No. 5 Lease	40	June 30, 2032	69,527	42,915
	199		\$ 284,413	\$ 150,000

(1) TA has two renewal options of 15 years each under each of the TA leases.

(2) Pursuant to a rent deferral agreement with TA, TA previously deferred as of December 31, 2010 a total of \$150.0 million of rent payable to the Company, which remained outstanding as of December 31, 2017. This deferred rent obligation was allocated among the leases with TA and is due at the end of the initial terms of the respective leases as noted above, except for the TA No. 5 lease, in which case the applicable deferred rent is due and payable on June 30, 2024. These deferred rent obligations are subject to acceleration at the Company's option upon an uncured default or a change in control of TA, each as provided under the leases.

The TA leases are "triple net" leases that require TA to pay all costs incurred in the operation of the leased travel centers, including personnel, utility, inventory, customer service and insurance expenses, real estate and personal property taxes, environmental related expenses, underground storage tank removal costs and ground lease payments at those travel centers at which the Company leases the property and subleases it to TA. The TA leases generally require TA to indemnify the Company for certain environmental matters and for liabilities that arise during the terms of the leases from ownership or operation of the leased travel centers. In addition, TA is obligated to pay the Company at lease expiration an amount equal to an estimate of the cost of removing underground storage tanks on the leased properties. The TA leases do not require FF&E escrow deposits. However, TA is required to maintain the leased travel centers, including structural and non-structural components. Under the TA leases, without the Company's consent, TA generally cannot own, franchise, finance, operate, lease or manage any travel center or similar property within 75 miles in either direction along the primary interstate on which a travel center owned by the Company is located.

The Company recognized rental income of approximately \$293.3 million for the year ended December 31, 2017 under the TA leases. Rental income for the year ended December 31, 2017 includes approximately \$12.0 million of adjustments necessary to record the deferred rent obligations under the TA leases and the estimated future payments to the Company by TA for the cost of removing underground storage tanks, in each case on a straight line basis.

In addition to the payment of annual minimum rent, the TA Nos. 1, 2, 3 and 4 leases provide for payment to the Company of percentage rent based on increases in total non-fuel revenues over base year levels (3% of non-fuel revenues above 2015 non-fuel revenues) and the TA No. 5 lease provides for payment to the Company of percentage rent based on increases in total non-fuel revenues over base year levels (3% of non-fuel revenues above 2012 non-fuel revenues). The total amount of percentage rent from TA that the Company recognized was approximately \$2.1 million for the year ended December 31, 2017.

Under the TA leases, TA may request that the Company fund capital improvements in return for increases in TA's annual minimum rent according to the following formula: the annual minimum rent is increased by an amount equal to the amount funded by the Company multiplied by the greater of (1) 8.5% or (2) a benchmark U.S. Treasury interest rate plus 3.5%. TA is not obligated to request and the Company is not obligated to fund any such improvements. The Company funded approximately \$84.6 million, during the year ended December 31, 2017, for capital improvements to the Company's travel center properties and, as a result, TA's annual minimum rent payable to the Company increased by approximately \$7.2 million.

On September 28, 2017, the Company acquired land and certain improvements at a travel center located in Sayre, OK that the Company previously leased from a third party and subleased to TA for a purchase price of approximately \$8.7 million, including capitalized acquisition costs of approximately \$0.1 million. Effective as of that date, rent due to that third party and TA's sublease rental obligations to pay the third party rent ceased, and the Company amended its lease with TA to document a direct lease to TA of that land and those improvements and to increase the annual minimum rent payable by TA to the Company by approximately \$0.7 million.

On June 1, 2015, the Company entered into a transaction agreement with TA pursuant to which, as amended, the Company agreed to, among other things, acquire from, and lease back to, TA four travel centers owned by TA and under development. On May 3, 2017, the Company purchased for approximately \$27.6 million from and leased back to TA the remaining development property.

On August 13, 2013, a travel center located in Roanoke, VA that the Company leased to TA was taken by eminent domain proceedings brought by the Virginia Department of Transportation (the "VDOT") in connection with certain highway construction. In January 2014, the Company received proceeds from the VDOT of approximately \$6.2 million, which is a substantial portion of the VDOT's estimate of the value of the property, and as a result the annual minimum rent payable by TA to the Company under the then applicable lease decreased by approximately \$0.5 million, effective January 6, 2014. In November 2014, this property was surrendered to the VDOT. The Company and TA challenged VDOT's estimate of this property's value and engaged in mediation. Following the mediation, VDOT agreed to pay, and the Company agreed to accept, the sum of \$7.2 million as full payment for VDOT's taking of the travel center. VDOT subsequently made payment to the Company of approximately \$1.0 million, representing the agreed settlement less amounts previously paid to the Company (exclusive of interest). After deducting from this payment the Company's and TA's share of third party costs and expenses incurred in connection with the challenge of VDOT's initial valuation of the property, the Company and TA will allocate and apply any remaining amount as set forth in the lease.

The Company has no employees. The personnel and various services the Company requires to operate its business are provided to it by RMR LLC. The Company has two agreements with RMR LLC to provide management services to the Company: (i) a business management agreement, which relates to the Company's business generally, and (ii) a property management agreement, which relates to the Company's property level operations of the office building component of one of the Company's hotels. Both of these management agreements are described below, see " Management Agreements With RMR LLC."

Interest in RMR Inc. The Company currently holds 2,503,777 shares of class A common stock of RMR Inc., the parent and managing member of RMR LLC. The Company and three Other RMR Managed REITs, GOV, SIR and SNH, acquired shares of class A common stock of RMR Inc. in a transaction completed on June 5, 2015 (the "Up-C Transaction"). Through their ownership of class A common stock of RMR Inc., class B-1 common stock of RMR Inc., class B-2 common stock of RMR Inc. and class A membership units of RMR LLC, as of February 1, 2018, Adam D. Portnoy and Barry M. Portnoy pursuant to which ABP Trust and Adam D. Portnoy and Barry M. Portnoy agreed not to transfer the 1,490,000 Common Shares that ABP Trust received in the Up-C Transaction for a 10 year period ending on June 5, 2025, and the Company granted them certain registration rights, subject to certain exceptions.

Management Agreements with RMR LLC. The Company's management agreements with RMR LLC provide for an annual base management fee, an annual incentive management fee and property management and construction supervision fees, payable in cash, among other terms:

Base Management Fee. The annual base management fee payable to RMR LLC by the Company for each applicable period is equal to the lesser of:

the sum of (a) 0.7% of the average aggregate historical cost of the Company's real estate investments up to \$250.0 million, plus (b) 0.5% of the average aggregate historical cost of the Company's real estate investments exceeding \$250.0 million; and

the sum of (a) 0.7% of the average closing price per share of the Common Shares on the stock exchange on which such Common Shares are principally traded during such period, multiplied by the average number of the Common Shares outstanding during such period, plus the daily weighted average of the aggregate liquidation preference of each class of the Company's preferred shares outstanding during such period, plus the daily weighted average of the aggregate principal amount of the Company's consolidated indebtedness during such period (together, the "Company's Average Market Capitalization") up to \$250.0 million, plus (b) 0.5% of the Company's Average Market Capitalization exceeding \$250.0 million.

The average aggregate historical cost of the Company's real estate investments includes its consolidated assets invested, directly or indirectly, in equity interests in or loans secured by real estate and personal property owned in connection with such real estate (including acquisition related costs and costs which may be allocated to intangibles or are unallocated), all before reserves for depreciation, amortization, impairment charges or bad debts or other similar non-cash reserves.

