INFORMATION STATEMENT PURSUANT TO
SECTION 14(f) OF THE SECURITIES
EXCHANGE ACT OF 1934 AND RULE 14f-1 THEREUNDER

THIS INFORMATION STATEMENT IS BEING PROVIDED SOLELY FOR INFORMATIONAL PURPOSES AND NOT IN CONNECTION WITH ANY VOTE OF THE STOCKHOLDERS OF CROSS BORDER RESOURCES, INC.

GENERAL

This Information Statement is being mailed commencing on or about April 27, 2012 by Cross Border Resources, Inc. (the "Company", "we", "us", or "our") to holders of record of the Company's common stock, par value \$0.001 per share, in accordance with the requirements of Section 14(f) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Securities and Exchange Commission Rule 14f-1. This Information Statement is being sent as notice of a proposed change of a majority of the Company's directors.

On April 23, 2012, the Company entered into an agreement ("Settlement Agreement") with Red Mountain Resources, Inc. ("Red Mountain"). Pursuant to the Settlement Agreement, Red Mountain will withdraw its complaint filed against the Company and its directors with the District Court for Clark County, Nevada (the "Action") and cause a dismissal of such Action with prejudice. Additionally, Everett Willard Gray, II, Lawrence J. Risley and Brad E. Heidelberg will resign from the Board of Directors of the Company (with Richard F. LaRoche, Jr. and John W. Hawkins remaining as members of the Board) and Alan W. Barksdale, Randell K. Ford and Paul N. Vassilakos, each a member of Red Mountain's board of directors, will be appointed as directors of the Company to fill the vacancies, effective upon the day after the tenth day following the mailing of this Information Statement to the Company's stockholders (the "Change of Control Date"). Messrs. Ford, Vassilakos, LaRoche and Hawkins are expected to be independent directors.

The Settlement Agreement contains the following terms in order to provide certain protections to the stockholders of the Company:

The newly-constituted Board of the Company will not cause a merger, sale, or exchange of assets between the Company and Red Mountain prior to December 31, 2012. This period may be reduced at any time if approved by a majority of the Company's independent directors, or two-thirds of its stockholders, and deemed appropriate for the Company's stockholders via an independent fairness opinion that the transaction is fair to unaffiliated stockholders of the Company.

Everett Willard Gray II, Chairman and CEO, and Larry Risley, President and Chief Operating Officer, will resign with such resignations to be effective on May 31, 2012. It is anticipated that the newly-constituted Board will appoint a new Chief Executive Officer simultaneous with the effectiveness of these resignations. However, the parties have agreed that the new executives will receive no more compensation than the former executives would have received in aggregate over the period ending December 31, 2012.

To avoid potential conflicts of interest, the newly-constituted Board will not appoint any person who currently serves as an officer or director of Red Mountain or its affiliates to serve as an executive officer of the Company.

The newly-constituted Board will cause the Company to hold an annual meeting for the election of directors as soon as practicable but no later than September 30, 2012.

The Company's stockholders have been named as third party beneficiaries of the Settlement Agreement so that they may cause the newly-constituted Board to comply with these terms.

Neither Alan W. Barksdale, Randell K. Ford nor Paul N. Vassilakos will be appointed as directors until the day after the tenth day after this Information Statement is mailed or delivered to all of the Company's stockholders of record in compliance with Section 14(f) of the Securities Exchange Act of 1934, as amended, and Rule 14f-1 thereunder.

This Information Statement is being provided for information purposes only. The Company is not soliciting proxies in connection with the matters described in this Information Statement and no vote or other action is being solicited or is required to be taken by the Company's stockholders.

DIRECTOR INDEPENDENCE

Our Board of Directors has determined that John W. Hawkins, Brad E. Heidelberg and Richard F. LaRoche, Jr. are independent as defined by both NASDAQ Marketplace Rule 5605 and SEC Rule 10A-3(b)(1). It is anticipated that Messrs. LaRoche and Hawkins and Messrs. Vassilakos and Ford will be independent directors following the Change of Control Date.

