PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the board of directors of Monolithic System Technology, Inc., a Delaware corporation (the Company), of proxies, in the accompanying form, to be used at the 2006 Annual Meeting of Stockholders (the Annual Meeting) to be held at the Company's corporate headquarters located at 755 N. Mathilda Avenue, Sunnyvale, California 94085 on May 11, 2006, at 9:30 a.m., local time, and any adjournments of the Annual Meeting. Unless the context otherwise requires, the Company, we, us, and similar terms refer to Monolithic System Technology, Inc.

This Proxy Statement and the accompanying proxy card are being mailed on or about April 11, 2006 to all stockholders entitled to notice of and to vote at the Annual Meeting.

SOLICITATION AND VOTING PROCEDURES

Shares represented by valid proxies in the form enclosed, received in time for use at the Annual Meeting and not revoked at or prior to the Annual Meeting, will be voted at the Annual Meeting, as discussed below. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the Annual Meeting. Holders of our common stock are entitled to one vote per share on all matters. To vote in person, a stockholder must attend the Annual Meeting, and then complete and submit the ballot provided at the meeting. To vote by proxy, a stockholder must either mark, sign, and date the enclosed proxy card and mail it to the Company's transfer agent or submit a proxy electronically by using the Internet and logging on to www.eproxyvote.com/mosy/ by following the instructions provided on the proxy card. An automated system administered by the Company's transfer agent tabulates stockholder votes submitted by proxy, and an officer of the Company will tabulate votes cast in person at the Annual Meeting.

Brokers holding shares in street name for customers have the authority to vote on certain routine matters when they have not received instructions from the beneficial owners of shares. Generally, brokers that do not receive instructions from the beneficial owners are entitled to vote on Proposal No. 1 (the election of directors), Proposal No. 2 and Proposal No. 3 (the ratification of appointment by the Audit Committee of BDO Seidman, LLP as the Company's independent registered public accounting firm for the 2006 audit). Brokers holding shares in street name for customers may have authority to vote your shares in favor of Proposal No. 2 (to change the Company's name from Monolithic System Technology, Inc. to MoSys, Inc.), but these brokers will determine for themselves whether they have this discretionary authority.

The voting requirements for the proposals that we will consider at the Annual Meeting are as follows:

- *Election of Directors.* Directors are elected by a plurality, and the seven directors who receive the most votes will be elected to our board of directors. Votes withheld will not affect the election of directors.
- *Approval to change the Company's name from Monolithic System Technology, Inc. to MoSys, Inc.* An affirmative vote of the holders of a majority of the shares of common stock as of the record date of the Annual Meeting is necessary for approval of Proposal No. 2 to change the Company's name from Monolithic System Technology, Inc. to MoSys, Inc. Abstentions and broker non votes will have the same effect as voting against the proposal.
- *Ratification of Appointment of BDO Seidman, LLP as Independent Registered Public Accounting Firm.* An affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote at the Annual Meeting is necessary for approval of Proposal No. 3 to ratify the Audit Committee's appointment of BDO Seidman, LLP as our independent registered public accounting firm for the audit of our fiscal 2006 financial statements. Abstentions will have the same effect as voting against the proposal.

All proxies will be voted as specified on the proxy cards submitted by stockholders, if the proxy is properly executed or electronically submitted and is received by the Company prior to the close of voting at the Annual Meeting or any adjournment or postponement of the Annual Meeting. If no choice has been specified, a properly completed and timely returned or electronically submitted proxy card will be voted for our board of directors' nominees, for Proposal No. 2 and for Proposal No. 3, which are described in detail elsewhere in this Proxy Statement. In addition, all properly completed and timely returned or electronically submitted proxy cards will be voted by the proxy in his discretion for any other matters properly and timely submitted for a vote at the Annual Meeting.

The close of business on April 6, 2006 has been fixed as the record date for determining the stockholders entitled to notice of and to vote at the Annual Meeting. Only holders of our common stock at the close of business on April 6, 2006 will be entitled to notice of and to vote at the Annual Meeting. As of that date, we had _____ shares of common stock outstanding and entitled to vote. Each share of our common stock is entitled to one vote per share.

