LETTER TO OUR SHAREHOLDERS FROM OUR
BOARD OF TRUSTEES

Dear Fellow Shareholders:

Please join us for our annual meeting on Thursday, June 13, 2019. The business to be conducted at the meeting is explained in the attached Notice of Meeting and Proxy Statement. We believe furnishing these materials over the internet expedites shareholders' receipt of these important materials while lowering cost and reducing the environmental impact of our annual meeting.

Please be assured that our Board takes seriously our role in the oversight of our Company's long term business strategy, which is the best path to long term value creation for you, our shareholders. We are proud that our total return to shareholders exceeded the SNL US Hotel REIT Index by 10.5% for the three year period ended December 31, 2018. Some highlights of the implementation of our long term business strategy in 2018 were:

adding three hotels to our property portfolio across three of our managers; and

extending the maturities of our \$1.0 billion credit facility and our \$400 million term loan to 2022 and 2023 and reducing the cost of those facilities.

We have begun what we expect to be a multiyear process of re-examining our fundamental governance policies as we understand that good governance is critical to building and keeping shareholder confidence and to long term value creation. Shareholder engagement and feedback have been critical components of this re-examination. Our initial steps include engaging an executive search consulting firm to help us identify and vet qualified and diverse board candidates so that we can expand and refresh our Board, adopting a proxy access bylaw as supported by a majority of shareholders at last year's annual meeting and asking you to approve an amendment to our Declaration of Trust so that, in addition to having a majority vote standard for uncontested elections, we will have a plurality vote standard for contested elections. We discuss our plans in more detail in the accompanying Proxy Statement.

We thank you for your investment in Hospitality Properties Trust and for the confidence you put in this Board to oversee your interests in our business.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Review of Corporate Governance Policies and Shareholder Engagement

In recognition of the relationship between corporate governance and long term performance and as a result of engagement with and feedback from our shareholders, the Board has embarked on a review of the Company's corporate governance principles. The Board expects that corporate governance reform will be a multi-year process and, as it weighs various alternatives, the Board is prioritizing its consideration based on a review of best practices and input from our shareholders. Based on these principles, the Board has established the following priorities and taken the following steps:

had meaningful engagements with many of our shareholders;

retained Korn Ferry, a leading executive search consulting firm, to help identify and evaluate candidates to expand and refresh the Board;

adopted a proxy access bylaw (see page 9); and

asked shareholders in this Proxy Statement to support an amendment to our Declaration of Trust so that in a contested election our Trustees are elected by a plurality of the votes cast by our shareholders and, in an uncontested election, our Trustees are elected by a majority of the votes cast by our shareholders (see page 36).

The Board has also instituted a number of complementary mechanisms to allow shareholders to communicate their points of view, including:

the annual advisory vote to approve executive compensation (see page 22);

our commitment to thoughtfully consider shareholder proposals submitted to the Company;

the ability to attend and voice opinions at the annual meeting of shareholders; and

the ability to direct communications to individual Trustees or the entire Board (see page 10).

As the Board continues on the path to enhanced good governance, we appreciate your support of the Board and these initiatives.

Board Composition, Expansion and Refreshment

We are currently governed by a five member Board of Trustees. Ensuring the Board is comprised of Trustees who bring diverse viewpoints and perspectives, exhibit a variety of skills, professional experience and backgrounds and effectively represent the long-term interests of shareholders is a top priority of the Board and the Nominating and Governance Committee. The Board is actively seeking to expand and refresh its composition for several reasons, including to increase the ratio of Independent Trustees to Managing Trustees, create more skill mix and diversity, ensure a smooth transition if and when a Trustee decides to retire or otherwise leaves the Board or does not receive a majority of shareholder votes cast, ensure that the Board is comprised of individuals with a diverse set of backgrounds, perspectives and skills and allow the Board to retire members who fail to receive a requisite amount of shareholder support. The Board believes that continuity is important to the effective conduct of our business and expects the expansion and refreshment process will take place over several years. To facilitate these efforts, the Board has retained Korn Ferry, a leading executive search and consulting firm, to act as an advisor and to assist the Nominating and

Governance Committee in:

identifying and evaluating potential trustee candidates;

creating an even playing field among candidates identified regardless of source;

using the criteria, evaluations and references to prioritize candidates for consideration regardless of source; and

assisting in attracting and vetting candidates.

have a strong record of achievements;

be committed to serving on the Board over a period of years in order to develop knowledge about the Company's operations and have sufficient time and availability to devote to Board and committee matters.

have knowledge of the commercial real estate ("CRE") industry and real estate investment trusts ("REITs");

be familiar with hospitality and entertainment businesses and management contract and franchise agreement trends;

In addition, the Board has determined that the Board, as a whole, should strive to have the right mix of characteristics and skills necessary to effectively perform its oversight responsibilities. The Board believes that Trustees with one or more of the following professional skills or experiences can assist in meeting this goal:

work experience with a proven record of success in his or her field;

familiarity with public capital markets;

knowledge of the Company's historical business activities;

The Board's Role in Oversight of Risk Management

The Board is elected by shareholders to oversee the Company's business and long term strategy. As part of fulfilling its responsibilities, the Board oversees the safeguarding of the Company's assets, the maintenance of appropriate financial and other internal controls and the Company's compliance with applicable laws and regulations. Inherent in these responsibilities is the Board's understanding and oversight of the various risks the Company faces. The Board considers that risks should not be viewed in isolation and should be considered in virtually every business decision and as part of the Company's business strategy.

The Board oversees risk as part of its general oversight of the Company. Oversight of risk is addressed as part of various Board and Board committee activities and through regular and special Board and Board committee meetings. The day to day business of the Company is conducted by our manager, The RMR Group LLC ("RMR LLC"), and RMR LLC and the Company's officers and Director of Internal Audit are responsible for incorporating risk management in their activities. The Company's Director of Internal Audit reports to the Audit Committee and provides the Company advice and assistance with the Company's risk management function.

In discharging their oversight responsibilities, the Board and Board committees review regularly a wide range of reports RMR LLC and other service providers provide, including:

reports on market and industry conditions;

operating and regulatory compliance reports;

financial reports;

reports on risk management activities;

regulatory and legislative updates that may impact the Company;

reports on the security of the Company's information technology processes and the Company's data; and

legal proceedings updates and reports on other business related matters.

The Board and Board committees discuss these matters among themselves and with representatives of RMR LLC, officers of the Company, the Director of Internal Audit, legal counsel, the Company's independent auditors and other professionals, as appropriate.

The Audit Committee takes a leading role in helping the Board fulfill its responsibilities for oversight of the Company's financial reporting, internal audit function, risk management and the Company's compliance with legal and regulatory requirements. The Board and Audit Committee review periodic reports from the Company's independent auditors regarding potential risks, including risks related to the Company's internal control over financial reporting. The Audit Committee also reviews, approves and oversees an internal audit plan developed by the Company's Director of Internal Audit with the goal of helping the Company systematically evaluate the effectiveness of its risk management, control and governance processes on an annual basis. The Audit Committee considers risks relating to cybersecurity, receiving regular reports from management regarding cybersecurity risks and countermeasures being undertaken or considered by the Company, including updates on the internal and external cybersecurity landscape and relevant technical developments. The Audit Committee meets at least quarterly and reports its findings to the Board. The Audit Committee also meets periodically with the Company's Director of Internal Audit to review the results of the Company's internal audits, and directs or recommends to the Board actions or changes it determines appropriate to enhance or improve the effectiveness of the Company's risk management.

The Compensation Committee whose duties are detailed in its charter, among other duties, evaluates the performance of the Company's Director of Internal Audit and RMR LLC's performance under the Company's business and property management agreements, including any perceived

risks created by

6 HOSPITALITY PROPERTIES TRUST

2019 Proxy Statement

compensation arrangements. Also, the Compensation Committee and the Board consider that the Company has a share award program that requires share awards to executive officers to vest over a period of years. The Company believes that the use of share awards vesting over time rather than stock options mitigates the incentives for the Company's management to undertake undue risks and encourages management to make longer term and appropriately risk balanced decisions.

It is not possible to identify all of the risks that may affect the Company or to develop processes and controls to eliminate all risks and their possible effects, and processes and controls employed to address risks may be limited in their effectiveness. Moreover, it is necessary for the Company to bear certain risks to achieve its objectives. As a result of the foregoing and other factors, the Company's ability to manage risk is subject to substantial limitations.

To learn more about the risks facing the Company, you can review the matters discussed in Part I, "Item 1A. Risk Factors" and "Warning Concerning Forward Looking Statements" in our Annual Report to Shareholders for the year ended December 31, 2018 ("Annual Report"). The risks described in the Annual Report are not the only risks facing the Company. Additional risks and uncertainties not currently known or that may currently be deemed to be immaterial also may materially adversely affect the Company's business, financial condition or results of operations in future periods.

Trustee Independence

Under the corporate governance listing standards of the Nasdaq, the Board must consist of a majority of Independent Trustees. Our governing documents also require that a majority of the Board be Independent Trustees. Under our governing documents, Independent Trustees are Trustees who are not employees of RMR LLC, are not involved in the Company's day to day activities and who meet the qualifications for independence under the applicable rules of the Nasdaq and the SEC.