Incentive Management Fee. The incentive management fee which may be earned by RMR LLC for an annual period is calculated as follows:

An amount, subject to a cap, based on the value of the outstanding Common Shares, equal to 12.0% of the product of:

§

the Company's equity market capitalization on the last trading day of the year immediately prior to the relevant three year measurement period, and

§

the amount (expressed as a percentage) by which the total return per share, as defined in the business management agreement and further described below, of the holders of Common Shares (i.e., share price appreciation plus dividends) exceeds the total shareholder return of the SNL U.S. REIT Hotel Index, or the benchmark return per share, (in each case subject to adjustments for Common Shares issued during the measurement period) for the relevant measurement period.

For purposes of the total return per share of the holders of Common Shares, share price appreciation for a measurement period is determined by subtracting (1) the closing price of our common shares on the Nasdaq on the last trading day of the year immediately before the first year of the measurement period from (2) the average closing price of our common shares on the 10 consecutive trading days having the highest average closing prices during the final 30 trading days in the last year of the measurement period.

The calculation of the incentive management fee (including the determinations of our equity market capitalization and the total return per share of holders of Common Shares) is subject to adjustments if additional Common Shares are issued during the measurement period.

No incentive management fee is payable by the Company unless its total return per share during the measurement period is positive.

The measurement periods are three year periods ending with the year for which the incentive management fee is being calculated.

If the Company's total return per share exceeds 12.0% per year in any measurement period, the benchmark return per share is adjusted to be the lesser of the total shareholder return of the SNL U.S. REIT Hotel Index for such measurement period and 12.0% per year, or the adjusted benchmark return per share. In instances where the adjusted benchmark return per share applies, the incentive management fee will be reduced if the Company's total return per share is between 200 basis points and 500 basis points below the SNL U.S. REIT Hotel Index by a low return factor, as defined in the business management agreement, and there will be no incentive management fee paid if, in these instances, the Company's total return per share is more than 500 basis points below the SNL U.S. REIT Hotel Index.

The incentive management fee is subject to a cap. The cap is equal to the value of the number of Common Shares which would, after issuance, represent 1.5% of Common Shares then outstanding multiplied by the average closing price of Common Shares during the 10 consecutive trading days having the highest average closing prices during the final 30 trading days of the relevant measurement period.

Incentive management fees the Company paid to RMR LLC for any period may be subject to "clawback" if the Company's financial statements for that period are restated due to material non-compliance with any financial reporting requirements under the securities laws as a result of the bad faith, fraud, willful misconduct or gross negligence of RMR LLC and the amount of the incentive management fee the Company paid was greater than the

amount the Company would have paid based on the restated financial statements.

Edgar Filing: HOSPITALITY PROPERTIES TRUST - Form DEF 14A

Property Management and Construction Supervision Fees. The property management fees payable to RMR LLC by the Company for each applicable period are equal to 3.0% of gross collected rents and the construction supervision fees payable to RMR LLC by the Company for each applicable period are equal to 5.0% of construction costs for the office building component of one of the Company's hotels that is subject to the Company's property management agreement with RMR LLC.

Pursuant to the Company's business management agreement with RMR LLC, the Company recognized net business management fees of approximately \$40.7 million for the year ended December 31, 2017, which amount reflects a reduction of approximately \$3.6 million for the amortization of the liability the Company recorded in accordance with generally accepted accounting principles in connection with the Up-C Transaction.

Pursuant to the Company's business management agreement with RMR LLC, in January 2017, the Company paid RMR LLC incentive management fees of approximately \$52.4 million for the year ended December 31, 2016 and in January 2018, the Company paid RMR LLC incentive management fees of approximately \$74.6 million for the year ended December 31, 2017. In calculating the incentive management fee payable by the Company, the Company's total shareholder return per share¹ was adjusted in accordance with the business management agreement to reflect an aggregate net increase in the number of Common Shares outstanding as a result of certain share issuances and repurchases.

Pursuant to the Company's property management agreement with RMR LLC, the Company recognized aggregate property management and construction supervision fees of \$45,000 for the year ended December 31, 2017.

Expense Reimbursement. The Company is generally responsible for all of its operating expenses, including certain expenses incurred by RMR LLC on its behalf. The Company's property level operating expenses are generally incorporated into rents charged to its tenants, including certain payroll and related costs incurred by RMR LLC. The Company reimbursed RMR LLC approximately \$0.2 million for property management related expenses related to the office building component of one of the Company's hotels for the year ended December 31, 2017. The Company is generally not responsible for payment of RMR LLC's employment, office or administrative expenses incurred to provide management services to the Company, except for the employment and related expenses of RMR LLC's employees assigned to work exclusively or partly at the office building component of one of the Company's hotels, its share of the wages, benefits and other related costs of centralized accounting personnel and its share of RMR LLC's costs for providing the Company's internal audit function. The Audit Committee appoints the Company's Director of Internal Audit and the Compensation Committee approves the costs of the Company's internal audit function. The amounts recognized as expense for internal audit costs were approximately \$0.3 million for the year ended December 31, 2017.

Term. The Company's management agreements with RMR LLC have terms that end on December 31, 2037, and automatically extend on December 31st of each year for an additional year, so that the terms of its management agreements thereafter end on the 20th anniversary of the date of the extension.

Termination Rights. The Company has the right to terminate one or both of its management agreements with RMR LLC: (i) at any time on 60 days' written notice for convenience, (ii) immediately on written notice for cause, as defined therein, (iii) on written notice given within 60 days after the end of an applicable calendar year for a performance reason, as defined therein,

1

"Total shareholder return" for purposes of the incentive management fee calculation differs from "total shareholder return" presented in the performance graph in the Annual Report because "total shareholder return" for purposes of the incentive management fee calculation has been determined in accordance with the terms of the business management agreement and includes adjustments for Common Shares issued and repurchased during the period and other items whereas "total shareholder return" presented in the performance graph is determined in the same or similar manner as each index reflected in the performance graph and does not include such adjustments and other items.

Edgar Filing: HOSPITALITY PROPERTIES TRUST - Form DEF 14A

and (iv) by written notice during the 12 months following a change of control of RMR LLC, as defined therein. RMR LLC has the right to terminate the management agreements for good reason, as defined therein.

Termination Fee. If the Company terminates one or both of its management agreements with RMR LLC for convenience, or if RMR LLC terminates one or both of its management agreements for good reason, the Company has agreed to pay RMR LLC a termination fee in an amount equal to the sum of the present values of the monthly future fees, as defined therein, for the terminated management agreement(s) for the term that was remaining prior to such termination, which, depending on the time of termination would be between 19 and 20 years. If the Company terminates one or both of its management agreements with RMR LLC for a performance reason, the Company has agreed to pay RMR LLC the termination fee calculated as described above, but assuming a 10 year term was remaining prior to the termination. The Company is not required to pay any termination fee if it terminates its management agreements with RMR LLC for cause or as a result of a change of control of RMR LLC.

Transition Services. RMR LLC has agreed to provide certain transition services to the Company for 120 days following an applicable termination by the Company or notice of termination by RMR LLC, including cooperating with the Company and using commercially reasonable efforts to facilitate the orderly transfer of the management and real estate investment services provided under its business management agreement and to facilitate the orderly transfer of the management of the managed properties under its property management agreement, as applicable.

