\*\* The percentages listed for each shareholder assume the exercise or exchange by that shareholder only, of his or its entire convertible or exchangeable security (including options or warrants), as the case may be, and thus include the shares underlying said convertible or exchangeable security (including options or warrants). However, the percentages do not assume the exercise of all convertible or exchangeable securities (including options or warrants) by all the shareholders holding such securities.

(1) Except as noted above, the address for the above identified officers and directors of the Company is c/o North Bay Resources Inc., 2120 Bethel Road, Lansdale, PA 19446.

(2) Beneficial Ownership is determined in accordance with the rules of the Securities and Exchange Commission and generally includes voting or investment power with respect to securities. Shares of common stock subject to options, warrants, or convertible debt currently exercisable or convertible, or exercisable or convertible within 60 days of the Record Date are deemed outstanding for computing the percentage of the person holding such option or warrant. Percentages are based on a total of 231,279,677 shares of common stock outstanding as of the date of this information statement and shares issuable upon the exercise of options, warrants exercisable, and debt convertible on or within 60 days of the date of this information statement, as described above. The inclusion in the aforementioned table of those shares, however, does not constitute an admission that the named shareholder is a direct or indirect beneficial owner of those shares. Unless otherwise indicated, to our knowledge based upon information produced by the persons and entities named in the table, each person or entity named in the table has sole voting power and investment power, or shares voting and/or investment power with his or her spouse, with respect to all shares of capital stock listed as owned by that person or entity.

- (3) The number of shares, the percentage of ownership and voting percentage listed in the table above represents the maximum amount of shares that Tangiers can beneficially control under a contractually stipulated 9.99% ownership restriction as of the date of this information statement. Tangiers is the investor under the Securities Purchase Agreement dated October 7, 2009, and owns 14,949,193 shares of common stock as of the date of this information statement. All investment decisions of, and control of, Tangiers are held by Robert Papiri and Michael Sobek, its managing partners. Tangiers Capital, LLC makes the investment decisions on behalf of and controls Tangiers. Tangiers acquired all shares being registered in this offering in a financing transaction with us. As of the date of this information statement, Tangiers holds an aggregate of 5,550,000 warrants, as follows: (a) 2.5 million 5 year warrants convertible to common stock and exercisable at \$0.05 pursuant to a \$50,000 Convertible Promissory Note Agreement dated September 27, 2010, (b) 250,000 5 year warrants convertible to common stock and exercisable at \$0.115 pursuant to a \$50,000 Convertible Promissory Note Agreement dated December 29, 2011, (c) 500,000 5 year warrants convertible to common stock and exercisable at \$0.13 pursuant to two \$50,000 Convertible Promissory Note Agreements dated February 2, 2012, (d) 500,000 5 year warrants convertible to common stock and exercisable at \$0.09 pursuant to two \$37,500 Convertible Promissory Note Agreements dated March 15, 2012, (e) 150,000 5 year warrants convertible to common stock and exercisable at \$0.07 pursuant to a \$50,000 Convertible Promissory Note Agreement dated May 16, 2012, (f) 150,000 5 year warrants convertible to common stock and exercisable at \$0.06 pursuant to a \$25,000 Convertible Promissory Note Agreement dated May 30, 2012, and (g) 750,000 5 year warrants convertible to common stock and exercisable at \$0.14 and 750,000 5 year warrants convertible to common stock and exercisable at \$0.07 pursuant to a \$100,000 Convertible Promissory Note Agreement dated June 19, 2012. As of the date of this information statement, Tangiers also holds the following promissory notes which are eligible to be converted into an aggregate of 26,879,281 shares of common stock: (a) one \$25,000 convertible promissory note with an interest rate of 9.9 per year, convertible into common stock at a price of \$0.08 per share (with an outstanding balance of \$31,208 as of the date of this information statement), (b) two \$50,000 convertible promissory notes with an interest rate of 9.9 per year, convertible into common stock at a price of \$0.08 per share (with an aggregate outstanding balance of \$123,882 as of the date of this information statement), (c) two \$37,500 convertible promissory notes with an interest rate of 9.9% per year, convertible into common stock at a price of \$0.09 per share (with an aggregate outstanding balance of \$92,057 as of the date of this information statement), (d) one \$50,000 convertible promissory note with an interest rate of 9.9% per year, convertible into common stock at a price of \$0.06 per share (with an outstanding balance of \$60,531 as of the date of this information statement), (e) one \$25,000 convertible promissory note convertible into common stock at a price of \$0.06 per share (with an outstanding balance of \$30,170 as of the date of this information statement), (f) one \$100,000 convertible promissory note with an interest rate of 7% per year, convertible as amended into common stock at a price of \$0.02 per share (with an outstanding balance of \$114,211 as of the date of this information statement), and (g) one \$750,000 convertible promissory note with an interest rate of 7% per annum, convertible as amended into common stock at a price of \$0.02 per share (with an outstanding balance of \$457,283 as of the date of this information statement). All of the warrants and promissory notes held by Tangiers contain a blocker provision under which Tangiers can only exercise its warrants or convert its promissory notes to a point where it would own a maximum of 9.99% of the total shares outstanding.
- (4) Mr. Leopold, the Company's CEO and Chairman owns 4,000,000 shares of the Company's Series A Preferred Stock. Each outstanding share of the Series A Preferred Stock has 10 votes per share, and may be converted to shares of common at a ratio of 5 to 1, which would thus convert to 20,000,000 shares of common stock. The Series A Preferred Stock was issued in August 2009. Mr. Leopold is

prohibited from converting any of his Preferred Stock without providing the Company with at least 61 days advance notice.