The Board affirmatively determines whether Trustees have a direct or indirect material relationship with the Company, including the Company's subsidiaries, other than serving as the Company's Trustees or trustees or directors of the Company's subsidiaries. In making independence determinations, the Board observes the Nasdaq and SEC criteria, as well as the criteria set forth in our governing documents. When assessing a Trustee's relationship with the Company, the Board considers all relevant facts and circumstances, not merely from the Trustee's standpoint, but also from that of the persons or organizations with which the Trustee has an affiliation. Based on this review, the Board has determined that Donna D. Fraiche, John L. Harrington and William A. Lamkin currently qualify as independent trustees under applicable Nasdaq and SEC criteria and as Independent Trustees under our governing documents. In making these independence determinations, the Board reviewed and discussed additional information provided by the Trustees and the Company with regard to each of the Trustees' relationships with the Company, RMR Inc. or RMR LLC and the other companies to which RMR LLC or its subsidiaries provide management services. The Board has concluded that none of these three Trustees possessed or currently possesses any relationship that could impair his or her judgment in connection with his or her duties and responsibilities as a Trustee or that could otherwise be a direct or indirect material relationship under applicable Nasdaq and SEC standards.

Executive Sessions of Independent Trustees

Pursuant to the Company's Governance Guidelines, our Independent Trustees are expected to meet at least twice per year in regularly scheduled meetings at which only Independent Trustees are present. Our Independent Trustees also meet separately with the Company's officers, with the Company's Director of Internal Audit and with the Company's independent auditors. The presiding Trustee for purposes of leading Independent Trustee sessions will be the Lead Independent Trustee, unless the Independent Trustees determine otherwise.

Table of Contents

Board Leadership Structure

In accordance with our governing documents, the Board is comprised of five Trustees, including three Independent Trustees and two Managing Trustees, and our Board is divided into three classes, with each Trustee of each class elected at an annual meeting of shareholders serving for a term that continues until the third annual meeting of shareholders following his or her election and until his or her successor is elected and qualifies. All Trustees play an active role in overseeing the Company's business both at the Board and committee levels. As set forth in the Company's Governance Guidelines, the core responsibility of our Trustees is to exercise sound, informed and independent business judgment in overseeing the Company and its strategic direction. Our Trustees are skilled and experienced leaders and currently serve or have served as members of senior management in public and private for profit organizations and law firms, and have also served in academia. Our Trustees may be called upon to provide solutions to various complex issues and are expected to, and do, ask hard questions of the Company's officers and advisers. The Board is small, which facilitates informal discussions and communication from management to the Board and among Trustees.

Three of our Trustees, including one of our nominees for election at the 2019 Annual Meeting, are independent under the applicable Nasdaq and SEC criteria and our governing documents. All of the members of the Audit Committee, Nominating and Governance Committee and Compensation Committee are independent under the applicable listing requirements and rules of the Nasdaq and other applicable laws, rules and regulations, including those of the SEC. As set forth in our governing documents, two of our Trustees are Managing Trustees, persons who have been employees, officers or directors of RMR LLC or who have been involved in the Company's day to day activities for at least one year prior to his or her election as Trustees.

Lead Independent Trustee

We have a Lead Independent Trustee who is selected annually by the vote of a majority of our Independent Trustees. We do not have a Chairman of the Board. Currently, Mr. Harrington serves as our Lead Independent Trustee. Our Lead Independent Trustee has well-defined, substantive responsibilities that include, among others that may be assigned from time to time:

presiding at all meetings of the Board at which the Managing Trustees are not present, including executive sessions of the Independent Trustees;

serving as liaison between the Independent Trustees and the senior management team;

having the authority to call meetings of the Independent Trustees of the Board;

assisting the Compensation Committee in its annual evaluation of the performance of the Company's management;

placing and reviewing items on Board meeting agendas; and

considering suggestions for agenda items by other Independent Trustees.

Code of Business Conduct and Ethics and Committee Governance

The Board is committed to corporate governance that promotes the long term interests of our shareholders. The Board has established Governance Guidelines that provide a framework for effective governance. The Board regularly reviews developments in corporate governance and updates our Governance Guidelines and other governance materials as it deems necessary and appropriate.

Edgar Filing: HOSPITALITY PROPERTIES TRUST - Form PRE 14A

The Company has also adopted a Code of Business Conduct and Ethics (the "Code") to, among other things, provide guidance to our Trustees and officers and RMR LLC, its officers and employees and its parent's and subsidiaries' directors, officers and employees to ensure compliance with applicable laws and regulations.

Table of Contents

The Board has an Audit Committee, Compensation Committee and Nominating and Governance Committee. The Audit Committee, Compensation Committee and Nominating and Governance Committee each have adopted a written charter, and reviews its written charter on an annual basis to consider whether any changes are required.

Our corporate governance materials are available for review in the governance section of our website, including our Governance Guidelines, the charter for each Board committee, the Code and information about how to report concerns or complaints about accounting, internal accounting controls or auditing matters and any violations or possible violations of the Code and how to communicate with our Trustees, individually or as a group. To access these documents on the Company's website visit www.hptreit.com.

Vote Standard for Election of Trustees

In uncontested elections our Trustees are elected by a majority of the votes cast by our shareholders. If the amendment to our Declaration of Trust described in Proposal 4 is approved by our shareholders, in contested elections (*i.e.* elections in which the number of nominees standing for election as Trustees exceeds the number of Trustees to be elected at the meeting) our Trustees will be elected by a plurality of the votes cast by our shareholders. In the event of a failure to re-elect an incumbent Trustee at an annual meeting of our shareholders, Maryland law provides that the incumbent Trustee will hold over and continue to serve as a Trustee until the election and qualification of his or her successor or his or her earlier resignation, death or removal. If such an incumbent Trustee resigns, the Board of Trustees may elect a person to fill the vacancy created by such resignation and to serve the full term of the class of Trustees to which he or she was elected and until the election and qualification of his or her successor.

Adoption of Proxy Access Bylaw

In April 2019, in response to the vote of our shareholders at our 2018 annual meeting of shareholders and after extensive analysis and shareholder engagement, the Nominating and Governance Committee recommended, and the Board adopted, a proxy access bylaw pursuant to which a shareholder, or a group of up to 20 shareholders, owning at least three percent of the outstanding Common Shares continuously for at least three years, may nominate and include in the Company's proxy materials for an annual meeting Trustee nominees constituting up to the greater of two nominees or 20% of the number of Trustees on the Board that holders of our Common Shares are entitled to elect, provided that for so long as the Company has a classified Board of less than nine Trustees, such number of Trustee nominees will be reduced so that for any annual meeting it does not exceed one-half of the number of Trustees to be elected at the meeting as noticed by the Company rounded down to the nearest whole number (but not rounded down as a result of this proviso to less than one). Shareholders making such a nomination and their nominees must also satisfy the informational, documentation and other requirements specified by Section 2.18 of our Bylaws.

Nominations for Trustees

The Nominating and Governance Committee is responsible for identifying and evaluating nominees for Trustee and for recommending to the Board nominees for election at each annual meeting of shareholders. The Nominating and Governance Committee may consider candidates suggested by the Company's Trustees, officers or shareholders or by others. Shareholders who would like to recommend a nominee for the position of Trustee should submit their recommendations in writing by mail to the Chair of the Nominating and Governance Committee, c/o Hospitality Properties Trust, Secretary, at Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458 or by email to secretary@hptreit.com. Any such recommendation shall include a description of the candidate's qualifications for Board service, the candidate's written consent to be considered for nomination and to serve if nominated and elected, as well as the addresses and telephone numbers for contacting the shareholder and the candidate for more information. The Nominating and Governance Committee may request additional information about the shareholder recommended nominee or about the shareholder

recommending the nominee. Recommendations by shareholders will be considered by the Nominating and Governance Committee in its discretion using the same criteria as other candidates it considers.

As noted above, a shareholder, or a group of up to 20 shareholders, owning at least three percent of the outstanding Common Shares continuously for at least three years may utilize our proxy access bylaw to nominate and include in the Company's proxy materials Trustee candidate(s) for election at an annual meeting of shareholders provided that the shareholder(s) and the nominee(s) satisfy the informational, documentation and other requirements specified by Section 2.18 of our Bylaws.

Shareholders seeking to nominate one or more individuals as a Trustee candidate without relying on our proxy access bylaw shall comply with the advance notice requirements for shareholder nominations set forth in Section 2.14 of our Bylaws, which include, among other things, requirements as to the proposing shareholder's timely delivery of advance notice, continuous requisite ownership of Common Shares and submission of specified documentation and information.

PROPOSAL 1: ELECTION OF TRUSTEES

Upon the recommendation of the Nominating and Governance Committee, the Board has nominated Donna D. Fraiche for election as an Independent Trustee in Class III and Adam D. Portnoy for election as a Managing Trustee in Class III. Ms. Fraiche and Mr. Portnoy currently serve on the Board. Assuming a quorum is present at the meeting, a majority of all the votes cast is required to elect a Trustee at the 2019 Annual Meeting.

TRUSTEE COMPENSATION

Compensation of Trustees

The Board of Trustees believes that competitive compensation arrangements are necessary to attract and retain qualified Independent Trustees. On June 14, 2018, after conducting a market review with respect to leading companies of similar size to the Company as well as an industry peer group and other companies managed by RMR LLC or its subsidiaries, upon the recommendation of the Compensation Committee, the Board approved the Company's compensation arrangements for Independent Trustees of the Company.