The cost of soliciting proxies, including expenses in connection with preparing and mailing of this Proxy Statement, will be borne by the Company. Copies of solicitation material will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. The Company will reimburse brokerage firms and other persons representing beneficial owners of common stock for their expenses in forwarding proxy material to such beneficial owners. Solicitation of proxies by mail may be supplemented by telephone, telegram, electronic facsimile transmission and other electronic means, and personal solicitation by the directors, officers or employees of the Company. No additional compensation will be paid to directors, officers or employees for such solicitation. The Company has retained Wells Fargo Shareowner Services to assist in the distribution of proxies for a fee estimated to be approximately \$5,000.00 plus reasonable out-of-pocket expenses.

Copies of the Company's 2005 annual report on Form 10-K are being mailed to stockholders with this Proxy Statement. Additional copies of the Company's 2005 annual report on Form 10-K, excluding exhibits, may be obtained by any stockholder without charge by making a request through the

Company's website Investor Information pages at www.mosys.com or by written request addressed to: Investor Relations, Monolithic System Technology, Inc., 755 N. Mathilda Avenue, Sunnyvale, California 94085.

REVOCABILITY OF PROXIES

You can revoke your proxy at any time before the voting at the Annual Meeting by sending a properly signed written notice of your revocation to the Secretary of the Company, by submitting another proxy that is properly signed and bearing a later date, by following the specified procedures for submitting a proxy electronically and changing your vote, or by voting in person at the Annual Meeting. Attendance at the Annual Meeting will not itself revoke an earlier submitted proxy. You should direct any written notices of revocation and related correspondence to Monolithic System Technology, Inc., 755 N. Mathilda Avenue, Sunnyvale, California 94085, Attention: Secretary.

Composition of the Board and Committees

Our bylaws provide that the number of directors is determined by resolution of the board of directors until changed by approval of the stockholders or a majority of the directors. The number of directors is currently set at seven. Each director is elected to serve until the next annual meeting of stockholders, and until the election and qualification of his or her successor or his or her earlier resignation or removal.

Majority of Independent Directors

Our board of directors has determined that Carl E. Berg, Tommy Eng, Chi-Ping Hsu, James D. Kupec and Chenming Hu are independent, as defined under the rules of the National Association of Securities Dealers, Inc., (NASD). Our board of directors has standing Audit, Compensation and Technology Strategy Committees, each of which is comprised solely of independent directors in accordance with the rules of the NASD.

Audit Committee

Messrs. Berg, Eng and Kupec are the current members of the Audit Committee. Mr. Berg serves as the Chairman of the committee. The board of directors has determined that Mr. Berg is the audit committee financial expert, as defined by applicable SEC rules, but that status does not impose on him duties, liabilities or obligations that are greater than the duties, liabilities or obligations otherwise imposed on him as a member of the Audit Committee and the board of directors. Our board of directors established the Audit Committee for the purpose of overseeing the accounting and financial reporting processes and audits of the Company's financial statements. The Audit Committee also is charged with reviewing reports regarding violations of our Code of Ethics and complaints with respect thereto and internal control violations under our whistleblower policy are directed to the Chairman of the Audit Committee. The Audit Committee has delegated authority to Mr. Berg for review and approval of non-audit services proposed to be provided by our principal auditors.

Compensation Committee

Messrs. Berg, Chi-Ping Hsu and Kupec are the current members of the Compensation Committee, with Mr. Kupec serving as the Chairman of the committee. Our Compensation Committee is responsible for reviewing, recommending and approving our compensation policies and benefits, including the compensation of all of our executive officers. Our Compensation Committee also has the principal responsibility for the administration of our stock option plan, including approving stock option grants to executives, and stock purchase plan.

Nominations Process

We do not have a nominating committee. Our board of directors instead has appointed Messrs. Berg, Eng, Chi-Ping Hsu, Kupec and Hu, who are the board's independent directors, to search for and evaluate qualified individuals to become nominees for director and board committee members. The independent directors recommend to the board candidates for nomination for election or reelection for each annual meeting of stockholders and as necessary to fill vacancies and newly created directorships, and candidates for appointment to and removal from committees. The independent directors operate by resolution of the board, rather than by charter.

There are no current vacancies on our board of directors and all of our directors have expressed their willingness to continue to serve as directors of the Company. When new candidates for our board of directors are sought, the independent directors evaluate each candidate for nomination as director within the context of the needs and the composition of the board as a whole. The independent directors conduct any appropriate and necessary inquiries into the backgrounds and qualifications of candidates. When evaluating a candidate for nomination as director, the independent directors consider the candidate's business experience and skills, independence, judgment and ability and willingness to commit sufficient time and attention to the activities of the board. At a minimum, candidates recommended for nomination must possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of the Company and its stockholders. To date, all new candidates have been identified by other directors, and the Company has not paid any fee to a third party to assist in the process of identifying or evaluating director candidates.

