PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the Board of Directors of Accredited Home Lenders Holding Co., a Delaware corporation, for use at our annual meeting of stockholders to be held on May 20, 2004, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement and the enclosed proxy are being mailed to stockholders on or about April 23, 2004.

SOLICITATION AND VOTING

Voting Securities. Only stockholders of record as of the close of business on March 26, 2004 will be entitled to vote at the meeting and any adjournment thereof. As of that time, we had 20,161,709 shares of common stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of that date is entitled to one vote for each share of common stock held by him or her. Our Bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against, abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum.

Broker Non-Votes. A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in street name) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors. Non-routine matters include amendments to stock plans.

Solicitation of Proxies. We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail through our employees, we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our stock and will reimburse them for their reasonable, out-of-pocket costs. We may use the services of our officers, directors and others to solicit proxies, personally or by telephone, without additional compensation. In addition, we have retained InvestorCom, Inc., a proxy solicitation firm, for assistance in connection with the annual meeting at a cost of approximately \$3,500.00 plus reasonable out-of-pocket expenses.

Voting of Proxies. All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a proxy specifies a stockholder's choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted in favor of the proposal. A stockholder giving a proxy has the power to revoke his or her proxy at any time before it is exercised by delivering to the Secretary of Accredited Home Lenders Holding Co. a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

We have a classified Board of Directors (Board) currently consisting of two Class I directors, two Class II directors and two Class III directors, who will serve until the annual meetings of stockholders to be held in 2004, 2005 and 2006, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting dates. John M. Robbins was a Class I director and a member of the Audit Committee and a member of the Nominating and Corporate Governance Committee. Mr. Robbins resigned as a director in fiscal 2004. Upon his resignation, Gary M. Erickson was appointed to the Audit Committee and Dr. Richard T. Pratt was appointed to the Nominating and Corporate Governance Committee. As a result of Mr. Robbins' resignation, there is currently a vacancy in the Class I directors.

The terms of the remaining Class I directors will expire on the date of the upcoming annual meeting. Accordingly, two persons are to be elected to serve as Class I directors of the Board at the meeting. The Board's nominees for election by the stockholders to those two positions are the current Class I members of the Board, James A. Konrath and Gary M. Erickson. If elected, the nominees will serve as directors until our Annual Meeting of Stockholders in 2007 and until their successors are elected and qualified. If any of the nominees declines to serve or becomes unavailable for any reason, or if an additional vacancy occurs before the election (although we know of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as we may designate.

If a quorum is present and voting, the two nominees for Class I director receiving the highest number of votes will be elected as Class I directors. Abstentions and broker non-votes have no effect on the vote.

The Board of Directors recommends a vote FOR the nominees named above.

The following table sets forth, for our current directors, including the Class I nominees to be elected at this meeting, information with respect to their ages and background.

Board Meetings and Committees

The Board held four meetings during the fiscal year ended December 31, 2003. The Board has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. During the last fiscal year, no director attended fewer than 75% of the total number of meetings of the Board and all of the committees of the Board on which such director served during that period.

Audit Committee. The members of the Audit Committee during fiscal 2003 were Ms. Gunderson, Mr. Robbins and Dr. Pratt. In fiscal 2004, Mr. Robbins resigned from the Board. The Board appointed Mr. Erickson to the Audit Committee at that time. Each of the members of the Audit Committee are independent as defined by the NASD rules. The functions of the Audit Committee include retaining our independent auditors, reviewing their independence, reviewing and approving the planned scope of our annual audit, reviewing and approving any fee arrangements with our auditors, overseeing their audit work, reviewing and pre-approving any non-audit services that may be performed by them, reviewing the adequacy of accounting and financial controls, reviewing our critical accounting policies and reviewing and approving any related party transactions. The Board has determined that Ms. Gunderson is an audit committee financial expert, as defined in the rules of the Securities and Exchange Commission (the SEC). The Audit Committee held nine meetings during the 2003 fiscal year.

The Governance Committee considers qualified candidates for appointment and nomination for election to the Board and makes recommendations concerning such candidates, develops corporate governance principles for recommendation to the Board and oversees the regular evaluation of our directors and management. The Governance Committee held four meetings during the 2003 fiscal year. The Governance Committee will consider nominees recommended by stockholders.

Table of Contents

Director Nominations

Consistent with its charter, the Governance Committee will evaluate and recommend director nominees to the Board for each election of directors.

In fulfilling its responsibilities, the Governance Committee considers the following factors:

the appropriate size of the Company's Board and its committees;

the needs of the Company with respect to the particular talents and experience of its directors;

the knowledge, skills and experience of nominees, including experience in mortgage banking, business, finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

experience with accounting rules and practices;

applicable regulatory and securities exchange/association requirements;

appreciation of the relationship of the Company's business to the changing needs of society; and

a balance between the benefit of continuity and the desire for a fresh perspective provided by new members.