Vendors. Pursuant to the Company's management agreements with RMR LLC, RMR LLC may from time to time negotiate on the Company's behalf with certain third party vendors and suppliers for the procurement of goods and services to the Company. As part of this arrangement, the Company may enter agreements with RMR LLC and other companies to which RMR LLC provides management services for the purpose of obtaining more favorable terms from such vendors and suppliers.

Investment Opportunities. Under the Company's business management agreement with RMR LLC, the Company acknowledges that RMR LLC may engage in other activities or businesses and act as the manager to any other person or entity (including other REITs) even though such person or entity has investment policies and objectives similar to the Company's and the Company is not entitled to preferential treatment in receiving information, recommendations and other services from RMR LLC.

Share Awards to RMR LLC Employees. The Company has historically granted share awards to certain RMR LLC employees under the Company's equity compensation plans. During the year ended December 31, 2017, the Company granted annual share awards of 85,000 Common Shares to the Company's officers and to other employees of RMR LLC valued at approximately \$2.4 million, based upon the closing price of the Common Shares on the Nasdaq on the date of grant. One fifth of those share awards vested on the grant date and one fifth vests on each of the next four anniversaries of the grant date. These share awards to such RMR LLC employees are in addition to the share awards granted to Adam D. Portnoy and Barry M. Portnoy, as the Company's then Managing Trustees, and the fees the Company paid to RMR LLC. In 2017, the Company purchased 19,058 Common Shares, at the closing price of the Common Shares on the Nasdaq on the date of purchase, from certain of the Company's Trustees and officers and certain other employees of RMR LLC in satisfaction of tax withholding and payment obligations in connection with the vesting of awards of Common Shares.

On occasion, the Company has entered into arrangements with former employees of RMR LLC in connection with the termination of their employment with RMR LLC, providing for the acceleration of vesting of Common Share awards previously granted to them under the Company's equity compensation plans. Additionally, each of the Company's executive officers during 2017 received share awards of other companies to which RMR LLC or its subsidiaries provide management services, including TA, in their capacities as officers or employees of RMR LLC.

Lease with RMR LLC. The Company leases office space to RMR LLC in the office building component of one of the Company's hotels. Pursuant to the Company's lease agreement with RMR LLC, the Company recognized rental income from RMR LLC for leased office space of \$35,000 for the year ended December 31, 2017. The Company's office space lease with RMR LLC is terminable by RMR LLC if the Company's management agreements with RMR LLC are terminated.

Other. In June 2017, the Company and RMR LLC became aware that the Company had been a victim of a criminal fraud that law enforcement authorities refer to as business email compromise fraud. This fraud involved a person pretending to be the representative of the seller in one of the Company's property acquisition transactions and such imposter providing fraudulent wire instructions to one of the Company's senior officers. As a result, funds were sent by wire transfer to an account that was believed to be, but in fact was not, the seller's account. RMR LLC reimbursed the Company during the second quarter of 2017 for this fraudulent wire payment. As a result of the reimbursement, the Company did not incur any loss in connection with this matter.

The Company has in the past held, and likely will in the future hold, business meetings at hotels operated by Sonesta, which is owned in part by one of the Company's Managing Trustees, Adam D. Portnoy, and the remainder was owned by Barry M. Portnoy until his death and which manages certain hotels owned by the Company, and the Company's Trustees and officers have in the past stayed, and are likely in the future to stay, overnight at hotels operated by Sonesta when traveling for Company business. The Company pays Sonesta for the use of meeting space and related services and pays Sonesta or reimburses the Company's Trustees and officers for the costs of these hotel stays.

Relationship with Sonesta and Others Related to It. As of December 31, 2017, Sonesta managed 49 of the Company's hotels. One of the Company's Managing Trustees, Adam D. Portnoy, also serves as a director and owns a portion of Sonesta, and Barry M. Portnoy, a former Managing Trustee of the Company, served as a director and owned a majority of Sonesta until his death. Sonesta's other director serves as a managing director of RMR Inc. and as its executive vice president, general counsel and secretary and as the Company's Secretary. Sonesta's chief executive officer and chief financial officer are officers of RMR LLC. Certain other officers and employees of Sonesta are former employees of RMR LLC. RMR LLC also provides certain services to Sonesta.

Management Agreements With Sonesta. The Company has hotel management agreements with Sonesta that provide for Sonesta to manage, as of December 31, 2017, 10 of the Company's full service hotels and 39 of the Company's limited service hotels pursuant to management agreements for each of the hotels, which the Company refers to collectively as the Sonesta agreement, and a pooling agreement, which combines those management agreements for purposes of calculating gross revenues, payment of hotel operating expenses, payment of fees and distributions and minimum returns due to the Company.

The Sonesta agreement provides that the Company is paid a fixed annual minimum return equal to 8.0% of its invested capital, as defined therein, which fixed annual minimum return was approximately \$109.6 million as of December 31, 2017, if gross revenues of the hotels, after payment of hotel operating expenses and management and related fees (other than Sonesta's incentive fee, if applicable), are sufficient to do so. The Sonesta agreement further provides that the Company is paid an additional return based upon operating profits, as defined therein, after payment of Sonesta's incentive fee, if applicable. The Company realized returns of approximately \$70.6 million during the year ended December 31, 2017 under the Sonesta agreement. The Company does not have any security deposits or guarantees for its Sonesta hotels. Accordingly, the returns the Company receives from its Sonesta hotels are limited to available hotel cash flows after payment of operating expenses.

The Sonesta agreement provides that Sonesta is entitled to receive, after payment of hotel operating expenses, a base management fee equal to 3% of gross revenues for the Company's full service Sonesta hotels and 5% of gross revenues for the Company's limited service Sonesta hotels. Additionally, Sonesta is entitled to a reservation fee equal to 1.5% of gross room revenues, as defined in the management agreements, a system fee for centralized services of 1.5% of gross revenues, a procurement and construction supervision fee equal to 3% of third party costs of capital expenditures and an incentive

Edgar Filing: HOSPITALITY PROPERTIES TRUST - Form DEF 14A

management fee equal to 20% of operating profits remaining after reimbursement to the Company and to Sonesta of certain advances and payment of the Company's minimum returns. Sonesta's incentive management fee, but not its other fees, is earned only after the Company's minimum returns are paid. The Company incurred base management, reservation and system fees and reimbursement costs for certain guest loyalty, marketing program and third party reservation transmission fees of approximately \$28.2 million for the year ended December 31, 2017 under the Sonesta agreement. In addition, the Company recognized procurement and construction supervision fees of approximately \$1.1 million for the year ended December 31, 2017 under the Sonesta agreement.

Under the Sonesta agreement, the costs incurred by Sonesta for advertising, marketing, promotional and public relations programs and campaigns, including "frequent stay" rewards programs, for the benefit of the Company's Sonesta hotels are subject to reimbursement by the Company or are otherwise treated as hotel operating expenses, subject to the Company's approval.

The Sonesta agreement does not require FF&E escrow deposits, but does require the Company to fund capital expenditures the Company approves at its Sonesta hotels. The Company funded approximately \$34.9 million for renovations and other capital improvements to hotels included in the Sonesta agreement during the year ended December 31, 2017.