The independent directors will consider candidates for nomination as director who are recommended by the Company's stockholders. The independent directors will not evaluate any candidate for nomination as director differently solely because the candidate was recommended by a stockholder. To recommend a prospective candidate for consideration by the independent directors, stockholders of the Company should submit the candidate's name and qualifications to the independent directors in writing at the following address: Monolithic Systems Technology, Inc., 1020 Stewart Drive, Sunnyvale, California 94085, Attention: Secretary. The Secretary will then forward this information to each of the independent directors. To date, the Company has not rejected any candidate timely recommended by any stockholder or group of stockholders owning more than 5% of our common stock.

Technology Strategy Committee

Messrs. Eng, Chi-Ping Hsu and Kupec are the current members of the Technology Strategy Committee. Mr. Eng is Chairman of this Committee. Our board of directors established the Technology

Strategy Committee in August 2004 to oversee the development, planning and implementation of the Company's long-term intellectual property strategy.

Stockholder Communications with the Board

Stockholders who desire to communicate with the board, or to a specific director, may do so by delivering the communication addressed to either the board of directors or any director, c/o Monolithic System Technology, Inc., 755 N. Mathilda Avenue, Sunnyvale, California 94085. These communications will be delivered to the board, or any individual director, as specified.

We have a policy that each director should make every reasonable effort to attend each annual meeting of stockholders. At the Company's 2005 annual meeting of stockholders, none of our directors were in attendance.

Meetings of the Board and Committees

During the fiscal year ended December 31, 2005, including telephonic meetings, there were five meetings of the board of directors, five meetings of the Audit Committee and one meeting of the Compensation Committee. Every current director attended at least 75% of the meetings of the board during his tenure on the board with the exception of one director, Chenming Hu, and each committee held during the period for which he was a director during the fiscal year ended December 31, 2005. In addition, the members of the board of directors, the Compensation Committee and the Audit Committee acted at times by unanimous written consent pursuant to Delaware law.

Compensation of Directors

In 2005, members of our board of directors did not receive any cash compensation for their services as directors. Under the Amended and Restated 2000 Stock Option and Equity Incentive Plan (the "Amended 2000 Plan"), which was approved by stockholders at our 2004 Annual Meeting on November 11, 2004, the number of shares granted to each non-employee director for each year of service on our board, which are awarded automatically at the first meeting of the board following the date of each annual meeting of stockholders, was increased from 10,000 to 20,000 beginning with the 2004 Annual Meeting. In January 2005, the board of directors authorized initial option grants to Dr. Hu to purchase 80,000 shares of our common stock, as a newly appointed non-employee director. The exercise price was set at fair market value at the date of grant. Those options vest ratably on a monthly basis from February 2005 through January 2009, subject to the director's continued service on our board of directors. On February 3, 2005, we granted options to purchase 20,000 shares to Mr. Berg, Mr. Eng, Mr. Hsu, and Mr. Kupec as annual automatic grants after the first meeting of the board following the 2004 Annual Meeting under the Amended 2000 Plan. These options vest at a rate of approximately 1,667 shares each month.

The Amended 2000 Plan provides that the board of directors, in its discretion may authorize additional shares to be awarded or granted under stock options to committee chairs and other non-employee directors for extraordinary service on the board of directors.

(2) The percentage of total options granted is based upon options to purchase an aggregate of 2,648,000 shares of common stock granted during the fiscal year ended December 31, 2005 to our employees, including the named executive officers and outside Directors.

(3) All options were granted at an exercise price equal to the fair market value of our common stock on the grant date. Fair market value for the option grants was equal to the closing price on the Nasdaq National Market on the date that these options were received.

(4) Potential realizable value has been calculated by assuming that the market price of our common stock appreciates 5% and 10% each year from the date of grant of the options until the expiration of the options. These assumed annual rates of appreciation were used in compliance with the rules of the SEC and are not intended to forecast future price appreciation of our common stock. The actual value realized from the options could be substantially higher or lower than the values reported above, depending upon the future appreciation or depreciation of our common stock during the option period and the timing of the exercise of the options. Unless the executive officer remains employed until he vests in the option shares and the market price of our common stock appreciates over the option term, no value will be realized from the option grants made to the executive officers.

