Annual General Meeting of Shareholders

May 12, 2006

GENERAL INFORMATION ABOUT THE 2006

ANNUAL GENERAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the **Board**) of PartnerRe Ltd. (the **Company**) of proxies from holders of the Company's common shares, par value US\$1.00 per share (the **Common Shares**). The proxies will be voted at the Annual General Meeting of Shareholders to be held at 1:30 p.m. local time on May 12, 2006 at 5th Floor, Wellesley House South, 90 Pitts Bay Road, Pembroke, Bermuda, and at any adjournment or adjournments thereof (the **Annual General Meeting**).

The primary mailing address for the Company is Wellesley House South, 90 Pitts Bay Road, Pembroke HM 08, Bermuda (telephone 1-441-292-0888). The Notice of Annual General Meeting of Shareholders, the Proxy Statement and the accompanying form of proxy were first transmitted to shareholders of the Company on or about March 31, 2006. A copy of the Company's Annual Report for the year ended December 31, 2005 is being mailed to shareholders together with this Proxy Statement. These documents may also be viewed on the Company's website at www.partnerre.com.

WHO IS ENTITLED TO VOTE?

All shareholders may vote provided they owned Common Shares of the Company as of the close of business on March 17, 2006 (the **Record Date**). Each common share held at the Record Date entitles the holder to one vote on each matter to be voted on. As of the Record Date, the Company had an aggregate of 56,741,547 common shares issued and outstanding.

IS THE ABILITY TO VOTE LIMITED?

If a shareholder constructively or beneficially, directly or indirectly, owns more than 9.9% of the voting power of the outstanding Common Shares, the voting rights with respect to such shares will be limited, in the aggregate, to voting power of 9.9%, pursuant to a formula specified in the Company's Bye-Laws.

WHAT AM I VOTING ON?

Shareholders will be asked to:

- (i) Elect three (3) directors to serve on the Board of Directors until the annual general meeting of shareholders in the year 2009 or until their respective successors have been duly elected; and
- (ii) Re-appoint Deloitte & Touche, the independent registered public accounting firm, as the Company's independent auditors for the ensuing period ending with the 2007 annual general meeting and to refer the determination of auditors' remuneration to the Board of Directors.

Shareholders may also be asked to consider and take action with respect to such other matters as may properly come before the Annual General Meeting.

WHAT OTHER MATTERS MAY BE VOTED ON AT THE ANNUAL GENERAL MEETING?

At the date of this Proxy Statement, management has no knowledge of any business, other than that described in this Proxy Statement, which will be presented for consideration at the Annual General Meeting. In the event any other business is properly presented at the Annual General Meeting, it is intended that the persons named in the enclosed proxy will have authority to vote such proxy in accordance with their judgment.

Table of Contents

WHAT DOES SOLICITATION OF PROXIES MEAN?

The Board encourages all shareholders who do not expect to attend the Annual General Meeting in person to vote. If shareholders are unable to attend they can request that another individual attend the Annual General Meeting and vote on their behalf in accordance with the shareholders request. This person is referred to as a proxy. The process by which the board requests individuals to appoint a proxy is referred to as the solicitation of proxies.

HOW DO I APPOINT A PROXY AND HOW DO I INSTRUCT HIM/HER HOW TO VOTE ON MY BEHALF?

By completing the attached form of proxy and signing, dating and returning it in the envelope provided shareholders will be authorising their proxy to attend the Annual General Meeting and to vote on their behalf and in accordance with their request.

WHO WILL BE MY PROXY?

John A. Rollwagen, the Chairman of the Board and Patrick A. Thiele, the President and Chief Executive Officer of the Company, have been designated as proxies by the Board and will therefore vote on behalf of the shareholder and in accordance with his or her request.

CAN I APPOINT SOMEONE ELSE TO BE MY PROXY?

If shareholders are registered, meaning that they hold Common Shares in certificate form or through an account with the Company's transfer agent, Computershare Trust Company, N.A. (Computershare), they may appoint another individual to represent them at the Annual General Meeting by contacting Computershare in writing and indicating who will represent the shareholder at the Annual General Meeting, before the time of the Annual General Meeting. The individual must provide valid picture identification. It is the responsibility of the shareholder appointing some other person to represent him or her to inform such person of this appointment. If the shareholder holds Common Shares through an account with a bank or broker they should contact their bank or broker to obtain instructions on how to appoint someone else as proxy.

HOW DO I VOTE PRIOR TO THE ANNUAL GENERAL MEETING?

Registered shareholders have three voting options:

- (i) Over the Internet, which the Company encourages if the shareholder has Internet access, at the address shown on the form of proxy;

Edgar Filing: PARTNERRE LTD - Form DEF 14A

- (ii) By telephone, through the number shown on the form of proxy; or

- (iii) By mail, by completing, signing and returning the enclosed form of proxy.

