10 Things You Should Know About the Saba-Centra Combination

What's Next?

Welcome to a special edition of SabaNews. Since October 6th, when Saba announced plans to acquire Centra Software, we have received positive feedback from customers, partners and industry thought leaders. In our conversations with the extended Saba community about our plans, we keep hearing excitement about the strength of the combined company, continued support of customers and the complementary nature of our two companies and offerings. We have summarized these points into 10 Things You Should Know About the Saba-Centra Combination .

10 Things You Should Know About the Saba/Centra Business Combination

1. Long term Viability

\$100 million in combined annual revenue run rate at close

50% recurring revenue a solid foundation for growth

Saba is growing revenue growth of 46% last quarter

2. Largest Enterprise Customer Community

1100+ enterprise customers

51 of the Fortune 100 and 22% of the Fortune 500

15 million end users in 31 countries

3. Continued Product Availability in Modular Fashion with Open Architecture

Customers can continue to purchase Saba LMS standalone or with other virtual classrooms like WebEx Training Center, MSFT Live Meeting, etc.

Customers can continue to purchase Centra standalone or with other LMSs like Sum Total, Plateau, etc.

Customers can continue to purchase other Centra products standalone like Conference, eMeeting, InfoGuide, Instant Assist

Customers can continue to purchase other Saba HCM applications standalone or as an integrated suite

4. Continued Support

Existing products will continue to be supported according to existing contract terms

No change in the way we support third party integrations, adapters or Virtual Learning Environments in an open manner

Edgar Filing: SABA SOFTWARE INC - Form 425

No change in Centra or Saba support agreements

No change in ASP or hosting commitments (including help desk)

No change in ASP help desk commitments

No products will be prematurely put into end-of-life state

5. Able to Address Growing Blended Learning Demand

Identified as a key need in leading organizations

40+ customers jointly using combined solution, a 25% increase last year

Requires virtual classroom to deliver blended learning over the Internet

Combined offering addresses current needs and future direction

6. Complementary Companies

Product lines have virtually no overlap; this creates synergy rather than consolidation or distraction (unlike SumTotal w/multiple LMSs)

Both companies are focused on enterprise learning as our core offerings

Centra went back to its learning competency in 2004 and with its recent Centra 7.5 release won Best in Show at Tech Learn 2005 and the Top Training Award for 2005 sponsored by HR Executive Magazine

Both product lines will continue to grow

People and expertise from both companies will be critical to success

Centra executives are taking key leadership roles in the combined company

7. Deeper Integration

Will provide built-in, seamlessly integrated LMS and virtual classroom (blended learning solution)

Saba and Centra product roadmaps will be coordinated

8. Continued Development

Both companies' product lines will continue

Saba will be the name of the new company. Centra will be the brand name of the collaboration product suite

Development and enhancement will continue

Saba & Centra will continue to invest in APIs, third-party integrations, standards (including evolving standards) and adapters, to provide an open solution to the marketplace

9. Focus on Customer Choice

Customers can use Centra with other HCM and LMS vendors

Customers can use Saba with other VLE vendors

Customers can choose standalone components or combinations that meet their unique needs

Customers can choose the currently integrated Saba + Centra solution

Customers can choose the seamlessly integrated Saba + Centra solution that is scheduled to be available in 2006

10. Invest in Customer Communities

Saba intends to create a Collaborative Learning Special Interest Group (SIG)

The premier eLearning industry event, Centra Summit, will become a larger Saba + Centra event aimed at customers and partners

The combined user conference will have dedicated tracks to support the interests of Saba and Centra customers

The combined company will continue to hold regional user group (RUGs) for both companies

The Saba Global Customer Advisory Board (GCAB) will include customers using Centra