(5) These named executive officers are no longer employed by us.

Aggregated Option Exercises in Last Fiscal Year and Fiscal Year-End Values

The following table provides information regarding the aggregate exercises of options by each of the named executive officers. In addition, this table includes the number of shares covered by both exercisable and unexercisable stock options as of December 31, 2005, and the value of in-the-money options, which values represent the positive spread between the exercise price of any such options and the fiscal year-end value of our common stock.

Employment Contracts, Termination of Employment and Change-in-Control Agreements with Named Executive Officers

We currently have confidentiality and invention assignment agreements in place with the named executive officers. The Company and Chester J. Silvestri entered into an employment offer letter agreement, effective as of July 26, 2005. Pursuant to this agreement, Mr. Silvestri agreed to serve as Chief Executive Officer and President of the Company, is paid an annualized base salary of \$275,000, is eligible to receive a bonus at the discretion of the board of directors, is eligible for an annual bonus equal to up to 50% of his base salary upon achievement of stated objectives, as determined by the board in its sole discretion, and was offered options to purchase 750,000 shares of the Company's common stock under the Amended 2000 Plan, as disclosed in the preceding section.

The Company and Mr. Silvestri also entered into a Change-in-Control Agreement, a Mutual Agreement to Arbitrate and the Company's standard form Employment Confidential Information and Invention Assignment Agreement, all effective on July 26, 2005. The Change-in-Control Agreement provides, among other things, that in the event of termination of Mr. Silvestri's employment by Mr. Silvestri for Good Reason (as defined below) within two years following a Change-in-Control (as defined below), Mr. Silvestri will be entitled to, among other things, the immediate and unconditional vesting of 50 percent of the then unvested stock options and stock awards previously granted to Mr. Silvestri and, for the one-year period following termination, the right to exercise any stock options or other awards held by him. The Change-in-Control Agreement defines "Good Reason" as assignment

to Mr. Silvestri of duties incompatible with his position, failure to maintain Mr. Silvestri in this position and its reporting relationship or a substantial diminution in the nature of Mr. Silvestri's authority or responsibilities; reduction in Mr. Silvestri's then current base salary or in the bonus or incentive compensation opportunities or benefits coverage available during the term of the Change-in-Control Agreement, except pursuant to an across-the-board reduction similarly affecting all senior executives of the Company; termination of Mr. Silvestri's employment, for any reason other than death, disability, voluntary termination or misconduct; relocation of Mr. Silvestri's principal place of business to a location more than 30 miles from the location of such office on the date of the Change-in-Control Agreement; the Company's failure to pay Mr. Silvestri any material amounts otherwise vested and due to him under the Change-in-Control Agreement or under any plan, program or policy of the Company; or failure of a successor to the Company following a Change-in-Control to expressly assume or affirm the Company's obligations under the Change-in-Control Agreement. Under the Change-in-Control Agreement, a Change-in-Control is defined as an acquisition of 45% or more of the Company's outstanding voting securities by one individual or entity or a group of stockholders or an acquisition of the Company which results in a change in the majority of the directors on the board, a new stockholder or group receiving at least 45% of the outstanding voting securities, or the Company's old stockholders retaining less than 50% of the Company's outstanding voting securities.

On September 28, 2005, the Company and Dhaval Ajmera entered into an employment offer letter agreement, under which Mr. Ajmera agreed to become Vice President of Sales and Business Development, will be paid an annualized base salary of \$190,000 and be eligible to receive quarterly bonuses based upon the achievement of stated objectives, and was offered options to purchase 300,000 shares of common stock under the Amended 2000 Plan as disclosed in the preceding section.

**REPORT ON EXECUTIVE COMPENSATION BY THE
COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS**

The Compensation Committee comprises three independent members of the Board of Directors. During the fiscal year ended December 31, 2005, Messrs. Berg, Chi-Ping Hsu and Kupec served on the Compensation Committee for the entire year. The Board of Directors has delegated to the Committee responsibility for reviewing, recommending and approving the Company's compensation policies and benefits programs. The Committee also has the principal responsibility for the administration of the Company's stock plans, including approving stock option grants to executive officers.

Compensation Philosophy

Our executive compensation policy is designed to attract and retain qualified executive personnel by providing executives with a competitive total compensation package based in large part on the executive's contribution to our financial and operational success, the executive's personal performance and increases in stockholder value as measured by our stock price.

