PART III

Item 10. Directors, Executive Officers and Corporate Governance
CORPORATE GOVERNANCE

General

Unless the context otherwise requires, all references to we, us, our, Madison Square Garden or the Company refer to Madison Square Garden Inc., together with its direct and indirect subsidiaries. Madison Square Garden, Inc. refers to Madison Square Garden, Inc. individually as a separate entity. Madison Square Garden, Inc. is a holding company and conducts substantially all of its operations through its subsidiaries. Our Class A Common Stock is listed on The NASDAQ Stock Market LLC (NASDAQ) under the symbol MSG. As a result, we are generally subject to NASDAQ corporate governance listing standards.

Madison Square Garden, Inc. was incorporated on July 29, 2009 as an indirect, wholly-owned subsidiary of Cablevision Systems Corporation (Cablevision). On January 12, 2010, Cablevision's board of directors approved the distribution of all of the outstanding common stock of Madison Square Garden, Inc. to Cablevision stockholders (the Distribution) and the Company thereafter acquired the subsidiaries of Cablevision that owned, directly and indirectly, all of the partnership interests in Madison Square Garden, L.P. The Distribution took place on February 9, 2010 (the Distribution Date).

Charles F. Dolan, members of his family and certain related family entities have entered into a Stockholders Agreement relating, among other things, to the voting of their shares of our Class B Common Stock. As a result, we are a controlled company under the corporate governance rules of NASDAQ and our Board of Directors, as permitted by NASDAQ rules, has elected not to comply with the corporate governance rules of NASDAQ requiring: (i) a majority of independent directors on our Board and (ii) an independent corporate governance and nominating committee.

As we previously announced, the Company has elected to change its fiscal year-end from December 31 to June 30, effective June 30, 2011. In connection with that change, our 2011 annual meeting will be held on November 30, 2011.

Corporate Governance Guidelines

Our Board has adopted our Corporate Governance Guidelines. These guidelines set forth our practices and policies with respect to Board composition and selection, Board meetings, executive sessions of the Board, Board committees, the expectations we have of our directors, selection of the Executive Chairman and the President and Chief Executive Officer, management succession, Board and executive compensation, and Board self-evaluation requirements. The full text of our Corporate Governance Guidelines may be viewed at our corporate website at <http://investor.msg.com/governance.cfm>. A copy may be obtained by writing to Madison Square Garden, Inc., Two Penn Plaza, New York, NY 10121; Attention: Corporate Secretary.

Executive Sessions of Non-Management and Independent Board Members

Under our Corporate Governance Guidelines, our directors who are not also officers of our Company or any of its affiliates (non-management directors) may meet in executive sessions. In addition, our directors who are independent under NASDAQ rules are required to meet in executive sessions at least twice a year.

Communicating with Our Directors

Our Board of Directors has adopted policies designed to allow stockholders and other interested parties to communicate with our directors. Any interested party that wishes to communicate directly with the Board or any director or the non-management directors as a group should send communications in writing to the Chairman of the Audit Committee, Madison Square Garden, Inc., Two Penn Plaza, New York, NY 10121. Any person, whether or not an employee, who has a concern with respect to our accounting, internal accounting controls, auditing issues or other matters, may, in a confidential or anonymous manner, communicate those

concerns to our Audit Committee by contacting The Network, Inc., which has been designated to act as a confidential contact organization for these purposes, at 1-877-756-4306.

Code of Conduct and Ethics

Our Board of Directors has adopted a Code of Conduct and Ethics for our directors, officers and employees. A portion of this Code of Conduct and Ethics also serves as a code of conduct and ethics for our senior financial officers, including our principal accounting officer and controller. Among other things, our Code of Conduct and Ethics covers conflicts of interest, disclosure responsibilities, legal compliance, reporting and compliance under the Code of Conduct and Ethics, confidentiality, corporate opportunities, fair dealing, protection and proper use of company assets, and equal employment opportunity and harassment. The full text of the code is available on our website at <http://investor.msg.com>. In addition, a copy may be obtained by writing to Madison Square Garden, Inc., Two Penn Plaza, New York, NY 10121; Attention: Corporate Secretary.

Director Independence

As noted above, our Board has elected for the Company to be treated as a controlled company under NASDAQ's corporate governance rules and to not comply with NASDAQ's requirement for a majority independent board of directors and for an independent nominating committee because of our status as a controlled company.

Our Board has determined that each of the following non-employee directors is independent within the meaning of the rules of NASDAQ and the United States Securities and Exchange Commission (SEC): Messrs. Tese, Parsons and Schwartz. In reaching its determination with respect to Mr. Tese, the Board considered the fact that Mr. Tese serves as a director of Cablevision and that his brother has been employed by Madison Square Garden, L.P., a subsidiary of the Company, in a non-executive officer position and determined that these relationships are not material and that Mr. Tese is independent within the meaning of the rules of NASDAQ and the SEC. In reaching its determination with respect to Mr. Schwartz, the Board considered the fact that, from time to time, he or entities for which he serves as an officer or principal, may perform services for Cablevision and determined that performance of these services are not material and that Mr. Schwartz is independent within the meaning of the rules of NASDAQ and the SEC.

Term of Office and Attendance at Board Meetings

The term of office of our directors will expire at the annual meeting of stockholders in 2011. The business address for each director is c/o Madison Square Garden, Inc., Two Penn Plaza, New York, NY 10121, and each director is a citizen of the United States. We encourage our directors to attend annual meetings of stockholders and believe that attendance at annual meetings is just as important as attendance at meetings of the Board.

The Board met six times in 2010. Each of our directors in 2010, attended at least 75% of the meetings of the Board and, as applicable, the committees of the Board on which he or she served during 2010, with the exceptions of Ms. Deborah Dolan-Sweeney and Ms. Marianne Dolan Weber.

Director Compensation

Each non-employee director receives a base fee of \$50,000 per year; \$2,000 per Board, committee and non-management director meeting attended in person; and \$500 per Board, committee and non-management director meeting attended by telephone. Non-employee directors also receive \$5,000 annually per committee membership and \$10,000 annually per committee chairmanship. In addition, we reimburse our directors for reasonable expenses in connection with attendance at Board, committee and stockholder meetings. A director who is a Company employee receives no compensation for serving as a director.

Table of Contents

We also pay our non-employee directors compensation in restricted stock units. Each year, each non-employee director receives a number of restricted stock units for the number of shares of common stock equal to \$110,000 divided by the fair market value of a share of Class A common stock, which for 2010 was based on the closing price on the date of the grant (other than with respect to Charles P. Dolan). For the 2010 grant to Charles P. Dolan, the 2011 grants to all directors, and going forward, the fair market value of a share of Class A common stock was and is expected to be based on the average closing price over the twenty trading day period concluding on the day prior to the grant date. It is anticipated that such awards will be granted on the date of the annual shareholder meeting using the twenty trading day average closing price fair market valuation. In 2011 due to the change in fiscal year, as previously discussed, a grant of restricted stock units, prorated to reflect the six month transition period was made to the non-employee directors on March 10, 2011. The restricted stock units the non-employee directors receive are fully vested on the date of grant and settled in stock, or at the Company's election in cash, generally upon the first business day following 90 days after service on the Board ceases. Such compensation is made pursuant to our 2010 Stock Plan for Non-Employee Directors. Restricted stock units for 2010 were granted on March 29, 2010, with the exception of Mr. Charles P. Dolan who received restricted stock units on October 14, 2010, prorated to reflect the date on which he was elected a director, July 21, 2010.

In order for our directors to develop an intimate familiarity with the different types of events presented at our venues, the services and support offered to patrons at our events and the characteristics and features of our venues, the Company makes available to each of our non-employee directors without charge up to two tickets per event for up to eight events per calendar year, subject to availability. Attendance at such events is integrally and directly related to the performance of their duties and, as such, we do not deem the receipt of such tickets to be perquisites. These ticket limitations do not apply to special events to which non-employee directors and their guests may be specifically invited from time to time in their capacity as non-employee directors of the Company (e.g. charity concerts, premiers, etc.). In addition, non-employee directors may purchase tickets to events from the Company at face value, subject to availability. Such tickets may not be resold.

Audit Committee

Our Audit Committee met five times in 2010. The Audit Committee consists of Messrs. Tese (Chair), Parsons and Schwartz. The primary purposes and responsibilities of our Audit Committee are to: (a) assist the Board (i) in its oversight of the integrity of our financial statements, (ii) in its oversight of our compliance with legal and regulatory requirements, (iii) in assessing our independent registered public accounting firm's qualifications and independence, and (iv) in assessing the performance of our internal audit function and independent registered public accounting firm; (b) appoint, retain or terminate the Company's registered public accounting firm and to pre-approve, or to adopt appropriate procedures to pre-approve, all audit and non-audit services, if any, to be provided by the independent registered public accounting firm; (c) review the appointment and replacement of the head of our internal audit department; (d) establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by Company employees or any provider of accounting-related services of concerns regarding questionable accounting and auditing matters and review of submissions and treatment of any such complaints; (e) review and approve related party transactions that are required to be disclosed under SEC rules or that require such approval under the Company's Related Party Transaction Approval Policy; (f) conduct and review with the Board an annual performance evaluation of the Audit Committee; (g) prepare any report of the Audit Committee required by the rules and regulations of the SEC for inclusion in our annual proxy statement; (h) review and reassess the Audit Committee charter at least annually; and (i) report to the Board on a regular basis. The text of our Audit Committee charter is available on our website at <http://investor.msg.com/governance.cfm>. A copy may be obtained by writing to Madison Square Garden, Inc., Two Penn Plaza, New York, NY 10121; Attention: Corporate Secretary.

As discussed above, our Board has determined that each member of our Audit Committee is independent within the meaning of the rules of both NASDAQ and the SEC, and that each has not participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years and is able to read and understand fundamental financial statements, including balance sheets, income statements and cash flow statements. Our Board has also determined that each of Messrs. Tese, Parsons and Schwartz is an audit committee financial expert within the meaning of the rules of the SEC.

Our Board has established a procedure whereby complaints or concerns with respect to accounting, internal controls, auditing and other matters may be submitted to the Audit Committee. This procedure is described above under Corporate Governance Communicating with Our Directors.

Compensation Committee

Our Compensation Committee met nine times in 2010. The Compensation Committee consists of Messrs. Schwartz (Chair) and Tese. The primary purposes of our Compensation Committee are to: (a) establish our general compensation philosophy and, in consultation with management, oversee the development and implementation of compensation programs; (b) review and approve corporate goals and objectives relevant to the compensation of our President and Chief Executive Officer and our other executive officers who are required to file reports with the SEC under Section 16 of the Securities Exchange Act of 1934 (together with the President and Chief Executive Officers, the Senior Employees), evaluate their performance in light of these goals and objectives and determine and approve their compensation based upon that evaluation; (c) approve any new equity compensation plan or material changes to an existing plan; (d) oversee the activities of the committee or committees administering our retirement and benefit plans; (e) in consultation with management, oversee regulatory compliance with respect to compensation matters; (f) determine and approve any severance or similar termination payments to be made to Senior Employees (current or former); (g) determine the components and amount of Board compensation and review such determinations from time to time in relation to other similarly situated companies; (h) prepare any reports of the Compensation Committee to be included in the Company's annual proxy statement; (i) conduct and review with the Board an annual performance evaluation of the Compensation Committee; and (j) report to the Board on a regular basis, but not less than annually. The Compensation Committee may, in its discretion, delegate a portion of its duties and responsibilities to one or more subcommittees of the Compensation Committee. For example, the Compensation Committee may delegate the approval of certain transactions to a subcommittee consisting solely of members of the Compensation Committee who are (i) non-employee directors for the purposes of Rule 16b-3 of the Securities and Exchange Act of 1934, and (ii) outside directors for the purposes of Section 162(m) of the Internal Revenue Code, as in effect from time to time. The text of our Compensation Committee charter is available on our website at <http://investor.msg.com/governance.cfm>. A copy may be obtained by writing to Madison Square Garden, Inc., Two Penn Plaza, New York, NY 10121; Attention: Corporate Secretary.

The Compensation Committee reviews the performance of the Senior Employees, evaluates their performance in light of those goals and objectives and, either as a committee or together with the other independent directors (as directed by the Board), determines and approves the Senior Employees' compensation level based on this evaluation. In determining the long-term incentive component of CEO compensation, the Compensation Committee shall consider, among other factors, the Company's performance and relative stockholder return, the value of similar incentive awards to CEOs at comparable companies and the awards given to the CEO in past years.

Our Board has determined that each member of our Compensation Committee is independent under the rules of NASDAQ.

Absence of Nominating Committee

As permitted under NASDAQ rules, we do not have a nominating committee. We believe that it is appropriate not to have a nominating committee because of our stockholder voting structure. Under the terms of our Amended and Restated Certificate of Incorporation, the holders of our Class B common stock currently have the right to elect 75% of the members of our Board. We believe that creating a committee consisting solely of independent directors charged with responsibility for recommending nominees for election as directors would be inconsistent with the vested rights of the holders of Class B common stock under our Amended and Restated Certificate of Incorporation. Instead, our Corporate Governance Guidelines provide a mechanism for the selection of nominees for election as directors by the holders of our Class A common stock (Class A Directors) and by the holders of our Class B common stock (Class B Directors). The holders of our Class A common stock are currently entitled to elect 25% of the members of our Board. Under our Corporate Governance Guidelines, nominees for election as Class A Directors shall be recommended to the Board by the Class A Directors then in office who were elected by the holders of our Class A common stock. Nominees for election as Class B Directors shall be recommended to our Board by the Class B Directors then in office who were elected by the holders of the Class B common stock.

Other Committees

In addition to standing committees, the Company has adopted a policy whereby a committee of our Board consisting entirely of independent directors, which may be our Audit Committee (an Independent Committee), will review and approve or take such other action as it may deem appropriate with respect to transactions requiring approval under the Company's Related Party Transaction Policy, which includes transactions involving the Company and its subsidiaries, on the one hand, and in which any director, officer, greater than 5% stockholder of the Company or any other related person as defined in Item 404 of Regulation S-K of the SEC (Item 404) has or will have a direct or indirect material interest. This approval requirement covers any transaction that meets the related party disclosure requirements of the SEC as set forth in Item 404, which currently apply to any transaction (or any series of similar transactions) in which the amount involved exceeds \$120,000. The policy does not cover decisions on compensation or benefits or the hiring or retention of any person. The hiring or retention of executive officers is determined by our full Board. Compensation of executive officers is subject to the approval of our Compensation Committee. This policy also does not cover any pro rata distributions to all Company stockholders, including a pro rata distribution of our Class A common stock to holders of our Class A common stock and our Class B common stock to holders of our Class B common stock. No director on an Independent Committee will participate in the consideration of a related party transaction with that director or any related person of that director. In 2010, our Audit Committee served as the Independent Committee under this policy. The Independent Committee also reviews and approves certain transactions between the Company and Cablevision. For a further discussion of transactions between the Company and Cablevision, see Certain Relationships and Related Transactions, and Director Independence Related Party Transaction Approval Policy.

Our Amended By-laws permit us to form an Executive Committee of the Board which would have the power to exercise all of the powers and authority of the Board in the management of the business and affairs of the Company, except as limited by the Delaware General Corporation Law. Our Board has not formed an Executive Committee, although it could do so in the future.

