INFORMATION CIRCULAR

Unless otherwise specified herein, this Information Circular contains information as at May 26, 2009.

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management of Anglo Swiss Resources Inc. (the Company) for use at the Annual General and Special Meeting (the Meeting) of the shareholders of the Company to be held on June 30, 2009 at 10:00 a.m. at the boardroom of Computershare Trust Company of Canada, 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting. It is expected that the solicitation will be primarily by mail. Proxies may also be solicited personally or by telephone by directors, officers or employees of the Company at nominal cost. The cost of this solicitation will be borne by the Company. The Company does not reimburse shareholders, nominees or agents for the costs incurred in obtaining from their principals authorization to execute Instruments of Proxy.

Because many of the Company's shareholders are unable to attend the Meeting in person, the Board of Directors solicits proxies by mail to give each shareholder an opportunity to vote on all matters that will properly come before the Meeting. Shareholders who expect to be unable to attend the Meeting in person should:

- (a)
read this Information Circular carefully;
- (b)
specify their choice on each matter by marking the appropriate box on the enclosed Instrument of Proxy; and
- (c)
Sign, date and return the Instrument of Proxy to the Company's Registrar and Transfer Agent, Computershare Trust Company of Canada, Proxy Dept. 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 (facsimile in North America 1-866-249-7775; outside North America 416-263-9524) before the close of business on Friday, June 26, 2009.
- (d)

To be valid, the Instrument of Proxy must be dated and signed by the shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a Company, by a duly authorized and appointed officer, attorney or representative of the Company. If the Instrument of Proxy is executed by an attorney for an individual shareholder or by an officer, attorney or representative of a corporate shareholder, the instrument so empowering the officer, attorney

or representative, as the case may be, or a notarial copy thereof, must accompany the Instrument of Proxy.

APPOINTMENT AND VOTING OF PROXIES

The persons named in the enclosed Instrument of Proxy are directors and/or officers of the Company. **A shareholder has the right to appoint another person to attend and act on the shareholder's behalf at the Meeting other than the persons named in the enclosed Instrument of Proxy. To exercise this right, a shareholder should strike out the names of the persons named in the Instrument of Proxy and insert the name of the shareholder's nominee in the blank space provided. A person appointed as a proxyholder need not be a shareholder of the Company.**

The proxyholder will, if the instructions contained in the Instrument of Proxy are certain and if the Instrument of Proxy is duly completed and delivered and has not been revoked, be voted on any poll, and where a choice is specified with respect to any matter to be acted upon, the shares represented by the proxy will be voted on any poll in accordance with the specifications so made. Unless otherwise indicated by the shareholder, it is intended that such shares will be voted in favour of the motions proposed to be made at the Meeting as stated in the Instrument of Proxy.

The Instrument of Proxy also confers upon the proxyholder discretionary authority to vote all shares represented by the proxy with respect to amendments or variations to matters identified in the notice or any other matter that properly comes before the Meeting. At the time of printing this Information Circular, management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

REVOCATION OF PROXIES

A shareholder who has given a proxy may revoke it by:

(a)
signing an Instrument of Proxy bearing a later date and depositing it at the place and within the time aforesaid;

(b)
signing and dating a written notice of revocation (in the same manner as the Instrument of Proxy is required to be executed, as set out in the notes to the Instrument of Proxy) and either delivering the same to the registered office of the Company at P.O. Box 10026, Pacific Centre South, 26th Floor, 700 West Georgia Street, Vancouver, British Columbia, V7Y 1B3 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it at which the Instrument of Proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof before any vote in respect of which the Instrument of Proxy is to be used shall have been taken;

(c)
attending the Meeting or any adjournment thereof and registering with the Scrutineer thereat as a shareholder present in person, whereupon such Instrument of Proxy shall be deemed to have been revoked; or

(d)
In any other manner provided by law.

PERSONS MAKING THE SOLICITATION

This solicitation is made on behalf of management. The Company will bear the costs incurred in the preparation and mailing of the proxy materials. In addition to mailing forms of proxy, proxies may be solicited by personal interviews, or by other means of communication, by the directors, officers and employees who will not be remunerated for their services.