The Company will continue to compensate its Independent Trustees through the use of annual retainers plus fees for meetings attended. Effective June 14, 2018, each Independent Trustee receives an annual fee of \$50,000 for services as a Trustee, plus a fee of \$1,250 for each Board or Board committee meeting attended. Up to two \$1,250 fees are paid if a Board meeting and one or more Board committee meetings, or two or more Board committee meetings, are held on the same date. Each Independent Trustee who serves as a committee chair of the Board's Audit, Compensation or Nominating and Governance Committees also receives an additional annual fee of \$15,000, \$10,000 and \$10,000, respectively, and the Lead Independent Trustee also receives an additional annual cash retainer fee of \$12,500 for serving in this role. Trustees are reimbursed for travel expenses they incur in connection with their duties as Trustees and for out of pocket costs they incur in connection with their attending certain continuing education programs.

Each Independent Trustee and Managing Trustee also receives an award of Common Shares annually, which was 3,000 Common Shares in 2018. Managing Trustees do not receive cash compensation for their services as Trustees.

Trustee Share Ownership Guidelines

The Board believes it is important to align the interests of Trustees with those of our shareholders, and for Trustees to hold equity ownership positions in the Company. Accordingly, each Trustee is expected to hold at least 20,000 Common Shares by the later of: (i) the 2019 annual meeting of shareholders of the Company and (ii) five years from the annual meeting of shareholders of the Company at which the Trustee was initially elected or, if earlier, the first annual meeting of shareholders of the Company following the initial appointment of the Trustee to the Board. Compliance with these ownership guidelines is measured as of the end of each fiscal year. Any Trustee who is prohibited by law or by applicable regulation of his or her employer from owning equity in the Company is exempt from this requirement. The Nominating and Governance Committee may consider whether exceptions should be made for any Trustee on whom this requirement could impose a financial hardship.

As of February 28, 2019, all Trustees have met or, within the applicable period, are expected to meet, these share ownership guidelines.

PROPOSAL 2: ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, the Company seeks a non-binding advisory vote from its shareholders to approve the compensation of its named executive officers as described in the "Compensation Discussion and Analysis" section beginning on page 23 and the "Executive Compensation" section beginning on page 29.

The Board recommends that shareholders vote FOR the following resolution:

RESOLVED: That the shareholders of the Company approve, on a non-binding, advisory basis, the compensation paid by the Company to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the "Compensation Discussion and Analysis" in this Proxy Statement.

Because your vote is advisory, it will not be binding upon the Board or the Compensation Committee. However, the Board values shareholders' opinions and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation decisions.

Assuming a quorum is present at the meeting, approval of the advisory vote to approve executive compensation requires the affirmative vote of a majority of all the votes cast, in person or by proxy, at the 2019 Annual Meeting.

The Board of Trustees recommends a vote "FOR" the advisory vote to approve executive compensation.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Overview

The Company's compensation structure is unique because of its relationship with RMR LLC. The Company's business management agreement with RMR LLC is designed to incentivize RMR LLC to provide the highest quality services to the Company. RMR LLC's base business management fee is based on the lower of the historical cost of the Company's properties and the Company's market capitalization. RMR LLC may earn an incentive management fee based on the three year total return of the Common Shares relative to an index of the Company's peers. Because they are employees of RMR LLC and not the Company, RMR LLC, not the Company, determines the cash compensation payable to the Company's named executive officers. The Company does not reimburse RMR LLC for compensation RMR LLC paid or pays to the Company's executive officers and the Company's management agreements with RMR LLC do not require RMR LLC to allocate or pay a specific amount or percentage of RMR LLC's management fees to the named executive officers or require those officers to dedicate a specified amount of their time to Company business. As part of the Company's shareholder engagement to address prior Say on Pay votes, the Company endeavored to better explain to shareholders these arrangements with RMR LLC and to help them understand that disclosure of cash compensation to the Company's named executive officers would not reflect actions or considerations by our Compensation Committee.

Pursuant to its management agreement with RMR LLC, RMR LLC provides services that otherwise would be provided by employees and, as a result, the Company does not have any employees of our own. The Company's named executive officers are employees of RMR LLC. RMR LLC conducts the Company's day to day operations on the Company's behalf and compensates or compensated the Company's named executive officers directly and in its sole discretion in connection with their services rendered to the Company and to RMR LLC and the other companies managed by RMR LLC or its subsidiaries. The Compensation Committee is satisfied with this arrangement because of the imbedded compensation incentives for RMR LLC in the Company's business management agreement. The Company does not pay its named executive officers salaries or bonuses or provide other compensatory benefits except for the awards of Common Shares under the Company's 2012 Equity Compensation Plan (the "Share Award Plan"), discussed below. RMR LLC, not the Company, determines the cash compensation payable to the Company's named executive officers. The Company does not reimburse RMR LLC for compensation RMR LLC paid or pays to the Company's executive officers. None of the Company's named executive officers has an employment agreement with the Company or with RMR LLC. Except for the share award agreements and the retirement agreement RMR LLC entered into with Mark L. Kleifges, who resigned as the Company's Chief Financial Officer and Treasurer effective December 31, 2018, discussed below under "Potential Payments upon Termination or Change in Control," none of the Company's named executive officers has an agreement that provides for payments or benefits upon or in connection with his termination or a change in control of the Company. Although the Compensation Committee reviews and approves the Company's business management and property management agreements with RMR LLC, it is not involved in compensation decisions made by RMR LLC for its employees other than the employee serving as the Company's Director of Internal Audit. The Company's payments to RMR LLC are described in "Certain Related Person Transactions" beginning on page 42 of this Proxy Statement. For information regarding the compensation paid by RMR LLC and RMR Inc. to the named executive officers of RMR Inc., please see the below "RMR LLC and RMR Inc. Compensation Practices" section and the documents filed by RMR Inc. with the SEC, including its Annual Report on Form 10-K for the fiscal year ended September 30, 2018 and its Proxy Statement on Schedule 14A for its 2019 Annual Meeting of Shareholders. RMR Inc.'s filings with the SEC are not incorporated by reference into this Proxy Statement.

Table of Contents**Compensation Philosophy**

The Company's compensation program for its executive officers consists of awards of shares under the Share Award Plan. The Compensation Committee believes that these share awards recognize the Company's executive officers' scope of responsibilities, reward demonstrated performance and leadership, motivate future performance and further align the interests of the executive officers with those of our shareholders.

Overview of 2018 Compensation Actions

In September 2018, the Chair of the Compensation Committee met with one of the Company's Managing Trustees, Adam D. Portnoy, and the chairs of the compensation committees of RMR Inc. and of the then other public companies to which RMR LLC provides management services, which included: the Company; Industrial Logistics Properties Trust ("ILPT"); Government Properties Income Trust (now known as Office Properties Income Trust ("OPI")); Select Income REIT ("SIR"); Senior Housing Properties Trust ("SNH"); Tremont Mortgage Trust ("TRMT" and, together with ILPT, OPI and SNH, the "Other RMR Managed REITs"); Five Star Senior Living Inc. ("FVE"); and TravelCenters of America LLC ("TA"). The purposes of this meeting were, among other things, to discuss compensation philosophy and factors that may affect compensation decisions, to consider the compensation payable to the Company's Director of Internal Audit (who provides services to the Company and to other companies to which RMR LLC provides management services), to consider the allocation of internal audit and related services costs among RMR Inc., the Company and other companies to which RMR LLC provides such services, to provide a comparative understanding of potential share awards by the Company and the other companies to which RMR LLC provides management services and to hear and consider recommendations from RMR LLC concerning potential share awards and the vesting of those shares. The share awards made by the other companies managed by RMR LLC are considered to be appropriate comparisons because of the similarities between certain services the Company requires from the Company's share awardees and the services provided by awardees providing similar services to these other companies. Subsequent to this meeting, the members of the Compensation Committee held a meeting at which the Compensation Committee Chair provided a report of the information discussed with Mr. Adam D. Portnoy and others, and made recommendations for share awards to the Company's named executive officers. The Compensation Committee then discussed these recommendations and other factors, including the following factors for the 2018 share awards: (i) the value of the proposed share awards; (ii) the historical awards previously awarded to these named executive officers and the corresponding values at the time of the awards; (iii) the recommendations of RMR LLC as presented by Mr. Adam D. Portnoy, president and chief executive officer of RMR LLC; (iv) the value of share awards to executive officers providing comparable services at the applicable Other RMR Managed REITs and companies to which RMR LLC provides management services; (v) the scope of, and any changes to, the responsibilities assigned to, or assumed by, these named executive officers during the past year and on a going forward basis; (vi) the length of historical services by these named executive officers; (vii) the Compensation Committee's perception regarding the quality of the services provided by these named executive officers in carrying out those responsibilities; and (viii) the Company's financial and operating performance in the past year and the Company's perceived future prospects. The Compensation Committee considered these multiple factors in determining whether to increase or decrease the amounts of the prior year's awards. There was no formulaic approach in the use of these various factors in determining the number of shares to award to each named executive officer. The share amounts were determined on a subjective basis, using the various factors in the Compensation Committee's sole discretion. These named executive officers did not participate in these meetings and were not involved in determining or recommending the amount or form of named executive officer compensation they received from the Company.