Director Selection

Our directors have not set specific, minimum qualifications that nominees must meet in order for them to be nominated for election to the Board, but rather believe that each nominee should be evaluated based on his or her individual merits, taking into account, among other matters, the factors set forth in our Corporate Governance Guidelines under Board Composition and Selection of Directors. Those factors include:

The desire to have a Board that encompasses a broad range of skills, expertise, industry knowledge, diversity of viewpoints, opinions, background and experience and contacts relevant to our business;

Personal qualities and characteristics, accomplishments and reputation in the business community;

Ability and willingness to commit adequate time to Board and committee matters; and

The fit of the individual's skill and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of our Company.

The Class A Directors will evaluate possible candidates to recommend to the Board for nomination as Class A Directors and suggest individuals for the Board to explore in more depth. The Board will consider nominees for Class A Directors recommended by our stockholders. Nominees recommended by stockholders will be given appropriate consideration in the same manner as other nominees. Stockholders who wish to submit nominees for consideration by the Board for election at our 2011 annual meeting of

Table of Contents

stockholders may do so by submitting in writing such nominees' names, in compliance with the procedures and along with the other information required by our Amended By-laws. Any such nominee must be submitted to the Corporate Secretary of the Company at Madison Square Garden, Inc., Two Penn Plaza, New York, NY 10121 not less than 60 or more than 90 days prior to the date of our 2011 annual meeting of stockholders, provided that if the date of the meeting is publicly announced or disclosed less than 70 days prior to the date of the meeting, such notice must be given not more than ten days after such date is first announced or disclosed.

The Class B Directors will consult from time to time with one or more of the holders of Class B common stock to assure that all Class B Director nominees recommended to the Board are individuals who will make a meaningful contribution as Board members and will be individuals likely to receive the approving vote of the holders of a majority of the outstanding Class B common stock. The Class B Directors do not intend to consider unsolicited suggestions of nominees by holders of our Class A common stock. We believe that this is appropriate in light of the voting provisions of our Amended and Restated Certificate of Incorporation which vest exclusively in the holders of our Class B common stock the right to elect our Class B Directors.

As we previously announced, the Company has elected to change its fiscal year-end from December 31 to June 30, effective June 20, 2011. In connection with that change, our 2011 annual meeting will be held on November 30, 2011.

Board Leadership Structure

Our Board has chosen to separate the roles of Chairman of the Board and Chief Executive Officer. The Board believes that this is the optimal leadership structure as it recognizes both Mr. James L. Dolan's senior executive role with the Company as well as his leadership position on the Company's Board while the Company is also able to benefit from the experience of its President and Chief Executive Officer, Mr. Hank J. Ratner, with responsibility for day-to-day management of the Company.

Risk Oversight

The Company's Board believes that oversight of risk management is an important Board responsibility. The Audit Committee takes the lead on behalf of the Board in monitoring risk management. The Audit Committee discusses guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company assess and manage the Company's exposure to risk, and discusses the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. We believe that our executive compensation program, with its emphasis on long-term performance, its close connection to Company-wide and divisional performance and its equity-based component is designed to align the executives' compensation with the Company's long-term strategy and growth and, as a result, does not encourage excessive risk taking. Our Compensation Committee considers the Company's exposure to risk in establishing and implementing our executive compensation programs. The Compensation Committee, with the assistance of its compensation consultant, reviewed the level of risk incentivized by the Company's executive compensation program as well as incentive programs below the executive level. Based on this assessment, the Compensation Committee determined that our executive compensation programs do not create incentives for excessive risk-taking that are reasonably likely to have a material adverse effect on the Company.

Item 11. Executive Compensation
COMPENSATION DISCUSSION AND ANALYSIS

Madison Square Garden, Inc. compensates its named executive officers through salary, bonus, long-term incentive awards, perquisites and fringe benefit programs. Our annual and long-term incentive programs provide meaningful performance-based incentives for our management tied to key financial measures that drive stockholder value and reward sustained achievement of our key financial goals.

This Compensation Discussion and Analysis presents historical and current information and analysis related to the compensation programs for our named executive officers. For purposes of this Compensation Discussion and Analysis, Messrs. James L. Dolan, Hank J. Ratner, Robert M. Pollichino, Lawrence J. Burian and Joseph F. Yospe are referred to collectively as our named executive officers (NEOs). This Compensation Discussion and Analysis describes the specific arrangements that the Company has in place for its NEOs as well as a discussion of our compensation philosophy for the NEOs in 2010. It is anticipated that the elements of our compensation will be similar in the future. However, the Compensation Committee of our Board will review all aspects of compensation and make appropriate adjustments.

The historical compensation information presented in our Executive Compensation Tables for fiscal year 2009 for Messrs. James L. Dolan, Hank J. Ratner and Robert M. Pollichino relates to services rendered by these executives, each of whom was an executive of Madison Square Garden, L.P., while it was a subsidiary of Cablevision. Messrs. Dolan and Ratner were also named executive officers of Cablevision in 2009. The services rendered by these executives in 2009 were, in some instances, in capacities not equivalent to the positions in which they serve the Company or our subsidiaries. The 2009 historical compensation information is therefore not necessarily indicative of the compensation amounts, philosophy or benefits these individuals, or other executive officers of our Company, receive as executive officers of the Company as a separate public company. Mr. Burian and Mr. Yospe were neither named executive officers of Cablevision nor officers of Madison Square Garden, L.P. in 2009. All of the information set forth in this Form 10-K/A relating to Cablevision compensation amounts and benefits has been provided by Cablevision or has otherwise been obtained from Cablevision's public filings with the SEC. With respect to current compensation, we have presented information below under Elements of In-Service Compensation and Employment Agreements concerning the compensation that Messrs. Dolan, Ratner and Pollichino receive from the Company under employment agreements which each officer has entered into with the Company and which became effective on the Distribution Date. We have presented similar information for Lawrence J. Burian, who became an executive officer of the Company in connection with the Distribution and Joseph F. Yospe who became an executive officer of the Company on February 26, 2010. In 2010, Messrs. Burian and Yospe were each a party to employment agreements with the Company. Mr. Yospe's employment agreement expired on February 26, 2011, and he remains an at-will employee of the Company. Information concerning the Company's employment agreements with these executive officers is set forth below under Employment Agreements.

Overview of Executive Compensation Program

Our executive compensation program is administered by our Compensation Committee. The responsibilities of the Compensation Committee are set forth in its charter. Among other responsibilities, the Compensation Committee (1) establishes our general compensation philosophy and, in consultation with management, oversees the development and implementation of compensation programs; (2) reviews and approves corporate goals and objectives relevant to the compensation of our executive officers, evaluates their performance in light of those goals and objectives and determines and approves their respective compensation level based on this evaluation; (3) oversees the activities of the committee or committees administering our retirement plans and (4) administers our stockholder-approved compensation plans. For more information about the Compensation Committee, please see Directors, Executive Officers and Corporate Governance Our Directors Board Committees Compensation Committee.

Compensation Consultant

In accordance with its charter, the Compensation Committee has the authority to engage outside consultants to assist in the performance of its duties and responsibilities. Our Compensation Committee utilizes the services of a compensation consultant to assist in determining whether the elements of our executive compensation program are reasonable and consistent with our objectives. The compensation consultant advises the Compensation Committee on designing our executive compensation program and the reasonableness of individual compensation awards for our NEOs. The compensation consultant reports directly to our Compensation Committee, and, at the request of the Compensation Committee, the compensation consultant meets with members of our management from time to time for purposes of gathering information on management proposals and recommendations to be presented to our Compensation Committee.

In February 2010 our Compensation Committee engaged ClearBridge Compensation Group (the compensation consultant) to serve as its independent compensation consultant. In such capacity, the compensation consultant attended all meetings of the Compensation Committee, and provided advice and recommendations in connection with the structure of 2010 compensation program, including on the design of the executive compensation program and the reasonableness of individual compensation targets and awards. Such advice and recommendations incorporated both market data and Company-specific factors. In 2010, the compensation consultant did not provide any other services for the Company.

Role of Executives in Determining Compensation

The Compensation Committee reviews the performance and compensation of the Executive Chairman and the President and Chief Executive Officer and, following discussions with its compensation consultant, establishes each of their compensation. The management of the Company provides to the Compensation Committee, either directly or through the compensation consultant, management's recommendations on the compensation for executive officers other than the Executive Chairman and the President and Chief Executive Officer. The President and Chief Executive Officer and Chief Financial Officer assist the Compensation Committee and its compensation consultant as described in this Compensation Discussion and Analysis. Other members of management provide support to the Compensation Committee as needed. Based upon a review of performance and historical compensation, recommendations and information from members of management, and discussions with its compensation consultant, the Compensation Committee determines and approves compensation for the executive officers.

Executive Compensation Program Objectives and Philosophy

The Company is a fully-integrated sports, entertainment and media business comprised of dynamic and powerful brands. Madison Square Garden's business grew from the legendary venue widely known as The World's Most Famous Arena.

In support of its business objectives, the Company places great importance on its ability to attract, retain, motivate and reward experienced executive officers who can continue to achieve strong financial, operational and stock performance. The Company strives to do so by developing executive compensation policies and programs that are consistent with, explicitly linked to, and supportive of, the strategic objectives of growing the Company's businesses and maximizing stockholder value. Our NEOs, who are the five executive officers listed in the tables under Executive Compensation Tables below, have a combined total of more than 90 years of professional experience in the industries in which the Company operates.

The following principles describe the key objectives of our executive compensation program:

the majority of compensation for the Company's executive officers should be at risk and based on the performance of the Company, so that actual compensation levels depend upon the Company's actual performance as determined by the Compensation Committee;

incentive compensation of the Company's executive officers should focus more heavily on long-term rather than short-term accomplishments and results;

Table of Contents

equity-based compensation should be used to align the interests of our executive officers with our stockholders' interests; and

the overall executive compensation program should be competitive, equitable and structured so as to ensure the Company's ability to attract, retain, motivate and reward the talented executives who are essential to the Company's continuing success.

Total direct compensation, rather than individual compensation elements, is the Compensation Committee's focus in providing competitive compensation opportunities.

In designing the executive compensation program, the Compensation Committee seeks to fulfill these objectives by maintaining appropriate balances between (1) short-term and long-term compensation, (2) cash and equity compensation and (3) performance-based and non-performance-based compensation.

Compensation Practices and Policies

General

The following discussion describes the practices and policies implemented by the Compensation Committee during 2010. It should be noted that as a result of the Distribution in February 2010, our 2010 compensation practices and policies with respect to the Company's NEOs and other employees were partly determined by Cablevision's compensation committee. As discussed in greater detail below under "Employment Agreements," much of the NEOs' compensation is covered by employment agreements which, in the case of Messrs. Dolan, Ratner, Pollichino and Burian, were entered into prior to the Distribution and approved by Cablevision's compensation committee.

Performance Objectives

As described below under "Elements of In-Service Compensation," the Company grants performance-based cash incentive compensation as important elements of executive compensation.

Generally, the performance metrics for the Company's incentive compensation have been based on net revenues and on the adjusted operating cash flow, or AOCF, of its business units. The Company defines AOCF, which is a non-GAAP financial measure, as operating income (loss) before depreciation and amortization, excluding share-based compensation expense or benefit and restructuring charges or credits. Because it is based upon operating income (loss), AOCF also excludes interest expense (including cash interest expense) and other non-operating income and expense items.

The Company considers these performance measures to be key measures of the Company's operating performance. At the time of grant of an award, the performance measures used may contemplate certain potential future adjustments and exclusions.

Tally Sheets

The Compensation Committee has reviewed tally sheets setting forth all components of compensation payable, and the benefits accruing, to the NEOs for the completed fiscal year, including all cash compensation, perquisites and the current value of outstanding equity-based awards. The tally sheets also set forth potential payouts to the executive officers upon various termination scenarios. The Compensation Committee considers the information presented in the tally sheets in determining future compensation.

Benchmarking

As part of the Compensation Committee's review of the total 2010 compensation, the compensation consultant assisted the Compensation Committee in: (1) determining if a peer group should be used for comparative purposes, (2) assessing executive compensation in light of internal and external considerations and (3) reviewing the Company's equity and cash-based executive incentive programs, taking into account evolving market trends. The Compensation Committee reviewed and compared several elements of compensation from companies of varying size in the same industry or industries as the Company as well as companies of varying size in the general market to evaluate the competitiveness and appropriateness of our compensation program. With the assistance of the compensation consultant, the Compensation Committee determined not to use peer group or target positioning in determining compensation given the limited number of comparable publicly-traded companies. Rather, the Compensation Committee used internal information (historical metrics, job responsibility, parity among executive officers and attraction and retention of talent) and market data (industry-related and broad market data) to assess and determine compensation levels.

Table of Contents

Use of Compensation Surveys and Other Comparative Data

In connection with the compensation planning process, the Compensation Committee considered internal and external sources of information to determine appropriate level and mix of compensation. In order to obtain a general understanding of current compensation practices, the Compensation Committee considered multiple broad-based compensation surveys prepared by a variety of different compensation firms and industry groups.

Elements of In-Service Compensation

Our executive compensation philosophy is reflected in the principal elements of our executive compensation program, each of which is important to the Company's desire to attract, retain, motivate and reward highly-qualified executive officers. The compensation program included the following key elements in 2010: base salary, annual cash incentives, long-term incentives, retirement, health and welfare and other benefits, which are generally provided to all other eligible employees, and additional executive benefits, including post-termination compensation under certain circumstances and certain perquisites, as described below.

A significant percentage of total direct compensation is allocated to incentive compensation in accordance with the Compensation Committee's philosophy as described above. The Compensation Committee reviews historical Company compensation, historical Cablevision compensation (where appropriate), other information provided by the compensation consultant and other factors, such as experience, performance and length of service to determine the level and mix of compensation for executive officers, by position, that the Compensation Committee has deemed appropriate.

As noted in greater detail below under *Employment Agreements*, two of our NEOs, Messrs. Dolan and Ratner, are also employed by Cablevision, as its President and Chief Executive Officer, and its Vice Chairman, respectively. Messrs. Dolan and Ratner are separately compensated by Cablevision with respect to such employment.

Base Salaries

Our Compensation Committee is responsible for setting the base salaries of the executive officers. Base salaries for these executives have been set at levels that are intended to reflect the competitive marketplace in attracting and retaining quality executives. Each of the employment agreements of the executive officers contains a minimum base salary level. For information regarding these minimum base salary levels, please see *Employment Agreements* below. The Compensation Committee currently reviews the salaries of the executive officers no less frequently than on an annual basis. The Compensation Committee evaluates each executive's performance and experience and based, on their performance and in accordance with the terms of the employment agreements, the Compensation Committee, in its discretion, may increase base salaries for the executive officers over time. The base salaries earned by the NEOs in 2010 were as follows: Mr. Dolan \$440,385; Mr. Ratner \$1,056,923; Mr. Pollichino \$685,979; Mr. Burian \$542,308; and Mr. Yospe \$332,308. See footnote 1 to *Executive Compensation Table Summary Compensation Tables* for a more detailed discussion of the 2010 base salaries. Effective March 1, 2011, annual base salaries to be earned by Messrs. Pollichino, Burian and Yospe were increased to \$718,000, \$615,000 and \$410,000, respectively. Base salaries for Messrs. Dolan and Ratner did not change from 2010.