COMMITTEES OF THE BOARD OF DIRECTORS

Audit Committee

The primary functions of the Audit Committee are to assist the Board of Directors of the Company in fulfilling its oversight responsibilities with respect to: (i) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethical behavior; (ii) the Company's auditing, accounting and financial reporting processes generally; (iii) the Company's financial statements and other financial information provided by the Company to its stockholders, the public and others; (iv) the Company's compliance with legal and regulatory requirements; and (v) the performance of the Company's corporate audit department and independent auditors. Consistent with these functions, the Committee will encourage continuous improvement of, and foster adherence to, the Company's policies, procedures and practices at all levels.

The members of the Audit Committee are not full-time employees of the Company and may or may not be accountants or auditors by profession or experts in the fields of accounting or auditing and, in any event, do not serve in such capacity. Consequently, it is not the duty of the Committee to conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations.

The members of the Audit Committee are currently the Company's three independent directors - John W. Hawkins, Brad E. Heidelberg and Richard F. LaRoche, Jr. John W. Hawkins serves as chair of the Audit Committee. It is not yet decided who will serve on the Audit Committee after the Change of Control Date. The Audit Committee meets at least four times per year (on a quarterly basis). As part of its job to foster open communications, the Audit Committee meets in separate executive sessions without management and the Company's independent auditors to discuss any matters that the Audit Committee believes should be discussed privately.

The charter of the Audit Committee is available on the Investor Relations section of the Company's website (www.xbres.com) by clicking "Investor Relations" and then "Corporate Governance."

Nominating and Corporate Governance Committee

The purpose of the Nominating and Corporate Governance Committee is to provide assistance to the Board of Directors in identifying and recommending candidates qualified to serve as directors of the Company, to review the composition of the Board of Directors, to develop, review and recommend governance policies and principles for the Company and to review periodically the performance of the Board of Directors.

The Nominating and Corporate Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and stockholders. The Nominating and Corporate Governance Committee, among many factors, considers qualities of high personal and professional ethics, values and integrity. It also examines the skills, diversity, backgrounds and experience with business and other organizations of director nominees. Also, the Nominating and Corporate Governance Committee looks for candidates with the ability and willingness to commit adequate time to, as well as a commitment to representing the long-term interests of, Cross Border.

The members of the Nominating and Corporate Governance Committee are currently the Company's three independent directors - John W. Hawkins, Brad E. Heidelberg and Richard F. LaRoche, Jr. Richard F. LaRoche, Jr. serves as chair of the Nominating and Corporate Governance Committee. It is not yet decided who will serve on the Nominating and Corporate Governance Committee after the Change of Control Date. The Nominating and Corporate Governance Committee meets at least annually.

The charter of the Nominating and Corporate Governance Committee is available on the Investor Relations section of the Company's website (www.xbres.com) by clicking "Investor Relations" and then "Corporate Governance."

Compensation Committee

The purpose of the Compensation Committee of the Board of Directors is to discharge the responsibilities of the Board relating to compensation of the Company's executive officers and to review and approve senior officers' compensation.

Under the Charter of the Compensation Committee, the Compensation Committee is required to meet at least annually and more frequently as necessary or appropriate. Special meetings of the Committee may be called on two hours notice by the Chairman of the Board or the Committee Chairman. A majority of the Committee constitutes a quorum and the Committee may act only on the affirmative vote of a majority of the members present at the meeting.

The members of the Compensation Committee are currently the Company's three independent directors - John W. Hawkins, Brad E. Heidelberg and Richard F. LaRoche, Jr. Brad E. Heidelberg serves as chair of the Compensation Committee. It is not yet decided who will serve on the Compensation Committee after the Change of Control Date.

The charter of the Compensation Committee is available on the Investor Relations section of the Company's website (www.xbres.com) by clicking "Investor Relations" and then "Corporate Governance."