The Sonesta agreement expires in January 2037, and will be extended automatically for up to two successive 15 year renewal terms unless Sonesta elects not to renew the management agreements. The Company generally has the right to terminate the Sonesta agreement after three years without cause upon payment of a termination fee. The Company also has the right to terminate the Sonesta agreement without a termination fee if the Company's minimum return is less than 6% of its invested capital during any three of four applicable consecutive years. Both the Company and Sonesta have the right to terminate the Sonesta agreement upon a change in control, as defined therein, of the other party, and under certain other circumstances that, in the case of termination by Sonesta, may require the payment of a termination fee. Under the Sonesta agreement, the termination fee is an amount equal to the present value of the payments that would have been made to Sonesta as a base management fee, reservation fee, system fee and incentive management fee, each as defined therein, between the date of termination of the applicable agreement and the scheduled expiration date of the term that was remaining prior to such termination, which present value is calculated based upon the average of each of such fees earned in each of the three years ended prior to the date of termination, discounted at an annual rate equal to 8%. A hotel may be designated as "non-economic" under the applicable management agreement and removed from the Sonesta pooling agreement and subject to sale, and the Company has an early termination right under the Sonesta agreement if the applicable hotel does not meet certain criteria for the stipulated measurement period.

On September 26, 2017, the Company acquired 14 extended stay hotels with 1,653 suites located in 12 states for an aggregate purchase price of approximately \$138.0 million, excluding acquisition related costs. In connection with this acquisition the Company converted these hotels to the Sonesta ES Suites® brand and added them to the management agreement with Sonesta.

On June 2, 2017, the Company acquired the 389 room Chase Park Plaza Hotel in St. Louis, MO for a purchase price of approximately \$88.1 million, including capitalized acquisition costs of approximately \$0.5 million. The Company converted this hotel to the Royal Sonesta® hotel brand and added it to one of the management agreements with Sonesta.

earned premiums payable under then active policies issued or underwritten by AIC or by a vendor or an agent of AIC on its behalf or in furtherance of AIC's business.

The Company and the other AIC shareholders participate in a combined property insurance program arranged and insured or reinsured in part by AIC. The Company paid aggregate annual premiums, including taxes and fees, of approximately \$6.4 million in connection with this insurance program for the policy year ending June 30, 2018, which amount may be adjusted from time to time as the Company acquires or disposes of properties that are included in this insurance program.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Overview

This Compensation Discussion and Analysis provides a detailed description of the Company's executive compensation philosophy and programs, the compensation decisions the Compensation Committee made under those programs in 2017 and the factors that impacted those decisions. This Compensation Discussion and Analysis discusses the compensation of the Company's "named executive officers" for 2017, who are the officers for whom compensation disclosure is required to be made in this Proxy Statement under SEC rules. For 2017, the Company's named executive officers were:

Name	Title
John G. Murray	President, Chief Operating Officer and Assistant Secretary
Mark L. Kleifges	Chief Financial Officer and Treasurer
Ethan S. Bornstein	Senior Vice President

The Company does not have any employees. The Company's manager, RMR LLC, provides services that otherwise would be provided by employees. The Company's named executive officers are employees of RMR LLC. RMR LLC conducts the Company's day to day operations on the Company's behalf and compensates the Company's named executive officers, Messrs. Murray, Kleifges and Bornstein, directly and in its sole discretion in connection with their services rendered to the Company and to RMR LLC. The Company does not pay its named executive officers salaries or bonuses or provide other compensatory benefits except for the grants of shares under the Company's 2012 Equity Compensation Plan (the "Share Award Plan"), discussed below. The Company does not reimburse RMR LLC for compensation RMR LLC pays to the Company's named executive officers. None of the Company's named executive officers have an employment agreement with the Company. In addition, except for the share award agreements discussed below under "Potential Payments upon Termination or Change in Control," none of the Company's named executive officers have an agreement that provides for payments or benefits upon or in connection with his termination or a change in control of the Company. Although the Compensation Committee reviews and approves the Company's business management and property management agreements with RMR LLC, it is not involved in compensation decisions made by RMR LLC for its employees other than the employee serving as the Company's Director of Internal Audit. The Company's payments to RMR LLC are described in "Certain Related Person Transactions" beginning on page 37 of this Proxy Statement. For information regarding the compensation paid by RMR LLC and RMR Inc. to the named executive officers of RMR Inc., please see the below "RMR LLC and RMR Inc. Compensation Practices" section and the documents filed by RMR Inc. with the SEC, including its Annual Report on Form 10-K for the fiscal year ended September 30, 2017 and its Proxy Statement on Schedule 14A for its 2018 Annual Meeting of Shareholders. RMR Inc.'s filings with the SEC are not incorporated by reference into this Proxy Statement.

Compensation Philosophy

The Company's compensation program for its executive officers consists of grants of shares under the Share Award Plan. The Compensation Committee believes that these share grants recognize the Company's executive officers' scope of responsibilities, reward demonstrated performance and leadership, motivate future performance and further align the interests of the executive officers with those of the Company's shareholders.

Overview of 2017 Compensation Actions

In September 2017, the Chair of the Compensation Committee met with Mr. Barry M. Portnoy, our then Managing Trustee, and the chairs of the compensation committees of RMR Inc. and of the then other

public companies to which RMR LLC provides management services, which included: the Company; GOV; SIR; SNH; FVE; and TA. The purposes of this meeting were, among other things, to discuss compensation philosophy and factors that may affect compensation decisions, to consider the compensation payable to the Company's Director of Internal Audit (who provides services to the Company and to other companies to which RMR LLC provides management services), to consider the allocation of internal audit and related services costs among RMR Inc., the Company and other companies to which RMR LLC provides such services, to provide a comparative understanding of potential share grants by the Company and the other companies to which RMR LLC provides management services and to hear and consider recommendations from the Company's then Managing Trustees concerning potential share grants. The share grants made by the other companies managed by RMR LLC are considered to be appropriate comparisons because of the similarities between certain services the Company requires from the Company's share grantees and the services provided by grantees providing similar services to these other companies. Subsequent to this meeting, the members of the Compensation Committee held a meeting at which the Committee Chair provided a report of the information discussed with Mr. Barry M. Portnoy and others, and made recommendations for share grants to the Company's named executive officers. The Compensation Committee then discussed these recommendations and other factors, including the following factors for the 2017 share grants: (i) the value of the proposed share grants; (ii) the historical awards previously granted to each named executive officer and the corresponding values at the time of the grants; (iii) the recommendations of RMR LLC as presented by Mr. Barry M. Portnoy; (iv) the value of share grants to executive officers providing comparable services at the applicable Other RMR Managed REITs and companies to which RMR LLC provides management services; (v) the scope of, and any changes to, the responsibilities assigned to, or assumed by, each named executive officer during the past year and on a going forward basis; (vi) the length of historical services by each named executive officer; (vii) the Compensation Committee's perception regarding the quality of the services provided by each named executive officer in carrying out those responsibilities; and (viii) the Company's financial and operating performance in the past year and the Company's perceived future prospects. The Compensation Committee considered these multiple factors in determining whether to increase or decrease the amounts of the prior year's grants. There was no formulaic approach in the use of these various factors in determining the number of shares to award to each named executive officer. The share amounts were determined on a subjective basis, using the various factors in the Compensation Committee's sole discretion. The named executive officers did not participate in these meetings and were not involved in determining or recommending the amount or form of named executive compensation they receive from the Company.