Table of Contents**Analysis of 2018 Awards under the Share Award Plan**

Although the Company does not pay any cash compensation directly to its officers and has no employees, the Company has adopted the Share Award Plan to reward the Company's named executive officers and other RMR LLC employees who provide services to the Company and to foster a continuing identity of interest between them and our shareholders. The Company awards shares under the Share Award Plan to recognize the named executive officers' scope of responsibilities, reward demonstrated performance and leadership, motivate future performance, align the interests of the Company's executives with those of the Company's other shareholders and motivate the executives to remain employees of the Company's manager and to continue to provide services to the Company through the term of the awards.

Under its charter, the Compensation Committee evaluates, approves and administers the Company's equity compensation plans, which currently consist solely of the Share Award Plan. The Compensation Committee has historically determined to use awards of Common Shares under the Share Award Plan rather than stock options as equity compensation. Because the value of the Common Shares may be determined in part by reference to its dividend yield relative to market interest rates rather than by its potential for capital appreciation, the Company believes a conventional stock option plan might not provide appropriate incentives for management for a business like that of the Company, but a share award plan may create a better identity of interests between management and other shareholders. Also, because the Company believes a stock option plan could have the potential to encourage excessive short term risk taking, the Company has historically granted share awards rather than stock options.

The Compensation Committee uses comparative information about the applicable Other RMR Managed REITs as additional data to help it determine whether it is awarding share amounts that are reasonable based on the characteristics of those REITs and their respective officers. The Compensation Committee also considers the size and structure of the applicable Other RMR Managed REITs and other RMR LLC managed businesses, and the experience, length of service and scope of duties and responsibilities of the officers at these other companies to assess the appropriateness of the value of the share awards proposed for the Company's officers in light of the proposed awards for officers with comparable roles at the other companies. The Compensation Committee reviewed the compensation data regarding the applicable Other RMR Managed REITs and their officers, together with the other factors discussed above, but the Compensation Committee did not undertake a detailed comparison of the named executive officers across the applicable Other RMR Managed REITs or other companies managed by RMR LLC or assign weight to any particular characteristic of these other companies or their officers because the Compensation Committee determines the share amounts in its sole discretion on a non-formulaic basis. In 2018, the Compensation Committee considered the foregoing factors and decided to award a greater number of Common Shares to Messrs. Murray and Kleifges than were awarded in 2017 and the same number of Common Shares to Mr. Bornstein as were awarded in 2017, in accordance with the recommendation of RMR LLC and the Chair of the Compensation Committee. The Compensation Committee also determined that it would be appropriate to provide that such share awards would vest upon the occurrence of certain corporate "change in control" or termination events. Mr. Kleifges resigned as the Company's Chief Financial Officer and Treasurer effective December 31, 2018. In connection with Mr. Kleifges's retirement, the Compensation Committee approved the accelerated vesting of Mr. Kleifges's unvested Common Shares as of June 30, 2019.

The Company determines the fair market value of the shares awarded based on the closing price of the Common Shares on the date of the award. The Compensation Committee has imposed, and may impose, vesting and other conditions on the awarded Common Shares because it believes that time based vesting encourages the recipients of the share awards to remain employed by RMR LLC and to continue to provide services to the Company. The Compensation Committee currently uses a vesting schedule under which one fifth of the shares vest immediately and the remaining shares vest in four equal, consecutive annual installments commencing on the first anniversary of the date of the award. The Compensation Committee utilizes a four year time based vesting schedule to provide an incentive to provide services for a long term and in consideration of the tax treatment of the share awards to the Company and to the recipients. In the event a recipient who has been awarded a share award ceases to perform duties for the

Table of Contents

Company or ceases to be an officer or an employee of RMR LLC or any company that RMR LLC or its subsidiaries manage during the vesting period, the Company may cause the forfeiture of, or the Company may repurchase for nominal consideration, the Common Shares that have not yet vested. As with other issued Common Shares, vested and unvested shares awarded under the Share Award Plan are entitled to receive distributions that the Company makes, if any, on the Common Shares. As described above, the Compensation Committee approved the accelerated vesting of Mr. Kleifges's unvested Common Shares as of June 30, 2019.

Because the consideration of share awards by the Compensation Committee and the Board is determined on a regular schedule (i.e., in September for the Company's officers and employees of RMR LLC and at the first meeting of the Board after the annual meeting of shareholders for the Trustees), the proximity of any awards to earnings announcements or other market events, if any, is coincidental.

The Compensation Committee believes that its compensation philosophy and programs are designed to foster a business culture that aligns the interests of its named executive officers with those of its shareholders. The Compensation Committee believes that the equity compensation of its named executive officers is appropriate to the goal of providing shareholders dependable, long term returns.

Frequency of Say on Pay

The Company's current policy, consistent with the prior vote of our shareholders, is to provide shareholders with an opportunity to approve, on an advisory basis, the Company's compensation of the Company's named executive officers each year at the annual meeting of shareholders. Accordingly, the Company is providing shareholders with an opportunity to approve this compensation. As noted above, the Company's only compensation to the Company's named executive officers is Common Share awards. None of the Company's named executive officers are employed by the Company. The Company's manager, RMR LLC, provides services that otherwise would be provided by employees and employs and compensates the Company's named executive officers directly and in RMR LLC's sole discretion in connection with their services rendered to the Company and to RMR LLC and the other companies managed by RMR LLC or its subsidiaries.

In evaluating the Company's compensation process for 2018, the Compensation Committee generally considered the results of the most recent advisory vote of our shareholders on the compensation of the executive officers named in the proxy statement for the Company's 2018 annual meeting of shareholders.

RMR LLC and RMR Inc. Compensation Practices

RMR LLC has advised the Company that in 2018 RMR LLC paid each of the Company's named executive officers cash compensation comprised of a fixed salary and a cash bonus. RMR LLC did not provide guaranteed cash bonuses to these named executive officers during 2018 and did not set specific performance targets on which bonuses would be payable to them. Instead, the annual cash bonuses paid by RMR LLC to these named executive officers in 2018 were discretionary in amount and were based on a performance evaluation conducted by the compensation committee of RMR Inc.

As explained above, the Company's manager, RMR LLC, provides services that otherwise would be provided by employees, conducts the Company's day to day operations on the Company's behalf and compensates or compensated the Company's named executive officers directly and in its sole discretion in connection with their services rendered to the Company and to RMR LLC and the other companies managed by RMR LLC or its subsidiaries. The Company does not pay its named executive officers salaries or bonuses or provide other compensatory benefits except for awards of Common Shares under the Share Award Plan. The Company does not reimburse RMR LLC for compensation RMR LLC or RMR Inc. pays or paid to the Company's named executive officers.

RMR Inc., the parent of RMR LLC, awarded 4,000 shares of Class A common stock of RMR Inc., with an award date fair value of \$380,000, each to Mr. Murray and Mr. Kleifges and an award of 1,500 shares of Class A common stock of RMR Inc., with a grant date fair value of \$142,500, to Mr. Bornstein in 2018.

Table of Contents

One fifth of the shares awarded vested on the award date and an additional one fifth vests on each of the next four anniversaries of the award date, subject to the applicable named executive officer continuing to render significant services, whether as an employee or otherwise, to RMR LLC or a public client company managed by RMR LLC or their respective affiliates and to accelerated vesting under certain circumstances.

The Company's named executive officers are or were also officers and employees of RMR LLC and, as officers and employees of RMR LLC, also provide or provided services to RMR LLC, RMR Inc. and other companies managed by RMR LLC or its subsidiaries. RMR LLC has informed the Company that the cash compensation paid by RMR LLC to the Company's named executive officers is for services provided by the officers to RMR LLC, RMR Inc., the Company and other companies managed by RMR LLC or its subsidiaries. RMR LLC has also informed the Company that it is not able to allocate with reasonable certainty or provide a reasonable estimate of the compensation paid by RMR LLC to our named executive officers for their services to the Company for a number of reasons:

Our management agreements with RMR LLC do not require individual executive officers to dedicate a specific amount of time to providing services to the Company under those agreements. RMR LLC's officers and employees provide services on an as needed basis across RMR LLC, RMR Inc., the Company and all other companies managed by RMR LLC or its subsidiaries.

Our management agreements with RMR LLC do not require that a specified amount or percentage of the fees the Company pays to RMR LLC be allocated to the Company's executive officers.

RMR LLC does not designate a specific amount of time that the Company's named executive officers must spend providing services to the Company or record the amount of time that the Company's named executive officers (or any other employee of RMR LLC) spend providing services to the Company.

For information regarding the compensation paid by RMR LLC and RMR Inc. to the named executive officers of RMR Inc., please see the documents filed by RMR Inc. with the SEC, including its Annual Report on Form 10-K for the fiscal year ended September 30, 2018 and its Proxy Statement on Schedule 14A for its 2019 Annual Meeting of Shareholders. PROPOSAL 3: RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS

The Audit Committee has the sole authority and responsibility to hire, evaluate and, when appropriate, replace our independent auditors and is directly responsible for the appointment, compensation and general oversight of the work of the independent auditors. The Audit Committee is responsible for approving the audit and permissible non-audit services provided by the independent auditors and the associated fees.