REQUEST FOR FINANCIAL STATEMENTS

National Instrument 51-102 Continuous Disclosure Obligations sets out the procedures for a shareholder to receive financial statements. If you wish to receive financial statements, you may use the enclosed form or provide instructions in any other written format. **Registered shareholders must also provide written instructions in order to decline to receive the financial statements.**

ADVICE TO BENEFICIAL SHAREHOLDERS

The Information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold Common Shares in their own name. Shareholders who hold their Common

Shares through their brokers, intermediaries, trustees, or other persons, or who otherwise do not hold their Common Shares in their own name (referred to in this Circular as Beneficial Shareholders) should note that only proxies deposited by shareholders who appear on the records maintained by the Company's registrar and transfer agent as registered holders of Common Shares will be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those Common Shares will, in all likelihood, not be registered in the shareholder's name. Such Common Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder's meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or agent of the broker) is substantially similar to the Instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge, formerly Investor Communications ("ADP") in Canada. BROADRIDGE typically prepares a machine-readable voting instructions form, mails

those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to BROADRIDGE, or otherwise communicate voting instructions to BROADRIDGE (by way of the Internet or telephone, for example). BROADRIDGE then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a BROADRIDGE voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to BROADRIDGE (or other instructions respecting the voting of Common Shares must otherwise be communicated to BROADRIDGE) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker of other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxy holder for the registered shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxy holder for the registered shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or their broker's agent) in accordance with the instructions provided by the broker.**

All references to shareholders in this Management Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to registered shareholders unless specifically stated otherwise.

QUORUM

Two holders of shares in the Company entitled to vote at the Meeting present in person or represented by proxy, holding in aggregate not less than 5% of the issued and outstanding shares of the Company, shall constitute a quorum.

EFFECTIVE DATE

The effective date of this Management Information Circular and the information contained herein is May 26, 2009 (the Effective Date).

VOTING SHARES OF THE COMPANY AND PRINCIPAL HOLDERS THEREOF

At the close of business on May 26, 2009, 113,292,837 common shares without par value of the Company were issued and outstanding, each such share carrying the right to one vote at the meeting. There are no other classes of voting securities outstanding. Only those holders of record of the Company's common shares on May 26, 2009 are entitled to receive notice of and to vote at the Meeting.

To the knowledge of the directors and senior officers of the Company as at May 26, 2009, there are no persons that, individually or together with other persons, beneficially own, directly or indirectly, or exercise control or direction over, greater than 10% of the voting rights attached to any class of voting securities of the Company.

ELECTION OF DIRECTORS

The Board of Directors of the Company is currently comprised of five persons. It is intended the number of Directors of the Company for the ensuing year will be comprised of five persons following the Meeting. The individuals named

in the following table are proposed by management for re-election as Directors of the Company. In accordance with the Articles of the Company, each Director elected will hold office until the next annual general meeting or until his or her successor is duly elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Company or he becomes disqualified to act as a Director pursuant to the *Company Act* (British Columbia). The persons named in the enclosed Instrument of Proxy intend to vote the common shares represented by proxies, in which either of them is designated a proxyholder, for the election of nominees named in the Instrument of Proxy, unless authority to vote for such persons is withheld. In the unanticipated event that a nominee is unable to or declines to serve as a Director at the time of the Meeting, the proxies will be voted at the discretion of the proxyholder to elect another nominee if presented, or to reduce the number of Directors accordingly. As of the date of this Information Circular, the Board of Directors is not aware of any nominee who is unable to or who intends to decline to serve as a Director, if elected.

As at the date of this Information Circular, the Company had not received any nominations for Directors under Section 111 of the *Company Act* (British Columbia) as set out in the Advance Notice of Annual General Meeting published in *The Vancouver Sun* newspaper on May 5, 2009.

STATEMENT ON CORPORATE GOVERNANCE

The Company has generally adopted the guidelines for effective corporate governance proposed by The Toronto Stock Exchange and the Toronto Venture Exchange (collectively, the Guidelines). The Guidelines deal with such matters as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance. The Company's approach to corporate governance is set forth below under the Corporate Governance Committee.