If shareholders hold Common Shares through an account with a bank or broker, the ability to vote by telephone or the Internet depends on the voting procedures. Shareholders should follow the instructions that the bank or broker provides.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE ANNUAL GENERAL MEETING?

In order for the Company to proceed with the transaction of business at the Annual General Meeting, the holders of 25% of the outstanding Common Shares as of the Record Date must have voted prior to the meeting or be present in person or by proxy. This is referred to as a quorum.

Common Shares will be counted as quorum if the Shareholder:

- (i) Attends the Annual General Meeting and votes in person;

- (ii) Properly returns a proxy by Internet, telephone or mail; or

- (iii) Indicates on the form of proxy that he or she abstains or the vote is recorded as a broker non-vote.

Table of Contents

HOW MANY VOTES ARE NEEDED TO APPROVE THE COMPANY'S PROPOSALS?

All matters to be voted on in this Proxy Statement (including any matters that properly come before the Annual General Meeting) will be decided by a simple majority of votes cast. If the Common Shares are held by a broker who does not indicate how to vote on a particular matter that comes up for a vote at the Annual General Meeting or if the shareholder abstains from voting on a particular matter that comes up for a vote at the Annual General Meeting, the Common Shares will be treated as not entitled to vote on that matter for purposes of determining whether the matter has been approved.

WHAT IF I RETURN MY FORM OF PROXY BUT DO NOT PROVIDE VOTING INSTRUCTIONS?

Forms of proxy that are signed and returned but do not contain instructions will be voted in favor of the proposals set forth in the Notice of Annual General Meeting.

WILL MY COMMON SHARES BE VOTED IF I DO NOT PROVIDE MY FORM OF PROXY?

If the shareholder is a registered shareholder and does not sign and return the form of proxy or vote by telephone or over the internet, he or she must attend the Annual General Meeting in order to vote. If Common Shares are held through an account with a bank or broker, they may be voted even if no voting instructions are provided by the shareholder on form of proxy. Brokerage firms have the authority under New York Stock Exchange (NYSE) rules to vote shares for which their customers do not provide voting instructions on certain routine matters. The election of directors and the ratification of Deloitte & Touche as the Company's independent auditors are considered routine matters for which brokerage firms may vote without specific instructions.

CAN I CHANGE MY MIND AFTER I VOTE?

Shareholders may change their vote at any time prior to the Annual General Meeting. Shareholders may do this by:

- (i) Signing another form of proxy with a later date and returning it to the Company's transfer agent, Computershare, if they are a registered shareholder or to their bank or broker before the Annual General Meeting;
- (ii) Voting again by telephone or over the Internet prior to 1:00 a.m. Central Time on May 12, 2006; or
- (iii) Voting at the Annual General Meeting if the shareholder is a registered shareholder or has obtained a legal proxy from his or her bank or broker.

If a shareholder changes his or her mind and intends to vote at the Annual General Meeting, he or she must provide the Secretary of the Company oral or written notice either at or prior to the Annual General Meeting as attendance at the Annual General Meeting by a shareholder

Edgar Filing: PARTNERRE LTD - Form DEF 14A

who has completed and returned a form of proxy will not necessarily mean that such person has changed his or her mind.

HOW DOES THE BOARD SOLICIT PROXIES?

Proxies will be solicited initially by mail. Directors, officers and employees of the Company may make further solicitation personally, by telephone or otherwise, but such persons will not be specifically compensated for such services.

If the shareholder holds Common Shares through an account with a bank or broker they will be requested to forward the proxy materials to the beneficial owners of the Common Shares as of the Record Date. Such bank or broker will be reimbursed for their reasonable expenses incurred in connection with forwarding such material.

Table of Contents

WHO PAYS FOR THE SOLICITATION OF PROXIES?

The Company will bear all of the costs of the solicitation of proxies for use at the Annual General Meeting.

Shareholders voting via the internet or by telephone from outside the United States and Canada should understand that there may be costs associated with electronic access, such as usage charges from internet access providers and telephone companies, that must be borne by the shareholder. There are separate internet and telephone voting arrangements depending upon whether Common Shares are registered in the shareholder's name or in the name of a bank or broker.

MAY I VOTE AT THE ANNUAL GENERAL MEETING?

If a shareholder is a registered shareholder he or she may vote at the Annual General Meeting if he or she attends in person. If the shareholder holds his or her Common Shares through an account with a bank or broker, he or she must obtain a legal proxy from the bank or broker in order to vote at the Annual General Meeting. A legal proxy is an authorization from the bank or broker to vote the Common Shares it holds in its name for the benefit of the shareholder on the records of the Company's transfer agent. Even if a shareholder plans to attend the Annual General Meeting, the Company encourages such shareholder to vote his or her Common Shares by proxy. As detailed above the shareholder may vote by proxy through the Internet, by telephone or by mail.