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Board provides a process for stockholders and other interested parties to send communications to the Board or any of the directors. Stockholders and other interested parties may send written communications to the Board, or any of the individual directors, c/o Cross Border Resources, Inc., 22610 US Highway 281 N., Suite 218, San Antonio, TX 78258, attn: Chair of the Nominating and Corporate Governance Committee. All communications will be compiled by the Chair of the Nominating and Corporate Governance Committee and submitted to the Board or the individual directors, as applicable, on a periodic basis. The Nominating and Corporate Governance Committee will consider all board nominee recommendations and stockholder proposals presented to it in writing provided that such nominee recommendations and proposals are received by the Nominating and Corporate Governance Committee no later than the first day of the fourth quarter (October 1) of the Company's fiscal year for consideration for nomination by the Nominating and Corporate Governance Committee at the following annual stockholders meeting to be held in or around May of the following year.

MEETINGS OF DIRECTORS

The Board met 15 times during the year ended December 31, 2011. The Board's standing Nominating and Corporate Governance and Compensation Committees met one and three times, respectively, during this same period. Although the Audit Committee's Charter directs it to meet quarterly, the Audit Committee only met during those quarters in 2011 when filings were made with the SEC that presented financial statements. At the time of the merger, because Pure Energy Group, Inc. was treated as the "accounting acquirer" for financial reporting and accounting purposes, the fiscal year of the Company changed from July 31 to December 31; therefore, neither a 10-K nor a 10-Q were filed during the first quarter of 2011. Each independent director attended 100% of the total number of meetings of the Board and the Board committee(s) on which he served.

BOARD LEADERSHIP STRUCTURE AND RISK OVERSIGHT

Mr. Gray currently acts as the Company's principal executive officer and Chairman of the Company's Board of Directors. Messrs. Heidelberg, LaRoche and Hawkins are currently the independent members of the Company's Board of Directors. The Company's management and Board of Directors has determined that this leadership structure is appropriate as the Company currently has limited financial and other resources. The Company's Board of Directors oversees the overall operation of the Company and sets the Company's major strategic, business and financial goals which are then implemented by the Company's management. As Mr. Gray acts as Chairman of the Board and as the Company's principal executive officer, the Company's Board of Directors is kept informed of the Company's day to day management and implementation of the goals set by the Board of Directors. The Company's Board of Directors and management factors business, financial, strategic and other risks in setting the Company's goals and in managing the day to day operation of the Company's business.

Mr. Gray has served as both Chief Executive Officer and as Chairman of the Board. The Board believes that this leadership structure has been appropriate and has enabled the Company to attract and retain a strong Chief Executive Officer. This structure avoids any lack of clarity over who runs the Company and results in a leader of the Board with greater substantive knowledge of the Company and the industry in which it operates than would otherwise be the case. The Board believes the Company's overall corporate governance policies and practices, combined with the strength of the Company's independent directors, minimize any potential conflicts that may result from combining the roles of Chief Executive Officer and Chairman.

On May 14, 2011, the Board designated Richard F. LaRoche, Jr. to serve as Lead Independent Director. It is not yet determined who will be designated as the Lead Independent Director upon the Change of Control Date. The Lead Independent Director works with the Chief Executive Officer and Chairman to ensure that the Board discharges its responsibilities, has structures and procedures in place to enable it to function independently of management and clearly understands the respective roles and responsibilities of the Board of Directors and management. In addition, the Lead Director's duties include consulting with independent legal counsel, coordinating the activities of the independent directors, coordinating the agenda for and moderating sessions of the Board's independent directors, facilitating communications between the other members of the Board and performing such other duties as may be necessary for the Board to fulfill its responsibilities or as may be requested by the Board as a whole, by the independent directors, or by the Chairman of the Board. The Board believes that having a combined Chief Executive Officer and Chairman and a Lead Independent Director having significant and well-defined responsibilities as described above enhances the Chief Executive Officer and Chairman's ability to provide insight and direction on important strategic initiatives to both management and the independent directors and, at the same time, ensures that the appropriate level of independent oversight is applied to all decisions of the Board and facilitates the overall functioning of the Board.