Annual Cash Incentives

Under our executive compensation program, annual incentive awards, or bonuses, are made to executive officers and certain other members of management. Annual incentive awards are designed to link executive compensation directly to the Company's performance and provide incentives and rewards for excellent business performance during the year. For the NEOs and other individuals that the Compensation Committee determines may be covered by Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), 2010 bonuses were granted under the Company's 2010 Cash Incentive Plan (the CIP), a plan approved by CSC Holdings (as sole stockholder) prior to the Distribution Date and administered by the Compensation Committee, please see Tax Deductibility of Compensation below. For all other members of management, bonuses were granted under the Company's management performance incentive program (MPIP) administered by the Compensation Committee.

Each bonus-eligible employee is assigned a target bonus equal to a percentage of that employee's annual base salary. The target bonuses are determined based upon the applicable employee's position, grade level, responsibilities, and historical and expected future contributions to the Company. In addition, each of the employment agreements of the executive officers contains a minimum target bonus level. For information regarding these minimum target bonus levels, please see Employment Agreements below. The Compensation Committee currently reviews the target bonus levels of the executive officers no less frequently than on an annual basis. The Compensation Committee evaluates each such executive's performance, experience, and based on their performance and in accordance with the terms of the employment agreements, the Compensation Committee, in its sole discretion, may set target bonus levels for the executive officers. Target bonus levels for the NEOs in 2010 were as follows: Mr. Dolan 200% of annual base salary; Mr. Ratner 200% of annual base salary; Mr. Pollichino 60% of annual base salary; Mr. Burian 60% of annual base salary and Mr. Yospe 45% of annual base salary.

The payment of annual incentive awards under the CIP is conditioned upon the satisfaction of one or more performance objectives established by the Compensation Committee. Any such performance objective is subject to various adjustments such as for acquisitions and dispositions and investments in new venues or business ventures. The performance metrics were designed to achieve tax deductibility under Code Section 162(m). Upon achievement of the performance objective(s), each NEO would be eligible to receive payment of an annual incentive bonus equal to the lesser of \$10 million and two times the executive's target bonus, subject to the Compensation Committee's discretion to reduce the award. In general, under the CIP, regardless of whether the Company achieves, exceeds or fails to achieve its target performance objective(s), the Compensation Committee has the discretion only to decrease bonuses if the Company wishes to preserve the Code Section 162(m) deduction. With respect to 2010, the Compensation Committee certified the awards as achieved by virtue of the 2010 AOCF of the business units exceeding 90% of the 2009 AOCF of the business units and applied negative discretion under the CIP to bring payouts generally in line with calculated payouts under the MPIP for individuals who hold corporate positions (as described below), with certain adjustments based on individual performance. In March 2011, the 2010 annual bonuses were paid by the Company to the NEOs as follows: Mr. Dolan \$1,154,688; Mr. Ratner \$2,771,253; Mr. Pollichino \$589,591; Mr. Burian \$476,579 and Mr. Yospe \$235,980.

The payment of annual incentive awards under the MPIP is conditioned upon the satisfaction of one or more performance objectives established by the Compensation Committee depending upon the applicable eligible employee's specific business unit. For 2010, under the MPIP, these performance objectives related to items such as net revenues, AOCF of the business units, sponsorship, signage and advertising revenue, and other division-specific strategic and operating metrics. For individuals who hold corporate positions at the Company, the MPIP performance objectives were predominantly based on a weighted average of the calculations of the comparisons of all of the business units' performances against the respective units' performance objectives. Bonuses awarded under the MPIP may also be adjusted based on recipients' individual performances. To the extent the Company exceeds the MPIP performance objectives, eligible employees may receive payments greater than their target bonuses.

Long-term Incentives

Our executive compensation program is designed to achieve the objectives described above under Executive Compensation Program Objectives and Philosophy. Our core long-term incentive program in 2010 consisted of two elements: restricted stock units and cash performance awards. These long-term incentives were awarded to members of management based upon each individual's grade level and delivered as follows:

- 40% of the value of their long-term incentive awards in restricted stock units; and
- 60% of the value of their long-term incentive awards in cash performance awards.

The overall value delivered to each NEO was consistent with the amount contemplated by each NEO's employment agreement. Pursuant to his employment agreement, Mr. Ratner, in addition to his 2010 long-term incentive award grants, was provided a special one-time equity award which the Compensation Committee determined to grant 50% in shares of restricted stock and 50% in restricted stock units.

We believe that restricted stock units provide the NEOs with an incentive to improve the Company's stock price performance and a direct alignment with stockholders' interests, as well as a continuing stake in the long-term success of the Company. The cash performance awards provide strong incentives for the NEOs to help the Company achieve specific long-term financial objectives by linking each executive's actual payout to whether the Company's target performance objectives are achieved. In addition, because these equity and cash awards vest in their entirety on the third anniversary of the grant date (*i.e.*, cliff vesting), we believe these awards provide strong incentives for the executives to remain with the Company.

Our goal is generally to make annual long-term incentive grants to eligible employees after the public announcement of our annual financial information. Restricted stock units and cash performance awards were granted in March 2010. In connection with the six month transition period ending June 30, 2011 (due to the change in our fiscal year as described above), the long-term incentive awards granted in March 2011 were granted entirely in restricted stock units and were pro-rated to reflect the six month transition period. The Company expects that going forward, long-term incentive awards will consist of a mix of restricted stock units and cash performance awards.

Restricted Stock Units

Under our executive compensation program, annual long-term incentive grants of restricted stock units are made to executive officers and certain other members of management pursuant to the Company's 2010 Employee Stock Plan (the Equity Plan). If the recipient remains employed by the Company through the date that the restrictions lapse, an award of a restricted stock unit will be settled in a share of Class A common stock or, at the Compensation Committee's discretion, in a cash amount equal to the value of one share of Class A common stock as of the date such restrictions lapse. Under the current executive compensation program, restricted stock unit awards will cliff vest on the third anniversary of the date of grant so long as the recipient is continuously employed until such date. The restricted stock units granted to the NEOs also include a performance condition designed to achieve tax deductibility under Code Section 162(m). In March 2010, the Compensation Committee approved the following awards of restricted stock units to the NEOs: Mr. Dolan 35,000 units; Mr. Ratner 107,800 units; Mr. Pollichino 19,000 units; Mr. Burian 12,000 units and Mr. Yospe 8,200 units. Such 2010 restricted stock units will vest in March 2013, as long as the recipient is continuously employed until such date. The performance objectives with respect to those awards have been certified by the Compensation Committee as achieved by virtue of the 2010 AOCF of the business units exceeding 90% of the 2009 AOCF of the business units. Additional information regarding restricted stock unit awards for the NEOs in 2010 is set forth in the Summary Compensation Table and the Grants of Plan-Based Awards table under Executive Compensation Tables below. More information regarding other equity grants for the NEOs appears in the Outstanding Equity Awards at Fiscal Year-End table under Executive Compensation Tables below.

In addition to the above-described equity awards, in connection with Mr. Ratner's employment agreement with the Company, in March 2010 Mr. Ratner received a special one-time equity grant awarded equally in restricted stock and restricted stock units with a target value of \$4,750,000. Such grant consisted of 118,500 restricted stock units and 118,500 shares of restricted stock.

These awards are subject to the same vesting terms and performance conditions as the restricted stock unit awards described above. See Employment Agreements.

Cash Performance Awards

Under our executive compensation program, grants of long-term cash performance awards are made to executive officers and certain other members of management pursuant to the Company's CIP. The current executive compensation program contemplates annual grants of three-year performance awards to executive officers and other members of management to be earned on the basis of long-term performance relative to pre-established financial goals. The Compensation Committee sets the performance objectives for each award in the first quarter of the year of grant. Each recipient is eligible to receive a specified dollar amount, depending on the employee's grade level, to the extent that the Company's target performance objectives are achieved and the recipient is continuously employed through the payment date.

The cash performance awards granted in 2010 will be payable in 2013 if the Company achieves specified targets of net revenues and AOCF of the business units in the year ending December 31, 2012. The target levels of net revenues and AOCF of the business units were derived from the Company's five-year plan for its operating business units presented to the Board in connection with the Company's 2010 annual budget. These targets were intended to measure ongoing operating performance of the Company and are subject to various adjustments such as for acquisitions and dispositions and investments in new venues or business ventures and exclude all charges for long-term performance based compensation. The awards provide for a potential payout on a sliding scale such that the actual payment may range from 0% of the long-term cash performance award if the Company fails to achieve threshold levels of performance (for example, if both net revenues and AOCF of the business units fail to reach at least 85% and 75%, respectively, of the targets) to 110% of the long-term cash performance award if the Company exceeds the threshold levels of performance by a certain percentage (for example, if both net revenues and AOCF of the business units equal or exceed 115% and 125%, respectively, of the targets). If the Company exceeds threshold levels but does not achieve the targeted rates, or if the Company achieves or exceeds one target but not both, the award provides for partial payments. Fifty percent of the award is tied to achievement of net revenue goals, and 50% of the award is tied to achievement of business unit AOCF goals. Based on the experience and grade level of the NEOs in 2010, the Compensation Committee granted performance awards with the following targeted amounts: Mr. Dolan \$1,050,000; Mr. Ratner \$3,240,000; Mr. Pollichino \$570,000; Mr. Burian \$360,000 and Mr. Yospe \$246,000. Such awards will be payable in 2013, subject to continued employment requirements, if the Company achieves specified targets of net revenues or AOCF of the business units in the year ending December 31, 2012. Performance awards for the NEOs granted in 2010 are set forth in the Grants of Plan-Based Awards table under Executive Compensation Tables below.

Because the targets for all performance awards have been derived from the Company's confidential five-year strategic plans, which are not disclosed publicly for competitive reasons, we do not believe it is appropriate to disclose specific numerical targets. Disclosure of these targets could provide information that could lead to competitive harm. We believe that our five-year plans, and consequently the targets set for the performance awards, are ambitious and reflect desired above-market performance. In determining the threshold levels of performance, the Compensation Committee considered, among other factors, the Company's five-year plans and the degree of difficulty in achieving the targets. The Compensation Committee believes that the lowest levels on the sliding scale should be achieved, although there can be no assurance this will occur. As the payout scale increases, the likelihood of achievement decreases and the payouts increase. The Compensation Committee has the authority to amend or waive the performance targets under these awards and to make interpretations and adjustments thereto.

Outstanding Awards

In addition to the long-term incentive awards described above, certain of our executives (including all NEOs other than Mr. Yospe) have outstanding equity awards that were granted by Cablevision in connection with their service as employees of Cablevision prior to the Distribution. As part of the Distribution, Cablevision stock options and stock appreciation rights were adjusted according to the 1:4 distribution ratio (*i.e.*, one share of the Company's common stock for every four shares of Cablevision) into two separate awards by each of Cablevision and the Company which were equivalent in value to the pre-Distribution Cablevision awards. To effect the foregoing, the Compensation Committee approved the Company equity awards of stock options and stock appreciation rights. Additionally, shares of Company stock were issued as dividends on outstanding Cablevision restricted stock awards. Such shares of Company stock are restricted on the same basis as the underlying Cablevision shares, and are referred to in this Compensation Discussion and Analysis and the Executive Compensation Tables as Distribution-related shares. Grants of any such stock options, stock appreciation rights or Distribution-related shares received by the NEOs are set forth in the Outstanding Equity Awards at Fiscal Year End table under Executive Compensation Tables below and are discussed in greater detail under Treatment of Legacy Cablevision Options, Rights, Restricted Stock, Restricted Stock Units and Other Awards below.

Table of Contents

Additionally, certain of our executives (including all NEOs other than Mr. Yospe) have outstanding long-term cash performance awards that were granted by Cablevision in connection with their service as employees of Cablevision prior to the Distribution. We are not responsible for any payments associated with the long-term cash performance awards granted by Cablevision to Mr. Dolan or Mr. Ratner that were outstanding as of the Distribution. Payment of such awards is the sole responsibility of Cablevision. Payments of any Cablevision long-term cash awards granted to Mr. Pollichino will be the responsibility of the Company. The Company has assumed all long-term cash awards granted by Cablevision to Mr. Burian that were outstanding as of the Distribution; however, Cablevision has paid the amount accrued through February 1, 2010, the date he transferred to the Company. See Treatment of Legacy Cablevision Options, Rights, Restricted Stock, Restricted Stock Units and Other Awards for a further discussion.

In addition to the outstanding equity and cash performance awards, Cablevision's former executive compensation program also included special retention incentives called deferred compensation awards. These awards were generally made to its executive officers and other members of Cablevision management. The purpose of these deferred compensation awards was to attract and retain senior executives. Messrs. Dolan, Ratner, Pollichino and Burian received these awards in October 2004. As discussed below, under Treatment of Legacy Cablevision Options, Rights, Restricted Stock, Restricted Stock Units and Other Awards, the deferred compensation awards for Messrs. Dolan and Ratner remain a liability of Cablevision.

The Cablevision deferred compensation awards granted to Messrs. Pollichino and Burian contemplate an initial award amount for each recipient of \$500,000. Each year, on the anniversary date of the award, the award amount grows by an additional amount equal to the lesser of 20% of the individual's annual base salary in effect at that time and \$150,000. In addition, the award amount is increased by quarterly interest, at an annual interest rate equal to the average of the one-year LIBOR fixed-rate equivalent for the ten business days immediately preceding October 1st of each year. The deferred compensation award is paid in installments: 50% of the then current award amount was paid on the fifth anniversary of the effective date of the award (October 2009 for Messrs. Pollichino and Burian), and the balance of the then current award amount is payable on the seventh anniversary of the effective date (October 2011 for Messrs. Pollichino and Burian), so long as the recipient continues to be employed by the Company or one of its respective affiliates. For 2010, information regarding the Cablevision deferred compensation awards of Messrs. Pollichino and Burian is set forth in the Summary Compensation Table.

Benefits

Benefits offered to executive officers generally provide for retirement income and serve as a safety net against hardships that can arise from illness, disability or death. The executive officers are generally eligible to participate in the same health and welfare benefit plans made available to the other benefits-eligible employees of the Company, including, for example, medical, dental, vision, life insurance and disability coverage. Notwithstanding the foregoing, Mr. Dolan does not participate in certain Company benefit plans, including the Company's qualified defined benefit and defined contribution pension plans, and the Company's medical, dental and vision plans. Mr. Dolan receives pension and health benefits from Cablevision.

Defined Benefit Plans

The Company maintains the Madison Square Garden, L.P. Cash Balance Pension Plan, a tax-qualified defined benefit plan, for participating employees, including executive officers. Under the Madison Square Garden, L.P. Excess Cash Balance Plan, a non-qualified deferred compensation plan, the Company provides additional benefits to employees, including executive officers, who are restricted by the applicable Internal Revenue Service (IRS) annual compensation limitation.

Table of Contents

The Company also maintains the Madison Square Garden, L.P. Retirement Plan, a tax-qualified defined benefit plan, under which all benefit accruals have been frozen effective January 1, 2008. Effective March 1, 2011, the frozen Madison Square Garden, L.P. Retirement Plan was merged into the Madison Square Garden, L.P. Cash Balance Pension Plan. Under the Madison Square Garden, L.P. Excess Retirement Plan, a non-qualified deferred compensation plan, the Company provided additional benefit accruals (until January 1, 2008) to employees, including executive officers, who were restricted by the applicable IRS annual compensation limitation. The Excess Retirement Plan was frozen at the same time as the related qualified plan.

More information regarding the Madison Square Garden, L.P. Cash Balance Pension Plan, the Madison Square Garden, L.P. Excess Cash Balance Plan, the Madison Square Garden, L.P. Retirement Plan, and the Madison Square Garden Excess Retirement Plan is provided in the Pension Benefits table under Executive Compensation Tables below.