The Governance Committee's goal is to assemble a Board that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Governance Committee also considers candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees. However, the Governance Committee may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Governance Committee does, however, recognize that under applicable regulatory requirements at least one member of the Board must, and believes that it is preferable that more than one member of the Board should, meet the criteria for an audit committee financial expert as defined by SEC rules, and that at least a majority of the members of the Board must meet the definition of independent director under NASD rules. The Governance Committee also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

The Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form DEF 14A

Governance Committee and Board will be polled for suggestions as to individuals meeting the criteria of the Governance Committee. Research may also be performed to identify qualified individuals. If the Governance Committee believes that the Board requires additional candidates for nomination, the Governance Committee may explore alternative sources for identifying additional candidates. This may include engaging, as appropriate, a third party search firm to assist in identifying qualified candidates.

The Governance Committee will evaluate any recommendation for director nominee proposed by a stockholder who (i) has continuously held at least 1% of the outstanding shares of the Company's common stock entitled to vote at the annual meeting of stockholders for at least one year from the date the stockholder makes the recommendation and (ii) undertakes to continue to hold the common stock through the date of the meeting. In order to be evaluated in connection with the Company's established procedures for evaluating potential director nominees, any recommendation for director nominee submitted by a qualifying stockholder must be received by the Company no later than 120 days prior to the anniversary of the date proxy statements were mailed to

Table of Contents

stockholders in connection with the prior year's annual meeting of stockholders. Any stockholder recommendation for director nominee must be submitted to the Company's Corporate Secretary in writing at 15090 Avenue of Science, San Diego, California 92128 and must contain the following information:

a statement by the stockholder that he/she is the holder of at least 1% of the Company's common stock and that the stock has been held for at least a year prior to the date of the submission and that the stockholder will continue to hold the shares through the date of the annual meeting of stockholders;

the candidate's name, age, contact information and current principal occupation or employment;

a description of the candidate's qualifications and business experience during, at a minimum, the last five years, including his/her principal occupation and employment and the name and principal business of any corporation or other organization in which the candidate was employed;

the candidate's resume; and

three references.

The Governance Committee will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above.

All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Governance Committee.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

The employment of our executive officers is at will. The Company has not entered into employment agreements with any of our executive officers.

Compensation of Directors

During the first three quarters of 2003, our non-employee directors received \$1,000 for each meeting of the Board they attended and \$500 for each committee meeting they attended. In addition, each non-employee director received an annual retainer of \$20,000. Effective October 1, 2003, compensation for non-employee directors was increased to its present level of \$1,500 per Board meeting and \$1,000 per committee meeting for each meeting attended. Each committee chairperson receives an additional \$1,000 per committee meeting attended. The annual retainer was also increased to \$25,000 effective at the same time.

We reimburse all non-employee directors for expenses incurred to attend meetings of our Board or its committees, promptly after such expense is incurred. Our 2002 Stock Option Plan (the 2002 Plan) provides for an initial, automatic grant of an option to purchase 17,500 shares of our common stock. The 2002 Plan also provides for an annual grant of an option to purchase 7,500 shares of our common stock to each non-employee director on the date of each annual meeting of the stockholders. Notwithstanding the foregoing, a non-employee director granted an initial option on, or within a period of six months prior to, the date of an annual meeting of stockholders will not be granted an annual option with respect to that annual stockholders' meeting. Each initial and annual option will have an exercise price per share equal to the fair market value of a share of our common stock on the date of grant and will have a term of ten years. Both the initial options and the annual options granted to newly elected or appointed non-employee directors will vest and become exercisable in four substantially equal installments on each of the four anniversaries of the date of grant of the option. All automatic non-employee director options granted under the 2002 Plan will be nonstatutory stock options. They must be exercised, if at all, within 12 months after a non-employee director's termination of service with us by reason of death or disability and otherwise within three months after termination of service, but in no event later than the expiration of the option's term. In the event of our merger with another corporation or another change in control event, all automatic non-employee director options will become fully vested and exercisable.

In response to changing industry practices and competitive pressures, the Board conducted a review of the retention and incentive practices of certain of the Company's competitors and peers. Following that review, the Board determined that the outside director retention goals of the Company were better met through an annual grant of restricted shares of Company common stock under the Company's Deferred Compensation Plan (DCP) in lieu of the annual grant of options to purchase 7,500 shares of common stock under the 2002 Plan. In March 2004, the Board approved annual grants of shares of common stock under the DCP with a dollar value equivalent of \$90,000 for each non-employee director. For non-employee directors currently serving on the Board, the grants will occur annually on February 14, the anniversary of the effective date of the Company's initial public offering. New non-employee directors are entitled to receive the restricted share grant on the first, and each subsequent, anniversary of their initial date of joining the Board. Each of the restricted share grants vests upon the second anniversary of its date of grant. In order to receive the restricted share grant(s), each non-employee director is required to sign a waiver of his or her right to receive the annual option grant under the 2002 Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since January 2003, there has been no transaction to which we were a party in which the amount involved exceeded \$60,000 and in which any director, executive officer, holder of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had a direct or indirect material interest, other than the compensation agreements, including stock option agreements, and other agreements and transactions which are described in this proxy statement and the transactions described below. These related-party transactions were each negotiated on an arms-length basis and were on no less favorable terms to us than would have been given to a third party. We are also not currently proposing to enter into any such transactions.

