Pursuant to the Shareholders Agreement, the Company has agreed to file promptly after the closing of the Acquisition a registration statement covering the resale of the Voting Securities held by Seller in an amount up to approximately four percent of the currently outstanding Voting Securities of the Company, which may be sold as soon as such registration statement is effective (the “Exempt Shares”). Other than with respect to the Exempt Shares, the Shareholders Agreement includes restrictions on Seller’s ability to transfer its Voting Securities for a period of two years after the closing of the Acquisition, other than to certain permitted transferees after the later of (i) eighteen months following the closing of the Acquisition and (ii) the resolution of all indemnification claims under the Transaction Agreement (as defined below), if any. The Shareholders Agreement also contains certain demand and piggy-back registration rights, which commence after the two-year transfer restriction period expires. Finally, the Shareholders Agreement contains certain non-competition obligations with respect to the activities of certain of the Shareholders for two years following the closing of the Acquisition.
