Under the Agreement, InforNet will directly acquire 49% of the capital stock of Topbiz, and indirectly acquire control through Mr. Wei of an additional 11% of Topbiz, giving it effective control of 60% of Topbiz. The parties intend that the transactions contemplated by the Agreement will be consummated as promptly as practicable, after satisfaction or waiver of certain conditions of closing in favor of the Purchasers. These include, among other things, that (i) all representations and warranties of the Sellers contained in the Agreement shall be true on and as of the Closing Date, (ii) all covenants and agreements of the Sellers to be performed on or before the Closing Date shall be duly performed, (iii) audited financial statements of Topbiz from inception to March 31, 2006, shall have been completed, and (iv) the Stock Option Agreement shall have been executed and delivered by Mr. Wei.

All such figures have been audited in accordance with U.S. generally accepted accounting principles.

The Registrant had 20,011,792 shares of common stock issued and outstanding as of August 7, 2006. After the acquisition is consummated and the 8,081,818 shares are issued to the Sellers, the Registrant will have 28,083,610 shares of common stock issued and outstanding. The 8,081,818 shares issued in connection with the acquisition will be subject to a one-year restriction on transfer to a U.S. person pursuant to Regulation S.