CAN I ATTEND THE ANNUAL GENERAL MEETING?

The Annual General Meeting is open to all holders of outstanding Common Shares as of the Record Date.

To attend the Annual General Meeting, all shareholders will need to bring valid picture identification. If the shareholder holds Common Shares through an account with a bank or broker, they need to contact the bank or broker and request a legal proxy, which will serve as an admission ticket. **IF A SHAREHOLDER DOES NOT HAVE VALID PICTURE IDENTIFICATION AND A LEGAL PROXY (IF REQUIRED), THEY MAY NOT BE ADMITTED TO THE ANNUAL GENERAL MEETING.**

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE FORM OF PROXY?

It indicates that the shareholder's Common Shares are registered differently and are in more than one account. To ensure that all Common Shares are voted, please either vote each account by telephone or on the Internet, or sign and return all forms of proxy. The Company encourages shareholders to register all their accounts in the same name and address. Registered shareholders may contact the Company's transfer agent, Computershare, at the telephone number provided on the form of proxy. Those holding Common Shares through a bank or broker should contact the bank or broker and request consolidation.

Edgar Filing: PARTNERRE LTD - Form DEF 14A

HOW DO I MAKE A PROPOSAL FOR THE COMPANY'S 2007 ANNUAL GENERAL MEETING?

If a shareholder wants to propose any matter for a vote by the Company's shareholders at the Company's 2007 annual general meeting, he or she must send his or her proposal to the Secretary, PartnerRe Ltd., Wellesley House South, 90 Pitts Bay Road, Pembroke HM 08, Bermuda. The Company may omit the proposal from next year's Proxy Statement if it is not received by the Secretary at the address noted above 120 days prior to the first anniversary of the Company's 2006 Proxy Statement or if it does not comply with applicable SEC requirements.

CAN I MAKE A PROPOSAL AT COMPANY'S 2007 ANNUAL GENERAL MEETING?

If a shareholder proposal is introduced at the 2007 annual general meeting without any discussion of the proposal in the Company's proxy statement and the shareholder does not notify the Company 45 days prior to the first anniversary of the Company's 2006 Proxy Statement as required by Exchange Act Rule 14a-4 (c)(1) of the intent to raise such proposal at the annual general meeting, then such proxies received by the Company for the 2007 annual general meeting will be voted by the persons named as such proxies in their discretion with respect to such proposal. Notice of such proposal is to be sent to the address listed in the paragraph above.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than 10 percent of a registered class of the Company's equity securities, to file with the SEC and the New York Stock Exchange initial reports of ownership and reports of changes in beneficial ownership of such equity securities of the Company. As a practical matter the Company assists its directors and executive officers by monitoring transactions and completing and filing Section 16 reports on their behalf.

To the Company's knowledge, based solely on a review of the reports filed and written representations received from the persons subject to Section 16(a), no other reports were required, and no director or executive officer of the Company failed to file their required reports on a timely basis during 2005 except that Mr. Pabst, then an executive officer of the Company, was late in filing his Form 4 reporting the acquisition of certain shares of the Company as of December 31, 2004.

CORPORATE GOVERNANCE

Board Classification

The Company's Board is divided into three classes as follows: the first class, whose term expires at the Annual General Meeting, is comprised of Robert M. Baylis, Jan H. Holsboer and Kevin M. Twomey. The second class, whose term expires at the 2007 annual general meeting of the Company's shareholders, is comprised of Vito H. Baumgartner, Jean-Paul Montupet and John A. Rollwagen. The third class, whose term expires at the 2008 annual general meeting of the Company's shareholders, is comprised of Judith Hanratty, Rémy Sautter, Patrick A. Thiele and Jürgen Zech. If elected, Messrs. Robert M. Baylis, Jan H. Holsboer and Kevin M. Twomey will continue to serve as the first class of directors, and their term will expire at the 2009 annual general meeting of shareholders.

Meetings and Committees of the Board

The Board held five meetings in 2005. The directors attended all of the Board meetings in 2005. All directors attended at least 75% of the meetings held by the committees of the Board of which such director was a member. The Board has not appointed a Lead Director as an independent, non-management director holds the position of Chairman. All directors attended the 2005 Annual General Meeting.

Insurance

The Company purchases director and officer insurance. The primary underwriter on the policy is Hartford Fire Insurance Company. The policy period runs from April 1st to March 31st and is currently being negotiated for the period commencing April 1, 2006. The current annual cost of this coverage is \$2,300,000.