Compensation Program

The compensation package for our executive officers comprises the following three components:

Base Salary. The Compensation Committee determines the base salary of each executive based on the executive's scope of responsibility, past accomplishments and experience and personal performance, internal comparability considerations and data regarding the prevailing compensation levels for comparable positions in relevant competing executive labor markets. The Compensation Committee may give different weight to each of these factors for each executive, as it deems appropriate. In selecting comparable companies for the purpose of setting competitive compensation for executives, the Compensation Committee considers many factors not directly associated with stock price performance, such as geographic location, annual revenue and profitability, organizational structure, development stage and market capitalization.

Annual Incentive Compensation. In prior years, each of the executive officers could earn annual bonuses set at a percentage of his or her base salary on the basis of the Company's performance as measured against certain pre-established performance measures, principally revenues, and the attainment of individual objectives set for each officer, other than the CEO, based upon the CEO's recommendations. The Compensation Committee did not establish performance objectives for 2005. Consequently, no executive officers received bonus payments in 2005.

Stock Options. The Compensation Committee believes that granting stock options to executives and other key employees on an ongoing basis gives them a strong incentive to maximize stockholder value and aligns their interests with those of other stockholders. The Compensation Committee determines stock option grants under the Amended 2000 Plan to all executive officers and employees of the Company, including annual bonus option grants. Generally, each stock option grant allows the executive to purchase shares of common stock at a price per share equal to the market price on the date the option is granted, but the Compensation Committee has the power to grant options at a lower price if considered appropriate under the circumstances. Each stock option grant generally becomes exercisable, or vests, in installments over time, contingent upon the executive's continued employment with the Company.

The Compensation Committee determined that executive officers, including the CEO, would not be eligible to receive bonus option grants with respect to the Company's performance during fiscal 2004. In addition, the Compensation Committee did not award bonus option grants to any executive officers with respect to the Company's performance during fiscal 2005. However, in 2005, the Compensation Committee did approve new option grants totaling 300,000 shares to Wingyu Leung, Executive Vice President and CTO, in recognition of his important contributions and role in the Company's ongoing efforts to develop new memory technologies. Further, pursuant to the authorization of the Compensation Committee, on December 14, 2005, the Company fully accelerated the vesting of all outstanding stock options granted under the Company's Amended 2000 Plan that have an exercise price greater than or equal to \$7.42 and were granted before April 19, 2004. As a result of this action, options to purchase approximately 220,000 shares of the Company's common stock became immediately exercisable. On December 14, 2005, pursuant to authorization by the Compensation Committee, the Company commenced an offer of restricted shares of its common stock under the Amended 2000 Plan to United States employees holding outstanding options to purchase common stock granted before April 19, 2004 having an exercise price of \$7.42 or more per share upon the surrender of 100% such options for cancellation. If all eligible options had been tendered, the Company would have issued approximately 284,000 shares of restricted stock, which would vest in annual installments over three years and would cancel options to purchase approximately 1,276,000 shares of common stock. The offer expired at midnight, Pacific Time, on Friday, January 13, 2006. The eligible participants elected to surrender for cancellation an aggregate of approximately 318,054 shares of Company common stock underlying eligible options and received an aggregate of approximately 76,654 shares of restricted Company common stock. The value of the Company's common stock on the offer termination date was \$5.91 per share. Upon the terms and subject to the conditions of the offer, the Company promptly issued to eligible participants restricted shares of Company common stock. No executive officers elected to accept the offer.

Compensation of Chief Executive Officer. The compensation for Chester Silvestri, the Company's CEO, for 2005 was determined upon his initial hiring in July 2005. Under his employment agreement with the Company, he is entitled to a base salary and bonuses to be determined by the Compensation Committee. In setting Mr. Silvestri's compensation package for fiscal year 2005, the Compensation Committee intends to provide a base salary competitive with that paid to other chief executive officers in competing executive labor markets, and to make a significant portion of the total compensation package contingent upon the Company's financial and operational performance. Mr. Silvestri was appointed the Company's Chief Executive Officer in July 2005 and received a base salary of \$114,583.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to publicly-held companies for compensation paid to certain executive officers, to the extent that compensation paid to the officer exceeds \$1 million during the Company's taxable year. The compensation paid to the Company's executive officers for the year ended December 31, 2005 did not exceed the \$1 million limit per officer. In addition, through December 31, 2005 the Company's historic employee stock option plans and option grants to executives have been structured so that any compensation deemed paid to an executive officer in connection with the exercise of his or her outstanding options with an exercise price per share equal to the fair market value per share of the common stock on the grant date will qualify as performance-based compensation that will not be subject to the \$1 million limitation. The Compensation Committee does not expect to take any action at this time to modify cash compensation payable to the executive officers that would result in the application of Section 162(m).

