Agreement to Purchase Shares of JAPAREN Co., Ltd.

Tokyo, October 1, 2003 ORIX Corporation (TSE: 8591; NYSE: IX) announced today that it has reached an agreement with NIPPON MINING HOLDINGS, INC. (NMH) to purchase 100% of NMH s outstanding shares of JAPAREN Co., Ltd., on October 15, 2003.

JAPAREN Co., Ltd. provides automobile rental (13,300 units at March 31, 2003) and automobile leasing services (6,600 units at March 31, 2003).

ORIX Rent-A-Car Corporation, a wholly-owned subsidiary of ORIX Corporation, is presently the second largest car rental company in Japan with 28,900 vehicles (at March 31, 2003). In order to expand its market share ORIX acquired X-Rent-A-Car Corporation in October 1999 and IFCO Rent-A-Car Inc. in September 2001 (both companies were merged into ORIX Rent-A-Car Corporation in June 2003). With the purchase of JAPAREN Co., Ltd. ORIX will increase the number of rental units under management by 13,300 to 42,200 (at March 31, 2003).

In addition, ORIX Auto Leasing Corporation, a wholly-owned subsidiary of ORIX Corporation, is the leader in the Japanese automobile leasing industry with 423,000 vehicles (at March 31, 2003) under management. With the purchase of JAPAREN Co., Ltd., ORIX will further increase the number of automobiles it manages by 6,600 to about 430,000.

ORIX has been able to expand its automobile rental and leasing operations by combining the procurement of automobiles, parts and accessories, and maintenance and management services to increase efficiency. With this purchase, ORIX will be able to further leverage these economies of scale to expand its automobile-related operations by providing its customers with high value-added services.