Communication with Directors

The Company has adopted a process by which shareholders may communicate with the Company's directors. Any shareholder wishing to do so may write to the Board at the Company's principal business address, Wellesley House South, 90 Pitts Bay Road, Pembroke HM 08, Bermuda, marked for the attention of the individual director or the Secretary to the Board. The Secretary to the Board's office opens all such correspondence. The Secretary to the Board reports directly to the Chairman of the Board, Mr. John A. Rollwagen. All correspondence will be forwarded to the relevant director, except for items unrelated to the functions of the Board, business solicitations or advertisements.

Significant Board Practices

Executive Session

At every physical board meeting there is an executive session held where Mr. Patrick Thiele, the Chief Executive Officer, is excused. In 2005, four of these sessions occurred. The non-management board members are then at liberty to raise whatever issues they wish. Prior to each meeting the board members are polled by the Secretary to the Board acting for the Chairman about any topics or issues they wish to raise during this executive session.

Advance Materials

Information and data important to the directors' understanding of the business or matters to be considered at a Board or Board committee meeting are, to the extent practical, distributed to the directors sufficiently in advance of the meeting to allow careful review prior to the meeting. In addition an annual agenda is set in advance by the directors and circulated with the materials. In addition, the Chairman of the Board and each Committee, having had direct input from the Board and Committee members respectively, sets a quarterly agenda in advance for all Board and Committee meetings.

Table of Contents

Access to Management and Employees

Directors have full and unrestricted access to the management and employees of the Company. Additionally, key members of management attend Board meetings from time to time to present information about the results, plans and operations of the business within their areas of responsibility.

Access to Outside Advisers

The Board and its committees may retain external counsel or consultants without obtaining the approval of any officer of the Company in advance or otherwise. The Audit Committee has the sole authority to retain and terminate the independent auditor. The Nominating & Governance Committee has the sole authority to retain search firms to be used to identify director candidates. The Compensation Committee has the sole authority to retain compensation consultants for advice on executive compensation matters.

Board Independence and Expertise

All members of the Board have been determined to be independent with the exception of the Chief Executive Officer, Patrick Thiele, who is the only management member of the Board. In making its determination of independence, the Nominating & Governance Committee considers the NYSE listing standards for independence and reviews a comprehensive list of board memberships and charitable associations for each board member, as updated annually. As a result of this review, the Nominating & Governance Committee determined that with the exception of Mr. Thiele, no director of the Company had a direct or indirect material relationship with the Company and that, with the exception of Mr. Thiele, all are deemed to be independent directors. If any such relationship were deemed to exist all relevant material fees would be disclosed and the Nominating & Governance Committee would make a determination of non-independence. The Board has not appointed a Lead Director as the role of Chairman of the Board is filled by an independent, non-executive director and the Chairman presides at all meetings of the Board and all executive sessions.

There are no interlocking directorships and none of the Company's independent directors or any of their immediate family receives any consulting, advisory, legal or other non-director fees from the Company.

In 2005 the Company entered into agreements with Barclays Bank PLC, a company in which Dr. Zech is a former non-executive director, and their respective affiliates and Atis Real, a company in which Dr. Zech is a former director. Dr. Zech retired as a director of Barclays Bank PLC and Atis Real in April 2005 and June 2005, respectively. The Nominating & Governance Committee determined that none of these agreements impacted, individually or in the aggregate, the independence of Dr. Zech as defined by the New York Stock Exchange. The Board reviewed each of the agreements and determined that such transactions were no less favorable to the Company than could have been obtained from third parties that had no relationship with the Company. The Board determined that the independence of Dr. Zech is not affected.

Each of the transactions are described in further detail below:

Utilities and Rent

The Company leases office space from Atis Real. Pursuant to the lease agreement, rent expense for the year ended December 31, 2005 was \$8.6 million (aggregated \$4.9 million through June 2005).

In the normal course of its operations, the Company has entered into certain agreements with Barclays Bank PLC and its subsidiaries (Barclays) on market terms. At December 31, 2005 the Company held convertible bond securities issued by Barclays and invested in an index fund and a money market fund managed by Barclays. In addition, Barclays provided the Company with brokerage and cash management services. As part of its overall currency risk management, the Company utilized the services of Barclays when entering into certain foreign exchange contracts. The Company also entered into weather related transactions with Barclays in 2005 as part of its ART operations. Barclays is also a lending financial institution on the Company's unsecured credit facility.

Table of Contents

In the normal course of its investment operations, the Company bought or held securities of companies in which board members of the Company are also directors or non-executive directors. All transactions entered as part of the investment portfolio were completed on market terms.

Director Qualifications

The Nominating & Governance Committee is responsible for identifying, reviewing, assessing and recommending to the Board candidates to fill vacancies on the Board that occur for any reason. The Nominating & Governance Committee has established director candidate guidelines setting forth criteria that are considered in evaluating the candidacy of any individual as a member of the Board.

