Each Restricted Stock Unit represented a contingent right to receive, upon settlement, either (i) one share of Common Stock or (ii) a cash payment equal to the fair market value of one share of Common Stock. The transactions reported in this Form 4 relate to the vesting and

- (1) settlement of previously granted restricted stock units, as well as the withholding of shares to satisfy tax withholding obligations related to the settlement of, and pursuant to the terms of the award agreements governing, such restricted stock units (see footnote 3). There were no open market sales related to the settlement of the restricted stock units or reported on this Form 4.
- (2) On January 5, 2012, the Reporting Person was granted 37,500 unvested restricted stock units, subject to the Company's satisfaction of certain predetermined performance criteria and the Reporting Person's continued employment with the Issuer. On August 20, 2012, the Compensation Committee of the Board of Directors of the Issuer certified that the performance criteria applicable to the performance-based restricted stock units had been satisfied. Since the applicable performance criteria has been satisfied, this award of restricted stock units vests in equal annual installments of 20% each, beginning on September 2, 2012 and continuing on the first, second, third and fourth anniversaries thereof, subject to the Reporting Person's continued employment with the Issuer. The first 20% installment

- (4) The Restricted Stock Units were initially unvested. The first 20% installment of the Restricted Stock Units vested and was settled on September 2, 2012.
