1.1	Announcement regarding completion of the acquisition of CDMA business, dated October 2, 2008. FORWARD-LOOKING STATEMENTS	A-1

Certain statements contained in this Form 6-K may be viewed as forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities and Exchange Act of 1934, as amended. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause the actual performance, financial condition or results of operations of China Telecom Corporation Limited (the Company) to be materially different from any future performance, financial condition or results of operations implied by such forward-looking statements. The forward-looking statements include, without limitation, the continued growth of the telecommunications industry in China; the development of the regulatory environment; and the Company's ability to successfully execute its business strategies.

Such forward-looking statements reflect the current views of the Company with respect to future events. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of factors, including, without limitation, any changes in the regulatory regime and significant policies for the telecommunications industry in China, including changes in the structure or functions of the primary industry regulator, Ministry of Industry and Information Technology, or the MIIT (which has assumed the regulatory functions of the former Ministry of Information Industry), or any in the regulatory policies of the MIIT and other relevant government authorities in China; any decisions by the Chinese government in relation to the technology standards and licenses of third generation mobile telecommunication; the results of the ongoing restructuring of the telecommunications industry in China; any changes in the effects of competition on the demand and price of the Company's telecommunications services; any changes in telecommunications and related technology and applications based on such technology; and changes in political, economic, legal and social conditions in China, including the Chinese government's policies with respect to economic growth, foreign exchange, foreign investment and entry by foreign companies into China's telecommunications market. Please also see the Risk Factors section of the Company's latest Annual Report on Form 20-F, as filed with the Securities and Exchange Commission.