Code of Business Conduct and Ethics

The Board has adopted the PartnerRe Ltd. Code of Business Conduct and Ethics. The Code applies to all directors, officers and employees of the PartnerRe Group of companies. Any specific waiver of the provisions requires approval of the Board or the Audit Committee, and any waivers must be promptly disclosed to shareholders. There were no amendments to the Code and no waivers in 2005. Any employee, officer or director who violates the Code of Business Conduct and Ethics will be subject to disciplinary action.

The Code of Business Conduct and Ethics was filed with the U.S. Securities and Exchange Commission on Form 8-K in January 2003. A copy of the Code of Business Conduct and Ethics is also available on the Company's website at www.partnerre.com.

Corporate Governance Principles And Application Guidelines

The Board of the Company adopted the Corporate Governance Principles and Application Guidelines (the Governance Principles). The Governance Principles are intended to define how the Board of PartnerRe will operate and reflect the business of the Company and its global practices and representation. The Governance Principles specifically refer to the fact that the Company's Bye-Laws require majority voting for resolutions relating to the election of directors. The guidelines also include governance mechanics that apply to the practices of the Company's Board on a day-to-day basis.

The business and affairs of the Company are managed under the direction of the Board, which represents the shareholders of the Company. The Board believes that good corporate governance is a critical factor in achieving business success. The Board has long adhered to best practices in corporate governance in fulfillment of its responsibilities to shareholders. Its practices align management and shareholder interests.

Table of Contents**COMMITTEES OF THE BOARD OF DIRECTORS**

The Board has established five standing committees: the Audit Committee, the Compensation Committee, the Finance & Risk Management Committee, the Nominating & Governance Committee and the Human Resources Committee. The following standing committees of the Board are composed of independent directors: the Audit Committee, the Compensation Committee and the Nominating & Governance Committee. The Board has adopted charters for each of the committees, among other things, to reflect current best practices in corporate governance. The Audit Committee Charter is attached hereto under Appendix I.

The Board and the Named Executive Officers of the Company are responsible for managing strategic risk throughout the organisation and are therefore responsible for establishing limits and policies for the Company. To recognize the significance of clarifying risk management in the organisation the Board amended the charter of the Finance Committee in 2005 to broaden the risk management function. To maximise the respective Directors' abilities to support the change in role for the Finance Committee the Board determined that the membership of each of the Committees would be reviewed and amended to reflect the shift in Committee Structure. In November 2005 the Finance Committee was renamed the Finance & Risk Management Committee to reflect the change in scope.

As a result of the new Board appointments in 2005, the membership of the Board Committees changed during the year. The following table shows the Directors who served on the various committees during the year.

NOMINATING & GOVERNANCE COMMITTEE

The Nominating & Governance Committee is responsible for all aspects of governance including selection and recommendation of director nominees, appointment of Board Committee members, Board Committee structure, Board compensation and the development of and compliance with the Corporate Governance Principles and Application Guidelines. All members of the Nominating & Governance Committee are independent of the Company and its management, as defined by the NYSE listing standards. The Nominating & Governance Committee operates pursuant to a written charter and has the exclusive right to recommend candidates for election as directors to the Board. The purpose of the Nominating & Governance Committee is to identify individuals qualified to become Board members and recommend director nominees to the Board for election at the next annual general meeting of shareholders or alternatively recommend individuals to the Board to fill any vacancies or newly created directorships that may occur between such meetings. In addition the Nominating & Governance Committee recommends directors for appointment to Board committees and evaluates Board and Committee performance on an annual basis. In addition the Chairman of the Board conducts individual assessments for those directors who are standing for re-election. The Nominating & Governance Committee has in the past retained third party search firms to identify candidates from time to time.

Pursuant to the Nominating & Governance Committee's charter the Nominating & Governance Committee also oversees and sets compensation for the Company's directors and develops and recommends to the Board the Corporate Governance Principles and Application Guidelines of the Company and oversees compliance with such Guidelines.

Because of the unique and diversified nature of the work undertaken by the Company, the Nominating & Governance Committee will not consider any proposals put forward by the shareholders for nomination of a director.

The Nominating & Governance Committee has established criteria for membership of the Board and any Board committee. The Nominating & Governance Committee will apply these criteria when recommending individuals for prospective membership on the Company's Board and for appointment of directors to the committees of the Board. The criteria include a review of prospective candidates' qualifications (including a determination as to the independence of the candidate); an evaluation of current directors for re-nomination to the Board or re-appointment to any Board committee; an assessment of the performance of current directors; a periodic review of the composition of the Board and its committees in light of the current challenges and needs of the Board and each committee.

The Nominating & Governance Committee will also consider each director's individual skills and determines whether it may be appropriate to add or remove individuals after considering issues of judgment, diversity, age, background and experience.

The Nominating & Governance Committee met four times during the year ended December 31, 2005.