The Audit Committee evaluates the performance of our independent auditors annually and determines whether to re-engage the current independent auditors or consider other audit firms. In doing so, the Audit Committee considers the quality and efficiency of the services provided by the auditors, the auditors' technical expertise and knowledge of our operations and industry, the auditors' independence, legal proceedings involving the auditors, the results of inspections by the Public Company Accounting Oversight Board ("PCAOB") and peer quality reviews of the auditors and the auditors' reputation in the marketplace. In connection with the mandated rotation of the independent auditors' lead engagement partner, the Audit Committee and its chair consider the selection of the new lead engagement partner identified by the independent auditors.

Based on this evaluation, the Audit Committee has appointed Ernst & Young LLP to serve as the Company's independent auditors for the fiscal year ending December 31, 2019. Ernst & Young LLP has served as the Company's independent auditors since our formation in 1995 and is considered by management and the Audit Committee to be well qualified. Further, the Audit Committee and the Board believe that the continued retention of Ernst & Young LLP to serve as the independent registered public accounting firm is in the best interests of the Company and its shareholders.

The Audit Committee has determined to submit its selection of the independent auditors to our shareholders for ratification. This vote will ratify prior action by the Audit Committee and will not be binding upon the Audit Committee. However, the Audit Committee may reconsider its prior appointment of the independent auditors or consider the results of this vote when it determines who to appoint as our independent auditors in the future.

Audit Fees and All Other Fees

The following table shows the fees for audit and other services provided to the Company by Ernst & Young LLP for the fiscal years ended December 31, 2018 and 2017.

	2018 Fees(\$) ⁽¹⁾	2017 Fees (\$)
Audit Fees	1,500,101	1,801,135
Audit Related Fees		
Tax Fees	30,500	29,200
All Other Fees	720	456

(1)

The amount of audit fees for 2018 is based on the fees billed and paid to date and on the estimate for remaining fees provided by Ernst & Young LLP to and approved by the Audit Committee for services provided by Ernst & Young LLP, including in connection with the audit of the Company's 2018 financial statements and internal control over financial reporting. The final amount of the fees for those services may vary from the estimate provided.

Table of Contents

Audit Fees. This category includes fees associated with the annual financial statements audit and related audit procedures, the audit of internal control over financial reporting, work performed in connection with any registration statements and any applicable Current Reports on Form 8-K and the review of any of the Company's Quarterly Reports on Form 10-Q.

Audit Related Fees. This category consists of services that are reasonably related to the performance of the audit or review of financial statements and are not included in "Audit Fees." These services principally include due diligence in connection with acquisitions, consultation on accounting and internal control matters, audits in connection with proposed or consummated acquisitions, information systems audits and other attest services.

Tax Fees. This category consists of fees for tax services, including tax compliance, tax advice and tax planning.

All Other Fees. This category consists of services that are not included in the above categories. The amounts for 2018 and 2017 reflect annual subscription fees for Ernst & Young LLP's online accounting research application.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee has established policies and procedures that are intended to control the services provided by our independent auditors and to monitor their continuing independence. Under these policies, our independent auditors may not undertake any services unless the engagement is specifically approved by the Audit Committee or the services are included within a category that has been approved by the Audit Committee. The maximum charge for services is established by the Audit Committee when the specific engagement or the category of services is approved. In certain circumstances, our management is required to notify the Audit Committee when approved services are undertaken and the Audit Committee or its Chair may approve amendments or modifications to the engagement or the maximum fees. Our Director of Internal Audit is responsible for reporting to the Audit Committee regarding compliance with these policies and procedures.

The Audit Committee will not approve engagements of the independent auditors to perform non-audit services for the Company if doing so will cause the independent auditors to cease to be independent within the meaning of applicable SEC or Nasdaq rules. In other circumstances, the Audit Committee considers, among other things, whether our independent auditors are able to provide the required services in a more or less effective and efficient manner than other available service providers and whether the services are consistent with the PCAOB's rules.

All services for which the Company engaged its independent auditors in fiscal 2018 and 2017 were approved by the Audit Committee. The total fees for audit and non-audit services provided by Ernst & Young LLP in fiscal 2018 and fiscal 2017 are set forth above. The Audit Committee approved the engagement of Ernst & Young LLP to provide the non-audit services described above because it determined that Ernst & Young LLP providing these services would not compromise Ernst & Young LLP's independence and that the firm's familiarity with our record keeping and accounting systems would permit the firm to provide these services with equal or higher quality, more efficiently and at a lower cost than the Company could obtain these services from other providers.

Other Information

The Company has been advised by Ernst & Young LLP that neither the firm, nor any member of the firm, has any material interest, direct or indirect, in any capacity in the Company or its subsidiaries.

One or more representatives of Ernst & Young LLP will be present at the 2019 Annual Meeting. The representatives will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Assuming a quorum is present at the meeting, ratification of the appointment of the independent auditors requires the affirmative vote of a majority of all the votes cast, in person or by proxy, at the 2019 Annual Meeting.

The Board of Trustees recommends a vote "FOR" the ratification of the appointment of Ernst & Young LLP as independent auditors.

REPORT OF THE AUDIT COMMITTEE

In the course of the Audit Committee's oversight of the Company's financial reporting process, the Audit Committee has: (i) reviewed and discussed with management the audited financial statements for the fiscal year ended December 31, 2018; (ii) discussed with Ernst & Young LLP, the Company's independent auditors, the matters required to be discussed under PCAOB Auditing Standard No. 1301; (iii) received the written disclosures and the letter from the auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence; (iv) discussed with the independent auditors their independence; and (v) considered whether the provision of non-audit services by the independent auditors is compatible with maintaining their independence and concluded that it is compatible at this time.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2018, for filing with the SEC.

PROPOSAL 4: APPROVAL OF AN AMENDMENT TO OUR DECLARATION OF TRUST SO THAT IN A CONTESTED ELECTION OUR TRUSTEES ARE ELECTED BY A PLURALITY OF THE VOTES CAST BY OUR SHAREHOLDERS

The Board has approved, and we are seeking shareholder approval for, an amendment to our Declaration of Trust so that in contested elections our Trustees are elected by a plurality of the votes cast by our shareholders. A contested election is an election in which the total number of nominees for election to the Board at a meeting of shareholders exceeds the total number of Trustees to be elected at such meeting.

A plurality voting standard in contested elections of our Trustees will ensure that if the number of Trustee nominees proposed by the Board and our shareholders exceeds the total number of Trustees to be elected at a meeting, those Trustee nominees who receive the largest number of votes are elected to the Board. The amendment proposed by the Board providing for plurality voting in contested elections of Trustees would align the Company's voting practices with the guidelines of many institutional shareholders and proxy advisory firms and is consistent with best practices.

If the amendment proposed by the Board is not approved, in a contested election, nominees must receive a majority of the votes entitled to be cast in order to be elected by shareholders. As a result, it is possible that in a contested election, due to abstentions and against votes, no Trustee would be elected by shareholders or less than the number of Trustees up for election would be elected, in which event the incumbent Trustee(s) would holdover or, if the incumbent Trustee(s) resign(s), the vacancies on the Board would be filled by the remaining Trustees rather than our shareholders. If the amendment proposed by the Board is approved by our shareholders, in a contested election, the Trustee nominees gaining the largest number of votes would be elected by our shareholders, more accurately reflecting the desires of shareholders.

Set forth immediately below is the text of the amendment proposed by the Board to the second sentence of the fourth paragraph of Section 5.9 of our Declaration of Trust, marked to show the changes proposed. Words that are in bold and double underlined are proposed to be added and words that are crossed out are proposed to be deleted.

At all elections of Trustees, voting by Shareholders shall be conducted under the non-cumulative method and ~~the election of Trustees shall be by the affirmative vote of the holders of Shares representing a majority of the total number of votes authorized to be cast by shares then outstanding and entitled to vote thereon; provided, however,~~ the election of a Managing Trustee or an Independent Trustee in an uncontested election, which is an election in which the number of nominees for election equals (or is less than) the number to be elected at the meeting, shall be by the affirmative vote of Shares representing a majority of the total number of Share votes cast **and the election of a Trustee in a contested election shall be by a plurality of the votes cast by Shares then outstanding and entitled to vote thereon.**

Proposal 4 asks shareholders to approve the above described amendment to the second sentence of the fourth paragraph of Section 5.9 of our Declaration of Trust to provide for plurality voting in a contested election. As required under our Declaration of Trust, the proposed amendment to our Declaration of Trust requires the approval of holders of shares representing a majority of the total number of votes authorized to be cast in respect of shares then outstanding and entitled to vote thereon.

The Board of Trustees recommends a vote "FOR" the approval of the amendment to our Declaration of Trust so that in a contested election our Trustees are elected by a plurality of the votes cast by our shareholders.

FREQUENTLY ASKED QUESTIONS

Proxy Materials and Voting Information

1. What is included in the proxy materials? What is a proxy statement and what is a proxy?

The proxy materials for the 2019 Annual Meeting include the Notice Regarding the Availability of Proxy Materials, Notice of 2019 Annual Meeting, this Proxy Statement and the Annual Report (collectively, the "proxy materials"). If you request a paper copy of these materials, the proxy materials will also include a proxy card or voting instruction form.