Mandate of the Corporate Governance Committee

The Corporate Governance Committee currently consists of Leonard Danard and Christopher Robbins. The mandate of the Committee is to manage corporate governance matters pertaining to the business and affairs of the Company. In fulfilling its mandate, the Committee oversees the development and application of policies regarding corporate governance and dealing with corporate governance issues and is responsible for:

(e)

adoption of a strategic planning process for the Company;

(f)

identification of the principal risks of the Company's business and ensuring the implementation of the appropriate systems to manage these risks;

(g)

succession planning for the Company, including identifying, appointing, training and monitoring senior management;

(h) overseeing the integrity of the Company's internal controls and management information systems; and

(i) maintaining a continuing dialogue with management in order to ensure the ability to respond to changes, both internal and external, which may affect the Company and its business operations from time to time.

In carrying out its mandate the Committee holds at least four regular meetings annually, and from its members has established four committees with specific responsibilities, namely an Audit Committee, a Corporate Governance Committee, a Compensation Committee and a Communications Committee. The frequency of meetings, as well as the nature of the matters dealt with, will vary from year to year depending on the state of the Company's business and the opportunities or risks which the Company faces from time to time.

National Instrument 58-101 Disclosure of Corporate Governance Practices

1. Board of Directors

The Board of Directors (the "Board") has the responsibility for the overall stewardship of the conduct of the business of the Corporation and to oversee and provide direction to management of the Corporation. Management is responsible for the day-to-day conduct of the business of the Corporation. The Board's fundamental objectives are to enhance and preserve long-term shareholder value and to ensure that the Corporation satisfies its obligations on an ongoing basis. In overseeing the conduct of the business, the Board, through the President, shall set the standards of conduct for the Corporation.

The Board is comprised of five directors, Len Danard, Leroy Wolbaum, Chris Robbins, Edward J Nunn and Greg Pendura. Three of the members of the Board, Leroy Wolbaum, Edward J Nunn and Greg Pendura are independent directors. Len Danard, President and CEO and Chris Robbins, Vice President are not independent members of the Board as they are considered to have a material relationship with the Corporation by virtue of their positions as officers of the Corporation.

There are no restrictions on members of the Board acting as officers or directors of other public or private companies. At the time of this report, Leroy Wolbaum, Glen Macdonald and Greg Pendura are serving as directors or officers of other reporting issuers.

2. Legal Requirements

The Board has the responsibility to ensure that legal obligations of the Corporation have been met and that the documents and records of the Corporation have been properly prepared, approved and maintained. The Board also has the legal responsibilities to:

a. manage the business and affairs of the Corporation;

b. act honestly and in good faith with a view to the best interests of the Corporation;

c. exercise the care, diligence and skill that a reasonable and prudent person would exercise in comparable circumstances; and

d. act in accordance with the provisions specified under the Business Corporations Act (British Columbia) and the regulations thereto, applicable securities legislations, other applicable legislation, regulations, and the terms of the Corporation's By-Laws.

The Board also has the statutory responsibility for considering the following matters as a full Board which in law may not be delegated to management or to a committee of the Board:

a. any submission to the shareholders of a question or matter requiring the approval of the shareholders;

- b. the filling of a vacancy on the Board or in the office of auditor;
- c. the issuance of securities;
- d. the declaration of dividends;
- e. the purchase, redemption or any other form of acquisition of outstanding shares of the Corporation;
- f. the payment of a commission to any person in consideration for purchasing or agreeing to purchase shares of the Corporation directly from the Corporation, or from any other person, or procuring or agreeing to procure purchasers for any such shares;
- g. the approval of management proxy circulars;
- h. the approval of any take-over bid circular or director's circular;
- i. the approval of financial statements of the Corporation;
- j. the adoption, amendment or repeal of the Articles or By-Laws of the Corporation;
- k. the approval of all press releases prior to dissemination to the public; and
- l. the approval of all presentation or marketing materials.

3. Orientation and Continuing Education

The Corporation does not provide a formal orientation or education program for new directors. However, directors are provided with access to documents from external regulatory authorities relating to the responsibilities of directors.

4. Ethical Business Conduct

The Board is of the view that the fiduciary duties and restrictions placed upon individual directors by applicable laws as they relate to participation on Board decisions in which an individual director has an interest are sufficient to ensure that the Board operates independently of management and at all times acts in the best interests of the Corporation.

5. Nomination of Directors

The Board considers its size each year, taking into account the number of directors required to carry out the Board's duties effectively and to maintain a diversity of perspectives and experience. The Board does not have a nominating committee and these functions are currently performed collectively by the Board.