- (5) Mr. Leopold owns 100 shares of the Company's Series I Preferred Stock. Each outstanding share of the Series I Preferred Stock represents its proportionate share of eighty per cent (80%) of all votes entitled to be voted and which is allocated to the outstanding shares of Series I Preferred Stock. These shares are not convertible into common stock or any commodities. The Series I Preferred Stock was issued in February 2007. These shares were issued our Chief Executive Officer, Mr. Perry Leopold, in February 2007 as an anti-takeover measure to insure that Mr. Leopold maintains control of the Company during periods when the Company's stock may be severely undervalued and subject to hostile takeover in the open market. As specified in the Certificate of Designation filed by the Company with the Delaware Secretary of State in February 2007, "the outstanding shares of Series I Preferred Stock shall vote together with the shares of common stock of the Corporation as a single class and, regardless of the number of shares of Series I Preferred Stock outstanding and as long as at least one of such shares of Series I Preferred Stock is outstanding, shall represent eighty percent (80%) of all votes entitled to be voted at any annual or special meeting of shareholders of the Corporation or action by written consent of shareholders. Each outstanding share of the Series I Preferred Stock shall represent its proportionate share of the 80% that is allocated to the outstanding shares of Series I Preferred Stock. The Series I preferred shares supersede any other shares that Mr. Leopold may own so that any additional securities that Mr. Leopold may own do not increase his 80% voting rights, and are therefore included within the 80%.
- (6) The four (4) principals of Ruby Development Company ("RDC"), the estate of R.E. Frederking Trustee, W. R. Frederking, G. W. Frederking, and R. L. Frederking., each own 2.5 million shares of common stock. Ruby Development Company is also entitled to 10 million warrants, immediately exercisable, and giving them the option to purchase up to 10 million shares of common stock at \$0.02 per share until December 30, 2018, 2 million warrants convertible to common stock and exercisable at \$0.10 per share until December 30, 2018, 2 million warrants convertible to common stock and exercisable at \$0.09 per share until December 30, 2018, and 4 million warrants convertible to common stock and exercisable at \$0.04 per share until December 30, 2018. The warrants may be exercised, in whole or in part, any time, and from time to time, at RDC's discretion. The number of shares, the percentage of ownership and voting percentage listed in the table above include the shares underlying the aforementioned warrants held by the shareholder. All of the warrants held by RDC contain a blocker provision under which RDC can only exercise its warrants to a point where it would beneficially own a maximum of 4.99% of the total shares outstanding.
- (7) Typenex Co-Investment, LLC ("Typenex") has the right to convert a Secured Convertible Promissory Note dated October 1, 2013, into shares of our common stock. As of the date of this information statement, the number of shares of common stock beneficially owned by Typenex was 14,893,422 shares, which assumes full conversion of the Secured Convertible Promissory Note under the terms of the Promissory Note currently in effect. The 14,893,443 shares represent 6.44% of the shares outstanding as of the date of this Information Statement. All investment decisions of, and control of, Typenex are held by John M. Fife, in his position as Manager of Typenex.

The Series A Preferred Stock was issued in August 2009. Mr. Leopold is prohibited from converting any of his Preferred Stock without providing the Company with at least 61 days advance notice.
- (2) Mr. Leopold owns 100 shares of the Company's Series I Preferred Stock. Each outstanding share of the Series I Preferred Stock represents its proportionate share of eighty per cent (80%) of all votes entitled to be voted and which is allocated to the outstanding shares of Series I Preferred Stock. **AMENDMENT TO THE CERTIFICATE OF INCORPORATION  
TO INCREASE THE NUMBER OF OUR AUTHORIZED SHARES OF COMMON STOCK FROM 500,000,000  
SHARES TO 1,500,000,000 SHARES AND TO DECREASE THE PAR VALUE OF OUR COMMON STOCK  
FROM \$0.001 PER SHARE TO \$0.0001 PER SHARE**

Our board of directors and the holders of a majority of the voting power of our outstanding capital stock have approved a Certificate of Amendment ("Amendment") to our Certificate of Incorporation to increase the number of our authorized shares of common stock from 500,000,000 shares to 1,500,000,000 shares. The increase in the number of our authorized shares of common stock will become effective upon the filing of a Certificate of Amendment to our Certificate of Incorporation with the Secretary of State of the State of Delaware. We will file the Certificate of Amendment to our Certificate of Incorporation to effect the increase in the number of our authorized shares of common stock approximately (but not less than) 20 days after this definitive information statement is mailed or made available to stockholders as of the Record Date.

