INTRODUCTION

On March 12, 2002, the Board of Directors of Bioenvision, Inc. (the "Company") approved, and recommended that the Company's Certificate of Incorporation be amended to include, the following (the "Charter Amendment"):

1. To increase the number of authorized shares of common stock, par value \$.001 (the "Common Stock"), of the Company from 25,000,000 shares to 50,000,000 shares; and
2. To authorize 10,000,000 shares of preferred stock, par value \$.001 (the "Preferred Stock"), of the Company, which may be issued in one or more series, with such rights, preferences, privileges and restrictions as shall be fixed by the Company's Board of Directors from time to time.

As of March 12, 2002, the holders of approximately 63.8% of the outstanding shares of Common Stock executed a written consent adopting the Charter Amendment. As of the close of business on March 12, 2002, Company records indicated that 16,687,786 shares of its Common Stock were issued and outstanding.

The Charter Amendment is reflected in the Form of Certificate of Amendment to Certificate of Incorporation (the "Form of Charter Amendment") which is attached hereto as Annex A, and incorporated herein by reference.

Edgar Filing: BIOENVISION INC - Form PRE 14C

The Board of Directors determined that the increase of Common Stock and the authorization of the Preferred Stock would allow the Company to better meet its future financing requirements and the ability to utilize equity, rather than cash, to complete strategic acquisitions. In addition, by authorizing the Board of Directors to create and issue various series of Preferred Stock without additional stockholder approval, the Company will have flexibility to take advantage of financing opportunities in a competitive environment.

On March 12, 2002, the Board of Directors of the Company approved, and recommended that the Company's By-Laws be amended to include, the following (the "By-Laws Amendment", and together with the Charter Amendment, the "Amendments"):

The number of directors serving on the Board of Directors shall be established from time to time by the Board of Directors, provided that the number shall not be less than three (3) nor more than twelve (12).

As of March 12, 2002, the holders of approximately 63.8% of the outstanding shares of Common Stock executed a written consent adopting the By-Laws Amendment.

The By-Laws Amendment is reflected in the Form of Amendment to By-Laws (the "Form of By-Laws Amendment") which is attached hereto as Annex B, and incorporated herein by reference.

The Board of Directors determined that it is in the best interest of the Company to provide the Board of Directors with the ability to increase the number of directors in its sole discretion since the Company may be obligated to do so in connection with potential financings, joint ventures or other arrangements. In addition, the Company may desire to appoint to the Board of Directors individuals with certain specialized experience whose expertise may allow the Board of Directors to better manage the Company.

This information statement is being mailed on or about March __, 2002 to holders of record of Common Stock at the close of business on March 26, 2002, pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Regulation 14C promulgated thereunder. Pursuant to federal securities laws, the Amendments will not be effective until twenty (20) days following the mailing of this information statement or shortly thereafter.

WE ARE NOT ASKING YOU FOR A PROXY AND
YOU ARE REQUESTED NOT TO SEND US A PROXY.

AMENDMENT TO THE CERTIFICATE OF INCORPORATION Proposals and Board Recommendation

On March 12, 2002, our Board of Directors, believing it to be in the best interests of the Company and its stockholders, approved, and recommended that the stockholders of the Company approve, an amendment to the Company's Certificate of Incorporation to: (i) increase the number of authorized shares of Common Stock of the Company to 50,000,000 shares from 25,000,000 shares; and (ii) authorize a class of blank check preferred stock, par value \$.001, of the Company, consisting of 10,000,000 authorized shares, which may be issued in one or more series, with such rights, preferences, privileges and restrictions as shall be fixed by the Company's Board of Directors from time to time in a certificate of designations which the Board of Directors shall have authority to file from time to time as required by law. A copy of the Form of Charter Amendment is included in Annex A.