Defined Contribution Plans

Under the Madison Square Garden, L.P. 401(k) Savings Plan, a tax-qualified retirement savings plan, participating employees, including executive officers, may contribute into their plan accounts a percentage of their eligible pay on a before-tax basis as well as a percentage of their eligible pay on an after-tax basis. The Company matches 50% of the first 6% of eligible pay contributed by participating employees. The Company matching contributions are subject to vesting limitations for the first three years of employment.

In addition, the Company offers the Madison Square Garden, L.P. Excess Savings Plan, a non-qualified deferred compensation plan, to employees, including executive officers, who are restricted by the applicable IRS annual compensation limitation and/or the pre-tax income deferral limitation. More information regarding the Excess Savings Plan is provided in the Nonqualified Deferred Compensation table under Executive Compensation Tables below.

Matching contributions made by the Company under the Madison Square Garden, L.P. Savings Plan and the Madison Square Garden, L.P. Excess Savings Plan and allocations under the defined contribution portion of the Nonqualified Supplemental Benefit Plan on behalf of the NEOs are set forth in the Summary Compensation Table under Executive Compensation Tables below.

Other

In addition to the above employee benefit plans, Mr. Pollichino is also eligible for benefits under the Madison Square Garden Retiree Medical Program, which provides continued medical coverage to employees who (i) were hired prior to January 1, 2001, (ii) retire after age 55 with at least ten years of service, (iii) commence payments under the Madison Square Garden, L.P. Retirement Plan and (iv) are eligible for the Company's active medical plan on the day before the retirement date. The program is self-funded and participants pay 25% of the cost of pre-65 coverage and 100% of post-65 coverage.

Perquisites

The Company provides certain perquisites to executive officers as described below. The aggregate value of perquisites received by each of the NEOs is set forth in the Summary Compensation Table under Executive Compensation Tables below.

Car and Driver

Mr. Ratner has regular access to a car and driver, which he is permitted to use for his personal use in addition to business purposes. In addition, certain executive officers and members of management have used cars and drivers on a limited basis for personal use.

Table of Contents

To the extent employees use a car and driver for personal use those employees are imputed compensation for tax purposes.

Aircraft Arrangements

The Company has access to various aircraft through timesharing arrangements with a subsidiary of Cablevision and various Dolan family entities.

Generally, Messrs. Dolan and Ratner are permitted to use Cablevision helicopters for personal travel which has primarily been for purposes of commutation. The Company and Cablevision have agreed on an allocation of the costs of such personal helicopter use.

To the extent any employee uses any of the aircraft for personal travel without reimbursement to the Company, they are imputed compensation for tax purposes based on the Standard Industry Fare Level rates that are published biannually by the IRS. For compensation reporting purposes, we valued the incremental cost of the personal use of the aircraft based on the variable costs incurred by the Company net of reimbursements received from executives. The incremental cost of the use of the aircraft does not include any costs that would have been incurred by the Company whether or not the personal trip was taken.

Event Tickets

From time to time certain employees, including the NEOs, have access to tickets to sporting events and other entertainment at the Company's venues at no cost, and may also purchase tickets at face value. Attendance at such events is integrally and directly related to the performance of their duties, and, as such, we do not deem the receipt of such tickets to be perquisites.

Post-Termination Compensation

We believe that post-termination benefits are integral to the Company's ability to attract and retain qualified executives.

Under certain circumstances, payments or other benefits may be provided to employees upon the termination of their employment with the Company. These may include payments or other benefits upon a termination by the Company without cause, termination by the employee for good reason, other voluntary termination by the employee, retirement, death, disability, or termination following a change in control of the Company or following a going-private transaction. The amounts and terms of such payments and other benefits (including the definition of cause and good reason) are governed by each NEO's employment agreement and any applicable award agreements. Post-termination compensation is discussed in greater detail in Employment Agreements and Termination and Severance below.

Tax Deductibility of Compensation

Code Section 162(m) establishes a \$1 million limit on the amount that a publicly held corporation may deduct for compensation paid to the chief executive officer and the next three most highly paid NEOs (other than the chief financial officer) in a taxable year. This limitation does not apply to any compensation that is qualified performance-based compensation under Code Section 162(m), which is defined as compensation paid in connection with certain stock options or that is paid only if the individual's performance meets pre-established objective goals based on performance criteria established under a plan approved by stockholders. Our short-term and long-term incentive compensation plans are generally designed to qualify for this exemption from the deduction limitations of Code Section 162(m) and to be consistent with providing appropriate compensation to executives. The Company's stockholders will be asked to approve the CIP and the Equity Plan at the annual meeting currently expected to be held on November 30, 2011.

From time to time, to the extent it deems appropriate, the Compensation Committee may make awards (or modifications to awards) that would not qualify for an exemption from Code Section 162(m). For example, we expect that, for 2010 and 2011, the amount of base salary in excess of \$1 million for the President and Chief Executive Officer and the next three most highly paid NEOs, plus any other annual compensation paid or imputed to the President and Chief Executive Officer and the next three most highly paid NEOs covered by Code Section 162(m) that causes his non-performance-based compensation to exceed the \$1 million limit, will not be deductible by the Company for federal income tax purposes.

Table of Contents

Although it is the Company's intent generally to qualify compensation for the exemption from the deduction limitations, we believe that it is in the best interests of the Company's stockholders to allow the Compensation Committee the flexibility and discretion to design an appropriate executive compensation program so that the Company can attract, retain and motivate our executives, notwithstanding Section 162(m).

REPORT OF COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis set forth above with management. Based on such review and discussions, we have recommended to the Board that the Compensation Discussion and Analysis be included in this Annual Report on Form 10-K/A for the fiscal year ended December 31, 2010 for filing with the Securities and Exchange Commission.

EMPLOYMENT AGREEMENTS

Each of our executive officers has entered into an employment agreement with the Company. As noted above in the Compensation Discussion and Analysis, Messrs. Dolan and Ratner also continue to serve as officers and employees of Cablevision. Such Cablevision employment is pursuant to written employment agreements by and between Cablevision and each of Messrs. Dolan and Ratner (which are not described herein). Set forth below is a description of the employment agreements between the Company and each of our NEOs.

James L. Dolan

The agreement provides for Mr. Dolan's employment as Executive Chairman of the Company through December 31, 2014 at a minimum annual base salary of \$500,000 (subject to annual review and potential increase in the discretion of the Compensation Committee) and an annual target bonus equal to 200% of his annual base salary (and a possible range of 0% to 400%) in the discretion of the Compensation Committee. It is also expected that Mr. Dolan will continue to be nominated for election as a director of the Company during the period he serves as Executive Chairman. Under the agreement, Mr. Dolan continues to be eligible to participate in all the Company's employee benefits and retirement plans at the level available to other members of senior management of the Company subject to meeting the relevant eligibility requirements and the terms of the plans. In light of Mr. Dolan's dual role at the Company and Cablevision, he does not meet the eligibility requirements of certain qualified and other employee benefit plans. In the event Mr. Dolan does not meet the requirements for the Madison Square Garden, L.P. Salary Continuation Plan (short-term disability), any amount that otherwise would have been payable to Mr. Dolan under that plan in the event of a short-term disability will be payable by the Company in the amount and for the duration set forth in the plan. In addition, because Mr. Dolan does not participate in the Madison Square Garden, L.P. 401(k) Savings Plan and the Madison Square Garden, L.P. Cash Balance Pension Plan, his full Company base salary is used to determine his applicable benefits under the Madison Square Garden, L.P. Excess Savings Plan and the Madison Square Garden, L.P. Excess Cash Balance Plan. Any life and accidental death and dismemberment insurance provided by the Company will continue to be based on Mr. Dolan's base salary.

Mr. Dolan is also eligible to participate in the Company's long-term cash or equity programs and arrangements described above at the level determined by the Compensation Committee in its discretion consistent with the role and responsibilities of Executive Chairman. The agreement provides that, in calendar year 2010, Mr. Dolan would be entitled to receive one or more long-term cash and/or equity awards with an aggregate target value of \$1,750,000, as determined by the Compensation Committee in its discretion, and on March 29, 2010 he received awards consisting of 35,000 restricted stock units and a cash performance award with a target value of \$1,050,000. The restricted stock units are expected to vest on the third anniversary of the grant date, subject to the Company achieving a specified performance objective, and the performance award will become payable upon the Compensation Committee's determination that, and only to the extent that, Company performance objectives with respect to calendar year 2012 are achieved. Although not guaranteed, it is currently expected that long-term cash or equity awards with similar target values as those granted to Mr. Dolan in 2010 will be made to him annually.

Table of Contents

If, prior to December 31, 2014 (the Scheduled Expiration Date), Mr. Dolan's employment with the Company is terminated (i) for any reason by him during the thirteenth calendar month following a Change in Control of the Company, (ii) by the Company or (iii) by him for Good Reason, and at the time of any such termination Cause does not exist, then, subject to his execution of the Company's then standard separation agreement (modified to reflect terms of the agreement) which separation agreement will include, without limitation, general releases by him as well as non-competition, non-solicitation, non-disparagement, confidentiality and other provisions substantially similar to those set forth in the agreement (a Separation Agreement), the Company will provide him with the following benefits and rights:

- (a) A severance payment in an amount determined at the discretion of the Compensation Committee, but in no event less than two times the sum of his annual base salary and annual target bonus and will be made on the 90th day after the termination of his employment;
- (b) Each of the Company's outstanding long-term cash performance awards granted under the plans of the Company will immediately vest in full and will be paid to the same extent and at the same time that other members of senior management receive payment for such awards as determined by the Compensation Committee (subject to the satisfaction of any applicable performance objectives);
- (c) Each of the Company's outstanding long-term cash awards (including any deferred compensation awards under the long-term cash award program) that are not subject to performance criteria granted under the plans of the Company will immediately vest in full and will be paid on the 90th day after the termination of his employment;
- (d) (i) All of the time based restrictions on each of his outstanding restricted stock or restricted stock units granted to him under the plans of the Company will immediately be eliminated, (ii) payment and deliveries with respect to his restricted stock that are not subject to performance criteria will be made to him on the 90th day after the termination of his employment, (iii) the performance based restrictions with respect to his restricted stock and restricted stock units that are subject to performance criteria will lapse when and to the same extent that such restrictions lapse on such awards held by other executive officers as determined by the Compensation Committee (subject to satisfaction of any applicable performance objectives) and (iv) payments or deliveries with respect to restricted stock units that are subject to performance criteria will be made only if, when and to the same extent that payment or deliveries are made to other executive officers who hold such restricted stock units and in accordance with the terms of the award;
- (e) Each of his outstanding stock options and stock appreciation awards under the plans of the Company will immediately vest and become exercisable and he will have the right to exercise each of those options and stock appreciation awards for the remainder of the term of the option or award; and
- (f) A prorated annual bonus for the year in which such termination occurred (based upon the number of full calendar months during which Mr. Dolan was employed by the Company during the applicable year) to the same extent that other executive officers receive payment of bonuses for such year as determined by the Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives), payable at the same time annual bonuses for such year are payable to other executive officers, and, if not previously paid, his annual bonus for the preceding year, to the same extent that other members of senior management receive payment of annual bonuses for such preceding year as determined by the Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives), which annual bonus shall be payable at the same time annual bonuses for such preceding year are payable to other members of senior management.

Table of Contents

If Mr. Dolan ceases to be an employee of the Company or any of its affiliates (other than Cablevision and its subsidiaries) prior to the Scheduled Expiration Date as a result of his death or physical or mental disability, Mr. Dolan (or his estate or beneficiary) will be provided with the benefits and rights set forth in (b) through (f) of the preceding paragraph, and, in the event of his death, such longer period to exercise his then outstanding stock options and stock appreciation awards as may otherwise be permitted under the applicable plan and award letter.

If, after the Scheduled Expiration Date, Mr. Dolan's employment with the Company is terminated (i) for any reason by him during the thirteenth calendar month following a Change in Control of the Company, (ii) by the Company, (iii) by him for Good Reason, or (iv) as a result of his death or disability, and at the time of any such termination, Cause does not exist, then, subject to (except in the case of his death) his execution of a Separation Agreement, he or his estate or beneficiary, as the case may be, will be provided with the benefits and rights set forth above in (b) through (f) of the next preceding paragraph.

If, prior to or after the Scheduled Expiration Date, Mr. Dolan ceases to be employed by the Company for any reason other than his being terminated for Cause, he will have three years to exercise outstanding stock options and stock appreciation awards, unless he is afforded a longer period for exercise pursuant to his employment agreement or any applicable award letter. In no event, however, will stock options or stock appreciation rights remain exercisable beyond their regularly scheduled term (except as may otherwise be permitted under the applicable award in the case of death).

Upon the termination of Mr. Dolan's employment with the Company, except as otherwise specifically provided in the employment agreement, his rights to benefits and payments under the Company's pension and welfare plans (other than severance benefits) and any outstanding long-term cash or equity awards will be determined in accordance with the then current terms and provisions of such plans, agreements and awards under which such benefits and payments (including such long-term cash or equity awards) were granted.

In the employment agreement, the Company acknowledges that, in addition to Mr. Dolan's services pursuant to the agreement, he will simultaneously serve, and is expected to devote most of his business time and attention to serving, as President and Chief Executive Officer of Cablevision. The Company recognizes and agrees that his responsibilities to Cablevision will preclude him from devoting a substantial portion of his time and attention to the Company's affairs. The agreement states the Company's recognition that there may be certain potential conflicts of interest and fiduciary duty issues associated with Mr. Dolan's dual roles at the Company and Cablevision and that none of (i) his dual responsibilities at the Company and Cablevision, (ii) his inability to devote a substantial portion of his time and attention to the Company's affairs, (iii) the actual or potential conflicts of interest and fiduciary duty issues that are waived in the Company's certificate of incorporation, or (iv) any actions taken, or omitted to be taken, by him in good faith to comply with his duties and responsibilities to the Company in light of his dual responsibilities to the Company and Cablevision will be deemed to be a breach by him of his obligations under the employment agreement nor will any of the foregoing constitute Cause as such term is defined in the employment agreement.

The employment agreement contains certain covenants by Mr. Dolan including a noncompetition agreement that restricts Mr. Dolan's ability to engage in competitive activities until the first anniversary of the termination of his employment with the Company.

For purposes of the foregoing description, the following definitions apply:

Cause is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the company or an affiliate thereof, or (2) commission of any act or omission that results in, or may reasonably be expected to result in, a conviction, plea of no contest, plea of *nolo contendere* or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Change in Control of the Company means the acquisition, in a transaction or a series of related transactions, by any person or group, other than Charles F. Dolan or members of the immediate family of Charles F. Dolan or trusts for the benefit of Charles F. Dolan or his immediate family (or an entity or entities controlled by any of them) or any employee benefit plan sponsored or maintained by the Company, of the power to direct the management of the Company or substantially all its assets (as constituted immediately prior to such transaction or transactions).

Table of Contents

Termination for "Good Reason" means that (1) without Mr. Dolan's consent, (A) Mr. Dolan's base salary or bonus target is reduced, (B) the Company requires that Mr. Dolan's principal office be located outside of Nassau County or Manhattan, (C) the Company materially breaches its obligations to Mr. Dolan under his employment agreement, (D) Mr. Dolan is no longer the Executive Chairman of the Company, (E) Mr. Dolan no longer reports directly to the Board of the Company, or (F) Mr. Dolan's responsibilities are materially diminished, (2) Mr. Dolan has given the Company written notice, referring specifically to this definition, that he does not consent to such action, (3) the Company has not corrected such action within 15 days of receiving such notice, and (4) Mr. Dolan voluntarily terminates his employment within 90 days following the happening of the action described in subsection (1) of this definition.

