INTRODUCTION

On March 12, 2002, the Board of Directors of Bioenvision, Inc. (the "Company") approved, and recommended that the Company's Certificate of Incorporation be amended to include, the following (the "Charter Amendment"):

1. To increase the number of authorized shares of common stock, par value \$.001 (the "Common Stock"), of the Company from 25,000,000 shares to 50,000,000 shares; and
2. To authorize 10,000,000 shares of preferred stock, par value \$.001 (the "Preferred Stock"), of the Company, which may be issued in one or more series, with such rights, preferences, privileges and restrictions as shall be fixed by the Company's Board of Directors from time to time in a certificate of designations which the Board of Directors shall have authority to file from time to time as required by law.

As of March 12, 2002, the holders of approximately 63.8% of the outstanding shares of Common Stock executed a written consent adopting the Charter Amendment. As of the close of business on March 12, 2002, Company records indicated that 16,687,786 shares of its Common Stock were issued and outstanding.

On March 12, 2002, the Board of Directors of the Company approved, and recommended that the Company's By-Laws, which presently limits the number of directors on the Board to three (3), be amended to include a provision to allow the number of directors serving on the Board of Directors to be established from time to time by the Board of Directors, without the need to obtain the approval of the Stockholders, provided that such number shall not be less than three (3) nor more than twelve (12) (the "By-Laws Amendment", and together with the Charter Amendment, the "Amendments").

As of March 12, 2002, the holders of approximately 63.8% of the outstanding shares of Common Stock executed a written consent adopting the By-Laws Amendment.

### QUESTIONS AND ANSWERS ABOUT THE AMENDMENTS

Q. Why did I receive this Information Statement?

A. Applicable laws require us to provide you information regarding the Amendments even though your vote is neither required nor requested for the Amendments to become effective.

Q. What will I receive if the Amendments are completed?

A. Nothing. The Amendments will only modify the Certificate of Incorporation and the By-Laws.

Q. When do you expect the Amendments to become effective?

The By-Laws Amendment will become effective twenty (20) days following the mailing of this information statement. We expect to file the Charter Amendment with the Delaware Secretary of State at least 20 days after this information statement has been sent to you.

Q. Why am I not being asked to vote?

A. The holders of a majority of the issued and outstanding shares of Common Stock have already approved the Amendments pursuant to a written consent in lieu of a meeting. Such approval, together with the approval of the Company's Board of Directors, is sufficient under Delaware law, and no further approval by our stockholders is required.

### AMENDMENT TO THE CERTIFICATE OF INCORPORATION Proposals and Board Recommendation

On March 12, 2002, our Board of Directors, believing it to be in the best interests of the Company and its stockholders, approved, and recommended that the stockholders of the Company approve, the Charter Amendment. The Charter Amendment is reflected in the Form of Certificate of Amendment to Certificate of Incorporation (the "Form of Charter Amendment") which is attached hereto as Annex A, and incorporated herein by reference. The authorization of additional shares of Common Stock and Preferred Stock will allow the Company to proceed with potential equity financings which are under negotiation as of the date hereof. At this stage of negotiation, the Company does not know (i) whether such equity financings may require the issuance of Common Stock, Preferred Stock or both or (ii) the aggregate number of shares such equity financings may require. In addition, the authorization of additional shares of Common Stock and Preferred Stock, and the authorization of the Board of Directors to create and issue various series of Preferred Stock without additional stockholder approval, will provide the Company the flexibility to seek additional capital through equity financings in a competitive environment from time to time in the future and to use equity, rather than cash, to complete acquisitions, from time to time in the future. As of the date hereof, the Company has no commitments, arrangements or understandings with respect to the issuance of the additional Common Stock or Preferred Stock it is seeking to authorize. The Company has no understandings or agreements at this time with regard to any acquisitions.

(A) Increase in Authorized Common Stock of the Company. The Company's Certificate of Incorporation currently authorizes the Company to issue up to 25,000,000 shares of Common Stock. As of March 12, 2002, Company records indicate that the Company had issued and outstanding 16,687,786 shares of Common Stock. Of the remaining authorized shares of Common Stock, (i) 2,200,000 shares are reserved for issuance upon the exercise of outstanding options issued to certain officers of the Company, (ii) 2,904,544 shares are reserved for issuance upon exercise of outstanding options issued to persons other than officers of the Company and (iii) 1,600,000 shares are reserved for issuance upon the

## Edgar Filing: BIOENVISION INC - Form PRER14C

exercise of outstanding warrants. As a result, the number of authorized, non-designated shares of Common Stock available for issuance by the Company in the future has been reduced, and the Company's flexibility with respect to possible future stock splits, equity financings, stock-for-stock acquisitions, stock dividends or other transactions that involve the issuance of Common Stock has been severely diminished. The proposed increase of authorized shares will increase the total number of shares of unissued and unreserved authorized shares of Common Stock from 1,607,670 shares to 26,607,670 shares, an increase which the Board of Directors believes will improve the Company's flexibility to take such actions.