(A) Increase in Authorized Common Stock of the Company. The Company's

Edgar Filing: BIOENVISION INC - Form PRE 14C

Certificate of Incorporation currently authorizes the Company to issue up to 25,000,000 shares of Common Stock. As of March 12, 2002, Company records indicate that the Company had issued and outstanding 16,687,786 shares of Common Stock. As a result, the number of authorized, non-designated shares of Common Stock available for issuance by the Company in the future has been reduced, and the Company's flexibility with respect to possible future stock splits, equity financings, stock-for-stock acquisitions, stock dividends or other transactions that involve the issuance of Common Stock has been diminished. The Board of Directors believes that, by increasing the number of shares of authorized Common Stock to 50,000,000 shares from 25,000,000 shares, the Company will improve its ability to take such actions.

(B) Authorization of "Blank Check" Preferred Stock. The term "blank check" preferred stock refers to stock for which the designations, preferences, conversion rights, cumulative, relative, participating, optional or other rights, including voting rights, qualifications, limitations or restrictions thereof are determined by the Board of Directors of a company. Upon the effectiveness of the Charter Amendment, the Board of Directors of the Company will be entitled to authorize the designation and issuance of up to 10,000,000 shares of Preferred Stock in one or more series with such limitations and restrictions as may be determined in the sole discretion of the Company's Board of Directors, with no further authorization by stockholders required for the creation and issuance thereof, when required by law and in accordance with the provisions of Section 151 of the General Corporation Law of the State of Delaware, the Board of Directors of the Company shall have the express authority to execute, acknowledge and file a certificate of designations setting forth, any and all powers, designations, preferences, rights, qualifications, limitations or restrictions on the preferred stock. The Board of Directors believes that having such blank check preferred stock available for, among other things, proposed financing transactions, as well as possible issuances in connection with such activities as public or private offerings of shares for cash, dividends payable in stock of the Company, acquisitions of other companies or businesses, and otherwise, is in the best interest of the Company and its stockholders.

Approval by Stockholders. As of March 12, 2002, the Company had 16,687,786 shares of its Common Stock issued and outstanding. As of this same date, stockholders representing 10,646,948 shares of Common Stock, or approximately 63.8% of the issued and outstanding shares of Common Stock, approved the proposals to amend the Company's Certificate of Incorporation to: (i) increase the number of authorized shares of Common Stock of the Company to 50,000,000 shares from 25,000,000 shares; and (ii) authorize a class of blank check Preferred Stock, par value \$.001, of the Company, consisting of 10,000,000 authorized shares, which may be issued in one or more series, with such rights, preferences, privileges and restrictions as shall be fixed by the Company's Board of Directors from time to time. The full text of the Charter Amendment is reflected in the Form of Charter Amendment which is attached as Annex A of this information statement. Pursuant to the provisions of Delaware law and the Company's Certificate of Incorporation, the holders of at least a majority of the outstanding voting shares are permitted to approve the Charter Amendment by written consent in lieu of a meeting, provided that prompt notice of such action is given to the other stockholders. Pursuant to the rules and regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), an information statement must be sent to the holders of voting stock who do not sign the written consent at least 20 days prior to the effective date of the action. This notice, which is being sent to all holders of record on March 26, 2002, is intended to serve as such notice under Delaware law and as the information statement required by the Exchange Act.

Edgar Filing: BIOENVISION INC - Form PRE 14C

The Company anticipates that the Charter Amendment will be effective 20 days after the mailing of this Information Statement, April __, 2002 or shortly thereafter.

THE CHARTER AMENDMENT HAS NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION, NOR HAS THE SECURITIES AND EXCHANGE COMMISSION PASSED UPON THE FAIRNESS OR MERIT OF THE CHARTER AMENDMENT NOR UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED IN THIS INFORMATION STATEMENT. AMENDMENT TO THE BY-LAWS Proposals and Board Recommendation

On March 12, 2002, our Board of Directors, believing it to be in the best interests of the Company and its stockholders, approved, and recommended that the stockholders of the Company approve, an amendment to the Company's By-Laws to allow for the following:

The business and affairs of the Company shall be managed by, or under the direction of, its Board of Directors consisting of such number of directors as shall be established from time to time by resolution adopted by the affirmative vote of a majority of the entire Board, provided that the number shall not be less than three (3) nor more than twelve (12).