In addition, references in the foregoing description to stock options, stock appreciation and equity awards granted under plans of the Company shall not be deemed to refer to stock options and stock appreciation rights issued with respect to Cablevision stock options and stock appreciation rights in connection with the Distribution ("Distribution Awards"). Pursuant to Mr. Dolan's employment agreement with Cablevision, in certain events of termination of his employment with Cablevision, his Distribution Awards will be subject to accelerated vesting.

Hank J. Ratner

Mr. Ratner's employment agreement with the Company provides for his employment as President and Chief Executive Officer of the Company through December 31, 2014 at a minimum annual base salary of \$1,200,000 (subject to annual review and potential increase in the discretion of the Compensation Committee) and an annual target bonus equal to 200% of his annual base salary (and a possible range of 0% to 400%) in the discretion of the Compensation Committee. He is entitled to participate in all of the Company's employee benefits and retirement plans at the level available to other members of senior management (subject to meeting the relevant eligibility requirements and terms of the plans).

Mr. Ratner is also eligible to participate in the Company's long-term cash or equity programs described above. The agreement provides that in calendar year 2010, Mr. Ratner would be entitled to receive one or more long-term cash and/or equity awards with an aggregate target value of \$5,400,000, as determined by the Compensation Committee in its discretion and on March 29, 2010 he received awards consisting of 107,800 restricted stock units and a cash performance award with a target value of \$3,240,000. The restricted stock units are expected to vest on the third anniversary of the grant date, subject to the Company achieving a specified performance objective, and the performance award will become payable upon the Compensation Committee's determination that, and only to the extent that, Company performance objectives with respect to calendar year 2012 are achieved. Although not guaranteed, it is currently expected that long-term cash or equity awards of target values similar to those granted to Mr. Ratner in 2010 will be made to him annually thereafter. Neither the scheduled expiration of the employment agreement nor Mr. Ratner's rights in connection with the expiration will have any effect on any determination by the Compensation Committee with respect to the amount, terms or form of any long-term incentive awards granted to him in the future.

In addition to Mr. Ratner's eligibility for the grant of equity and/or cash long-term incentives in 2010, his agreement also entitled him to receive a one-time special equity award with an aggregate target value of \$4,750,000. Please see the Grants of Plan-Based Awards table for a discussion of this one-time equity award.

If, prior to December 31, 2014 (the "Scheduled Expiration Date"), Mr. Ratner's employment with the Company is terminated (i) for any reason by him during the thirteenth calendar month following a Change in Control of the Company, (ii) by the Company, (iii) by him for Good Reason, or (iv) by Mutual Consent, and at the time of any such termination Cause does not exist, then, subject to his execution of a Separation Agreement with the Company, the Company will provide him with the following benefits and rights:

- (a) A severance payment in an amount determined at the discretion of the Compensation Committee, but in no event less than two times the sum of his annual base salary and annual target bonus and which will be made on the 90th day after termination of his employment;

Table of Contents

(b) Each of the Company's outstanding long-term cash performance awards granted under the plans of the Company will immediately vest in full and will be paid only if, when and to the same extent that other similarly situated executives receive payment for such awards as determined by the Compensation Committee (subject to the satisfaction of any applicable performance objectives);

(c) Each of the Company's outstanding long-term cash awards (including any deferred compensation awards under the long-term cash award program) that are not subject to performance criteria granted under the plans of the Company will immediately vest in full and will be made on the 90th day after the termination of his employment;

(d) (i) All of the time based restrictions on each of his outstanding restricted stock units granted to him under the plans of the Company will immediately be eliminated, (ii) deliveries with respect to his restricted stock that are not subject to performance criteria shall be made immediately after the effective date of the Separation Agreement, (iii) payment and deliveries with respect to his restricted stock units that are not subject to performance criteria shall be made on the 90th day after the termination of his employment, and (iv) payments or deliveries with respect to his restricted stock and restricted stock units that are subject to performance criteria shall be made only if, when and to the same extent that other similarly situated executives receive payment or deliveries for such awards as determined by the Compensation Committee (subject to satisfaction of any applicable performance objectives);

(e) Each of his outstanding stock options and stock appreciation awards under the plans of the Company will immediately vest and become exercisable and he will have the right to exercise each of those options and stock appreciation awards for the remainder of the term of the option or award; and

(f) A prorated annual bonus for the year in which such termination occurred (based upon the number of full calendar months during which Mr. Ratner was employed by the Company during the applicable year) only if, when and to the same extent that other similarly situated executives receive payment of bonuses for such year (without adjustment for Mr. Ratner's individual performance) as determined by the Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives) and, if not previously paid, his annual bonus for the preceding year, if, when and to the same extent that other similarly situated executives receive payment of bonuses for such year (without adjustment for his individual performance) as determined by the Compensation Committee in its sole discretion (and subject to the satisfaction of any applicable performance objectives).

If Mr. Ratner ceases to be an employee of the Company or any of its affiliates (other than Cablevision and its subsidiaries) prior to the Scheduled Expiration Date as a result of his death or physical or mental disability, Mr. Ratner (or his estate or beneficiary) will be provided with the benefits and rights set forth in (b) through (f) of the preceding paragraph, and, in the event of his death, such longer period to exercise his then outstanding stock options and stock appreciation awards as may otherwise be permitted under the applicable plan and award letter.

If, after the Scheduled Expiration Date, Mr. Ratner's employment with the Company is terminated (i) for any reason by him during the thirteenth calendar month following a Change in Control of the Company, (ii) by the Company, (iii) by him for Good Reason, (iv) by him without Good Reason but only if he had provided the Company with at least six months advance written notice of his intent to so terminate his employment, or (v) as a result of his death or disability, and at the time of any such termination, Cause does not exist, then, subject to (except in the case of his death) his execution of a Separation Agreement, he or his estate or beneficiary, as the case may be, will be provided with the benefits and rights set forth above in (b) through (f) of the next preceding paragraph.

If, prior to or after the Scheduled Expiration Date, Mr. Ratner ceases to be employed by the Company for any reason other than his being terminated for Cause, he will have three years to exercise outstanding stock options and stock appreciation awards unless he is afforded a longer period for exercise pursuant to his employment agreement or any applicable award letter. In no event, however, will stock options or stock appreciation rights remain exercisable beyond their regularly scheduled term (except as may otherwise be permitted under the applicable award in the case of death).

Upon the termination of Mr. Ratner's employment with the Company, except as otherwise specifically provided in the employment agreement, his rights to benefits and payments under the Company's pension and welfare plans (other than severance benefits) and any outstanding long-term cash or equity awards shall be determined in accordance with the then current terms and provisions of such plans, agreements and awards under which such benefits and payments (including such long-term cash or equity awards) were granted.

The agreement provides that the Company will provide Mr. Ratner with the use of a driver and a car appropriate to his status and responsibilities.

In the agreement, the Company acknowledges that, in addition to Mr. Ratner's services pursuant to the agreement, he will simultaneously serve, and is expected to devote a portion of his business time and attention to serving, as Vice Chairman of Cablevision. The Company recognizes and agrees that his responsibilities to Cablevision will preclude him from devoting all of his time and attention to the Company's affairs. The agreement states the Company's recognition that there may be certain potential conflicts of interest and fiduciary duty issues associated with Mr. Ratner's dual roles at the Company and Cablevision and that none of (i) his dual responsibilities at the Company and Cablevision, (ii) his inability to devote all of his time and attention to the Company's affairs, (iii) the actual or potential conflicts of interest and fiduciary duty issues that are waived in the Company's certificate of incorporation, or (iv) any actions taken, or omitted to be taken, by him in good faith to comply with his duties and responsibilities to the Company in light of his dual responsibilities to the Company and Cablevision, shall be deemed to be a breach by him of his obligations under the employment agreement nor shall any of the foregoing constitute Cause as such term is defined in the employment agreement.

The employment agreement contains certain covenants by Mr. Ratner including a noncompetition agreement that restricts Mr. Ratner's ability to engage in competitive activities until the first anniversary of the termination of his employment with the Company.

For purposes of the foregoing description, the following definitions apply:

Cause is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof, or (2) commission of any act or omission that results in, or may reasonably be expected to result in, a conviction, plea of no contest, plea of *nolo contendere* or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Change in Control of the Company means the acquisition, in a transaction or a series of related transactions, by any person or group, other than Charles F. Dolan or members of the immediate family of Charles F. Dolan or trusts for the benefit of Charles F. Dolan or his immediate family (or an entity or entities controlled by any of them) or any employee benefit plan sponsored or maintained by the Company, of the power to direct the management of the Company or substantially all its assets (as constituted immediately prior to such transaction or transactions).

Mutual Consent means Mr. Ratner and the Company have mutually agreed in writing to terminate his employment with the Company and that such termination of employment shall not constitute a termination by the Company with or without Cause or by Mr. Ratner with or without Good Reason.

Termination for Good Reason means that (1) without Mr. Ratner's consent, (A) his base salary or bonus target as an employee is reduced, (B) the Company requires that his principal office be located outside of Nassau County or Manhattan, (C) the Company materially breaches its obligations to Mr. Ratner under the employment agreement, (D) Mr. Ratner is no longer the President and Chief Executive Officer of the Company, (E) Mr. Ratner reports directly to someone other than the Chairman (or the Executive Chairman), or (F) Mr. Ratner's responsibilities are materially diminished, (2) Mr. Ratner has given the Company written notice, referring specifically to this definition, that he does not consent to such action, (3) the Company has not corrected such action within 15 days of receiving such notice, and (4) Mr. Ratner voluntarily terminates his employment within 90 days following the happening of the action described in subsection (1) of this definition.

In addition, references in the forgoing description to stock options, stock appreciation and equity awards granted under plans of the Company shall not be deemed to refer to stock options and stock appreciation rights issued with respect to Cablevision stock options and stock appreciation rights in connection with the Distribution (Distribution Awards). Pursuant to Mr. Ratner s employment agreement with Cablevision, in certain events of termination of his employment with Cablevision, his Distribution Awards will be subject to accelerated vesting.

Robert M. Pollichino

Mr. Pollichino s employment agreement provides for his employment as Executive Vice President and Chief Financial Officer of the Company through February 9, 2013 at a minimum annual base salary of \$700,000 (subject to annual review and increase in the discretion of the Company s Compensation Committee) and an annual target bonus opportunity equal to 60% of his annual base salary in the discretion of the Company s Compensation Committee. He is eligible for the Company s standard benefits programs and to participate in the Company s long-term incentive programs, in each case on the same basis as similarly situated executives at the Company. Any such awards would be subject to actual grant by the Compensation Committee in its sole discretion, would be pursuant to the plan document and would be subject to the terms and conditions established by the Compensation Committee in its sole discretion. On March 29, 2010, Mr. Pollichino received awards consisting of 19,000 restricted stock units and a cash performance award with a target value of \$570,000. The restricted stock units are expected to vest on the third anniversary of the grant date, subject to the Company achieving a specified performance objective, and the performance award will become payable upon the Compensation Committee s determination that, and only to the extent that, Company performance objectives with respect to calendar year 2012 are achieved.

Mr. Pollichino s employment agreement provides severance benefits if Mr. Pollichino s employment is terminated prior to February 9, 2013 by (1) the Company, or (2) by Mr. Pollichino for Good Reason, if at the time of such termination under clause (1) or (2), Cause does not exist. These benefits consist of (1) the payment of an amount in cash equal to not less than two times the sum of Mr. Pollichino s annual base salary and his annual target bonus as in effect at that time; (2) a prorated bonus (based upon the number of full calendar months during which Mr. Pollichino was employed by the Company during the applicable year), provided that such bonus will be payable if and when such bonuses are generally paid to similarly situated employees and will be based on his then current annual target bonus as well as Company and his business unit performance as determined by the Compensation Committee in its sole discretion, but without adjustment for his individual performance and, if not previously paid, his annual bonus for the preceding year, if, when and to the same extent that other similarly situated executives receive payment of bonuses for such year (without adjustment for his individual performance) as determined by the Compensation Committee in its sole discretion; (3) any vested stock options or stock appreciation rights that he has outstanding as of the time of such termination will remain exercisable until the earlier of the three-year anniversary of the termination date and the end of the original term of the applicable award and (4) the Compensation Committee will consider, in good faith, approving the vesting of his then outstanding equity and cash incentive awards on a pro rata basis, provided that, to the extent any such awards are subject to any performance criteria, any such pro rata vested portion as may be approved by the Compensation Committee shall be payable only if, when, and to the same extent as paid to other employees generally holding such awards subject to the satisfaction of the performance criteria. All payments described in this paragraph would be conditioned on Mr. Pollichino executing a separation agreement.

For purposes of Mr. Pollichino s employment agreement the following definitions apply:

Cause is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or one of its affiliates or (2) commission of any act or omission that results in a conviction, plea of no contest, plea of *nolo contendere* or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Termination for Good Reason means: (1) without Mr. Pollichino s consent, (A) his base salary or annual target bonus is reduced or (B) he is no longer the Executive Vice President and Chief Financial Officer of the Company; (2) he gives written notice to the Company that he does not consent to such action; (3) the Company does not correct such action within 30 days of receiving his notice; and (4) he voluntarily terminates his employment within ninety (90) days of such action.

Mr. Burian's employment agreement provides severance benefits if Mr. Burian's employment is terminated prior to February 9, 2013 by (1) the Company, or (2) by Mr. Burian for Good Reason, if at the time of such termination under clause (1) or (2), Cause does not exist. These benefits consist of (1) the payment of an amount in cash equal to not less than two times the sum of Mr. Burian's annual base salary and his annual target bonus as in effect at that time; (2) a prorated bonus (based upon the number of full calendar months during which Mr. Burian was employed by the Company during the applicable year), provided that such bonus will be payable if and when such bonuses are generally paid to similarly situated employees and will be based on his then current annual target bonus as well as Company and his business unit performance as determined by the Compensation Committee in its sole discretion, but without adjustment for his individual performance and, if not previously paid, his annual bonus for the preceding year, if, when and to the same extent that other similarly situated executives receive payment of bonuses for such year (without adjustment for his individual performance) as determined by the Compensation Committee in its sole discretion; (3) any vested stock options or stock appreciation rights that he has outstanding as of the time of such termination will remain exercisable until the earlier of the three-year anniversary of the termination date and the end of the original term of the applicable award; and (4) the Compensation Committee will consider, in good faith, approving the vesting of his then outstanding equity and cash incentive awards on a pro rata basis, provided that, to the extent any such awards are subject to any performance criteria, any such pro rata vested portion as may be approved by the Compensation Committee shall be payable only if, when, and to the same extent as paid to other employees generally holding such awards subject to the satisfaction of the performance criteria. All payments described in this paragraph would be conditioned on Mr. Burian executing a separation agreement.

For purposes of Mr. Burian's employment agreement the following definitions apply:

Cause is defined as (1) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof or (2) commission of any act or omission that results in a conviction, plea of no contest, plea of nolo contendere or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Termination for Good Reason means: (1) without Mr. Burian's consent, (A) his base salary or annual target bonus is reduced, (B) his title is reduced from Executive Vice President and General Counsel of the Company or (C) he is no longer the Company's most senior legal officer; (2) he gives written notice to the Company that he does not consent to such action; (3) the Company does not correct such action within 30 days of receiving his notice; and (4) he voluntarily terminates his employment within 90 days of such action.