The form of Amendment to be filed with the Secretary of State of the State of Delaware is set forth as Appendix A to this information statement.

## Outstanding Shares and Purpose of the Amendment

Our Certificate of Incorporation currently authorizes us to issue a maximum of 500,000,000 shares of common stock, par value \$0.001 per share. As of the date of this information statement, we have 231,279,677 shares of common stock issued and outstanding, 4,000,000 shares of Series A Preferred Stock issued and outstanding, each of which entitles its holder to five (5) votes on each matter submitted to the shareholders, and 100 shares of Series I Preferred Stock issued and outstanding, each of which entitles its holder to its proportionate share of eighty per cent (80%) of all votes entitled to be voted and which is allocated to the outstanding shares of Series I Preferred Stock.

The board of directors (the “Board”) believes that the increase in our authorized common stock will provide the Company greater flexibility with respect to the Company’s capital structure for purposes including additional equity financings and stock based acquisitions. Further we believe that the decrease in our par value from \$0.001 per share to \$0.0001 per share will provide us will lower filing fees in jurisdictions where foreign qualifications base their fees on the par value of an applicant’s shares.

#### Effects of the Increase in Authorized Common Stock

The additional shares of common stock will have the same rights as the presently authorized shares of common stock, including the right to cast one vote per share of common stock. Although the authorization of additional shares will not, in itself, have any effect on the rights of any holder of our common stock, the future issuance of additional shares of common stock (other than by way of a stock split or dividend) would have the effect of diluting the voting rights and could have the effect of diluting earnings per share and book value per share of existing stockholders.

The board of directors expects to issue some or all of the additional shares of common stock authorized by the Amendment, as needed, for existing obligations as disclosed in the Company's annual and quarterly reports, and our registration statements on Form S-1. It is also possible that some of these additional shares could be used in the future for various other purposes without further stockholder approval, except as such approval may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or other quotation system on which our securities may then be listed. These purposes may include: conversion of debt to equity, raising capital, providing equity incentives to employees, officers or directors, establishing strategic relationships with other companies, and expanding the Company's business or product lines through the acquisition of other businesses or products.

On October 7, 2009, we entered into a Securities Purchase Agreement (the "Securities Purchase Agreement") with Tangiers Investors, LP ("Tangiers") through which the Company may, at its discretion, periodically sell to Tangiers shares of its common stock for a total purchase price of up to \$10,000,000. To date, we have drawn \$2,305,400 from this facility and issued an aggregate of 71,568,061 shares, leaving \$7,694,600 remaining to be drawn if the entire \$10,000,000 available to us is to be received. We filed a Registration Statement on Form S-1 on July 11, 2014 to register another 55,519,864 shares for issuance under this facility, and which became effective on August 6, 2014. Tangiers may ultimately purchase all, some or none of the 55,519,864 shares of common stock not yet issued but registered in such offering. However, we have the right to control the timing and amount of any sales of our shares to Tangiers and we may terminate the Securities Purchase Agreement at any time at our discretion without any penalty or cost to us. As we may continue to draw down on this facility, we may need to issue a greater number of shares of common stock under the Securities Purchase Agreement, which in turn would expose our existing stockholders to greater dilution.

We could also use the additional shares of common stock that will become available pursuant to the Amendment to oppose a hostile takeover attempt or to delay or prevent changes in control or management of the Company. Although the Board's approval of the Amendment was not prompted by the threat of any hostile takeover attempt (nor is the Board currently aware of any such attempts directed at the Company), nevertheless, stockholders should be aware that the Amendment could facilitate future efforts by us to deter or prevent changes in control of the Company, including transactions in which stockholders of the Company might otherwise receive a premium for their shares over then current market prices.

It is possible that we may have to again increase our Authorized share limit in the future if the current amount is deemed insufficient. To illustrate the potential dilution if we are to receive the entire \$7,694,600 remaining to be drawn if the entire \$10,000,000 available to us from Tangiers is to be received, the following table shows the number of shares that will have to be issued at our current share price, assuming an average maximum discount of 18% if we are to draw the maximum available on each draw, and the number of shares that will need to then be issued if our share price decreases by as much as 75%.

	Current share price	25% decrease in share price	50% decrease in share price	75% decrease in share price
Share price	\$ 0.00850	\$ 0.00638	\$ 0.00425	\$ 0.00213
Issuance share price at maximum average 18% discount	\$ 0.00697	\$ 0.00523	\$ 0.00349	\$ 0.00174
Maximum draw remaining	\$ 7,694,600	\$ 7,694,600	\$ 7,694,600	\$ 7,694,600
Potential share issuance	1,103,959,828	1,471,946,437	2,207,919,656	4,415,839,311
Percentage increase from current outstanding shares	529%	705%	1058%	2116%

#### DISSENTER'S RIGHTS

Under the Delaware General Corporate Law, holders of shares of common stock are not entitled to dissenters' rights with respect to any aspect of the Amendment, and we will not independently provide holders with any such right.
