Board Operations

Board Leadership Structure

Mr. Handong Cheng holds the positions of principal executive officer and chairman of the Board of Company. The Board believes that Mr. Cheng’s services as both chief executive officer and chairman of the Board is in the best interest of the Company and its stockholders. Mr. Cheng possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its business and is thus best positioned to develop agendas that ensure that the Board’s time and attention are focused on the most critical matters relating to the business of the Company. His combined role enables decisive leadership, ensures clear accountability, and enhances the Company’s ability to communicate its message and strategy clearly and consistently to the Company’s stockholders, employees and customers.

The Board has not designated a lead director. Given the limited number of directors comprising the Board, the independent directors call and plan their executive sessions collaboratively and, between meetings of the Board, communicate with management and one another directly. Under these circumstances, the directors believe designating a lead director to take on responsibility for functions in which they all currently participate might detract from rather than enhance performance of their responsibilities as directors.

PROPOSAL 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Audit Committee has appointed Bernstein & Pinchuk LLP as independent accountants for 2010, subject to the ratification by stockholders. Representatives of Bernstein & Pinchuk LLP are expected to be present at the Annual Meeting to respond to appropriate questions and will have an opportunity to make a statement, if they so desire.

In the event the stockholders fail to ratify the selection of Bernstein & Pinchuk LLP, the Audit Committee will reconsider whether to retain the firm. Even if the selection is ratified, the Audit Committee and the Board, in their discretion, may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

On August 11, 2009, the Company dismissed its principal independent accountant, The Hall Group, CPAs (“Hall”) from its engagement with the Company, which dismissal was effective immediately. The decision to dismiss Hall as the Company’s principal independent accountant was approved by the Board on August 11, 2009.

There were no disagreements between the Company and Hall on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, from the time of Hall’s engagement up to the date of dismissal which disagreements that, if not resolved to Hall’s satisfaction, would have caused Hall to make reference to the subject matter of the disagreement in connection with its report issued in connection with the audit of the Company’s financial statements. None of the reportable events described under Item 304(a)(1)(v)(A)-(D) of Regulation S-K occurred within the two fiscal years of the Company ended December 31, 2007 and 2008 and subsequently up to the date of dismissal. The audit report of Hall on the financial statements of the Company as of December 31, 2008 did not contain any adverse opinion or disclaimer of opinion, and such audit report was not qualified or modified as to uncertainty, audit scope or accounting principles, except for Hall’s explanatory paragraph regarding the Company’s ability to continue as a going concern. Hall has provided us with a letter addressed to the SEC stating that it agreed with the above statements. This letter was filed as an exhibit to our Current Report on Form 8-K, which was filed with the SEC on August 14, 2009.

On July 30, 2009, the Company engaged Bernstein & Pinchuk LLP (“BP”) to serve as its independent auditor. The decision to engage BP as the Company’s principal independent accountant was approved by the Board of Directors of the Company on July 30, 2009. During the two fiscal years of the Company ended December 31, 2007 and 2008, and through the date of BP’s engagement, the Company did not consult BP regarding either: (i) the application of accounting principles to a specified transaction (either completed or proposed), or the type of audit opinion that might be rendered on the Company’s financial statements; or (ii) any matter that was either the subject of a “disagreement” or “reportable event” within the meaning set forth in Regulation S-K, Item 304(a)(1)(iv) or (a)(1)(v).