SPECIAL NOTE

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate this Proxy Statement or future filings made by the Company under those statutes, the Audit Committee Report (including reference to the independence of the Audit Committee members), the Report on Executive Compensation by the Compensation Committee and the Performance Graph are not deemed filed with the SEC and shall not be deemed incorporated by reference into any of those prior filings or into any future filings made by the Company under those statutes unless specifically so provided in any such filing.

AUDIT COMMITTEE REPORT

The Audit Committee reviews, acts on and reports to the board of directors with respect to various auditing and accounting matters. The Audit Committee also monitors the performance of the Company's independent registered public accounting firm, and reviews the audit report on the consolidated financial statements following completion of the audit and the accounting practices of the Company with respect to internal accounting and financial controls. Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal controls. The Company's independent registered public accounting firm audits the financial statements prepared by management, expresses an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States and discusses with the Audit Committee any issues they believe should be raised with us. The Audit Committee's responsibilities under the Audit Committee charter adopted by the board of directors effective August 15, 2000 and amended as of February 22, 2004, include the selection or dismissal of the Company's independent registered public accounting firm, review of the scope of the annual audits, and approval of fees to be paid to the Company's independent registered public accounting firm.

The Audit Committee charter, as amended to date, is attached to this proxy statement as Appendix A and also can be found through our website www.mosys.com.

During the fiscal year ended December 31, 2005, Messrs. Berg, Eng, and Kupec served on the Audit Committee for the entire year.

The Audit Committee reviewed and discussed the audited financial statements of the Company for fiscal year 2005 with management and BDO Seidman (BDO), the Company's independent registered public accounting firm. The Audit Committee discussed with BDO matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). BDO provided the

Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee has discussed BDO's independence with members of that firm. The Audit Committee received written confirmations from management with respect to the non-audit services provided by BDO and has considered whether the provision of such services is compatible with maintaining the auditor's independence. The Audit Committee has determined that the rendering of such services by BDO is compatible with maintaining the auditors' independence.

Based on the discussions with management and BDO concerning the audit, the independence discussions and the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the board of directors that the Company's financial statements for the fiscal year ended December 31, 2005 be included in its 2005 Annual Report on Form 10-K filed with the SEC.

**PROPOSAL NO. 1:
ELECTION OF DIRECTORS**

At the Annual Meeting, seven directors (constituting our entire board of directors) are to be elected to serve until the next annual meeting of stockholders and until a successor for such director is elected and qualified, or until the death, resignation or removal of such director. There are seven nominees, all of whom are currently directors of the Company.

NOMINEES

Name	Position(s) with the Company	Year First Elected Director
Chester J. Silvestri	Chief Executive Officer and Director	2005
Wingyu Leung	Executive Vice President, Chief Technical Officer and Director	1992
Carl E. Berg	Director	1992
Tommy Eng	Director	2004
Chi-Ping Hsu	Director	2004
James D. Kupec	Director	2004
Chenming Hu	Director	2005

Each person nominated has agreed to serve if elected, and our board of directors has no reason to believe that any nominee will be unavailable or will decline to serve. In the event, however, that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who is designated by the current board of directors to fill the vacancy.

Our board of directors unanimously recommends that the stockholders vote FOR the election of all of the above nominees.

**PROPOSAL NO. 2:
Approval to change the Company's name
from Monolithic System Technology, Inc. to MoSys, Inc.**

The Company is asking the stockholders to approve an amendment to the certificate of incorporation to the change of the Company's name from Monolithic System Technology, Inc. to MoSys, Inc.

The Company's name is commonly abbreviated as MoSys, and the Company is frequently referred to as such. Management believes that customers, employees, business partners and the financial community prefer the name MoSys and generally use this name when discussing the Company and its proprietary IT-SRAM embedded memory technologies. Moreover, we have a registered trademark for MoSys and the address of our website is www.mosysinc.com. We have determined that this name is available and would like to amend the Company's certificate of incorporation to formally effect this name change. Adoption of this proposal requires the vote of the holders of a majority of the shares of the Company's common stock as of the record date of the Annual Meeting.