Analysis of 2017 Awards under the Share Award Plan

Although the Company does not pay any cash compensation directly to its officers and has no employees, the Company has adopted the Share Award Plan to reward the Company's named executive officers and other RMR LLC employees who provide services to the Company and to foster a continuing identity of interest between them and the Company's shareholders. The Company awards shares under the Share Award Plan to recognize the named executive officers' scope of responsibilities, reward demonstrated performance and leadership, motivate future performance, align the interests of the Company's executives with those of the Company's other shareholders and motivate the executives to remain employees of the Company's manager and to continue to provide services to the Company through the term of the awards.

Under its charter, the Compensation Committee evaluates, approves and administers the Company's equity compensation plans, which currently consist solely of the Share Award Plan. The Compensation Committee has historically determined to use grants of Common Share awards under the Share Award Plan rather than stock options as equity compensation. Because the value of the Common Shares may be determined in part by reference to its dividend yield relative to market interest rates rather than by its potential for capital appreciation, the Company believes a conventional stock option plan might not provide appropriate incentives for management for a business like that of the Company, but a share grant plan may create a better identity of interests between management and other shareholders. Also, because the Company believes a stock option plan could have the potential to encourage excessive short term risk taking, the Company has historically granted share awards rather than stock options.

Edgar Filing: HOSPITALITY PROPERTIES TRUST - Form DEF 14A

The Compensation Committee uses comparative information about the applicable Other RMR Managed REITs as additional data to help it determine whether it is awarding share amounts that are reasonable based on the characteristics of those REITs and their respective officers. The Compensation Committee also considers the size and structure of the Other RMR Managed REITs and other RMR LLC managed businesses, and the experience, length of service and scope of duties and responsibilities of the officers at these other companies to assess the appropriateness of the value of the share awards proposed for the Company's officers in light of the proposed awards for officers with comparable roles at the other companies. The Compensation Committee reviewed the compensation data regarding the applicable Other RMR Managed REITs and their officers, together with the other factors discussed above, but the Compensation Committee did not undertake a detailed comparison of the named executive officers across the REITs or other companies managed by RMR LLC or assign weight to any particular characteristic of these other companies or their officers because the Compensation Committee determines the share amounts in its sole discretion on a non-formulaic basis. In 2017, the Compensation Committee considered the foregoing factors and decided to award the same number of shares awarded to the Company's named executive officers as were awarded in 2016, in accordance with the recommendation of the Company's Managing Trustees and the Chair of the Compensation Committee. The Compensation Committee also determined that it would be appropriate to provide that such share awards would vest upon the occurrence of certain corporate "change in control" or termination events. For more information on potential payments upon such events, see page 56.

The Company determines the fair market value of the shares granted based on the closing price of the Common Shares on the date of grant. The Compensation Committee has imposed, and may impose, vesting and other conditions on the granted Common Shares because it believes that time based vesting encourages the recipients of the share awards to remain employed by RMR LLC and to continue to provide services to the Company. The Compensation Committee currently uses a vesting schedule under which one fifth of the shares vest immediately and the remaining shares vest in four equal, consecutive annual installments commencing on the first anniversary of the date of grant. The Compensation Committee utilizes a four year time based vesting schedule to provide an incentive to provide services for a long term and in consideration of the tax treatment of the share grants to the Company and to the recipients. In the event a recipient who has been granted a share award ceases to perform duties for the Company or ceases to be an officer or an employee of RMR LLC or any company that RMR LLC or its subsidiaries manage during the vesting period, the Company may cause the forfeiture of, or the Company may repurchase for nominal consideration, the Common Shares that have not yet vested. As with other issued Common Shares, vested and unvested shares awarded under the Share Award Plan are entitled to receive distributions that the Company makes, if any, on the Common Shares.

Because the consideration of share awards by the Compensation Committee and the Board is determined on a regular schedule (i.e., in September for the Company's officers and employees of RMR LLC and at the first meeting of the Board after the annual meeting of shareholders for the Trustees), the proximity of any grants to earnings announcements or other market events, if any, is coincidental.

The Compensation Committee believes that its compensation philosophy and programs are designed to foster a business culture that aligns the interests of its named executive officers with those of its shareholders. The Compensation Committee believes that the equity compensation of its named executive officers is appropriate to the goal of providing shareholders dependable, long term returns.

Say on Pay

The Company's current policy, consistent with the prior vote of the Company's shareholders, is to provide shareholders with an opportunity to approve, on an advisory basis, the compensation of named executive officers each year at the annual meeting of shareholders. Accordingly, the Company is providing shareholders with an opportunity to approve the compensation of the named executive officers in this Proxy Statement. For more information, see Item 2 on page 58 of this Proxy Statement.

In evaluating the Company's compensation process for 2017, the Compensation Committee generally considered the results of the most recent advisory vote of the Company's shareholders on the

compensation of the executive officers named in the proxy statement for the Company's 2017 annual meeting of shareholders.

RMR LLC and RMR Inc. Compensation Practices

As explained above, the Company's manager, RMR LLC, provides services that otherwise would be provided by employees, conducts the Company's day to day operations on the Company's behalf and compensates the Company's named executive officers, Messrs. Murray, Kleifges and Bornstein, directly and in its sole discretion in connection with their services rendered to the Company and to RMR LLC. The Company does not pay its named executive officers salaries or bonuses or provide other compensatory benefits except for the grants of share awards under the Share Award Plan. The Company does not reimburse RMR LLC for compensation RMR LLC or RMR Inc. pays to the Company's named executive officers.

RMR LLC has advised the Company that in 2017 RMR LLC paid each of the Company's named executive officers cash compensation comprised of a fixed salary and a cash bonus. RMR LLC did not provide guaranteed cash bonuses to the Company's named executive officers during 2017 and did not set specific performance targets on which bonuses would be payable to them. Instead, the annual cash bonuses paid by RMR LLC to the Company's named executive officers in 2017 were discretionary in amount and were based on a performance evaluation conducted by the compensation committee of RMR Inc.

RMR Inc., the parent of RMR LLC, granted an award of 4,000 shares of Class A common stock of RMR Inc., with a grant date fair value of \$204,200, to each of Mr. Murray and Mr. Kleifges and an award of 1,500 shares of Class A common stock of RMR Inc., with a grant date fair value of \$76,575, to Mr. Bornstein in 2017. One fifth of the shares awarded vested on the grant date and an additional one fifth vests on each of the next four anniversaries of the grant date, subject to the applicable named executive officer continuing to render significant services, whether as an employee or otherwise, to RMR LLC or a public client company managed by RMR LLC or their respective affiliates and to accelerated vesting under certain circumstances.

The Company's named executive officers are also officers and employees of RMR LLC and, as officers and employees of RMR LLC, also provide services to RMR LLC, RMR Inc. and other companies managed by RMR LLC or its subsidiaries. RMR LLC has informed the Company that the cash compensation paid by RMR LLC to the Company's named executive officers is for services provided by the officers to RMR LLC, RMR Inc., the Company and other companies managed by RMR LLC or its subsidiaries. RMR LLC has also informed the Company that it is not able to allocate with reasonable certainty or provide a reasonable estimate of the compensation paid by RMR LLC to our named executive officers for their services to the Company for a number of reasons:

Our management agreements with RMR LLC do not require individual executive officers to dedicate a specific amount of time to providing services to the Company under those agreements. RMR LLC's officers and employees provide services on an as needed basis across RMR LLC, RMR Inc., the Company and all other companies managed by RMR LLC or its subsidiaries.

Our management agreements with RMR LLC do not require that a specified amount or percentage of the fees the Company pays to RMR LLC be allocated to the Company's executive officers.

