Item 1.01 Entry into a Material Definitive Agreement.

On September 15, 2016, Wolverine World Wide, Inc. (the Company) entered into a First Amendment (the Amendment) to its Amended and Restated Credit Agreement dated as of July 13, 2015 (as amended by the Amendment, the Credit Agreement), among the Company, J.P. Morgan Europe Limited, as foreign currency agent, JPMorgan Chase Bank, N.A., as administrative agent and a lender, and the other lenders and agents party thereto. In addition, on September 15, 2016, the Company also (i) borrowed \$150 million in aggregate principal amount of incremental term loans on substantially the same terms as were applicable to loans outstanding under the existing term loan A facility under the Credit Agreement, and (ii) increased the size of its revolving credit facility under the Credit Agreement by \$100 million to a total of \$600 million.

The proceeds from the incremental term loans were used, along with cash on hand and proceeds from the Company's previously announced and recently consummated offering of \$250.0 million of 5.0% Senior Notes due 2026, to redeem all of the Company's outstanding \$375.0 million of 6.125% Senior Notes due 2020 and to pay related premiums, accrued interest and transaction costs. After giving effect to the Amendment, the incremental term loans and the incremental revolver capacity, the balance of the term loans under the Credit Agreement is approximately \$588.8 million and the amount of borrowings and letter of credit usage under the revolver is approximately \$2.6 million.

In addition, the Amendment amended the Credit Agreement to increase the amount of uncommitted incremental facilities thereunder, by providing that the total facilities available under the Credit Agreement may be increased to the greater of (i) \$1,750 million (formerly \$1,450 million) and (ii) an amount such that the pro forma consolidated secured leverage ratio (as defined in the Credit Agreement) is less than or equal to 3.00 to 1.00 (formerly 2.50 to 1.00). The Amendment also amended the Credit Agreement to provide greater operational flexibility to the Company and its subsidiaries, including with respect to the ability of the Company and its subsidiaries to make restricted payments, investments and asset dispositions.

Borrowings under the Credit Agreement continue to bear interest at a variable rate equal to either (i) the applicable base rate or (ii) LIBOR or certain other Eurocurrency Rates, as defined in the Credit Agreement, plus in each case an interest margin determined by the Company's net total leverage ratio, with a range of base rate margins from 0.25% to 1.00%, and a range of Eurocurrency Rate margins from 1.25% to 2.00%. The interest margins applicable at each net total leverage ratio were unchanged by the Amendment, as were the maturity date (July 13, 2020) and financial covenants.

The foregoing summary is qualified in its entirety by reference to the complete text of the Amendment, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.