6. Committees and Compensation

The Board does not have a compensation committee at this time and no compensation is paid to any directors of the Corporation in that role. The Audit Committee is comprised of Leroy Wolbaum (Chairman), Len Danard and Greg Pendura.

7. Assessments

The contribution and effectiveness of the Board are evaluated on an informal basis through discussions amongst Board members.

Composition of the Board

The Guidelines recommend that a board of directors be constituted with a majority of individuals who come within the description of unrelated directors. An unrelated director is defined as a director who is independent of management and is free from any interest and any other business or other relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act with a view to the best interests of the Company, other than interests and relationships arising from shareholding. The Guidelines also recommend that in the circumstances where a Company has a significant shareholder (that is, a shareholder with the ability to exercise the majority of the votes for the election of directors) the board of directors should include a number of directors who do not have interests in or relationships with the Company or the significant shareholder and which fairly reflects the investment in the Company by the shareholders other than the significant shareholder.

The Board has determined that of its five current Directors, three are considered to be unrelated Directors. The Board considers the following individuals to be related Directors: Leonard Danard because he is President and Chief Executive Officer and Christopher Robbins because he is Vice President and Chief Financial Officer. The number of directors to be fixed for the coming year remains at five, of whom three Directors are expected to be unrelated. The Company does not have a significant shareholder, and the Board considers its size of five directors to be appropriate at the current time. However, as the Articles of the Company and the *Company Act* (British Columbia) entitle the Board to appoint one additional Director before the next meeting of shareholders is held, the Board may use this power to add to the breadth of its experience and expertise. The functions of the Committees of the Board of Directors are

described above under the heading Standing Committees .

Aside from its Audit Committee, Corporate Governance Committee and Communications Committee and Compensation Committee, the Board has not designated any other committee. Given there are currently only five members of the Board, the Board as a whole remains responsible for performing the functions that may otherwise be given to an executive committee. The Board intends to remain sensitive to the changes required in corporate governance issues and will re-examine the need for additional measures, control mechanisms and structures (including committees) from time to time as the Company resources permit.

Decisions Requiring Prior Board Approval

In addition to matters which must, by law or by the Articles of the Company, be approved by the Board, management is required to seek Board approval for major transactions.

Nomination for New Directors

The Company does not currently provide a formal orientation program for new Directors. However, it is the Board's intention that as and when a new nominee is identified, they will ensure that a full program of orientation and education is provided for the nominee, including (but not limited to) provision of a complete corporate history, including copies of past minutes of meetings of the Board of Directors, as well as information regarding the Company's business and operations.

Outside Advice

In certain circumstances it may be appropriate for an individual Director to engage an outside professional advisor at the expense of the Company. The engagement of the outside professional advisor would be subject to approval of the Board acting in discharge of its duties to manage corporate governance matters.

Report on Executive Compensation

Composition of the Compensation Committee

The Board of Directors has designated a compensation committee effective for the year ended December 31, 2007 which was also effective through the year ended December 31, 2008. The responsibilities of this committee and recommendations made remain with the Board (see Statement on Corporate Governance appearing above) for final approval. Currently, the Company has two executive officers: Leonard Danard (President and Chief Executive Officer) and Christopher Robbins (Vice President and Chief Financial Officer).

Executive Compensation Policies and Programs

The objectives of the Company's compensation policies and programs for executive officers are to motivate and reward executive officers for the achievement of significant corporate and functional objectives, recruit and retain executive officers of a high calibre and align the interests of the executive officers with the interests of shareholders and the intermediate and long term objectives of the Company. Achievement of these objectives will contribute to an increase in shareholder value.

The Company's compensation policies and programs for executive officers currently consists of a base salary and long term incentive compensation in the form of stock options. As a general rule for establishing compensation for executive officers, the Board considers the executive's performance, experience, position within the Company and industry compensation surveys. The Board of Directors uses its discretion to set compensation for executive officers at levels warranted by external, internal and individual circumstances. Compensation of executive officers of the Company is generally reviewed on an annual basis.

2009 Share Option Plan (the 2009 Plan)

Options for executive officers are granted initially at the time of employment. Option grants for all employees including executive officers are reviewed on an annual basis.