RMR LLC does not designate a specific amount of time that the Company's named executive officers must spend providing services to the Company or record the amount of time that the Company's named executive officers (or any other employee of RMR LLC) spend providing services to the Company.

For information regarding the compensation paid by RMR LLC and RMR Inc. to the named executive officers of RMR Inc., please see the documents filed by RMR Inc. with the SEC, including its Annual Report on Form 10-K for the fiscal year ended September 30, 2017 and its Proxy Statement on Schedule 14A for its 2018 Annual Meeting of Shareholders. RMR Inc.'s filings with the SEC are not incorporated by reference into this Proxy Statement.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into the Annual Report on Form 10-K for the year ended December 31, 2017.

Potential Payments upon Termination or Change in Control

From time to time, we have entered into arrangements with former employees of RMR LLC in connection with the termination of their employment with RMR LLC, providing for the acceleration of vesting of Common Shares previously awarded to them under the Share Award Plan. Although we have no formal policy, plan or arrangement for payments to employees of RMR LLC in connection with their termination of employment with RMR LLC, we may in the future provide on a discretionary basis for similar payments depending on various factors we then consider relevant and if we believe it is in our best interests to do so.

The form of share award agreement for awards made to our named executive officers provides for acceleration of vesting of all share awards upon the occurrence of certain change in control or termination events (each, a "Termination Event").

The following table describes the potential payments to our named executive officers upon a Termination Event, if such event had occurred, as of December 31, 2017.

REPORT OF THE AUDIT COMMITTEE

In the course of the Audit Committee's oversight of the Company's financial reporting process, the Audit Committee has: (i) reviewed and discussed with management the audited financial statements for the fiscal year ended December 31, 2017; (ii) discussed with Ernst & Young LLP, the Company's independent auditors, the matters required to be discussed under PCAOB Auditing Standard No. 1301; (iii) received the written disclosures and the letter from the auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence; (iv) discussed with the independent auditors their independence; and (v) considered whether the provision of non-audit services by the independent auditors is compatible with maintaining their independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2017, for filing with the SEC.

2018 Proxy Statement 57

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION (ITEM 2)

As required by Section 14A of the Exchange Act, the Company seeks a non-binding advisory vote from its shareholders to approve the compensation of its named executive officers as described in the "Compensation Discussion and Analysis" section beginning on page 49 and the "Executive Compensation" section beginning on page 54.

The Board recommends that shareholders vote FOR the following resolution:

RESOLVED: That the shareholders of the Company approve, on a non-binding, advisory basis, the compensation paid by the Company to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the "Compensation Discussion and Analysis" in this Proxy Statement.

Because your vote is advisory, it will not be binding upon the Board or the Compensation Committee. However, the Board values shareholders' opinions and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation decisions.

Approval of the advisory vote to approve executive compensation requires the affirmative vote of a majority of all the votes cast, in person or by proxy, at the 2018 Annual Meeting.

The Board of Trustees recommends a vote "FOR" the advisory vote to approve executive compensation.

RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS (ITEM 3)

The Audit Committee has the sole authority and responsibility to hire, evaluate and, when appropriate, replace our independent auditors and is directly responsible for the appointment, compensation and general oversight of the work of the independent auditors. The Audit Committee is responsible for approving the audit and permissible non-audit services provided by the independent auditors and the associated fees.

The Audit Committee evaluates the performance of our independent auditors annually and determines whether to reengage the current independent auditors or consider other audit firms. In doing so, the Audit Committee considers the quality and efficiency of the services provided by the auditors, the auditors' technical expertise and knowledge of our operations and industry, the auditors' independence, legal proceedings involving the auditors, the results of PCAOB inspections and peer quality reviews of the auditors and the auditors' reputation in the marketplace. In connection with the mandated rotation of the independent auditors' lead engagement partner, the Audit Committee and its chair consider the selection of the new lead engagement partner identified by the independent auditors.

Based on this evaluation, the Audit Committee has appointed Ernst & Young LLP to serve as the Company's independent auditors for the fiscal year ending December 31, 2018. Ernst & Young LLP has served as the Company's independent auditors since our formation in 1995 and is considered by management and the Audit Committee to be well qualified. Further, the Audit Committee and the Board believe that the continued retention of Ernst & Young LLP to serve as the independent registered public accounting firm is in the best interests of the Company and its shareholders.

The Audit Committee has determined to submit its selection of the independent auditors to the Company's shareholders for ratification. This vote will ratify prior action by the Audit Committee and will not be binding upon the Audit Committee. However, the Audit Committee may reconsider its prior appointment of the independent auditors or consider the results of this vote when it determines to appoint our independent auditors in the future.

Audit Fees and All Other Fees

The following table shows the fees for audit and other services provided to us by Ernst & Young LLP for the fiscal years ended December 31, 2017 and 2016.

Audit Related Fees		
Tax Fees	29,200	28,200
All Other Fees	456	508

(1) The amount of audit fees for 2017 is based on the fees billed and paid to date and on the estimate for remaining fees provided by Ernst & Young LLP to and approved by the Audit Committee for services provided to us by Ernst & Young LLP, including in connection with the audit of the Company's 2017 financial statements and internal control over financial reporting. The final amount of the fees for those services may vary from the estimate provided.

Audit Fees. This category includes fees associated with the annual financial statements audit and related audit procedures, the audit of internal control over financial reporting, work performed in connection with any registration statements and any applicable Current Reports on Form 8-K and the review of any of the Company's Quarterly Reports on Form 10-Q.

Audit Related Fees. This category consists of services that are reasonably related to the performance of the audit or review of financial statements and are not included in "Audit Fees." These services principally include due diligence in connection with acquisitions, consultation on accounting and internal control matters, audits in connection with proposed or consummated acquisitions, information systems audits and other attest services.

Tax Fees. This category consists of fees for tax services, including tax compliance, tax advice and tax planning.

All Other Fees. This category consists of services that are not included in the above categories. The amounts for 2017 and 2016 reflect annual subscription fees for Ernst & Young LLP's online accounting research application.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee has established policies and procedures that are intended to control the services provided by our independent auditors and to monitor their continuing independence. Under these policies, no services may be undertaken by our independent auditors unless the engagement is specifically approved by the Audit Committee or the services are included within a category that has been approved by the Audit Committee. The maximum charge for services is established by the Audit Committee when the specific engagement or the category of services is approved. In certain circumstances, our management is required to notify the Audit Committee when approved services are undertaken and the Audit Committee or its Chair may approve amendments or modifications to the engagement or the maximum fees. Our Director of Internal Audit is responsible for reporting to the Audit Committee regarding compliance with these policies and procedures.

The Audit Committee will not approve engagements of the independent auditors to perform non-audit services for the Company if doing so will cause the independent auditors to cease to be independent within the meaning of applicable SEC or Nasdaq rules. In other circumstances, the Audit Committee considers, among other things, whether our independent auditors are able to provide the required services in a more or less effective and efficient manner than other available service providers and whether the services are consistent with the Public Company Accounting Oversight Board Rules.

All services for which the Company engaged its independent auditors in 2017 and 2016 were approved by the Audit Committee. The total fees for audit and non-audit services provided by Ernst & Young LLP in 2017 and 2016 are set forth above and, for 2017, include estimated fee amounts. The tax fees charged by Ernst & Young LLP during 2017 and 2016 were for tax compliance services, including those related to the Company's income tax returns for the fiscal years ended December 31, 2016 and 2015, respectively. The Audit Committee approved the engagement of Ernst & Young LLP to provide these non-audit services because it determined that Ernst & Young LLP providing these services would not compromise Ernst & Young LLP's independence and that the firm's familiarity with our record keeping and accounting systems would permit the firm to provide these services with equal or higher quality, more efficiently and at a lower cost than the Company could obtain these services from other providers.