If this proposal is adopted by the stockholders, the Company will file an amendment to the Company's certificate of incorporation with the Secretary of State of the State of Delaware promptly after the Annual Meeting.

Our board of directors unanimously recommends that the stockholders vote FOR the proposal to change the Company's name from Monolithic System Technology, Inc. to MoSys, Inc.

**PROPOSAL NO. 3:
RATIFICATION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM FOR 2006**

The Company is asking stockholders to ratify and approve the appointment of BDO Seidman, LLP (BDO) as the Company's independent registered public accounting firm for the year ending December 31, 2006. Ernst & Young LLP (E&Y) was the Company's independent registered public accounting firm for fiscal 2004. Pursuant to the Audit Committee's determination, on March 31, 2005, E&Y, the independent registered public accounting firm previously engaged as the principal accountant to audit the financial statements of the Company, was dismissed by the Company. The engagement of BDO was approved by the Audit Committee on March 31, 2005.

The reports of E&Y with respect to the Company's consolidated financial statements for the fiscal years ended December 31, 2004 and 2003 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of the Company's financial statements for the two fiscal years ended December 31, 2004 and through March 31, 2005, the Company had no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of E&Y would have caused them to make reference to the subject matter of the disagreements in their reports on the consolidated financial statements of the Company for such years.

During the Company's two fiscal years ended December 31, 2004 and through March 31, 2006, the Company has had no reportable events as defined in Item 304 (a)(1)(v) of Regulation S-K, other than the following which was disclosed in the Company's Form 10-K filed on March 16, 2005. In its Annual Report on 10-K for the fiscal year ended December 31, 2004, the Company disclosed that it had identified a material weakness for ineffective controls over the preparation and review of account reconciliation and a material weakness for ineffective controls over the application of the Company's revenue recognition policy for recording revenue under long term license development contracts using the percentage-of-completion method of accounting.

During the fiscal years ended December 31, 2003 and December 31, 2004 and for the period from January 1, 2005 through March 31, 2005, the Company did not consult with BDO Seidman LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on the Company's financial statements; or (iii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event as described in Item 304(a)(1)(v) of Regulation S-K.

The Audit Committee meets with the Company's independent registered public accounting firm several times a year. At such times, the Audit Committee reviews both audit and non-audit services performed by the independent registered public accounting firm as well as the fees charged for such services. The Audit Committee has delegated its authority to the Chairman of the Audit Committee to pre-approve requests for non-audit services. Among other things, the Audit Committee or the Chairman of the Audit Committee examines the effect that performance of non-audit services may have upon the independence of the auditors. The following table shows the fees paid or accrued (in thousands of dollars) by us for the audit and other services provided by BDO and E&Y for fiscal 2005 and 2004, respectively. During the fiscal year ended December 31, 2005 and 2004, no fees were billed by BDO or E&Y for information technology consulting.

	2005	2004
Audit Fees(1)	\$ 517	\$ 1,245
Audit Related Fees(2)	41	210
Tax Fees(3)	17	84
All Other Fees(4)		
Total	\$ 575	\$ 1,539

(1) Audit fees of BDO in 2005 and E&Y in 2004 were associated with the annual audit of our consolidated financial statements and reviews of our quarterly reports filed with the Securities and Exchange Commission. In addition, audit fees of 2005 and 2004 included those fees related to the effectiveness of the Company's system of internal control pursuant to Section 404 of the Sarbanes-Oxley Act.

(2) In 2005, audit-related fees of BDO consisted primarily of accounting consultations. Audit-related fees of E&Y in 2004 included fees incurred in connection with the aborted acquisition of the Company by Synopsys, Inc.

(3) Tax fees of BDO in 2005 and E&Y in 2004 consisted primarily of income tax compliance and related tax services.

(4) There were no other fees paid to BDO in 2005 and E & Y in 2004.

In the event the stockholders fail to ratify and approve the Audit Committee's appointment, the Audit Committee will reconsider its selection. Even if the appointment is ratified and approved, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the Company's and the stockholders' best interests.

Representatives of BDO are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Our board of directors unanimously recommends that the stockholders vote FOR the proposal to ratify the Audit Committee's appointment of BDO Seidman, LLP to serve as our independent registered public accounting firm for the year ending December 31, 2006.