A proxy statement is a document that the SEC regulations require the Company to give you when it asks you to return a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the shares you own. That other person is called your proxy. We are asking you to designate the following three persons as your proxies for the 2019 Annual Meeting: Jennifer B. Clark, Secretary; John G. Murray, Managing Trustee, President and Chief Executive Officer; and Adam D. Portnoy, Managing Trustee.

2. What is the difference between holding shares as a shareholder of record and as a beneficial owner?

If your shares are registered directly in your name with the Company's registrar and transfer agent, Equiniti Shareowner Services, you are considered a shareholder of record of those shares. If you are a shareholder of record, you should receive only one notice or proxy card for all the Common Shares you hold in certificate form and in book entry form.

If your shares are held in an account you own at a bank or brokerage or you hold shares through another nominee, you are considered the "beneficial owner" of those shares. If you are a beneficial owner, you will receive voting instruction information from the bank, broker or other nominee through which you own your Common Shares.

If you hold some shares of record and some shares beneficially, you should receive a notice or proxy card for all the Common Shares you hold of record and a separate voting instruction form for the shares from the bank, broker or other nominee through which you own Common Shares.

3. What different methods can I use to vote?

By Written Proxy. All shareholders of record can submit voting instructions by written proxy card. If you are a shareholder of record and receive a Notice Regarding the Availability of Proxy Materials, you may request a written proxy card by following the instructions included in the notice. If you are a beneficial owner, you may request a written proxy card or a voting instruction form from your bank, broker or other nominee. Proxies submitted by mail must be received by 11:59 p.m., Eastern time, on June 12, 2019 or, if the meeting is postponed or adjourned to a later date, by 11:59 p.m., Eastern time, on the day immediately preceding the date of the reconvened meeting.

By Telephone or Internet. All shareholders of record also can authorize a proxy to vote their shares by touchtone telephone by calling 1-800-690-6903, or through the internet at www.proxyvote.com, using the procedures and instructions described in your Notice Regarding the Availability of Proxy Materials or proxy card. Beneficial owners may authorize a proxy by telephone or internet if their bank, broker or other

Table of Contents

nominee makes those methods available, in which case the bank, broker or nominee will include the instructions with the proxy voting materials. To authorize a proxy by telephone or internet, you will need the 16 digit control number provided on your Notice Regarding the Availability of Proxy Materials, proxy card or voting instruction form. The telephone and internet proxy authorization procedures are designed to authenticate shareholder identities, to allow shareholders to vote their shares and to confirm that their instructions have been recorded properly. Proxies submitted by telephone or through the internet must be received by 11:59 p.m., Eastern time, on June 12, 2019 or, if the meeting is postponed or adjourned to a later date, by 11:59 p.m., Eastern time, on the day immediately preceding the date of the reconvened meeting.

In Person. All shareholders of record may vote in person at the meeting. Beneficial owners may vote in person at the meeting if they have a legal proxy, as described in the response to question 12.

If you have any questions or need assistance in voting your shares or authorizing your proxy, please call the firm assisting the Company in the solicitation of proxies:

4. Who may vote at the 2019 Annual Meeting?

Holders of record of Common Shares as of the close of business on February 28, 2019, the record date, may vote at the meeting. Holders of Common Shares are entitled to one vote for each Common Share held on the record date.

5. What if I authorize a proxy and do not specify how my shares are to be voted?

If you submit a signed proxy card or authorize a proxy by internet or telephone, but do not indicate how your Common Shares should be voted on one or more proposals, then the proxies will vote your shares as the Board of Trustees recommends on those proposals. Other than the proposals listed on pages 12, 22, 32 and 36, we do not know of any other matters to be presented at the meeting. If any other matters are properly presented at the meeting, the proxies may vote your shares in accordance with their best judgment.

6. What is a quorum? How are abstentions and broker non-votes counted?

A quorum of shareholders is required for shareholders to take action at the 2019 Annual Meeting. The presence, in person or by proxy, of shareholders entitled to cast a majority of all the votes entitled to be cast at the 2019 Annual Meeting constitutes a quorum.

Abstentions and broker non-votes are included in determining whether a quorum is present. Abstentions are not votes cast and, therefore, will not be included in vote totals and will have no effect on the outcome of Proposal 1, 2, or 3. Broker non-votes are not votes cast and, therefore, will not be included in vote totals and will have no effect on the outcome of Proposal 1 or 2. There can be no broker non-votes on Proposal 3 as it is a matter on which, if you hold your shares in street name and do not provide voting instructions to the broker, bank or other nominee that holds your shares, the nominee has discretionary

Table of Contents

authority to vote on your behalf. Abstentions and broker non-votes will have the same effect as votes against Proposal 4.

7. What if I change my mind after I authorize a proxy to vote my shares?

Shareholders have the right to revoke a proxy at any time before it is voted at the 2019 Annual Meeting, subject to the proxy voting deadlines described above. Shareholders may revoke a proxy by authorizing a proxy again on a later date by internet or by telephone (only the last internet or telephone proxy submitted prior to the meeting will be counted) or by signing and returning a later dated proxy card or by attending the meeting and voting in person. If you are a beneficial owner, see the response to [question 12](#).

A shareholder's attendance at the 2019 Annual Meeting will not revoke that shareholder's proxy unless that shareholder votes again at the meeting or sends an original written statement to the Secretary of the Company revoking the prior proxy. An original written notice of revocation or subsequent proxy should be delivered to Hospitality Properties Trust, Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, Attention: Secretary, or hand delivered to the Secretary before the taking of the vote at the 2019 Annual Meeting.

Beneficial owners who wish to change their votes should contact the organization that holds their shares.

8. Can I access the proxy materials on the internet? How can I sign up for the electronic proxy delivery service?

The Notice of 2019 Annual Meeting, this Proxy Statement and the Annual Report are available at www.proxyvote.com. You may access these proxy materials on the internet through the conclusion of the 2019 Annual Meeting.

Instead of receiving future copies of the Company's proxy materials by mail, shareholders of record and most beneficial owners may elect to receive these materials electronically. Opting to receive your future proxy materials electronically will reduce the environmental impact of our annual meeting, save us the cost of printing and mailing documents, and also will give you an electronic link to our proxy voting site. Your Notice Regarding the Availability of Proxy Materials instructs you as to how you may request electronic delivery of future proxy materials.

9. How are proxies solicited and what is the cost?

The Company bears all expenses incurred in connection with the solicitation of proxies. The Company has engaged Morrow Sodali LLC ("Morrow Sodali") to assist with the solicitation of proxies for an estimated fee of \$25,000 plus reimbursement of expenses. The Company has agreed to indemnify Morrow Sodali against certain liabilities arising out of the Company's agreement with Morrow Sodali. We will request banks, brokers and other nominees to forward proxy materials to the beneficial owners of Common Shares and to obtain their voting instructions. We will reimburse those firms for their expenses of forwarding proxy materials.

Proxies may also be solicited, without additional compensation, by the Company's Trustees and officers, and by RMR LLC, its officers and employees and its parent's and subsidiaries' directors, officers and employees, by mail, telephone or other electronic means or in person.

10. What is householding?

As permitted by the Exchange Act, we may deliver only one copy of the Notice Regarding the Availability of Proxy Materials, Notice of 2019 Annual Meeting, this Proxy Statement and the Annual Report to shareholders residing at the same address, unless the shareholders have notified us of their desire to receive multiple copies of those documents. We will deliver a separate copy of any of those documents to you if you write to the Company at Investor Relations, Hospitality Properties Trust, Two Newton Place, 255 Washington Street, Suite 300, Newton, Massachusetts 02458, or call the Company at (617) 796-8232. RELATED PERSON TRANSACTIONS

The descriptions of agreements in this "Related Person Transactions" section do not purport to be complete and are subject to, and qualified in their entirety by, reference to the actual agreements, copies of certain of which are filed as exhibits to the Annual Report.

A "related person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which (i) the Company was, is or will be a participant, (ii) the amount involved exceeds \$120,000 and (iii) any related person had, has or will have a direct or indirect material interest.

A "related person" means any person who is, or at any time since January 1, 2018 was:

a Trustee, a nominee for Trustee or an executive officer of the Company;

known to the Company to be the beneficial owner of more than 5.0% of the outstanding Common Shares when a transaction in which such person had a direct or indirect material interest occurred or existed;

an immediate family member of any of the persons referenced in the preceding two bullets, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of any of the persons referenced in the preceding two bullets, and any person (other than a tenant or employee) sharing the household of any of the persons referenced in the preceding two bullets; or

a firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10.0% or greater beneficial ownership interest.

Under these Governance Guidelines, the Company may not enter a transaction in which any Trustee or executive officer, any member of the immediate family of any Trustee or executive officer or other related person, has or will have a direct or indirect material interest unless that transaction has been disclosed or made known to the Board and the Board reviews and approves or ratifies the transaction by the affirmative vote of a majority of the disinterested Trustees, even if the disinterested Trustees constitute less than a quorum. If there are no disinterested Trustees, the transaction must be reviewed, authorized and approved or ratified by both (i) the affirmative vote of a majority of the Board and (ii) the affirmative vote of a majority of the Independent Trustees. In determining whether to approve or ratify a transaction, the Board, or disinterested Trustees or Independent Trustees, as the case may be, also act in accordance with any applicable provisions of the Company's Declaration of Trust and Bylaws and consider all of the relevant facts and circumstances and approve only those transactions that they determine are fair and reasonable to the Company. All related person transactions described below were reviewed and approved or ratified by a majority of the disinterested Trustees or otherwise in accordance with the Company's policies, Declaration of Trust and Bylaws, each as described above. In the case of transactions with the Company by employees of RMR Inc. and its subsidiaries who are subject to the Code but who are not Trustees or executive officers of the Company, the employee must seek approval from an executive officer who has no interest in the matter for which approval is being requested. Copies of the Company's Governance Guidelines and the Code are available on the Company's website, www.hptreit.com.