Other Information

The Company has been advised by Ernst & Young LLP that neither the firm, nor any member of the firm, has any material interest, direct or indirect, in any capacity in the Company or its subsidiaries.

One or more representatives of Ernst & Young LLP will be present at the 2018 Annual Meeting. The representatives will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Ratification of the appointment of the independent auditors requires the affirmative vote of a majority of all the votes cast, in person or by proxy, at the 2018 Annual Meeting. If shareholders fail to approve the proposal, the Board may reconsider its prior appointment of the independent auditors or consider the results of this vote when it determines to appoint our independent auditors in the future.

The Board of Trustees recommends a vote "FOR" the ratification of the appointment of Ernst & Young LLP as independent auditors.

NON-BINDING SHAREHOLDER PROPOSAL REQUESTING THAT THE BOARD ADOPT A "PROXY ACCESS" BYLAW (ITEM 4)

The following shareholder proposal was submitted by the Comptroller of the City of New York, as the custodian and a trustee of the New York City Employees' Retirement System, the New York City Fire Pension Fund, The New York City Teachers' Retirement System and the New York City Police Pension Fund and custodian of the New York City Board of Education Retirement System, Municipal Building, One Centre Street, 8th Floor North, New York, NY 10007. If a proponent, or a representative of a proponent who is qualified under state law, is present and properly submits the proposal for a vote, then the proposal will be voted on at the 2018 Annual Meeting. In accordance with federal securities laws, the Company is including the proponents' proposal and supporting statement in this proxy statement. The Company is not responsible for the proposal or supporting statement. If approved, the proposal would be a non-binding recommendation to the Board. So you can easily distinguish between information provided by the proponents and the opposition statement of the Company, there is a box around the opposition statement of the Company.

Proposal

RESOLVED: Shareholders of the Hospitality Properties Trust (the "Company") ask the board of directors (the "Board") to take the steps necessary to adopt a "proxy access" bylaw. Such a bylaw shall require the Company to include in proxy materials prepared for a shareholder meeting at which directors are to be elected the name, Disclosure and Statement (as defined herein) of any person nominated for election to the board by a shareholder or group (the "Nominator") that meets the criteria established below. The Company shall allow shareholders to vote on such nominee on the Company's proxy card.

The number of shareholder-nominated candidates appearing in proxy materials shall not exceed the larger of two or one quarter of the directors then serving. This bylaw, which shall supplement existing rights under Company bylaws, should provide that a Nominator must:

- a) have beneficially owned 3% or more of the Company's outstanding common stock continuously for at least three years before submitting the nomination;
- b) give the Company, within the time period identified in its bylaws, written notice of the information required by the bylaws and any Securities and Exchange Commission rules about (i) the nominee, including consent to being named in the proxy materials and to serving as director if elected; and (ii) the Nominator, including proof it owns the required shares (the "Disclosure"); and
- c) certify that (i) it will assume liability stemming from any legal or regulatory violation arising out of the Nominator's communications with the Company shareholders, including the Disclosure and Statement; (ii) it will comply with all applicable laws and regulations if it uses soliciting material other than the Company's proxy materials; and (iii) to the best of its knowledge, the required shares were acquired in the ordinary course of business and not to change or influence control at the Company.

The Nominator may submit with the Disclosure a statement not exceeding 500 words in support of each nominee (the "Statement"). The Board shall adopt procedures for promptly resolving disputes over whether notice of a nomination was timely, whether the Disclosure and Statement satisfy the bylaw and applicable federal regulations, and the priority to be given to multiple nominations exceeding the one-quarter limit.

Supporting Statement

We believe proxy access will make directors more accountable and enhance shareholder value. A 2014 study by the CFA Institute concluded that proxy access could raise overall US market capitalization by up to \$140.3 billion if adopted market-wide, "with little cost or disruption." (<http://www.cfapubs.org/doi/pdf/10.2469/ccb.v2014.n9.1>)

The proposed terms are similar to those in vacated SEC Rule 14a-11 (<https://www.sec.gov/rules/final/2010/33-9136.pdf>). The SEC, following extensive analysis and input from market participants, determined that those terms struck the proper balance of providing shareholders with viable proxy access while containing appropriate safeguards.

The proposed terms enjoy strong investor support and company acceptance. A similar shareholder proposal received 84.8% of votes cast at the Company in 2017 and more than 440 companies have enacted bylaws with similar terms.

We urge shareholders to vote FOR this proposal.

The Company's Statement about the Proposal

If adopted, the Comptroller of the City of New York's proxy access procedure would facilitate company financed proxy contests in trustee elections by requiring the Company's proxy statement and proxy card to include nominees of a shareholder to stand for election as a Trustee in competition with the Board's nominees, instead of the nominating shareholder providing his or her own proxy materials.

The Board is not convinced that proxy access makes a board more accountable or increases shareholder value for the following reasons:

Allowing shareholders to nominate competing Board candidates in the Company's proxy statement may undercut the role of the Company's independent Nominating and Governance Committee and the Board in a crucial element of our corporate governance.

Proxy access risks introducing non-constructive and destabilizing dynamics into the Board election process.

Proxy access creates the potential for a shareholder with special interests to use proxy access to promote a specific agenda rather than the best interests of the Company, thereby creating the risk of a special interest shareholder leveraging the Board election process at negligible cost to such shareholder.

If adopted, the Comptroller of the City of New York's proxy access procedure would permit a shareholder with a current intent to effect a change in control to use proxy access to obtain seats on the Board, so long as the shareholder originally acquired the required number of shares in the ordinary course of business with no intent to change or influence control of the Company.

Proxy access may encourage a short term focus with respect to the Company's business that would not be in the long term interest of the Company. For example, a nominating shareholder may have more immediate need for liquidity and nominate individuals who will take steps to increase the near term share price at the expense of long term value creation.

The CFA Institute study on which the proponents rely does not provide meaningful support for proxy access. The CFA Institute concludes that five event studies conducted by third parties "suggest" that proxy access "has the potential" to raise estimated overall U.S. market capitalization by between 0.023% and 1.1%. In fact, one of those five studies identified a *negative* relationship between proxy access and shareholder wealth.

The proponents state that their proposal is similar to the vacated 2010 SEC proxy access rules. The U.S. Court of Appeals for the District of Columbia Circuit vacated those rules in 2011 because the SEC failed to adequately address the economic consequences of their adoption. The Court described the SEC's promulgation of the rules as "arbitrary and capricious." As such, similarity to the vacated rules does not demonstrate that the proponents' proposal strikes the proper balance of providing shareholders with viable proxy access while containing appropriate safeguards.

Proxy access is new and its benefits are unproven. The Board believes that the measures the Company currently employs for the nomination and election of Trustees have promoted long term value creation. Indeed, the Company has performed better than its peers on a long term basis. For each of the three, five and ten-year periods ended December 31, 2017, the Company's total return per share (i.e., dividends plus market price changes) has exceeded the total returns per share of the SNL US REIT Hotel Index by +20%, +12% and +47%, respectively.

For the foregoing reasons, among others, the Board believes that this proposal is not in the best interests of the Company and unanimously recommends that shareholders vote "AGAINST" Item 4.