Table of Contents**DIRECTOR COMPENSATION**

Directors' compensation guidelines were reviewed on May 11, 2005 and August 30, 2005. The Nominating & Governance Committee of the Board approved the compensation guidelines on August 30, 2005. The Nominating & Governance Committee's objective was to further align interests of directors and shareholders by incenting ownership in the form of share options and restricted share units while maintaining competitive compensation levels.

Directors' compensation offers a mix of cash and equity compensation for each director and for the chairman. The Company's policy is not to provide any perks to the Directors in lieu of compensation or otherwise. The total compensation package for director service consists of three components:

Cash compensation

Share Options

Restricted Share Units (RSUs)

Component	Director Annual Amount	Board Chairman Annual Amount
Cash	\$ 50,000	\$ 180,000
Options	\$ 100,000	\$ 120,000
Restricted Share Units	\$ 80,000	\$ 100,000
Dividend Equivalents	Per actual dividend rate declared by the Board	Per actual dividend rate declared by the Board

Equity Components

The share option awards are immediately vested options to purchase Common Shares of PartnerRe Ltd., which are granted each year on the date of the annual general meeting. The number of options granted is determined using the Black-Scholes methodology.

The RSUs are immediately vested and awarded on a quarterly basis. Each RSU award has a minimum share delivery date restriction of five years from the date of grant. Directors may elect to extend the share delivery date restriction to 10 years or 15 years from the date of grant. Upon termination of the Director's service for any reason other than death, the delivery deferral will be lifted six months following termination and the shares will be delivered immediately thereafter. In the case of termination for death, the delivery deferral will be lifted at termination and the shares will be immediately delivered to the Director's designated beneficiary or estate, as the case may be. Dividend equivalents on cumulative RSU awards are paid out quarterly in cash.

Edgar Filing: PARTNERRE LTD - Form DEF 14A

All equity awards for the members of the Board are made from the 2003 Non-Employee Director Stock Plan (the 2003 Director's Plan). A total of 500,000 Common Shares may be issued under the 2003 Director's Plan.

The 2003 Director's Plan may be amended or terminated by the Company at any time, in whole or in part. However, any amendment for which shareholder approval is required by law will not be effective until such approval has been obtained. Unless terminated earlier, the 2003 Director's Plan expires on May 22, 2013, the tenth anniversary of its adoption by the Board, and no further share options or RSUs may be granted thereunder after such date.

Elective Equity Incentive

In order to further align Director and shareholder interests, the guidelines allow Directors to elect each year to defer 50% or 100% of their cash compensation to be paid out in equity. Increased share ownership is further incented by a match of 25% on the value of deferred cash compensation. This value is paid out in RSU awards, which are granted under the same terms and conditions as the other RSU grants.

Table of Contents***Board of Directors Ownership Guideline***

Directors are asked to own a minimum amount of common shares of the Company equal to four times his/her annual cash compensation entitlement. For purposes of determining levels of ownership, both shares owned by Directors as well as RSUs are included in each of the Director's holdings. Directors who do not meet the ownership guideline are required to receive at least 50% of their cash compensation in RSUs until the guideline is met.

Maximum Annual Equity Awards

All option and RSU awards made to Directors shall not exceed the maximum annual limits as stated in the PartnerRe Ltd. 2003 Non-Employee Director Stock Plan.

Compensation for the Chairman of the Board

For services as Chairman of the Board in 2005, the Company granted Mr. Rollwagen equity awards under the approved guidelines of 6,157 options and 4,940 RSUs. For 2005, pursuant to the Elective Equity Incentive, Mr. Rollwagen elected to defer 100% of his cash compensation and was therefore entitled to receive a company match equivalent to 25% of his deferral.

EXECUTIVE COMPENSATION

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee determines the salaries and other compensation for the Chief Executive Officer (CEO) and the other Named Executive Officers (NEO's). The Compensation Committee consists entirely of independent directors who are not officers or employees of the Company and its subsidiaries. The current members of the Compensation Committee are Jean-Paul Montupet, Vito H. Baumgartner, Kevin M. Twomey and Jürgen Zech.

In 2004, the Compensation Committee approved the Executive Total Compensation Program which sets guidelines around executive compensation, stock ownership and net share retention, equity incentives, customization and executive retirement. These guidelines were filed with the Securities and Exchange Commission as an exhibit to the Company's Annual Report on Form 10-K on March 10, 2005. The Executive Total Compensation Program was subsequently updated by the Compensation Committee and filed on Form 8-K on November 15, 2005. The compensation of the CEO and other NEO's is reviewed and approved by the Compensation Committee on an annual basis. The annual compensation package is comprised of three components: Base Salary, Annual Incentive and Annual Equity Awards.