Joseph F. Yospe

Under an agreement entered into in connection with his appointment, Mr. Yospe will receive an initial base salary of \$400,000 annually. He will be eligible to participate in the Company's discretionary annual bonus program with an annual target bonus opportunity equal to 45% of his base salary. Bonus payments are based on actual salary paid during the year for which they are awarded; provided, however, that pursuant to his agreement, the bonus payment for 2010 was based on his full annual salary of \$400,000. Bonus payments depend on a number of factors, including Company, unit and individual performance. The decision on

whether or not to pay a bonus, and the amount of that bonus, if any, is made by the Company in its sole discretion. Mr. Yospe is eligible for our standard benefits program. Mr. Yospe is also eligible, subject to his continued employment by the Company and actual grant by the Compensation Committee, to participate in such long-term incentive programs that are made available in the future to similarly situated executives at the Company. Any such awards would be subject to actual grant by the Compensation Committee, would be pursuant to the applicable plan document and the terms and conditions established by the Compensation Committee in its sole discretion. Any long-term incentive awards are expected to be subject to three-year cliff vesting. On March 29, 2010, Mr. Yospe received awards consisting of 8,200 restricted stock units and a cash performance award with a target value of \$246,000. The restricted stock units are expected to vest on the third anniversary of the grant date, subject to the Company achieving a specified performance objective, and the performance award will become payable upon the Compensation Committee's determination that, and only to the extent that, Company performance objectives with respect to calendar year 2012 are achieved.

If, prior to the one-year anniversary of Mr. Yospe's start date, his employment is involuntarily terminated by the Company for any reason other than Cause, the Company will pay severance in an amount equal to his base salary plus his target annual bonus, each as then in effect (the Severance Amount). Sixty percent of the Severance Amount would be payable on the six-month anniversary of the date on which his employment is so terminated (the Termination Date) and the remaining 40% of the Severance Amount would be payable on the twelve-month anniversary of the Termination Date. Payment of any Severance Amount will be subject to Mr. Yospe's execution of a severance agreement to the Company's satisfaction.

For the purposes of the employment agreement, Cause means, as determined by the Company, Mr. Yospe's (i) commission of an act of fraud, embezzlement, misappropriation, willful misconduct, gross negligence or breach of fiduciary duty against the Company or an affiliate thereof, or (ii) commission of any act or omission that results in a conviction, plea of no contest, plea of *nolo contendere*, or imposition of unadjudicated probation for any crime involving moral turpitude or any felony.

Mr. Yospe's employment agreement expired on February 26, 2011, and he remains an at-will employee of the Company.

- (2) For 2009 figures, this column reflects the portion of the deferred compensation award paid by Cablevision on the fifth anniversary of such award in accordance with its terms. For more information regarding the deferred compensation award, see Compensation Discussion and Analysis Elements of In-Service Compensation Outstanding Awards.
- (3) For 2010 figures, this column reflects the aggregate grant date fair value of Company restricted stock awards and restricted stock units granted to the executives. In addition, Company common stock was issued as dividends in respect of outstanding Cablevision restricted stock awards held as of the Distribution. Such Company common stock is restricted on the same basis as underlying Cablevision restricted stock awards. Such Distribution-related shares held by certain of the NEOs are not reflected in this table, but are included in the Outstanding Equity Awards at Fiscal Year End table and the Options Exercised and Stock Vested table. For a further discussion of Distribution-related equity awards, see Treatment of Legacy Cablevision Options, Rights, Restricted Stock, Restricted Stock Units and Other Awards.
- (4) For 2009 figures, this column reflects the aggregate grant date fair value of Cablevision option awards granted in 2009. The performance awards granted by Cablevision to Messrs. Dolan and Ratner in 2008 were not assumed by the Company and remain a liability of Cablevision. - (1) This column reflects the aggregate grant date fair value of the restricted stock unit awards granted to each NEO in 2010 and, in the case of Mr. Ratner, the restricted stock award granted in 2010, without any reduction for risk of forfeiture, as calculated under ASC Topic 718 on the date of grant.
- (2) This row reflects the possible payouts with respect to grants of annual incentive awards under the Company's CIP for performance in 2010. Each of the executives is assigned a target bonus which is a percentage of the executive's annual base salary; there is no threshold amount for annual incentive awards. Under the terms of the awards, upon the achievement of the relevant performance targets, each NEO is eligible to receive an annual incentive award equal to the lesser of \$10,000,000 or two times the executive's target bonus, subject to the Compensation Committee's discretion to reduce the award. The amounts of annual incentive awards actually paid in 2011 for performance in 2010 are disclosed in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table above. For more information regarding the terms of these annual incentive awards, please see Compensation Discussion and Analysis Elements of In-Service Compensation Annual Cash Incentives.
- (3) This row reflects the future payouts with respect to the cash performance awards that were granted under the Company's long-term incentive program in 2010. Each performance award was granted with a target payment, subject to actual payment based on a sliding scale ranging from zero to 110% of the target amount. These performance awards will be payable in the first quarter of 2013, subject to continued employment requirements, if the Company achieves specified performance targets in the year ending December 31, 2012. For more information regarding the terms of these performance awards, please see Compensation Discussion and Analysis Elements of In-Service Compensation Long-term Incentives Cash Performance Awards.
- (4) This row reflects the number of restricted stock units awarded in 2010. These grants of restricted stock units, which were made under the Company's 2010 Employee Stock Plan, are expected to cliff vest on the third anniversary of the grant date. In addition, Company common stock was issued as dividends in respect of outstanding Cablevision restricted stock awards held as of the Distribution. Such Company common stock is restricted on the same basis as underlying Cablevision restricted stock awards. Such Distribution-related shares held by certain of the NEOs are not reflected in this table, but are included in the Outstanding Equity Awards at Fiscal Year End table and the Options Exercised and Stock Vested table. For a further discussion of Distribution-related equity grants, see Treatment of Legacy Cablevision Options, Rights, Restricted Stock, Restricted Stock Units and Other Awards.

In addition, in connection with his employment agreement, Mr. Ratner received a one-time special award which consisted of 118,500 shares of restricted stock and 118,500 restricted stock units on March 29, 2010. All of these awards are expected to cliff vest on the third anniversary of the grant.

Table of Contents***Madison Square Garden, L.P. Cash Balance Pension Plan (MSG Cash Balance Pension Plan)***

The MSG Cash Balance Pension Plan is a tax-qualified defined benefit plan that generally covers regular full-time and part-time non-union employees of the Company and certain of its affiliates who have completed one year of service. A notional account is maintained for each participant under the plan, including the NEOs (other than Mr. Dolan), which consists of (i) annual allocations made by the Company as of the end of each year on behalf of each participant who has completed 800 hours of service during the year that range from 3% to 9% of the participant's compensation, based on the participant's age and (ii) monthly interest credits based on the average of the annual rate of interest on the 30-year U.S. Treasury Bonds for the months of September, October and November of the prior year. Compensation includes all direct cash compensation received while a participant as part of the participant's primary compensation structure (excluding bonuses, fringe benefits, and other compensation that is not received on a regular basis), and before deductions for elective deferrals (in accordance with the Internal Revenue Code limits, the maximum compensation taken into account in determining benefits was limited to \$245,000 in 2010).

A participant's interest in the cash balance plan is subject to vesting limitations for the first three years of employment. A participant's account will also vest in full upon his or her termination due to death, disability or retirement after attaining age 65. Upon retirement or other termination of employment with the Company, the participant may elect a distribution of the vested portion of the cash balance account. Any amounts remaining in the plan will continue to be credited with interest until the account is paid. The normal form of benefit payment for an unmarried participant is a single life annuity and the normal form of benefit payment for a married participant is a 50% joint and survivor annuity. The participant, with spousal consent if applicable, can waive the normal form and elect a single life annuity or a lump sum. Effective on March 1, 2011, the MSG Retirement Plan (as described below) was merged into the MSG Cash Balance Pension Plan. The merged plan remains named the MSG Cash Balance Pension Plan, but provides the same benefits that were previously provided by the two separate plans.

Madison Square Garden, L.P. Excess Cash Balance Plan (MSG Excess Cash Balance Plan)

The MSG Excess Cash Balance Plan is a non-qualified deferred compensation plan that is intended to provide eligible participants, including each of the NEOs, with the portion of their overall benefit that they would accrue under the MSG Cash Balance Pension Plan but for Internal Revenue Code limits on the amount of compensation (as defined in the MSG Cash Balance Pension Plan) that can be taken into account in determining benefits under tax-qualified plans (\$245,000 in 2010). The Company maintains a notional excess cash balance account for each eligible participant, and for each calendar year, credits these accounts with the portion of the allocation that could not be made on his behalf under the MSG Cash Balance Pension Plan due to the compensation limitation. In addition, the Company credits each notional excess cash balance account monthly with interest at the same rate used under the MSG Cash Balance Pension Plan. A participant vests in the excess cash balance account according to the same schedule in the MSG Cash Balance Pension Plan. The excess cash balance account, to the extent vested, is paid in a lump sum to the participant as soon as practicable following his or her retirement or other termination of employment with the Company.

Madison Square Garden, L.P. Retirement Plan (MSG Retirement Plan)

The MSG Retirement Plan is a tax-qualified defined benefit plan covering substantially all of our non-union full-time and eligible part-time employees, including Mr. Pollichino, who were hired prior to January 1, 2001. Effective as of January 1, 2001, membership in the plan was frozen and benefit accruals under the plan continued only for employees who were already active participants in the plan as of December 31, 2000. As of December 31, 2007, the plan was amended to freeze all benefit accruals effective January 1, 2008 and eliminate the ability of participants to earn benefits for future service under this plan.

The plan provides a benefit at retirement equal to (i) 2% of a participant's final average pay (as defined in the plan) multiplied by years of benefit service up to 20 years; plus (ii) 1% of the participant's final average pay multiplied by years of benefit service (as defined in the plan) in excess of 20 years; minus (iii) 1.25% of the participant's Social Security benefit multiplied by total benefit service up to 40 years. Final average pay is based on the highest average compensation paid during 60 consecutive months out of the last 120 months of benefit service. Compensation means the basic cash remuneration paid to the participant, including annual bonus, commissions and overtime pay, and before deductions for elective deferrals (up to applicable Internal Revenue Code limits).

Table of Contents

As a result of plan participants' benefits under the plan being frozen, any pay earned and service completed after that date will not be taken into account when determining the amount of a participant's benefit under the plan. Participants will continue to earn eligibility towards early retirement as long as they remain our employees. Normal retirement under the plan is age 65; however, participants who have attained age 55 and completed at least 10 years of vesting service may retire prior to age 65 and receive a reduced benefit. Pursuant to these plan terms, Mr. Pollichino is eligible for an early retirement benefit under the MSG Retirement Plan.

The normal form of benefit is a single life annuity for an unmarried participant and a 50% joint and survivor annuity for a married participant. The participant, with the spouse's consent if married, may waive the normal form and elect an optional form of payment, including a single life annuity, a 50%, 75% or 100% joint and survivor annuity, a 10-year certain and life annuity, a level income option that integrates with Social Security benefits, and a lump sum payment if the actuarial present value of the benefit does not exceed \$10,000.

As discussed above, the MSG Retirement Plan was merged into the MSG Cash Balance Plan, effective March 1, 2011. This merger did not adversely impact any participant in either of the two plans.

Madison Square Garden, L.P. Excess Retirement Plan (MSG Excess Retirement Plan)

The MSG Excess Retirement Plan is a non-qualified defined contribution plan that provides eligible participants, including Mr. Pollichino, with the portion of their benefit that cannot be paid to them under the Retirement Plan due to Internal Revenue Code limits on the amount of compensation that can be taken into account in determining benefits under tax-qualified plans. Future benefit accruals under the MSG Excess Retirement Plan ceased as of January 1, 2008 in conjunction with the cessation of future accruals under the MSG Retirement Plan.

Benefits are payable under the MSG Excess Retirement Plan upon the participant's termination of employment. The normal form of payment under the MSG Excess Retirement Plan is a life annuity for all participants. Instead of the normal form of payment, participants may have instead elected a 50%, 75% or 100% joint and survivor annuity option or a 10-year certain and life annuity option. Based upon his age and years of benefit service, Mr. Pollichino's monthly accrued benefit payable at age 65 under the plan is \$6,111.

Madison Square Garden, L.P. 401(k) Savings Plan (MSG Savings Plan)

Under the MSG Savings Plan, a tax-qualified retirement savings plan, participating employees, including the NEOs (other than Mr. Dolan), may contribute into their plan accounts a percentage of their eligible pay on a before-tax basis as well as a percentage of their eligible pay on an after-tax basis. The participants are eligible to receive a matching contribution from the Company of up to 50% of the first 6% of eligible pay contributed by participating employees. A participant is always fully vested in his own contributions, and the Company matching contributions cliff vest on the third anniversary of the date of hire (subject to full vesting upon his death, disability or retirement after attaining age 65). Prior to 2011, the MSG Savings Plan was operated as part of the Cablevision 401(k) Savings Plan (the CVC Plan). On February 1, 2011, MSG established its own plan and the related MSG assets in the CVC Plan were transferred to the MSG Savings Plan. Accordingly, for the year ending December 31, 2010, references to the MSG Savings Plan refer to the CVC Plan.

Madison Square Garden, L.P. Excess 401(k) Savings Plan (MSG Excess Savings Plan)

The MSG Excess Savings Plan is an unfunded, non-qualified deferred compensation plan that operates in conjunction with the Company's tax-qualified MSG Savings Plan. An employee is eligible to participate in the MSG Excess Plan for a calendar year if his compensation (as defined in the MSG Savings Plan) in the preceding year exceeded (or would have exceeded, if the employee had been employed for the entire year) the IRS limit on the amount of compensation that can be taken into account in determining contributions under tax-qualified retirement plans (\$245,000 in 2010) and he makes an election to participate prior to the beginning of the year. An eligible employee whose contributions to the MSG Savings Plan are limited as a result of this compensation limit or as a result of reaching the maximum 401(k) deferral limit (\$16,500 or \$22,000 if 50 or over for 2010) can continue to make pre-tax contributions under the MSG Excess Savings Plan of up to 6% of his eligible pay. In addition, the Company will make matching

Table of Contents

contributions of up to 50% of the first 6% of eligible pay contributed by the employee. A participant is always fully vested in his own contributions and vests in the Company matching contributions on the third anniversary of the date of hire (subject to full vesting upon his death, disability or retirement after attaining age 65). Account balances under the MSG Excess Savings Plan are credited monthly with the rate of return earned by the Stable Value Fund offered as an investment alternative under the MSG Savings Plan. Distributions of vested benefits are made in a lump sum as soon as practicable after the participant's termination of employment with the Company. Prior to 2011, the MSG Excess Savings Plan was operated as part of the Cablevision Excess 401(k) Savings Plan (the "CVC Excess Plan"). On February 1, 2011, MSG established its own plan and the related MSG assets in the CVC Excess Plan were transferred to the MSG Excess Savings Plan. Accordingly, for the year ending December 31, 2010, references to the MSG Excess Savings Plan refer to the CVC Excess Plan.

TERMINATION AND SEVERANCE

This section describes the payments that would be received by executive officers upon various terminations of employment scenarios. The information under "Separation from the Company" assumes that the NEO was employed by the Company under his applicable agreement, and his employment terminated as of December 31, 2010. This information is presented to illustrate the payments such executives would have received from the Company under the various termination scenarios.