The members of the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee of the Board, including their respective chairs, are comprised entirely of independent directors. Through these committees, the Board is actively involved in oversight of risk, compliance, possible conflicts of interest and related party transactions, and business results. Members of the Board have access to management and outside advisors; thus, the Chairman is not the sole source of information for the Board.

The Chief Executive Officer is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with management to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent directors work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

Executive Compensation

Everett Willard Gray, II, Lawrence J. Risley and Nancy S. Stephenson are the Company's current executive officers. Mr. Gray and Mr. Risley have Employment Agreements as described below. Ms. Stephenson has no employment agreement for a defined term, but the Company has executed a letter agreement in favor of Ms. Stephenson providing for severance payments to be paid to her upon the occurrence of certain events as described below.

Employment Agreement with Will Gray

Effective January 31, 2011, the Company entered into an Employment Agreement with Mr. Gray (the "Gray Employment Agreement") to serve as the Company's Chairman and Chief Executive Officer. The initial term of the Gray Employment Agreement began on January 31, 2011, and continues until January 31, 2013. After such date, the Gray Employment Agreement automatically renews for successive one-month terms. Under the Gray Employment Agreement, Mr. Gray is paid an annual base salary equal to \$200,000 and is eligible to receive such bonuses as may be determined appropriate in the sole discretion of the Company's Compensation Committee or Board of Directors from time-to-time without any obligation to do so. The Company also agreed to grant to Mr. Gray an option to purchase an aggregate of six hundred fifty thousand (650,000) shares of the Company's common stock. Mr. Gray's options were set to vest and expire as follows: 300,000 options vesting at \$4.80 per share on January 31, 2011, and expiring on January 30, 2016; 125,000 options vesting at \$5.28 per share on January 31, 2012, and expiring on January 30, 2017; 125,000 options vesting at \$5.80 per share on January 31, 2013, and expiring on January 30, 2018; and 100,000 options vesting at \$6.38 per share on January 31, 2014 and expiring on January 30, 2019. In October 2011, all of these options were purchased by the Company, for \$0.10 per option share (total purchase price of \$65,000) and were subsequently cancelled. Mr. Gray receives a monthly automobile allowance of \$1,300 and is

entitled to participate in benefit plans offered by the Company.

On March 5, 2012, the Gray Employment Agreement was amended for the purpose of increasing the amount payable to Mr. Gray upon termination of the Gray Employment Agreement in certain circumstances and amending the timing of such payment upon a change in control. The Gray Employment Agreement, as amended, provided that upon termination without Cause, upon termination by Mr. Gray for Good Reason or upon a Corporate Transaction (all as defined in the Gray Employment Agreement), Mr. Gray would be paid the following compensation: a lump sum cash payment in an amount equal to the greater of (a) twenty four (24) months of Mr. Gray's annual base salary, and (b) the monetary equivalent of Mr. Gray's benefits for a period of twenty-four (24) months. No severance was to be paid if Mr. Gray was terminated by the Company for Cause.

On April 20, 2012, the Company entered into a Second Amendment to Employment Agreement with Everett Willard “Will” Gray II (the “Gray Second Amendment”). As was contained in the first amendment to Gray’s employment agreement, upon a change in control event (defined as a Corporate Transaction in his original employment agreement), Mr. Gray will be paid the following compensation: a lump sum cash payment in an amount equal to the sum of (a) twenty four (24) months of Mr. Gray’s annual base salary, and (b) the monetary equivalent of Mr. Gray’s benefits for a period of twenty-four (24) months. The Gray Second Amendment allows the Company to pay the aforementioned amount in four equal installments, rather than in one lump sum, on the following dates: (i) ten (10) days after the Corporate Transaction, (ii) the last day of the second quarter of the Company’s fiscal year in which the Corporate Transaction occurred, (iii) the last day of the third quarter of the Company’s fiscal year in which the Corporate Transaction occurred, and (iv) the last day of the fourth quarter of the Company’s fiscal year in which the Corporate Transaction occurred. As a result of the transactions contemplated by the Settlement Agreement, a Corporate Transaction will be deemed to have occurred and Mr. Gray will be entitled to the payments described above.