Executive Compensation Philosophy

The Committee has designed an executive compensation program with the following guiding principles:

Align the long-term interests of executives and shareholders

Establish competitive pay levels on a total compensation basis

Clearly link pay with performance

Provide flexibility in form and structure to meet individual time horizons

Demonstrate good governance and corporate responsibility

Encourage retention of CEO and key executives

Base Salary

Edgar Filing: PARTNERRE LTD - Form DEF 14A

The Base Salary of each individual executive is reviewed in terms of experience, qualifications, performance and reference to base salary levels of similar positions within a peer group. The peer group consists of companies within the reinsurance industry with whom the Company competes for talent. The peer group is reviewed and approved annually by the Compensation Committee.

Annual Incentive

The Annual Incentive is a variable component of compensation based on performance and structured in accordance with the Company's Annual Incentive Guidelines. Target annual incentives are set for each executive in line with competitive practice. Targets are expressed as a percentage of base salary. The target Annual Incentive for the CEO is 125% of base salary and the target annual incentive for the other NEOs is 100% of base salary.

Performance measures are reviewed and approved annually by the Compensation Committee prior to the beginning of the performance year. Performance measures are comprised primarily of company financial measures of profitability and growth. Non-financial organizational objectives may be assigned by the Compensation Committee. 2005 performance measures for the CEO and other NEOs included financial measures on the Company's Operating Return on Equity (ROE) results and in premiums written as well as non-financial measures focusing on the organizational objectives of the performance year.

Table of Contents

Each financial performance measure has a target performance level which correlates to 100% payout of the target Annual Incentive. A performance scale is built around the target level corresponding to Annual Incentive payouts on a range of 0% to 200% of target. Each performance measure is appropriately weighted on an individual basis for each executive.

The CEO and other NEO s may elect to defer a portion of their cash Annual Incentive into restricted share units (RSUs) of PartnerRe Ltd. The RSUs are immediately vested and have a minimum delivery date restriction of five years from the grant date. The Company will match 25% of the deferred cash value in an additional RSU award subject to a 3-year cliff vesting.

Annual Equity Award

In support of the Company s commitment to equity ownership as demonstrated in the executive Stock Ownership Guidelines, the CEO and other NEO s receive a minimum equity award each year. This amount of equity awarded to each executive may increase based upon annual Company performance and individual performance, as approved by the Compensation Committee. The Annual Equity Award is distributed to the executive in stock options or stock-settled share appreciation rights and in RSUs. The stock options or stock-settled share appreciation rights vest ratably over a 36-month period while the RSUs vest 100% at 36 months from grant. The stock option or stock-settled share appreciation right grant price is equal to the fair market value of the shares on the date of grant.

Stock Ownership Guidelines

The Compensation Committee has set two stock ownership targets for the CEO and the other NEO s. Once the executive reaches the Total Shares/Equivalents Target, the executive s Net Share retention requirement (as described below) drops from 100% to 50%. Once the executive reaches both targets, the executive may elect to participate in the Compensation Customization part of the program.

	Total Shares/Equivalents as percentage of Shares Outstanding	Total Stockholdings as percentage of Shares Outstanding
CEO	0.2%	1.0%
NEO	0.05%	0.25%

Total Shares/Equivalents is comprised of the total number of shares owned, restricted stock and RSUs. Total Stockholdings is comprised of Total Shares/Equivalents plus all exercisable and unexercisable stock options and share appreciation rights.

Once the CEO or other NEO has met both ownership targets and elects to participate in the Compensation Customization program, if the executive s Total Shares/Equivalents or Total Stockholdings percentage drops below the target amounts due to a share issuance by the Company or due to the sale of shares by the individual to cover taxes upon the vesting of restricted stock or RSUs, the executive will have a one year grace period to once again meet the targets. During this grace period, the executive can replenish his/her ownership status through new awards or purchases, while continuing to be eligible to customize his/her compensation.

Net Share Retention Guidelines

Net Shares are defined as the shares remaining from a transaction after enough shares are sold to pay any option exercise price due and any tax liabilities on the transaction. Prior to reaching the Total Shares/Equivalents Target, the executive is required to retain 100% of the Net Shares received from the exercise of options, stock-settled share appreciation rights or vesting of RSUs until the Total Shares/Equivalents Target is met. After meeting the Total Shares/Equivalents Target, the executive is required to retain 50% of the Net Shares for a period of three years.

Beyond the Net Share Retention Guidelines, Mr. Thiele has expressed his intention not to sell any Net Shares for the remainder of his term of employment with the Company without prior consultation of the Compensation Committee.

Table of Contents

Customization Guidelines

Once both stock ownership targets have been met, the Compensation Committee provides for some flexibility in determining the distribution of the value of the Annual Equity Award. The executive may elect from among several alternatives including combinations of stock options or stock-settled share appreciation rights, RSUs and, in one alternative, a portion paid in restricted cash.