Table of Contents

Separation from the Company

Payments may be made to NEOs upon the termination of their employment with the Company depending upon the circumstances of their termination, which include termination by the Company without cause, termination by the employee for good reason, other voluntary termination by the employee, retirement, death, disability, or termination following a change in control of the Company or following a going-private transaction. Certain of these circumstances are addressed in employment agreements between the Company and the NEOs. For a description of termination provisions in the employment agreements, see *Employment Agreements* above. In addition, award agreements for long-term incentives also address some of these circumstances.

Quantification of Termination and Severance

The following tables set forth a quantification of estimated severance and other benefits payable to the NEOs under various circumstances regarding the termination of their employment. In calculating these severance and other payments, we have taken into consideration or otherwise assumed the following:

Termination of employment occurred after the close of business on December 31, 2010.

We have valued equity awards using the closing market price of Class A common stock on NASDAQ on December 31, 2010, the last trading day of the year, of \$25.78.

We have valued stock options at their intrinsic value, equal to the difference between \$25.78 and the per share exercise price, multiplied by the number of shares underlying the stock options.

In the event of termination of employment, the payment of certain long-term incentive awards and other amounts may be delayed, depending upon the terms of each specific award agreement, the provisions of the applicable NEO's employment agreement and the applicability of Code Section 409A. In quantifying aggregate termination payments, we have not taken into account the timing of the payments and we have not discounted the value of payments that would be made over time, except where otherwise disclosed.

We have assumed that all performance metrics for performance-based awards are achieved (but not exceeded).

- (1) The amounts payable as a result of termination of employment by the executive or the Company following a going private transaction are generally equal to or less than the amounts payable as a result of termination of employment by the executive or the Company following a change in control. Notwithstanding the amounts set forth in this table, if any payment otherwise due to any of Messrs. Dolan, Ratner, Pollichino or Burian would result in the imposition of an excise tax under Code Section 4999, then the Company will instead pay to the applicable NEO either (a) the amounts set forth in this table, or (b) the maximum amount that could be paid to such NEO without the imposition of the excise tax, whichever results in a greater amount of after-tax proceeds to such NEO.
- (2) If either of Messrs. Dolan or Ratner is terminated without cause or resigns with good reason following a change in control or a going private transaction, then he would be entitled to the amounts above. Additionally, if either of Messrs. Dolan or Ratner resigns without good reason in the thirteenth month following a change in control, he would be entitled to the amounts above.

- (9) Represents the value of the 2010 grant of 19,000, 12,000 and 8,200 restricted stock units for each of Messrs. Pollichino, Burian and Yospe, respectively. Upon a change in control or going private transaction, Messrs. Pollichino, Burian and Yospe will be entitled to either (in the successor entity's discretion) (a) cash equal to the unvested units multiplied by the per share price paid in the change in control or going private transaction, or (b) only if the successor entity is a publicly traded company, a replacement unit award from the successor entity with the same terms. Any such cash award would be payable upon the earliest of (x) the date the units were originally scheduled to vest so long as the executive remains continuously employed, (y) a termination without cause or a resignation with good reason, or (z) only if the successor entity elects clause (b) above, upon a resignation without good reason that is at least six months, but no more than nine months following the change in control or going private transaction.

TREATMENT OF LEGACY CABLEVISION OPTIONS, RIGHTS, RESTRICTED STOCK, RESTRICTED STOCK UNITS AND OTHER AWARDS

Options, Rights, Restricted Stock and Restricted Stock Units

In connection with the Distribution, each Cablevision stock option and stock appreciation right (right or SAR) became two options/rights. Cablevision options were converted into options to acquire Cablevision NY Group Class A Common Stock and options to acquire the Company's Class A Common Stock. Cablevision rights were converted into rights with respect to the cash value of Cablevision NY Group Class A Common Stock and rights with respect to the cash value of the Company's Class A Common Stock. The number of shares of the Company's Class A Common Stock that became subject to each option/right was based on the 1:4 distribution ratio (*i.e.*, one share of the Company's common stock for every four shares of Cablevision). The options and the rights with respect to the Company's Class A Common Stock were issued under the new Madison Square Garden, Inc. 2010 Employee Stock Plan or the new Madison Square Garden, Inc. 2010 Stock Plan for Non-Employee Directors, as applicable. The existing exercise price was allocated between the existing Cablevision options/rights and the Company's new options/rights based upon ten-day weighted-average prices of the Cablevision NY Group Class A Common Stock and the Company's Class A Common Stock, taking into account the 1:4 distribution ratio. As a result of this adjustment, 82.63% of the pre-Distribution exercise price of options and rights was allocated to the Cablevision options and rights and 17.37% was allocated to the new Madison Square Garden, Inc. options and rights. Other than the split of the Cablevision options and rights and the allocation of the existing exercise price, upon issuance of our new options and rights there was no additional adjustment to the existing Cablevision options and rights in connection with the Distribution and the terms of each employee's applicable Cablevision award agreement continue to govern the Cablevision options and rights. The options and rights that were issued in respect of outstanding Cablevision stock options and rights will be affected by a change in control or going private transaction of the Company or Cablevision, as set forth in the terms of the award agreement.

Further, in the Distribution, one share of the Company's Class A Common Stock was issued in respect of every four shares of Cablevision restricted stock and these Company shares are restricted on the same basis as the underlying Cablevision restricted shares. These shares were not issued under any of the Company's new equity plans as they were issued as a dividend in respect of Cablevision NY Group Class A Common Stock in connection with the Distribution. If a holder of Cablevision restricted stock forfeits such restricted stock and therefore forfeits our accompanying shares, the Company shares will be returned to our treasury.

Cablevision has issued restricted stock units to its non-employee directors which represent unfunded, unsecured rights to receive shares of Cablevision NY Group Class A Common Stock (or cash or other property) at a future date upon the satisfaction of the conditions specified by the Compensation Committee in the award agreement. Such restricted stock units were fully vested on the

Table of Contents

date of grant. Upon Distribution, each holder of a restricted stock unit received one share of our Class A Common Stock in respect of every four Cablevision restricted stock units owned on the record date and continued to be entitled to a share of Cablevision NY Group Class A Common Stock (or cash or other property) in accordance with the award agreement. Such shares of Class A Common Stock were issued under our 2010 Stock Plan for Non-Employee Directors. Cablevision has issued to its non-employee directors options to purchase its Cablevision NY Group Class A Common Stock, and such options are fully vested. In connection with the Distribution, each Cablevision option became two options: one an option to acquire Cablevision NY Group Class A Common Stock and one an option to acquire our Class A Common Stock. The allocation of exercise price between the existing non-employee director Cablevision options and our new non-employee director options and the number of shares subject to those new options was determined in the same manner as described above for our options/rights issued under our 2010 Employee Stock Plan at the time of the Distribution.

Other Awards

In 2008 and 2009, Cablevision granted three-year performance awards to executives and certain other members of management of the Company under Cablevision's 2006 Cash Incentive Plan. The performance objectives in each employee's applicable award agreement were required to be adjusted to reflect the exclusion of our business from the business of Cablevision.

Deferred compensation awards granted by Cablevision pursuant to Cablevision's Long-Term Incentive Plan (which was superseded by Cablevision's Cash Incentive Plan in 2006) were unaffected by the Distribution.

With respect to outstanding long-term cash and equity awards, the Company and Cablevision are not regarded as competitive entities of each other for purposes of any non-competition provisions contained in the applicable award agreements. With respect to all outstanding Cablevision awards (and our options and stock appreciation rights issued in connection with such awards) holders of such awards will continue to vest in them so long as they remain employed by the Company, Cablevision or affiliates of either entity, provided that an employee who moves between the Company or one of its subsidiaries, on the one hand, and Cablevision or one of its subsidiaries, on the other hand, at a time when the two entities are no longer affiliates will not continue to vest in our awards and such change will constitute a termination of employment for purposes of the award agreement. Notwithstanding the foregoing, Messrs. James L. Dolan and Hank J. Ratner will continue to vest in their outstanding Cablevision awards (as well as in Company stock options and stock appreciation rights issued upon the Distribution with respect to such outstanding Cablevision awards) based solely on their continued service with Cablevision and not in respect of their continued service with the Company and its subsidiaries.

We are not responsible for any payments associated with any annual, long-term cash or deferred compensation award granted by Cablevision to Mr. Dolan or Mr. Ratner that was outstanding as of the Distribution. Payment of such awards is the sole responsibility of Cablevision. Payments of any awards granted to Mr. Pollichino will continue to be the responsibility of the Company. The Company has assumed all liabilities relating to annual, long-term cash or deferred compensation awards granted by Cablevision to Mr. Burian that were outstanding as of the Distribution; however, Cablevision has funded the portion of those awards accrued through February 1, 2010, the date he transferred to the Company.

The performance awards and deferred compensation awards applicable to our other employees were assigned by Cablevision to us and have been assumed by us.

Dolan may have been deemed to share power to vote or direct the vote of and to dispose of or direct the disposition of such excluded shares because he shared the same household as his father and stepmother on that date. Charles P. Dolan no longer shares the same household. He disclaims beneficial ownership of 145,817 shares of Class A Common Stock owned of record personally by his father, 2,125 shares of Class A Common Stock held by his father as custodian for one or more minor children, 42,275 shares of restricted stock owned of record personally by his father, options owned of record personally by his father to purchase 351,782 shares of Class A Common Stock that are exercisable within sixty days of March 11, 2011, 1,250 shares of Class A Common Stock owned jointly by his father and his stepmother, 1,962 shares of Class A Common Stock owned of record personally by his stepmother, 3,225 shares of restricted stock owned of record personally by his stepmother, 396 shares of Class A Common Stock owned by his stepmother through a 401(k) plan, 625 shares of Class A Common Stock owned of record by a member of his parent's household, 39,886 shares of Class A Common Stock owned of record by the Dolan Children Trust for his father's benefit), 15,156 shares of Class B Common Stock and the equal number of shares of Class A Common Stock issuable upon conversion thereof owned directly by his father and 926,958 shares of Class B Common Stock and the equal number of shares of Class A Common Stock issuable upon conversion thereof owned by the Dolan Children Trust for the benefit of his father.

Charles F. Dolan, members of his family and related family entities, by virtue of their ownership of Class B Common Stock, are able collectively to control stockholder decisions on matters on which holders of Class A Common Stock and Class B Common Stock vote together as a single class, and to elect up to 75% of the Company's Board. In addition, Charles F. Dolan, members of the Dolan family and related family entities have entered into a Class B Stockholders Agreement which has the effect of causing the voting power of these Class B stockholders to be cast as a block on all matters to be voted on by holders of Class B Common Stock.

Table of Contents

Charles F. Dolan, all other holders of Class B Common Stock (other than the Charles F. Dolan Children Trusts), the Dolan Children's Foundation, the Dolan Family Foundation and the Company have entered into a registration rights agreement (the Dolan Registration Rights Agreement). Under this agreement, the Company will provide the parties to the Dolan Registration Rights Agreement (the Dolan Parties) (and, in certain cases, transferees and pledgees of shares of Class B Common Stock owned by these parties) with certain demand and piggy-back registration rights with respect to their shares of Class A Common Stock (including those issued upon conversion of shares of Class B Common Stock). As of March 11, 2011, the Dolan Parties owned approximately 8.1 million shares of Class B Common Stock (the Dolan Shares), which represented approximately 59.6% of our Class B Common Stock as well as approximately 1.8 million shares of Class A Common Stock, which represented approximately 2.9% of our Class A Common Stock. Such shares of Class B Common Stock and Class A Common Stock, collectively, represented approximately 13.1% of our Common Stock and 42% of the aggregate voting power of our Common Stock.

The Charles F. Dolan Children Trusts (the Children Trusts) and the Company have entered into a registration rights agreement (the Children Trusts Registration Rights Agreement). Under this agreement, the Company will provide the Children Trusts (and, in certain cases, transferees and pledgees of shares of Class B Common Stock owned by these parties) with certain demand and piggy-back registration rights with respect to their shares of Class A Common Stock (including those issued upon conversion of shares of Class B Common Stock). As of March 11, 2011, the Children Trusts owned 5,468,695 shares of Class B Common Stock (the Children Trust Shares), which represented approximately 40.2% of our Class B Common Stock, as well as 271,228 shares of Class A Common Stock, which represented approximately 0.4% of our Class A Common Stock. Such shares of Class B Common Stock and Class A Common Stock, collectively, represented approximately 7.9% of our Common Stock and 27.8% of the aggregate voting power of our Common Stock.

In the Children Trusts Registration Rights Agreement, each Children Trust has agreed that in the case of any sale or disposition of its shares of Class B Common Stock (other than to Charles F. Dolan or other Dolan family interests) by such Children Trust, or of any of the Children Trust Shares by any other Dolan family interest to which such shares of Class B Common Stock are transferred, such stock will be converted to Class A Common Stock. The Dolan Registration Rights Agreement does not include a comparable conversion obligation, and the conversion obligation in the Children Trusts Registration Rights Agreement does not apply to the Dolan Shares.

The Dolan Registration Rights Agreement and the Children Trusts Registration Rights Agreement are included as exhibits to our Annual Report on Form 10-K, and the foregoing discussion of those agreements is qualified in its entirety by reference to those agreements as filed.

Item 13. Certain Relationships and Related Transactions, and Director Independence

RELATIONSHIP BETWEEN CABLEVISION AND US

As a result of the Distribution, Cablevision no longer holds a common stock ownership interest in us. However, both Cablevision and we continue to be under the control of Charles F. Dolan, members of his family and certain related family entities. For purposes of governing the ongoing relationships between Cablevision and us and to provide for our orderly transition from a wholly-owned subsidiary of Cablevision to a separate, publicly listed company, Cablevision and we have entered into the agreements described in this section. Certain of the agreements summarized in this section are included as exhibits to our Annual Report on Form 10-K, and the following summaries of those agreements are qualified in their entirety by reference to the agreements as filed.

Distribution Agreement

On January 12, 2010, we entered into the Distribution Agreement with Cablevision as part of a series of transactions pursuant to which we acquired the subsidiaries of Cablevision that own, directly or indirectly, all of the partnership interests in Madison Square Garden, L.P.

Under the Distribution Agreement, Cablevision provides us with indemnities with respect to liabilities, damages, costs and expenses arising out of any of (i) Cablevision's businesses (other than businesses of ours), (ii) certain identified claims or proceedings, (iii) any breach by Cablevision of its obligations under the Distribution Agreement, (iv) any untrue statement or omission in our Registration Statement on Form 10 filed with the SEC or in the related Information Statement relating to Cablevision and its subsidiaries and (v) indemnification obligations we may have to the NBA or NHL that result from acts or omissions of Cablevision. We provide Cablevision with indemnities with respect to liabilities, damages, costs and expenses arising out of any of (i) our businesses, (ii) any breach by us of our obligations under the Distribution Agreement and (iii) any untrue statement or omission in the Registration Statement or Information Statement other than any such statement or omission relating to Cablevision and its subsidiaries. For purposes of these indemnities, our Fuse programming business is treated as a business of Cablevision prior to its transfer to Madison Square Garden and as a business of ours thereafter.