The 2009 Plan has been drafted to comply with Exchange policies and will seek approval at the upcoming annual general meeting by a ¾ majority of disinterested shareholders. It reserves 22,250,500 common shares for issuance pursuant to the exercise of options granted pursuant to the 2009 Plan being less than 20% of the number of issued and outstanding common shares as at the effective date of the 2009 Plan. Any common shares subject to a share option which for any reason is cancelled or terminated without having been exercised shall again be available for grant under the 2009 Plan.

The 2009 Plan provides that eligible persons there under include any director, officer, employee (full or part-time), consultant or management company employee of the Company or any affiliate of the Company designated by the directors under the 2009 Plan. The definition of consultant is the same as that contained in the policies of the Exchange.

The 2009 Plan is administered by the board of directors of the Company, or if appointed, by a special committee of

directors appointed from time to time by the board of (the Option Committee). The board of directors has authority to determine, among other things, the persons to whom options are granted and the number of such options. At the time an option is granted, the board will also determine the exercise price of the option which, subject to a minimum price of \$0.10, shall be equal to the closing price of the common shares on the Exchange on the day immediately preceding the date of grant, and any vesting criteria or other restrictions with respect to the exercise-ability of the option. At a minimum, unless approval of the Exchange is received, options will vest in equal instalments, either monthly, quarterly or bi-annually, at the discretion of the board over a period of 18 months. Subject to any restrictions contained in the 2009 Plan, the board may also impose such other terms and conditions as it shall deem necessary or advisable at the time of the grant.

The term of the options will be determined by the board, but in any case must be no more than five years from the date of the grant. Options are not transferable other than by will or the laws of descent and distribution. If an optionee ceases to be an eligible person for any reason whatsoever, the option (to the extent that it has vested at the time of termination) is exercisable for a period of 90 days or until the option expiration date, whatever is earlier, after which time the options will terminate and be of no further force and effect. If an optionee dies, the legal representative of the optionee may exercise the option (to the extent that it has vested at the time of death) until the earlier of one year after the date of death and the option expiration date.

The 2009 Plan provides that the maximum number of common shares which may be reserved for issuance to any participant pursuant

to options may not exceed 5% of the common shares outstanding at the time of the grant (on a non-diluted basis) less the aggregate number of common shares reserved for issuance to such person under any option to purchase common shares under any other share compensation arrangement. Under the 2009 Plan, the maximum number of common shares that may be issued to any one participant, or to any one insider and the insider's associates, within a one year period pursuant to option exercises may not exceed 5% of the outstanding issue.

The maximum number of common shares which may be reserved for issuance to all the insiders of the Company pursuant to share options is limited to 20% of the common shares outstanding at the time of the grant (on a non-diluted basis) less the aggregate number of common shares reserved for issuance to insiders under any other share compensation arrangement.

The Company will not provide any optionee with financial assistance in order to enable such optionee to exercise share options granted under the 2009 Plan.

4.6

Shares not Acquired

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a Share Reorganization) then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

(a)

the Option Price will be adjusted to a price per Share which is the product of:

(i)

the Option Price in effect immediately before that effective date or record date and

(ii)

a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and

(b)

the number of Unissued Option Shares will be adjusted by multiplying (in) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection (a)(ii).

5. DISTRIBUTION

5.1

Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

(a)

shares of the Company, other than the Shares;

(b)

evidences of indebtedness;

(c)

any cash or other assets, excluding cash dividends (other than cash dividends which the Board of Directors of the company has determined to be outside the normal course); or

(d)

rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a Special Distribution), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.2

Corporate Reorganization

Whenever there is:

(a)

a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the company, other than as described in sections 5.1;

(b)

a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or

(c)

a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation;

(any such event being herein called a Corporate Reorganization) the Optionee will have an option to purchase (at the times, for the consideration and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if; on the effective date thereof; he had been the holder of all Unissued Option shares or if appropriate, as otherwise determined by the Directors.

5.3

Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Directors may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.4

Regulatory Approval

Any adjustment to the Option Price of the number of Unissued Option Shares, purchasable under the Plan pursuant to the operation of any one of paragraphs 5.1, 5.2 or 5.3 is subject to the approval of the Exchanges and any other governmental authority having jurisdiction.

5.5

Disinterested Shareholder

Disinterested Shareholder approval, as defined by the Exchange, will be obtained for any reduction in the exercise price if the Optionee is an Insider of the Company at the time of the proposed amendment.
