INTRODUCTION

Reference is made to the announcement dated 16 August 2012 of China Mobile Limited (the **Company**) in relation to the preliminary discussions between the Company and ANHUI USTC IFLYTEK Co. Anhui USTC agrees to issue to CMC and CMC agrees to subscribe from Anhui USTC 70,273,935 ordinary shares of Anhui USTC with a par value of RMB1 per share (**Newly Issued Shares**), representing 15% of the total issued and outstanding shares of Anhui USTC upon completion of the share subscription and other concurrent non-public offerings by Anhui USTC (the **Transaction**). In the event that prior to completion of the Transaction, Anhui USTC makes any distribution, capitalizes common reserve fund or conducts a rights issue which leads to a change in the number of its total issued and outstanding shares, the number of the Newly Issued Shares shall be adjusted accordingly to ensure that the shares issued to CMC represent 15% of the total issued and outstanding shares of Anhui USTC upon completion of the Transaction and such distribution, capitalization of common reserve fund or rights issue.

The subscription price per Newly Issued Share is RMB19.40, which is determined pursuant to the principle of the subscription price not being lower than the minimum price stipulated under applicable laws (being 90% of the average trading price of Anhui USTC shares which are listed on the Shenzhen Stock Exchange for the 20 trading days immediately prior to the date of Anhui USTC's announcement on the resolution of its board of directors approving the Transaction), with a total consideration of RMB1,363,314,339. In the event that prior to completion of the Transaction, Anhui USTC makes any distribution, capitalizes common reserve fund or conducts a rights issue, the subscription price per subscription share shall be adjusted on the basis of the ex-right (dividend) reference price pursuant to the relevant rules of the Shenzhen Stock Exchange. The total consideration will be adjusted on the same basis accordingly. The total consideration for the subscription will be payable by CMC to Anhui USTC in cash at completion.