RMR LLC provides management services to both the Company and TA. As of December 31, 2018, RMR LLC owned 1,492,691 common shares, representing approximately 3.7% of TA's outstanding common shares.

Spin-Off of TA. In connection with TA's spin-off, the Company entered a transaction agreement with TA and RMR LLC, pursuant to which TA granted the Company a right of first refusal to purchase, lease, mortgage or otherwise finance any interest TA owns in a travel center before it sells, leases, mortgages or otherwise finances that travel center to or with another party, and TA also granted the Company and any other company managed by RMR LLC a right of first refusal to acquire or finance any real estate of the types in which the Company or they invest before TA does. TA also agreed that for so long as TA is a tenant of the Company's, TA will not permit: the acquisition by any person or group of beneficial ownership of 9.8% or more of the voting shares or the power to direct the management and policies of TA or any of its subsidiary tenants or guarantors under its leases with the Company; the sale of a material part of the assets of TA or any such tenant or guarantor; or the cessation of certain continuing directors constituting a majority of the board of directors of TA or any such tenant or guarantor. TA also agreed not to take any action that might reasonably be expected to have a material adverse impact on the Company's ability to qualify as a REIT and to indemnify the Company for any liabilities it may incur relating to TA's assets and business.

TA Leases. The Company leases travel center properties to TA under five leases with TA (the "TA Leases").

On January 16, 2019, the Company entered agreements with TA (the "Transaction Agreements"), pursuant to which in January 2019:

The Company sold to TA 20 travel center properties for a total purchase price of approximately \$308.2 million. TA previously leased those properties from the Company.

Upon completing these transactions, these travel center properties were removed from the TA Leases and the annual minimum rent payable to the Company by TA under the TA Leases was reduced by approximately \$43.1 million, in aggregate.

Commencing on April 1, 2019, TA will pay to the Company 16 quarterly installments of approximately \$4.4 million each (an aggregate of \$70.5 million) to fully satisfy and discharge TA's \$150.0 million deferred rent obligation to the Company that otherwise would have become due in five installments between 2024 and 2030.

Commencing with the year ending December 31, 2020, TA will be obligated to pay to the Company an additional amount of percentage rent equal to one half percent (0.5%) of the excess of TA's annual nonfuel revenues at leased sites over the nonfuel revenues for each respective site for the year ending December 31, 2019.

The term of each TA Lease was extended by three years.

Certain of the 179 travel center properties that TA continues to lease from the Company were reallocated among the TA Leases.

The number of travel centers, the terms, the annual minimum rent and the deferred rent balances owed to the Company by TA under the TA Leases, as of February 26, 2019, were as follows (*dollar amounts in thousands*):

	Number of Travel Centers⁽¹⁾	Initial Term End Date⁽¹⁾	Annual Minimum Rent	Deferred Rent
TA No. 1 Lease	36	December 31, 2032	\$ 49,018	\$ 14,175

TA No. 3 Lease	35	December 31, 2029	42,404	12,603
TA No. 4 Lease	37	December 31, 2033	48,381	12,961
TA No. 5 Lease	35	June 30, 2035	61,617	17,872
Total	179		\$ 246,083	\$ 70,458

⁽¹⁾ TA has two renewal options of 15 years each under each of the TA Leases.

The TA Leases are "triple net" leases that require TA to pay all costs incurred in the operation of the leased travel centers, including personnel, utility, inventory, customer service and insurance expenses, real estate and personal property taxes, environmental related expenses, underground storage tank removal costs and ground lease payments at those travel centers at which the Company leases the property and subleases it to TA. The TA Leases generally require TA to indemnify the Company for certain environmental matters and for liabilities that arise during the terms of the leases from ownership or operation of the leased travel centers. In addition, TA is obligated to pay the Company at lease expiration an amount equal to an estimate of the cost of removing underground storage tanks on the leased properties. The TA Leases do not require FF&E escrow deposits. However, TA is required to maintain the leased travel centers, including structural and non-structural components. Under the TA Leases, TA generally cannot own, franchise, finance, operate, lease or manage any travel center or similar property that is owned by the Company within 75 miles in either direction along the primary interstate on which a travel center owned by the Company is located without the Company's consent.

The Company recognized rental income of approximately \$302.3 million for the year ended December 31, 2018 under the TA Leases. Rental income for the year ended December 31, 2018 included approximately \$12.1 million of adjustments necessary to record the deferred rent obligations under the TA Leases and the estimated future payments to the Company by TA for the cost of removing underground storage tanks, in each case, on a straight line basis.

In addition to the payment of annual minimum rent, the TA Nos. 1, 2, 3 and 4 Leases provide for payment to the Company of percentage rent based on increases in total nonfuel revenues over base year levels (3% of nonfuel revenues above 2015 nonfuel revenues, and, pursuant to the Transaction Agreements, an additional half percent (0.5%) of nonfuel revenues above 2019 nonfuel revenues beginning with the year ending December 31, 2020) and the TA No. 5 Lease provides for payment to the Company of percentage rent based on increases in total nonfuel revenues over base year levels (3% of nonfuel revenues above 2012 nonfuel revenues, and, pursuant to the Transaction Agreements, an additional half percent (0.5%) of nonfuel revenues above 2019 nonfuel revenues beginning with the year ending December 31, 2020). The total amount of percentage rent from TA that the Company recognized was approximately \$3.5 million for the year ended December 31, 2018.

Under the TA Leases, TA may request that the Company fund capital improvements in return for increases in TA's annual minimum rent according to the following formula: the annual minimum rent is increased by an amount equal to the amount funded by the Company multiplied by the greater of (1) 8.5% or (2) a benchmark U.S. Treasury interest rate plus 3.5%. TA is not obligated to request and the Company is not obligated to fund any such improvements. The Company funded approximately \$56.3 million, during the year ended December 31, 2018, for capital improvements to the Company's travel center properties and, as a result, TA's annual minimum rent payable to the Company increased by approximately \$4.8 million. The Company currently expects to fund approximately \$30.0 million for renovations and other capital improvements to the Company's travel centers during the year ending December 31, 2019.

In December 2017, the Company received, net of expenses, approximately \$1.0 million as the final payment with respect to a travel center the Company previously owned in Roanoke, Virginia that the Company leased to TA and which was taken by eminent domain proceedings brought by the Virginia Department of Transportation in 2014. This final payment was allocated in 2018 to TA as set forth in the lease.

Management Agreements with RMR LLC. The Company's management agreements with RMR LLC provide for an annual base management fee, an annual incentive management fee and property management and construction supervision fees, payable in cash, among other terms:

Base Management Fee. The annual base management fee payable to RMR LLC by the Company for each applicable period is equal to the lesser of:

- the sum of (a) 0.7% of the average aggregate historical cost of the Company's real estate investments up to \$250.0 million, plus (b) 0.5% of the average aggregate historical cost of the Company's real estate investments exceeding \$250.0 million; and
- the sum of (a) 0.7% of the average closing price per Common Share on the stock exchange on which such Common Shares are principally traded during such period, multiplied by the average number of Common Shares outstanding during such period, plus the daily weighted average of the aggregate liquidation preference of each class of the Company's preferred shares outstanding during such period, plus the daily weighted average of the aggregate principal amount of the Company's consolidated indebtedness during such period (together, the "Company's Average Market Capitalization") up to \$250.0 million, plus (b) 0.5% of the Company's Average Market Capitalization exceeding \$250.0 million.

The average aggregate historical cost of the Company's real estate investments includes the Company's consolidated assets invested, directly or indirectly, in equity interests in or loans secured by real estate and personal property owned in connection with such real estate (including acquisition related costs and costs which may be allocated to intangibles or are unallocated), all before reserves for depreciation, amortization, impairment charges or bad debts or other similar non-cash reserves.

Incentive Management Fee. The incentive management fee which may be earned by RMR LLC for an annual period is calculated as follows:

- An amount, subject to a cap, based on the value of the outstanding Common Shares, equal to 12.0% of the product of:
 - § the Company's equity market capitalization on the last trading day of the year immediately prior to the relevant three year measurement period, and
 - § the amount (expressed as a percentage) by which the total return per share, as defined in the business management agreement and further described below, of the holders of Common Shares (i.e., share price appreciation plus dividends) exceeds the total shareholder return of the SNL U.S. REIT Hotel Index, or the benchmark return per share, for the relevant measurement period.
- For purposes of the total return per share of the holders of Common Shares, share price appreciation for a measurement period is determined by subtracting (1) the closing price of the Common Shares on the Nasdaq on the last trading day of the year immediately before the first year of the applicable measurement period, or the initial share price, from (2) the average closing price of the Common Shares on the 10 consecutive trading days having the highest average closing prices during the final 30 trading days in the last year of the measurement period.
- The calculation of the incentive management fee (including the determinations of the Company's equity market capitalization, initial share price and the total return per share of holders of Common Shares) is subject to adjustments if additional Common Shares are issued during the measurement period.

