Item 1.01 Entry into a Material Definitive Agreement.

Effective May 4, 2018, DURECT Corporation (“DURECT” or the “Company”) and Sandoz AG (“Sandoz”) entered into an amendment (the “Amendment”) to the license agreement dated May 5, 2017, regarding POSIMIR® (SABER®-bupivacaine) in the United States. Pursuant to the original license agreement, DURECT received an upfront payment of \$20 million and was initially eligible for up to an additional \$43 million in milestone payments based on successful development and regulatory milestones (of which \$30 million is feasible following the results of the PERSIST Phase 3 clinical trial), and up to an additional \$230 million in sales-based milestones. Sandoz received exclusive commercialization rights for POSIMIR in the U.S. upon regulatory approval with sole funding responsibility for commercialization activities. Sandoz will pay the Company a tiered double-digit royalty on product sales for a defined period, after which the license granted to Sandoz shall convert to a non-exclusive, fully paid, royalty-free, irrevocable and perpetual license.

Pursuant to the Amendment, DURECT is eligible for up to \$30 million in milestone payments based on NDA approval, and remains eligible for up to an additional \$230 million in sales-based milestones. Pursuant to the Amendment, each party is also permitted to develop or commercialize competing products. The Amendment also includes modifications to DURECT’s development obligations and to both parties’ termination provisions, including a right for DURECT to terminate for convenience prior to NDA approval, and a new termination fee payable to DURECT in the event that Sandoz terminates the agreement for convenience. Except as expressly set forth in the Amendment, the license agreement remains in full force and effect.