(B) Authorization of "Blank Check" Preferred Stock. The term "blank check" preferred stock refers to stock for which the designations, preferences, conversion rights, cumulative, relative, participating, optional or other rights, including voting rights, qualifications, limitations or restrictions thereof are determined by the Board of Directors of a company. Upon the effectiveness of the Charter Amendment, the Board of Directors of the Company will be entitled to authorize the designation and issuance of up to 10,000,000 shares of Preferred Stock in one or more series with such limitations and restrictions as may be determined in the sole discretion of the Company's Board of Directors, with no further authorization by stockholders required for the creation and issuance thereof, when required by law and in accordance with the provisions of Section 151 of the General Corporation Law of the State of Delaware, the Board of Directors of the Company shall have the express authority to execute, acknowledge and file a certificate of designations setting forth, any and all powers, designations, preferences, rights, qualifications, limitations or restrictions on the preferred stock. The Board of Directors believes that having such blank check preferred stock available for, among other things, proposed financing transactions, as well as possible issuances in connection with such activities as public or private offerings of shares for cash, dividends payable in stock of the Company, acquisitions of other companies or businesses, and otherwise, is in the best interest of the Company and its stockholders.

Rights and Preferences With Respect to Common Stock. If the Company issues Preferred Stock, such Preferred Stock will include certain designations, preferences, conversion rights, cumulative, relative, participating, optional or other rights, including voting rights, qualifications, limitations or restrictions, any of which may dilute the voting power and economic interest of the holders of the Common Stock. For example, in a liquidation, the holders of the Preferred Stock may be entitled to receive a certain amount per share of Preferred Stock before the holders of the Common Stock receive any distribution. In addition, the holders of Preferred Stock may be entitled to a certain number of votes per share of Preferred Stock and such votes may dilute the voting rights of the holders of Common Stock when the Company seeks to take corporate action. Furthermore, Preferred Stock could be issued with certain preferences over the holders of Common Stock with respect to dividends or the power to approve the declaration of a dividend. The aforementioned are only examples of how shares of Preferred Stock, if issued, could dilute the interests of the holders of Common Stock.

Approval by Stockholders. As of March 12, 2002, the Company had

## Edgar Filing: BIOENVISION INC - Form PRER14C

16,687,786 shares of its Common Stock issued and outstanding. As of this same date, stockholders representing 10,646,948 shares of Common Stock, or approximately 63.8% of the issued and outstanding shares of Common Stock, approved the proposals to amend the Company's Certificate of Incorporation to: (i) increase the number of authorized shares of Common Stock of the Company to 50,000,000 shares from 25,000,000 shares; and (ii) authorize a class of blank check Preferred Stock, par value \$.001, of the Company, consisting of 10,000,000 authorized shares, which may be issued in one or more series, with such rights, preferences, privileges and restrictions as shall be fixed by the Company's Board of Directors from time to time. The full text of the Charter Amendment is reflected in the Form of Charter Amendment which is attached as Annex A of this information statement. Pursuant to the provisions of Delaware law and the Company's Certificate of Incorporation, the holders of at least a majority of the outstanding voting shares are permitted to approve the Charter Amendment by written consent in lieu of a meeting, provided that prompt notice of such action is given to the other stockholders. Pursuant to the rules and regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), an information statement must be sent to the holders of voting stock who do not sign the written consent at least 20 days prior to the effective date of the action; that is, approximately April \_\_, 2002. This notice, which is being sent to all holders of record on March 26, 2002, is intended to serve as such notice under Delaware law and as the information statement required by the Exchange Act.

Possible Anti-Takeover Effect. In addition to financing purposes, the Company could also issue shares of Common Stock or Preferred Stock that may, depending on the terms of such series, make more difficult or discourage an attempt to obtain control of the Company by means of a merger, tender offer, proxy contest or other means. When, in the judgment of the Board of Directors, this action will be in the best interest of the stockholders and the Company, such shares could be used to create voting or other impediments or to discourage persons seeking to gain control of the Company. Such shares also could be privately placed with purchasers favorable to the Board of Directors in opposing such action. In addition, the Board of Directors could authorize holders of a series of Common or Preferred Stock to vote either separately as a class or with the holders of the Company's Common Stock, on any merger, sale or exchange of assets by the Company or any other extraordinary corporate transaction. The existence of the additional authorized shares could have the effect of discouraging unsolicited takeover attempts. The issuance of new shares also could be used to dilute the stock ownership of a person or entity seeking to obtain control of the Company should the Board of Directors consider the action of such entity or person not to be in the best interest of the stockholders of the Company. The issuance of new shares also could be used to entrench current management or deter an attempt to replace the Board of Directors by diluting the number or rights of shares held by individuals seeking to control the Company by obtaining a certain number of seats on the Board of Directors.

