Item 1.01. Entry into a Material Definitive Agreement.

On July 7, 2015, Viking Therapeutics, Inc. (the Company) entered into a Sublease (the Sublease) with Fish & Richardson P.C. (Landlord). The Sublease is for approximately 7,049 rentable square feet of space located at 12340 El Camino Real, Suite 250, San Diego, California 92130 (the Premises). The Premises will become the Company's corporate headquarters.

The Sublease will commence on August 1, 2015 and will expire on September 30, 2018, unless terminated earlier in accordance with the terms of the Sublease. Monthly base rent payments due under the Sublease for the Premises will be \$19,737, subject to annual increases of 3.0% during the term of the Sublease. The Company is also responsible for certain other costs under the Sublease, including electricity and utility expenses and certain repair and maintenance obligations.

The Sublease is subject to the consent of the master lessor (the Master Lessor) under Landlord's lease for the Premises and Landlord is obligated under the Sublease to use commercially reasonable efforts to obtain the consent of the Master Lessor to the Sublease. If the consent of the Master Lessor is not obtained on or before August 1, 2015, either the Company or Landlord shall have the right to terminate the Sublease. The Sublease also contains customary default provisions allowing Landlord to terminate the Sublease if the Company fails to cure certain breaches of its obligations under the Sublease within a specified period of time. In addition, the Company will be obligated to indemnify the Landlord and the Master Lessor for certain losses incurred in connection with the Company's use and occupancy of the Premises.

The foregoing description of the Sublease does not purport to be complete and is qualified in its entirety by reference to the full text of the Sublease, a copy of which the Company expects to file with the Company's Quarterly Report on Form 10-Q for the quarterly period ending September 30, 2015.