Approval of the proposal requires the affirmative vote of a majority of all the votes cast by the holders of the Common Shares voting in person or by proxy at the 2018 Annual Meeting. As an advisory vote, if approved, the proposal would be a non-binding recommendation to the Board.

The Board of Trustees recommends a vote "AGAINST" the proposal.

NON-BINDING SHAREHOLDER PROPOSAL REQUESTING THAT THE BOARD ADOPT A CONSEQUENTIAL VOTE STANDARD FOR UNCONTESTED DIRECTOR ELECTIONS (ITEM 5)

The following shareholder proposal was submitted by UNITE HERE (the "Union"), which is a labor union. If the Union, or a representative of the Union who is qualified under state law, is present and properly submits the Union's proposal for a vote, then the proposal will be voted on at the 2018 Annual Meeting. In accordance with federal securities laws, the Company is including the Union's proposal and supporting statement in this proxy statement. The Company is not responsible for the Union's proposal or supporting statement. If approved, the proposal would be a non-binding recommendation to the Board. So you can easily distinguish between information provided by the Union and opposition statement of the Company, there is a box around the opposition statement of the Company.

Proposal

Be it resolved that shareholders of Hospitality Properties Trust ("HPT," or "the Company") recommend that the board take all steps necessary in accordance with applicable laws to adopt a consequential majority vote standard for uncontested director elections (elections in which the number of director candidates is identical to the number of directors to be elected), such that the board of directors makes every effort to ensure that directors whose election is opposed by a voting majority of shareholders (a "rejected director," or someone receiving more "against" votes than "for") are replaced in a reasonable time frame (we recommend six months). A plurality voting standard, in which the candidates receiving the greatest number of votes are seated, should be used for contested elections (in which the number of director candidates exceeds the number of directors to be elected).

We recommend that directors who do not receive the support of a voting majority of shareholders in an uncontested election of directors serve a truncated 180-day term, and that the board be given the power to appoint any replacement director it finds suitable, other than the rejected director, to succeed the rejected director upon the expiration of his or her truncated term.

Supporting Statement

We believe the election of directors to be a fundamental right of shareholders; however, when boards keep in place directors rejected by a voting majority of shareholders, this right becomes largely ceremonial.

Our company adopted a majority vote standard for the election of directors on paper in 2010. Even though the number of directors standing for election each year has been small, due to the company's classified board, a voting majority of shareholders have rejected director candidates on six (6) separate occasions. Every single rejected director continued in or was returned to office by the remaining board members. By way of contrast, Ernst and Young estimate that out of all director elections at listed companies on the Russell 3000 index, less than a third of one percent failed to receive the support of a voting majority of shareholders in 2017 (current to 10/31/2017).

The Council of Institutional Investors (CII), an organization dedicated to improving corporate governance representing a membership with over \$3 trillion in assets under management, reviewed uncontested elections from 2013-2016 and found a "rejected director" (a director receiving less than 50% support, as measured by votes for and against or votes for and withhold) left the board just 25 percent of the time. CII supports what it calls "consequential majority voting" to remove the risk of rejected directors lingering

on boards beyond a reasonable transition period. Our proposal provides the board significant time to identify and recruit a replacement director of their choice to fill the vacancy created by the departure of the rejected director while also limiting the time rejected directors continue to hold office.

We urge you to vote YES to ensure shareholders are represented at the board by directors of their choosing.

The Company's Statement About The Union's Proposal

After consideration, the Board has concluded that the Union's proposal is unclear and not in the best interests of the Company and unanimously recommends that shareholders **vote "AGAINST" the proposal** for the following reasons:

The Company Already Has a Majority Vote Standard for Uncontested Trustee Elections.

Our Declaration of Trust already provides that in an uncontested election, our Trustees are elected by a majority of shareholder votes cast. Trustees in an uncontested election who do not receive a majority of votes cast are not re-elected by shareholders. Accordingly, the Company already has a majority vote standard and no further action is necessary.

The Union's proposal suggests that there are no consequences to the Company's current majority vote standard for uncontested elections when in fact the consequence for a Trustee who does not receive the support of a majority of shareholder votes cast in an uncontested election is that such Trustee is not elected by the Company's shareholders.

The Union's Proposal May Compromise the Integrity and Stability of the Board.

If the Board is unable, within the Union's arbitrary deadline, to identify, recruit and qualify suitable candidates, the integrity of the Board may be compromised and prolonged vacancies could result. Forced, unfilled vacancies on the Board could result in the Company's failure to meet Nasdaq's continued listing requirements for independent Trustees or the SEC's requirements for an Audit Committee financial expert.

A number of well-informed observers of business governance have noted that frequent board turnover may damage a business's success. For example, Chief Justice Leo E. Strine of the Delaware Supreme Court has observed that frequent shareholder intervention distracts board members from profit producing activities. (Leo E. Strine, Jr. "One Fundamental Corporate Governance Question We Face: Can Corporations be Managed for the Long Term Unless Their Powerful Electorates Also Act and Think Long Term?" (2010)).

The Company Has Delivered Strong Performance.

The Company has performed better than its peers on a long term basis. For each of the three, five and ten-year periods ended December 31, 2017, the Company's total return per share (i.e., dividends plus market price changes) has exceeded the total returns per share of the SNL US REIT Hotel Index by +18%, +12% and +47%, respectively.

The Board believes that it does not make sense for the Company, which has performed better than its peers, to implement a potentially disruptive process that provides for the automatic removal of an incumbent Trustee in a failed uncontested election.

What is Good for the Union is Not Good for the Company.

The Union is regularly engaged in organizing hotel employees and promoting boycotts of hotels which do not employ Union members, including some hotels owned by the Company. The Union has a long history of acquiring small amounts of stock in companies and then making proposals to, or bringing litigation against, those companies to pressure them or their related persons towards its labor union agenda.² The Union states that it owns 190 shares of the Company, or less than 0.0001% of our total Common Shares outstanding. The Union's mission is to represent and advance the interests of union members and potential members, not the Company's interests. The Board believes that the Union has submitted its proposal to further the Union's own special interests, which are not aligned with those of the Company or other Company shareholders.

The Board believes that the Union is promoting its proposal, not in the interests of the Company or our shareholders, but to apply pressure to the Company and its related persons.

For the foregoing reasons, among others, the Board believes that this proposal is not in the best interests of the Company and unanimously recommends that shareholders vote "AGAINST" Item 5.

Approval of the proposal requires the affirmative vote of a majority of all the votes cast by the holders of the Common Shares voting in person or by proxy at the 2018 Annual Meeting. As an advisory vote, if approved, the proposal would be a non-binding recommendation to the Board.

The Board of Trustees recommends a vote "AGAINST" the Union's proposal.

2

For example, see *UNITE HERE v. Cintas Corp.*, No. 06 Civ. 7061 (DCL), 2006 WL 2859279 at *10 (S.D.N.Y. Oct. 11, 2006) where it was noted that the Union brought a lawsuit alleging securities law violations "as part of the [Union's] campaign to harass a corporation and gain leverage in a unionization struggle" and with "no genuine belief in the merits of its claims."

OTHER INFORMATION

At this time, the Company knows of no other matters that will be brought before the meeting. If, however, other matters properly come before the meeting or any postponement or adjournment thereof, the persons named in the accompanying proxy card intend to vote the shares for which they have been appointed or authorized as proxy in accordance with their discretion on such matters to the maximum extent that they are permitted to do so by applicable law.