Table of Contents

- No incentive management fee is payable by the Company unless the total return per share during the measurement period is positive.
- The measurement periods are three year periods ending with the year for which the incentive management fee is being calculated.
- If the Company's total return per share exceeds 12.0% per year in any measurement period, the benchmark return per share is adjusted to be the lesser of the total shareholder return of the SNL U.S. REIT Hotel Index for such measurement period and 12.0% per year, or the adjusted benchmark return per share. In instances where the adjusted benchmark return per share applies, the incentive management fee will be reduced if the Company's total return per share is between 200 basis points and 500 basis points below the SNL U.S. REIT Hotel Index by a low return factor, as defined in the business management agreement, and there will be no incentive management fee paid if, in these instances, the Company's total return per share is more than 500 basis points below the SNL U.S. REIT Hotel Index.
- The incentive management fee is subject to a cap. The cap is equal to the value of the number of Common Shares which would, after issuance, represent 1.5% of the number of Common Shares then outstanding multiplied by the average closing price of Common Shares during the 10 consecutive trading days having the highest average closing prices during the final 30 trading days of the relevant measurement period.
- Incentive management fees the Company paid to RMR LLC for any period may be subject to "clawback" if the Company's financial statements for that period are restated due to material non-compliance with any financial reporting requirements under the securities laws as a result of the bad faith, fraud, willful misconduct or gross negligence of RMR LLC and the amount of the incentive management fee the Company paid was greater than the amount the Company would have paid based on the restated financial statements.

Pursuant to the Company's business management agreement with RMR LLC, the Company recognized net business management fees of approximately \$39.9 million for the year ended December 31, 2018, which amount reflects a reduction of approximately \$3.6 million for the amortization of the liability the Company recorded in accordance with generally accepted accounting principles in connection with the Company's acquisition of interest in RMR Inc. in June 2015.

Pursuant to the Company's business management agreement with RMR LLC, in January 2019, the Company paid RMR LLC an incentive management fee of approximately \$53.6 million for the year ended December 31, 2018. In calculating the incentive management fee payable by the Company, the Company's total shareholder return per share⁽¹⁾ and benchmark return per share were adjusted in accordance with the Company's business management agreement to reflect aggregate net increases in the number of Common Shares outstanding as a result of certain share issuances and repurchases by the Company during the three year measurement period ended December 31, 2018.

Property Management and Construction Supervision Fees. The property management fees payable to RMR LLC by the Company for each applicable period are equal to 3.0% of gross collected rents and the construction supervision fees payable to RMR LLC by the Company for each applicable period are equal to 5.0% of construction costs for the office building component of one of the Company's hotels that is subject to the Company's property management agreement with RMR LLC.

1

"Total shareholder return" for purposes of the incentive management fee calculation differs from "total shareholder return" presented in the performance graph in the Annual Report because "total shareholder return" for purposes of the incentive management fee calculation has been determined in accordance with the terms of the business management agreement and includes adjustments for Common Shares issued and repurchased during the period and other items whereas "total shareholder return" presented in the

performance graph is determined in the same or similar manner as each index reflected in the performance graph and does not include such adjustments and other items.

If the Company terminates one or both of the Company's management agreements with RMR LLC for a performance reason, the Company has agreed to pay RMR LLC the termination fee calculated as described above, but assuming a 10 year term was remaining prior to the termination. These share awards to RMR LLC employees are in addition to the share awards made to the Company's current and former Managing Trustees, as Trustee compensation, and the fees the Company paid to RMR LLC. During 2018, the Company purchased 21,202 Common Shares, at the closing price of the Common Shares on the Nasdaq on the date of purchase, from certain of the Company's officers and other employees of RMR LLC in satisfaction of tax withholding and payment obligations in connection with the vesting of awards of Common Shares.

Management Agreements With Sonesta. As of December 31, 2018, Sonesta managed 12 of the Company's full service hotels and 39 of the Company's limited service hotels pursuant to management agreements for each of the hotels (collectively, the "Sonesta agreement") and a pooling agreement, which combines those management agreements for purposes of calculating gross revenues, payment of hotel operating expenses, payment of fees and distributions and minimum returns due to the Company.

The Sonesta agreement provides that the Company is paid a fixed annual minimum return equal to 8.0% of the Company's invested capital, as defined therein, which was approximately \$127.1 million as of December 31, 2018, if gross revenues of the hotels, after payment of hotel operating expenses and management and related fees (other than Sonesta's incentive fee, if applicable), are sufficient to do so. The Sonesta agreement further provides that the Company is paid an additional return based upon operating profits, as defined therein, after payment of Sonesta's incentive fee, if applicable. The Company realized returns of approximately \$78.1 million during the year ended December 31, 2018 under the Sonesta agreement. The Company does not have any security deposits or guarantees for its Sonesta hotels. Accordingly, the returns the Company receives from the Sonesta hotels are limited to the hotels' available cash flows after payment of operating expenses including management and related fees.

The Sonesta agreement provides that Sonesta is entitled to receive, after payment of hotel operating expenses, a base management fee equal to 3.0% of gross revenues for the Company's full service Sonesta hotels and 5.0% of gross revenues for the Company's limited service Sonesta hotels. Additionally, Sonesta is entitled to a reservation fee equal to 1.5% of gross room revenues, as defined in the Sonesta agreement, a system fee for centralized services of 1.5% of gross revenues, a procurement and construction supervision fee equal to 3.0% of third party costs of capital expenditures and an incentive management fee equal to 20.0% of operating profits remaining after reimbursement to the Company and to Sonesta of certain advances and payment of the Company's minimum returns. Sonesta's incentive management fee, but not its other fees, is earned only after the Company's minimum returns are paid. The Sonesta agreement also provides that the costs incurred by Sonesta for advertising, marketing, promotional and public relations programs and campaigns, including "frequent stay" rewards programs, for the benefit of the Company's Sonesta hotels are subject to reimbursement by the Company or are otherwise treated as hotel operating expenses, subject to the Company's approval. The Company incurred base management, reservation and system fees and reimbursement costs for certain guest loyalty, marketing program and third party reservation transmission fees of approximately \$34.8 million for the year ended December 31, 2018 under the Sonesta agreement. In addition, the Company recognized procurement and construction supervision fees of approximately \$2.4 million for the year ended December 31, 2018 under the Sonesta agreement.

The Sonesta agreement does not require FF&E escrow deposits, but does require the Company to fund capital expenditures that the Company approves at the Company's Sonesta hotels. The Company funded approximately \$82.3 million for renovations and other capital improvements to hotels included in the Sonesta agreement during the year ended December 31, 2018. The Company currently expects to fund approximately \$100.0 million and \$33.0 million during 2019 and 2020, respectively, for renovations and other capital improvements to certain hotels under the Sonesta agreement. The Company owed Sonesta approximately \$5.7 million for capital expenditure reimbursements and for a previously estimated overpayment of minimum returns advanced at December 31, 2018.

The Sonesta agreement expires in January 2037, and will be extended automatically for up to two successive 15 year renewal terms unless Sonesta elects not to renew any such agreement. Under the pooling agreement, if Sonesta elects not to renew a management agreement, that will be deemed to be a notice of non-renewal for all of the Company's management agreements with Sonesta. The Company generally has the right to terminate a management agreement with Sonesta after three to four years without cause upon payment of a termination fee. The Company also has the right to terminate a management agreement with Sonesta without a termination fee if the Company's minimum return is less than 6.0% of the Company's invested capital during any three of four applicable consecutive years. Both the Company and Sonesta have the right to terminate any management agreement included in the Sonesta agreement upon a change in control, as defined therein, of the other party, and under certain other circumstances that, in the case of termination by Sonesta, may require that the Company pay a

Table of Contents

termination fee to Sonesta. Under the pooling agreement, if the Company or Sonesta terminates a management agreement following a change of control, that will be deemed a termination of all of the Company's management agreements with Sonesta. Under the Sonesta agreement, if the Company terminates without cause, or if Sonesta terminates under certain circumstances, the termination fee is an amount equal to the present value of the payments that would have been made to Sonesta as a base management fee, reservation fee, system fee and incentive management fee, each as defined therein, between the date of termination of the applicable agreement and the scheduled expiration date of the term that was remaining prior to such termination, which present value is calculated based upon the average of each of such fees earned in each of the three years ended prior to the date of termination, discounted at an annual rate equal to 8.0%. The Company may designate a hotel as "non-economic" under the pooling agreement, in which case the hotel would be subject to sale and the applicable Sonesta management agreement would be terminated, and the Company has an early termination right under each of the management agreements included in the Sonesta agreement if the applicable hotel does not meet certain criteria for the stipulated measurement period. These stipulated measurement periods begin on the later of January 1, 2017 and January 1st of the year beginning at least 18 months following the effective date of the applicable management agreement.

Prior to May 8, 2018, the Company leased The Clift Hotel in San Francisco, CA to Morgans Hotel Group ("Morgans"). This lease was scheduled to expire in 2103 and required annual rent to us of approximately \$7.6 million.