On August 1, 2001, Joseph J. Lydon, our President and Chief Operating Officer and a holder of 4.8% of our common stock, issued a promissory note to us in order to exercise his options to purchase 1,000,000 shares of our common stock. The promissory note is due on the earlier of (i) August 1, 2005 or (ii) the termination of Mr. Lydon's employment with us. The principal amount of the note is \$1,250,000, which amount is accruing interest at a rate of 10.6% per annum. Mr. Lydon may prepay the entire principal balance of the note at any time; however, interest on the entire original principal will still be due and payable on each anniversary of the date of the note through the maturity date of the note. This promissory note is full recourse and is secured by Mr. Lydon's 1,000,000 shares of our common stock, pursuant to a stock pledge agreement. Pursuant to a letter from us to Mr. Lydon dated August 1, 2001, we agreed to pay Mr. Lydon supplemental compensation payments of \$238,000 on August 1, 2002 and on each August 1 thereafter through August 1, 2005. If Mr. Lydon's employment with us terminates before August 1, 2005, he is entitled to a pro rata portion of such compensation through the date of termination. In addition, on June 13, 2002, we made a loan to Mr. Lydon to cover certain income taxes payable in connection with his exercise of options. The outstanding principal amount of the loan is currently \$26,497, which amount is accruing interest at a rate of 10.0%. The note is due on the earlier of (i) June 13, 2006 or (ii) the termination of Mr. Lydon's employment with us. Mr. Lydon may prepay the entire principal balance of the note at any time.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who beneficially own more than 10% of our Common Stock to file initial reports of beneficial ownership and reports of changes in beneficial ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, directors and greater-than-10% stockholders were complied with, except for one late report by each of Jody A. Gunderson, John M. Robbins, James P. Gauer, Martin P. Harding, Robert A. Hoff, Joseph J. Lydon, John S. Buchanan, Jeffrey W. Crawford, David E. Hertz, James M. Pathman, Robert A. Prentice, Juanita L. Rosenfeld and Joseph F. Weinbrecht, and two late reports by James H. Berglund, with respect to an aggregate of 15 transactions.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is comprised of non-employee directors. The members of the Compensation Committee during fiscal 2003 were Mr. Berglund, Ms. Gunderson and Dr. Pratt. The Compensation Committee is responsible for managing the compensation of the executive officers of the Company, including the review and approval of policies governing such compensation, review of the performance of the executive officers and determination of the compensation levels for executive officers.

The Compensation Committee's compensation policies with respect to executive officers are designed to attract, retain and reward executive officers who contribute to the Company's success, to align executive officer compensation with the Company's performance and to motivate executive officers to achieve the Company's business objectives, always with stockholder value in mind. The Company uses salary, cash bonuses, stock option grants and restricted stock grants to implement these policies.

Base salaries of executive officers are reviewed annually by the Compensation Committee and adjustments are made based on (i) salary recommendations from the Chief Executive Officer, (ii) individual performance of executive officers for the previous fiscal year, and (iii) financial results of the Company for the previous year. Also, in 2003, the Compensation Committee engaged an employment compensation consulting firm to survey the executive compensation packages of the Company's perceived peer group. Incentive compensation for executive officers is provided for under the Company's Management Incentive Plan approved by the Compensation Committee (the Incentive Plan). The Incentive Plan authorizes both cash and restricted stock awards based on a combination of the Company's performance and the individual's performance. The Incentive Plan establishes maximum levels of awards that may be granted based upon the Company's attaining different levels of net income, and actual awards to executive officers are based upon individual performance, as determined by the Compensation Committee with input from the Chief Executive Officer. The maximum levels of awards are established based on prior years' maximum levels and information regarding executive compensation at peer group companies. The Compensation Committee determines compensation for the Company's Chief Executive Officer, Mr. Konrath, in the same manner as for other executive officers except that the maximum award amounts under the Incentive Plan for the Chief Executive Officer (and for the President, the Executive Vice President and the Director of Operations) are established at higher levels than for other executive officers. In awarding Mr. Konrath the maximum award amounts available under the Incentive Plan with respect to 2003, the Compensation Committee took into account the Company's record volume and profits for 2003, the completion of the Company's initial public offering, and the steady and significant increase in the value of the Company's stock following the initial public offering.

Section 162(m) of the Internal Revenue Code restricts deductibility of executive compensation paid to the Company's chief executive officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Income related to grants of restricted stock generally does not qualify for an exemption; however, the Compensation Committee believes that the retention value of grants of the restricted stock that were made with respect to 2003 outweighs the limitation on the deductibility of income related to such grants. In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility.