Table of Contents

In the Distribution Agreement we release Cablevision from any claims we might have arising out of:

the management of the businesses and affairs of Madison Square Garden at or prior to the Distribution;
the terms of the Distribution, our Amended and Restated Certificate of Incorporation, our by-laws and the other agreements entered into in connection with the Distribution; and
any decisions that have been made, or actions taken, relating to Madison Square Garden or the Distribution.

The Distribution Agreement also provides for access to records and information, cooperation in defending litigation, as well as methods of resolution for certain disputes.

Transition Services Agreement

On January 12, 2010, we entered into a Transition Services Agreement with Cablevision under which, in exchange for the fees specified in such agreement, Cablevision has agreed to provide transition services with regard to such areas as tax, information technology, insurance and employee recruiting, compensation and benefits. We have agreed to provide transition services to Cablevision with regard to those information technology systems that we and Cablevision may share. The Company and Cablevision, as parties receiving services under the agreement, agree to indemnify the party providing services for losses incurred by such party that arise out of or are otherwise in connection with the provision by such party of services under the agreement, except to the extent that such losses result from the providing party's gross negligence, willful misconduct or breach of its obligations under the agreement. Similarly, each party providing services under the agreement agrees to indemnify the party receiving services for losses incurred by such party that arise out of or are otherwise in connection with the indemnifying party's provision of services under the agreement if such losses result from the providing party's gross negligence, willful misconduct or breach of its obligations under the agreement. We believe that the terms and conditions of the Transition Services Agreement are as favorable to us as those available from unrelated parties for a comparable arrangement.

Tax Disaffiliation Agreement

On January 12, 2010, we entered into a Tax Disaffiliation Agreement with Cablevision that governs Cablevision's and our respective rights, responsibilities and obligations with respect to taxes and tax benefits, the filing of tax returns, the control of audits and other tax matters following the Distribution. References in this summary description of the Tax Disaffiliation Agreement to the terms "tax" or "taxes" mean taxes as well as any interest, penalties, additions to tax or additional amounts in respect of such taxes.

We and our eligible subsidiaries previously joined with Cablevision in the filing of a consolidated return for U.S. federal income tax purposes and in the filing of certain consolidated, combined, and unitary returns for state, local, and other applicable tax purposes. However, for periods (or portions thereof) beginning after the Distribution, we generally will not join with Cablevision in the filing of any federal, state, local or other applicable consolidated, combined or unitary tax returns.

Under the Tax Disaffiliation Agreement, except for certain New York City income taxes, Cablevision is responsible for all of our U.S. federal, state, local and other applicable income taxes for any taxable period or portion of such period that ended on or before the Distribution Date. We are responsible for all other taxes (including certain New York City income taxes) for all taxable periods that ended on or before the Distribution Date, and all taxes that are attributable to us or one of our subsidiaries after the Distribution Date.

Table of Contents

Notwithstanding the Tax Disaffiliation Agreement, under U.S. Treasury Regulations, each member of a consolidated group is severally liable for the U.S. federal income tax liability of each other member of the consolidated group. Accordingly, with respect to periods in which we have been included in Cablevision's consolidated group, we could be liable to the U.S. government for any U.S. federal income tax liability incurred, but not discharged, by any other member of such consolidated group. However, if any such liability were imposed, we would generally be entitled to be indemnified by Cablevision for tax liabilities allocated to Cablevision under the Tax Disaffiliation Agreement.

We are responsible for filing all tax returns for all periods ending after the Distribution Date that include us or one of our subsidiaries other than any consolidated, combined or unitary income tax return for periods after such date (if any) that includes us or one of our subsidiaries, on the one hand, and Cablevision or one of its subsidiaries (other than us or any of our subsidiaries), on the other hand. We also are responsible for filing, for all periods, all returns related to certain New York City income taxes that include us or one of our subsidiaries. Where possible, we have waived the right to carry back any losses, credits, or similar items to periods ending prior to or on the Distribution Date, however, if we cannot waive the right, we would be entitled to receive the resulting refund or credit, net of any taxes incurred by Cablevision with respect to the refund or credit.

Generally, we have the authority to conduct all tax proceedings, including tax audits, relating to taxes or any adjustment to taxes for which we are responsible for filing a return under the Tax Disaffiliation Agreement, and Cablevision has the authority to conduct all tax proceedings, including tax audits, relating to taxes or any adjustment to taxes for which Cablevision is responsible for filing a return under the Tax Disaffiliation Agreement. However, if one party acknowledges a liability to indemnify the other party for a tax to which such proceeding relates, and provides evidence to the other party of its ability to make such payment, the first-mentioned party will have the authority to conduct such proceeding. The Tax Disaffiliation Agreement further provides for cooperation between Cablevision and the Company with respect to tax matters, the exchange of information and the retention of records that may affect the tax liabilities of the parties to the agreement.

Finally, the Tax Disaffiliation Agreement requires that none of Cablevision, the Company or any of our respective subsidiaries will take, or fail to take, any action where such action, or failure to act, would be inconsistent with or preclude the Distribution from qualifying as a tax-free transaction to Cablevision and to its stockholders under Section 355 of the Code, or would otherwise cause holders of Cablevision stock receiving our stock in the Distribution to be taxed as a result of the Distribution and certain transactions undertaken in connection with the Distribution. Additionally, for the two-year period following the Distribution, we may not engage in certain activities that may jeopardize the tax-free treatment of the Distribution to Cablevision and its stockholders, unless we receive Cablevision's consent or otherwise obtain a ruling from the IRS or a legal opinion, in either case reasonably satisfactory to Cablevision, that the activity will not alter the tax-free status of the Distribution to Cablevision and its stockholders. Such restricted activities include:

- entering into any transaction pursuant to which 50% or more of our shares or assets would be acquired, whether by merger or otherwise, unless certain tests are met;
- issuing equity securities, if any such issuances would, in the aggregate, constitute 50% or more of the voting power or value of our capital stock;
- certain repurchases of our common shares;
- ceasing to actively conduct our business;
- amendments to our organizational documents (i) affecting the relative voting rights of our stock or (ii) converting one class of our stock to another;
- liquidating or partially liquidating; and
- taking any other action that prevents the Distribution and related transactions from being tax-free.

Moreover, we must indemnify Cablevision and its subsidiaries, officers and directors for any taxes, resulting from our action or failure to act, if such action or failure to act precludes the Distribution from qualifying as a tax-free transaction (including taxes imposed as a result of a violation of the restrictions set forth above).

Table of Contents

Cablevision must indemnify us and our subsidiaries, officers and directors for any taxes, resulting from action or failure to act, if such action or failure to act precludes the Distribution from qualifying as a tax-free transaction (including taxes imposed as a result of a violation of the restrictions set forth above).

Employee Matters Agreement

On January 12, 2010, we entered into an Employee Matters Agreement with Cablevision that allocates assets, liabilities and responsibilities with respect to certain employee compensation and benefit plans and programs and certain other related matters. Prior to the Distribution, our employees participated in various Cablevision retirement, health and welfare, and other employee benefit plans. After the Distribution, our employees generally participate in similar plans and arrangements established and maintained by the Company; however, we continued throughout 2010 to be a participating company in certain Cablevision employee benefit plans during a transition period. We and Cablevision each have responsibility for our respective employees and compensation plans.

Aircraft Arrangements

The Company has entered into a Time Sharing Agreement with CSC Transport, Inc. (CSC Transport), a subsidiary of Cablevision, pursuant to which CSC Transport leases to the Company on a time-sharing basis any aircraft owned or operated by Cablevision (currently a Gulfstream Aerospace G-V aircraft (the G-V) and four helicopters). The Company pays CSC Transport an amount equal to the actual non-fuel expenses of each flight it elects to utilize and 200% of the actual fuel usage for such flights, but not exceeding the maximum amount payable under Federal Aviation Administration rules. In calculating the amounts payable under the agreement, the Company and CSC Transport allocate in good faith the treatment of any flight that is for the benefit of the Company and Cablevision.

The Company and CSC Transport have also entered into an Aircraft Management Agreement, pursuant to which CSC Transport has agreed to manage the Company's Boeing 737-400 for the 2010 to 2015 period. The agreement provides for an annual management fee of \$210,000 (with an annual CPI based increase) in addition to reimbursement of certain expenses.

Affiliation Agreement

A new affiliation agreement between the Company and Cablevision took effect on January 1, 2010, with respect to the carriage of the MSG and MSG Plus program services on Cablevision's cable systems in the New York, Connecticut and New Jersey tri-state area. This agreement has a term of ten years, obligates Cablevision to carry such program services on its cable systems and provides for the payment by Cablevision to the Company of a per subscriber license fee, which fee is increased each year during the term of the agreement.

Other Arrangements and Agreements with Cablevision

The Company has also entered into a number of commercial and technical arrangements and agreements with Cablevision and its subsidiaries, none of which are material to the Company. These include, but are not limited to, arrangements for the Company's use of equipment, offices and other premises, lease of transponders, provision of technical and transport services and vendor services, lease of titles in film and other libraries, access to technology and for Cablevision's sponsorship of the Company and its professional sports teams.

DOLAN FAMILY ARRANGEMENTS

The Company has entered into a Time Sharing Agreement with Dolan Family Office, LLC (DFO LLC), a company controlled by Charles F. Dolan, a director of the Company. Under this agreement, DFO LLC has agreed to sublease to the Company on a time sharing basis, a Gulfstream Aerospace GIV-SP aircraft. The Company pays DFO LLC an amount equal to the actual non-fuel expenses of each flight it elects to utilize and 200% of the actual fuel usage for such flights, but not exceeding the maximum amount payable under Federal Aviation Administration rules. In addition, from time to time, certain other services of the Company may be made available to members of the Dolan family and to entities owned by them. It is the policy of the Company to receive reimbursement for the costs of these services.

OTHER

Since 2005, Charles Tese, the brother of Vincent Tese, a director of the Company, has been employed by Madison Square Garden, L.P., a subsidiary of the Company, in a non-executive officer position. Mr. Charles Tese earned a salary of \$108,790 and a bonus of \$4,184 in 2010. Mr. Vincent Tese also serves as a director of Cablevision.

CERTAIN RELATIONSHIPS AND POTENTIAL CONFLICTS OF INTEREST

Our Executive Chairman, James L. Dolan, also serves as the President and Chief Executive Officer of Cablevision and our President and Chief Executive Officer, Hank J. Ratner, serves as Vice Chairman of Cablevision. Nine of the members of our Board also serve as directors of Cablevision, and several of our directors serve as officers and/or employees of Cablevision concurrently with their service on our Board. Therefore, these officers and directors may have actual or apparent conflicts of interest with respect to matters involving or affecting each company. For example, there is the potential for a conflict of interest when we or Cablevision look at certain acquisitions and other corporate opportunities that may be suitable for both companies. Also, conflicts may arise if there are issues or disputes under the commercial arrangements that exist between Cablevision and us. In addition, certain of our officers and directors own Cablevision stock and options to purchase Cablevision stock, as well as cash performance awards with any payout based on Cablevision's performance. These ownership interests could create actual, apparent or potential conflicts of interest when these individuals are faced with decisions that could have different implications for the Company and Cablevision. See **Related Party Transaction Approval Policy** below for a discussion of certain procedures we instituted to help ameliorate any such potential conflicts that may arise. Under the Employee Matters Agreement, executives who are employed by both the Company and Cablevision are considered Cablevision employees with respect to all amounts and awards outstanding as of the Distribution Date, and we are not responsible for any costs associated with any cash or equity incentive award outstanding as of the Distribution Date with respect to any such executive.

The Company's Amended and Restated Certificate of Incorporation acknowledges that the Company may have overlapping directors and officers with Cablevision and its subsidiaries and that the Company may engage in material business transactions with such entities. The Company has renounced its rights to certain business opportunities and the Company's Amended and Restated Certificate of Incorporation provides that in certain circumstances our directors and officers will not have liability to the Company or its stockholders for breach of any fiduciary duty by reason of the fact that any such individual directs a corporate opportunity to Cablevision or any of its subsidiaries instead of the Company, or does not refer or communicate information regarding such corporate opportunity to the Company. These provisions in our Amended and Restated Certificate of Incorporation also expressly validate certain contracts, agreements, arrangements and transactions (and amendments, modifications or terminations thereof) between the Company and Cablevision and/or any of its subsidiaries and will provide that, to the fullest extent permitted by law, the actions of the overlapping directors and officers in connection therewith are not breaches of fiduciary duties owed to the Company or its stockholders.

RELATED PARTY TRANSACTION APPROVAL POLICY

We have adopted a written policy whereby an Independent Committee of our Board, which may be the Audit Committee, reviews and approves or takes such other action as it may deem appropriate with respect to transactions involving the Company and its subsidiaries, on the one hand, and in which any director, officer, greater than 5% stockholder of the Company or any other related person as defined in Item 404 has or will have a direct or indirect material interest. This approval requirement covers any transaction that meets the related party disclosure requirements of the SEC as set forth in Item 404, which currently apply to transactions (or any series of similar transactions) in which the amount involved exceeds \$120,000. To simplify the administration of the approval process under this policy, an Independent Committee may, where appropriate, establish guidelines for certain of those transactions.

Table of Contents

The policy does not cover decisions on compensation or benefits or the hiring or retention of any person. The hiring or retention of executive officers is determined by our full Board. Compensation of executive officers is subject to the approval of our Compensation Committee. This policy also does not cover any pro rata distributions to all Company stockholders, including a pro rata distribution of our Class A common stock to holders of our Class A common stock and our Class B common stock to holders of our Class B common stock. No director on an Independent Committee will participate in the consideration of a related party transaction with that director or any related person of that director.

Our Board has also adopted a special approval policy for transactions with Cablevision and its subsidiaries whether or not such transactions qualify as related party transactions described above. Under this policy, an Independent Committee, which may be the Audit Committee, oversees approval of all transactions and arrangements between the Company and its subsidiaries, on the one hand, and Cablevision and its subsidiaries, on the other hand, in which the amount exceeds the dollar threshold set forth in Item 404 (currently \$120,000). To simplify the administration of the approval process under this policy, an Independent Committee may, where appropriate, establish guidelines for certain of these transactions. The approval requirement does not apply to the implementation and administration of these intercompany arrangements under the related party transaction approval policy but does cover any amendments, modifications, terminations or extensions, other than ministerial, nonsubstantive amendments or modifications, as well as the handling and resolution of any disputes. Our executive officers and directors who are also senior executives or directors of Cablevision may participate in the negotiation, execution, implementation, amendment, modification, or termination of these intercompany arrangements, as well as in any resolution of disputes thereunder, on behalf of either or both of the Company and Cablevision, in each case under the direction of an Independent Committee or the comparable committee of the board of directors of Cablevision.

Our related party transaction approval policy cannot be amended or terminated without the prior approval of a majority of the Company's independent directors and by a majority of the directors elected by our Class B Common Stockholders. For purposes of this policy, independent directors means those directors who have been determined by our Board to be independent directors for purposes of NASDAQ's corporate governance standards.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, certain executive officers, and persons who own more than 10 percent of the outstanding common stock to file reports of ownership and changes in ownership with the SEC. The SEC regulations require Madison Square Garden to identify anyone who failed to file a required report or filed a late report during the most recent fiscal year. Based solely on a review of reports filed under Section 16(a) of the Securities Exchange Act of 1934, the Company is aware of no such failure, except for (i) a late Form 3 filing by each of 15 separate trusts for the benefit of members of the Dolan family, three grantor retained annuity trusts created by Charles F. Dolan and three grantor retained annuity trusts created by Helen A. Dolan and (ii) a late Form 4 filing for Mr. Vincent Tese.