The Company anticipates that the Charter Amendment will be effective 20 days after the mailing of this Information Statement; that is, it will be effective on approximately April \_\_, 2002 or shortly thereafter.

### AMENDMENT TO THE BY-LAWS Proposals and Board Recommendation

On March 12, 2002, our Board of Directors, believing it to be in the best interests of the Company and its stockholders, approved, and recommended that the stockholders of the Company approve, the By-Laws Amendment. The By-Laws Amendment is reflected in the Form of Amendment to By-Laws (the "Form of By-Laws Amendment") which is attached hereto as Annex B, and incorporated herein by reference.

Prior to the By-Laws Amendment, the By-Laws limited the number of directors on the Board of Directors to three (3) and the Board of Directors consisted of three (3) directors. Such limitation has prevented the Company from offering new investors an opportunity to serve as members of the Board of Directors without the prior resignation from the Board of Directors of its preexisting members or amendment to the By-Laws by the Company's stockholders.

The Board of Directors determined that it is in the best interest of the Company to provide the Board of Directors with the ability to increase the number of directors in its sole discretion, without the need to seek stockholder approval, since the Company may be obligated to do so in connection with potential financings, joint ventures or other arrangements in a competitive environment. In addition, the Company may desire to appoint to the Board of Directors individuals with certain specialized experience whose expertise may allow the Board of Directors to better manage the Company. As of the date hereof, neither the Board of Directors nor the Company has approved the addition to the Board of Directors of any specific individuals. However, under the terms of the recently completed acquisition of Pathagon Inc., the former stockholders of Pathagon Inc. are entitled to nominate an individual to fill a vacancy on the Company's Board of Directors once the number of directors constituting the Company's Board of Directors is increased from its current number of three directors, and the Company has agreed that its Board of Directors would fill the vacancy with that individual. The identity of that individual has not yet been furnished to the Company. In addition, Mr. Stuart Smith was a director of the Company until he resigned on February 1, 2002 in order to create a vacancy on the Company's Board of Directors which was filled by an individual proposed by the former stockholders of Pathagon Inc., Mr. Jeffrey Davis. The Company

## Edgar Filing: BIOENVISION INC - Form PRER14C

has previously disclosed that Mr. Smith may be elected to fill a vacancy on the Company's Board of Directors and rejoin the Board of Directors once the number of directors constituting the Company's Board of Directors is increased from three directors, but Mr. Smith has not yet consented to do so and the Board has not yet formally considered who will be elected to fill any vacancy.

Approval by Stockholders. As of March 12, 2002, the Company had 16,687,786 shares of its Common Stock issued and outstanding. As of this same date, stockholders representing 10,646,948 shares of Common Stock, or approximately 63.8% of the issued and outstanding shares of Common Stock, approved the By-Laws Amendment. Pursuant to the provisions of Delaware law and the Company's By-Laws, the holders of at least a majority of the outstanding voting shares are permitted to approve the By-Laws Amendment by written consent in lieu of a meeting, provided that prompt notice of such action is given to the other stockholders. Pursuant to the rules and regulations promulgated by the Securities and Exchange Commission under the Exchange Act, an information statement must be sent to the holders of voting stock who do not sign the written consent at least 20 days prior to the effective date of the action. This notice, which is being sent to all holders of record on March 26, 2002, is intended to serve as such notice under Delaware law and as the information statement required by the Exchange Act.

Possible Anti-Takeover Effect. In addition to providing the Board of Directors with the ability to allow, from time to time, new investors an opportunity to designate members of the Board of Directors, the By-Laws Amendment may also allow the Board of Directors the ability to dilute the control or influence that certain members of the Board of Directors may obtain by adding additional members of whom it approves.

The Company anticipates that the By-Laws Amendment will be effective 20 days after the mailing of this Information Statement, April \_\_, 2002 or shortly thereafter.

THE BY-LAWS AMENDMENT HAS NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION, NOR HAS THE SECURITIES AND EXCHANGE COMMISSION PASSED UPON THE FAIRNESS OR MERIT OF THE BY-LAWS AMENDMENT NOR UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED IN THIS INFORMATION STATEMENT. ANY REPRESENTATION TO THE CONTRARY IS UNLAWFUL.

PLEASE NOTE THAT THIS IS NEITHER A REQUEST FOR YOUR VOTE NOR A PROXY STATEMENT, BUT RATHER AN INFORMATION STATEMENT DESIGNED TO INFORM YOU OF THE AMENDMENT THAT WILL OCCUR IF THE AMENDMENT IS COMPLETED AND TO PROVIDE YOU WITH INFORMATION ABOUT THE AMENDMENTS AND THE BACKGROUND OF THESE TRANSACTIONS.