On April 23, 2012, the Company entered into a Separation Agreement and Mutual Release with Everett Willard Gray II to be effective on May 31, 2012, the effective date of Mr. Gray’s resignation. The Separation Agreement and Mutual Release is executed in connection with the payment to be made to Mr. Gray upon a Corporate Transaction (as described above), and it contains a release by Mr. Gray of any and all claims against the Company and a release and indemnification by the Company of any and all claims against Mr. Gray (other than claims for deliberately dishonest, malicious or fraudulent acts or omissions or willful violations of law).

Employment Agreement with Larry Risley

Effective January 31, 2011, the Company entered into an Employment Agreement with Mr. Risley (the “Risley Employment Agreement”) to serve as the Company’s President and Chief Operating Officer. The Company also agreed to grant to Mr. Risley an option to purchase an aggregate of three hundred thousand (300,000) shares of the Company’s common stock. Mr. Risley’s options were to vest and expire as follows: 150,000 options vesting at \$4.80 per share on January 31, 2011, and expiring on January 30, 2016; and 150,000 options vesting at \$5.28 on January 31, 2012 and expiring on January 30, 2017. In October 2011, all of Mr. Risley’s options were purchased by the Company, for \$0.10 per option share (total purchase price of \$30,000) and were subsequently cancelled. Mr. Risley receives a monthly automobile allowance of \$975 and is entitled to participate in benefit plans offered by the Company.

On March 5, 2012, the Risley Employment Agreement was amended for the purpose of increasing the amount payable to Mr. Risley upon termination of the Risley Employment Agreement in certain circumstances and amending the timing of such payment upon a change in control. The Risley Employment Agreement, as amended, provided that upon termination without Cause, upon termination by Mr. Risley for Good Reason or upon a Corporate Transaction (all as defined in the Risley Employment Agreement), Mr. Risley would be paid the following compensation: a lump sum cash payment in an amount equal to the greater of (a) twenty-four (24) months of Mr. Risley's annual base salary, and (b) the monetary equivalent of Mr. Risley's benefits for a period of twenty-four (24) months. No severance was to be paid if Mr. Risley was terminated by the Company for Cause.

On April 20, 2012, the Company entered into a Second Amendment to Employment Agreement with Lawrence J. Risley (the "Risley Second Amendment"). As was contained in the first amendment to the Risley's employment agreement, upon a change in control event (defined as a Corporate Transaction in his original employment agreement), Mr. Risley will be paid the following compensation: a lump sum cash payment in an amount equal to the sum of (a) twenty four (24) months of Mr. Risley's annual base salary, and (b) the monetary equivalent of Mr. Risley's benefits for a period of twenty-four (24) months. The Risley Second Amendment allows the Company to pay the aforementioned amount in four equal installments, rather than in one lump sum, on the following dates: (i) ten (10) days after the Corporate Transaction, (ii) the last day of the second quarter of the Company's fiscal year in which the Corporate Transaction occurred, (iii) the last day of the third quarter of the Company's fiscal year in which the Corporate Transaction occurred, and (iv) the last day of the fourth quarter of the Company's fiscal year in which the Corporate Transaction occurred. As a result of the transactions contemplated by the Settlement Agreement, a Corporate Transaction will be deemed to have occurred and Mr. Risley will be entitled to the payments described above.

On April 23, 2012, the Company entered into a Separation Agreement and Mutual Release with Lawrence J. Risley to be effective on May 31, 2012, the effective date of Mr. Risley's resignation. The Separation Agreement and Mutual Release is executed in connection with the payment to be made to Mr. Risley upon a Corporate Transaction (as described above), and it contains a release by Mr. Risley of any and all claims against the Company and a release and indemnification by the Company of any and all claims against Mr. Risley (other than claims for deliberately dishonest, malicious or fraudulent acts or omissions or willful violations of law).