Approval by Stockholders. As of March 12, 2002, the Company had 16,687,786 shares of its Common Stock issued and outstanding. As of this same date, stockholders representing 10,646,948 shares of Common Stock, or approximately 63.8% of the issued and outstanding shares of Common Stock, approved the proposals to amend the Company's By-Laws to allow the Board of Directors to establish from time to time the number of directors on the Board of Directors, provided that the number shall not be less than three (3) nor more than twelve (12). The full text of the By-Laws Amendment is reflected in the Form of By-Laws Amendment which is attached as Annex B of this information statement. Pursuant to the provisions of Delaware law and the Company's By-Laws, the holders of at least a majority of the outstanding voting shares are permitted to approve the By-Laws Amendment by written consent in lieu of a meeting, provided that prompt notice of such action is given to the other stockholders. Pursuant to the rules and regulations promulgated by the Securities and Exchange Commission under the Exchange Act, an information statement must be sent to the holders of voting stock who do not sign the written consent at least 20 days prior to the effective date of the action. This notice, which is being sent to all holders of record on March 26, 2002, is intended to serve as such notice under Delaware law and as the information statement required by the Exchange Act.

DESCRIPTION OF SECURITIES

Description of Common Stock

Number of Authorized and Outstanding Shares. After adoption of the Charter Amendment, the Company's Certificate of Incorporation will authorize the issuance of 50,000,000 shares of Common Stock, \$.001 par value per share, of which 16,687,786 shares were outstanding on March 12, 2002. All of the outstanding shares of Common Stock are fully paid and non-assessable.

Voting Rights. Holders of shares of Common Stock are entitled to one vote for each share on all matters to be voted on by the stockholders. Holders of Common Stock have no cumulative voting rights. Accordingly, the holders of in excess of 50% of the aggregate number of shares of Common Stock outstanding will be able to elect all of the directors of the Company and to approve or disapprove any other matter submitted to a vote of all stockholders.

Other. Holders of Common Stock have no preemptive rights to purchase the Company's Common Stock. There are no conversion rights or redemption or sinking fund provisions with respect to the Common Stock.

Transfer Agent. Shares of Common Stock are registered at the transfer agent and are transferable at such office by the registered holder (or duly authorized attorney) upon surrender of the Common Stock certificate, properly endorsed. No transfer shall be registered unless the Company is satisfied that such transfer will not result in a violation of any applicable federal or state securities laws. The Company's transfer agent for its Common Stock is Liberty Transfer Company, 274B New York Avenue, Huntington, New York 11743, Attention: Ms. Lisa Conger.

Description of Preferred Stock

Number of Authorized Shares. After adoption of the Charter Amendment, the Company's Certificate of Incorporation will authorize the issuance of up to 10,000,000 shares of preferred stock, par value \$.001 per share ("Preferred Stock") in one or more series with such limitations and restrictions as may be determined in the sole discretion of the Company's Board of Directors, with no further authorization by stockholders required for the creation and issuance thereof. Shares of Preferred Stock will be registered on the books of the Company. The Company currently anticipates that the Preferred Stock will not be registered with the SEC pursuant to the Exchange Act. No transfer shall be registered unless the Company is satisfied that such transfer will not result in a violation of any applicable federal or state securities laws.

Edgar Filing: BIOENVISION INC - Form PRE 14C

Possible Anti-Takeover Effects

In addition to financing purposes, the Company could also issue shares of Common Stock or Preferred Stock that may, depending on the terms of such series, make more difficult or discourage an attempt to obtain control of the Company by means of a merger, tender offer, proxy contest or other means. When, in the judgment of the Board of Directors, this action will be in the best interest of the stockholders and the Company, such shares could be used to create voting or other impediments or to discourage persons seeking to gain control of the Company. Such shares also could be privately placed with purchasers favorable to the Board of Directors in opposing such action. In addition, the Board of Directors could authorize holders of a series of Common or Preferred Stock to vote either separately as a class or with the holders of the Company's Common Stock, on any merger, sale or exchange of assets by the Company or any other extraordinary corporate transaction. The existence of the additional authorized shares could have the effect of discouraging unsolicited takeover attempts. The issuance of new shares also could be used to dilute the stock ownership of a person or entity seeking to obtain control of the Company should the Board of Directors consider the action of such entity or person not to be in the best interest of the stockholders of the Company.
