Item 1.01

Entry into a Material Definitive Agreement.

Merger Agreement

On February 2, 2017, Veeco Instruments Inc., a Delaware corporation (the *Company*), Ultratech, Inc., a Delaware corporation (*Ultratech*) and Ulysses Acquisition Subsidiary Corp., a Delaware corporation and a wholly owned subsidiary of the Company (*Merger Subsidiary*), entered into an Agreement and Plan of Merger (the *Merger Agreement*), pursuant to which, among other things, Merger Subsidiary will be merged with and into Ultratech (the *Merger*), with Ultratech surviving the Merger as a wholly owned subsidiary of the Company. At the time the Merger becomes effective (the *Effective Time*), each outstanding share of common stock, par value \$0.001 per share, of Ultratech (*Ultratech Stock*) (other than shares of Ultratech Stock owned by the Company or Merger Subsidiary and shares of treasury stock held by Ultratech, which will be cancelled without consideration, and holders of Ultratech Stock, if any, who properly exercise their appraisal rights under the General Corporation Law of the State of Delaware) outstanding immediately prior to the Merger will be automatically cancelled and converted into the right to receive an amount equal to (a) \$21.75 in cash, without interest (the *Cash Consideration*) and (b) 0.2675 of a share of the common stock of the Company (*Company Common Stock*), par value \$0.01 per share (the *Stock Consideration* and, together with the Cash Consideration, the *Merger Consideration*).

Pursuant to the Merger Agreement, as of the Effective Time, (a) each outstanding option to purchase shares of Ultratech Stock will fully vest and be canceled and converted into the right to receive an amount in cash equal to the product of (i) the number of shares of Ultratech Stock subject to the option immediately prior to the Effective Time and (ii) the excess, if any, of the value of the Merger Consideration (expressed as a dollar amount) over the exercise price per share of the option (with any stock option with an exercise price per share that is greater than or equal to the value of the Merger Consideration being cancelled without payment); (b) each award of restricted stock units with respect to shares of Ultratech Stock (*RSUs*) that is outstanding and vested immediately prior to the Effective Time (including those RSUs that become vested by their terms immediately prior to or as of the Effective Time) will be canceled and converted into the right to receive an amount in cash equal to (i) the number of vested RSUs subject to the award multiplied by (ii) the dollar value of the Merger Consideration; and (c) each award of RSUs that is outstanding and unvested at the Effective Time will be assumed by the Company and converted into a number of restricted stock units with respect to the Company's common stock determined by multiplying the number of unvested RSUs by the ratio of the dollar value of the Merger Consideration per share of Ultratech Stock to the volume weighted average trading price of the Company's common stock over the period of five trading days ending on the day before the closing of the Merger.

The closing of the Merger is subject to the adoption of the Merger Agreement by the affirmative vote of the holders of at least a majority of the outstanding shares of Ultratech Stock (the *Ultratech Stockholder Approval*). The closing of the Merger is also subject to various customary conditions, including the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; the absence of any temporary restraining order, preliminary or permanent injunction or other judgment issued by any court of competent jurisdiction enjoining or otherwise prohibiting the consummation of the Merger; the Securities and Exchange Commission (the *SEC*) having declared effective a Form S-4 with respect to, and the authorization on the Nasdaq Global Select Market of, the shares of Company Common Stock issuable in connection with the Merger; the accuracy of the representations and warranties contained in the Merger Agreement; compliance with the covenants and agreements in the Merger Agreement in all material respects; and no material adverse effect on either Ultratech or the Company. The closing of the Merger is not subject to a financing condition.

Ultratech has made customary representations and warranties in the Merger Agreement, including a representation regarding Ultratech's available cash, including, among others, covenants (a) to conduct its business in the ordinary course during the period between the execution of the Merger Agreement and the closing of the Merger, (b) not to engage in specified types of transactions during this period unless agreed to in writing by the Company, (c) to convene and hold a meeting of its stockholders for the purpose of obtaining Ultratech Stockholder Approval and (d) subject to certain exceptions, not to withdraw, withhold, modify or qualify in a manner adverse to the Company the recommendation of the board of directors of Ultratech (the *Board*) that Ultratech's stockholders adopt the Merger

Agreement.

The Merger Agreement contains certain termination rights, including the right of Ultratech to terminate the Merger Agreement under specified circumstances to accept an unsolicited superior proposal from a third party. The Merger Agreement provides that, upon termination of the Merger Agreement by Ultratech or the Company under specified circumstances (including termination by Ultratech to accept a superior proposal), a termination fee of \$26,500,000 will be payable by Ultratech to the Company. Ultratech termination fee is also payable under certain other specified circumstances set forth in the Merger Agreement. The Merger Agreement also provides that each party to the Merger Agreement may compel the other party or parties thereto to specifically perform its or their obligations under the Merger Agreement. Subject to certain exceptions and limitations, either party may terminate the Merger Agreement if the Merger is not consummated by October 30, 2017.

Support Agreement

In connection with the Merger Agreement, certain stockholders of Ultratech (including certain members of Ultratech's management and all members of Board) who are beneficial owners of approximately 3.7% of the outstanding shares of Ultratech Stock entered into a Support Agreement, dated February 2, 2017, with the Company whereby such stockholders agreed, among other things, to vote the shares of Ultratech Stock owned and/or controlled by such stockholder in favor of approval of the Merger, adoption of the Merger Agreement and the consummation of the Merger, as well as such other matters set forth in the Support Agreements. Each Support Agreement also contains a lock-up provision that, subject to limited exceptions, prevents the stockholders party thereto from transferring their shares of Ultratech Stock. Each Support Agreement terminates upon the earliest of (i) the Effective Time, (ii) the termination of the Merger Agreement and (iii) the date on which the Board changes its recommendation that Ultratech's stockholders adopt the Merger Agreement.

The foregoing description of the Merger Agreement and the Support Agreement do not purport to be complete and is qualified in its entirety by reference to the Merger Agreement and the form of Support Agreement, which are filed as Exhibits 2.1 and 10.1, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

The Merger Agreement is attached as an exhibit to this Current Report on Form 8-K to provide investors with information regarding its terms. It is not intended to provide any other factual information about Ultratech. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement as of the specific dates therein, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk among the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Ultratech's public disclosures.