Chief Executive Officer's Compensation

Mr. Patrick Thiele, President and Chief Executive Officer of the Company, receives annual compensation in the form of a Base Salary, an Annual Incentive and an Annual Equity Award. Mr. Thiele's compensation is reviewed and approved by the Compensation Committee.

The Base Salary component of compensation for Mr. Thiele for the year ended December 31, 2005 was \$926,888. The Committee awarded Mr. Thiele an Annual Incentive of \$503,995 for the January to December 2005 performance year. The predetermined performance criteria reviewed by the Compensation Committee in determining Mr. Thiele's Annual Incentive included a 70% weighting on the PartnerRe Ltd. Return on Equity, a 10% weighting on Growth in Net Premiums Written and a 20% weighting on Organizational Objectives as determined and evaluated by the Compensation Committee.

Under the Executive Total Compensation Program, Mr. Thiele has met both Stock Ownership targets and is eligible to customize the distribution of his Annual Equity Award. Mr. Thiele elected to receive 50% of his Annual Equity Award in RSUs and 50% in restricted cash. The cash portion of his award vests ratably over a 3-year period and is paid out with interest equal to the 3-month Treasury Bill rates.

Annual Executive Compensation and Benefits Review

Each year the Compensation Committee reviews all components of compensation and benefits for the CEO and NEOs including salary, annual incentive, long-term incentives, and the dollar value of all perquisites and other benefits-in-kind paid to or on behalf of the executive during the year. Additionally the Committee reviews actual projected payout obligations of the Company under each potential termination scenario (death, disability, with and without Cause, with and without Good Reason, retirement, and Change in Control). Based on this review, the Committee currently finds the CEO and other NEO total compensation and projected termination compensation to be reasonable and not excessive.

Internal Pay Analysis

The Compensation Committee reviews the internal pay equity of the historical compensation components, both individually and in the aggregate, of the CEO, CFO and the other NEOs. The Committee believes that the relative difference in compensation levels among the Company's executives is representative of the Company's business characteristics, organizational style and executive talent.

Edgar Filing: PARTNERRE LTD - Form DEF 14A

Compliance with Internal Revenue Code Section 162(m)

The PartnerRe Ltd. 2005 Employee Equity Plan approved by shareholders at the 2005 Annual General Meeting of Shareholders gives the Committee flexibility to structure executive compensation in compliance with Section 162(m) of the U.S. Internal Revenue Code should it determine to do so.

Compensation Consultants

The Compensation Committee engages independent consultants and advisors as it deems appropriate in carrying out its duties as outlined in the Committee charter.

The SARs were granted on February 24, 2006 and all will vest in equal installments on the first, second and third anniversary of the date of grant.
- (2) The potential realizable value is based on the term of the SARs. It is calculated assuming that the fair market value of the underlying shares on the date of grant appreciates at projected annual rates compounded annually for the entire term of the SARs and that the SARs is exercised on the last day of its term for the appreciated share price. These values are calculated based on requirements of law and do not reflect estimates of the Company's future share price growth.

- (1) In addition, the Company makes available to the Chief Executive Officer access to two private aircraft. The Company has a fractional interest in both aircraft. The Chief Executive Officer must approve any other business usage of the private aircraft by employees and directors, and such use was limited in the 2005 fiscal year. The Company's general policy is not to permit employees, including the Chief Executive Officer, to use such aircraft for personal use. During fiscal 2005, there were limited instances in which personal guests were passengers on business-related flights and in exceptional or emergency situations the aircraft was used for personal travel. In such cases, the individual paid the Company an amount equivalent to the taxable benefit as valued by the Internal Revenue Service, which the Audit Committee believes is the fair value for such use. All personal travel in exceptional or emergency use of the private aircraft is reported to the Audit Committee of the Board on a quarterly basis and all use of the private aircraft is reviewed by the Audit Committee on an annual basis. The total cost to the Company of operating the aircraft in 2005 was \$1,385,636. The total cost only reflects the usage of one aircraft. The fractional share in the second aircraft was purchased on December 30, 2005 to reduce expenditure relating to domestic flights within the United States and was not used by the Company in 2005.
- (2) The Company also makes available to all employees access to a corporate apartment in Paris. Named Executive Officers are entitled to use the corporate apartment for personal or business use. Usage of the apartment by an employee must be approved by a Named Executive Officer. The Company's policy is to allow employees other than Named Executive Officers to use the apartment for business purposes. The apartment is subject to a lease, which can be terminated on 3 months notice. In the event a guest shares the apartment with an employee who is using it for business purposes there is no incremental cost to the Company. In the event that the apartment is used solely for personal purposes it will be valued at a rate of 100 euro per night. In 2005 there was no personal usage of the corporate apartment.
