Item 3. Source and Amount of Funds or Other Consideration.

On December 4, 2015, pursuant to a privately-negotiated Investment Agreement (as amended, the Investment Agreement) with the Issuer, the Blackstone Purchasers purchased 820,000 shares of Series A Convertible Preferred Stock, par value \$0.01 per share (Preferred Stock), of the Issuer, for a cash purchase price of \$1000 per share or approximately \$820 million in the aggregate.

The Blackstone Purchasers' payment of their portion of the aggregate purchase price was funded by capital contributions by the Blackstone Purchasers' partners.

Item 4. Purpose of Transaction.

The Blackstone Purchasers purchased the Preferred Stock under the Investment Agreement for investment purposes, subject to the following:

Pursuant to the Investment Agreement, the Issuer appointed two members to its board of directors (the Board) designated by the Blackstone Purchasers at the consummation of the purchase of Preferred Stock. The Investment Agreement further provides that, so long as the Blackstone Purchasers or certain of their permitted transferees (together, the Blackstone Parties) beneficially own shares of Series A Preferred Stock and/or shares of Common Stock issued upon conversion of Series A Preferred Stock (Conversion Common Stock) that represent, on an as converted basis, at least 50% of the Blackstone Parties' initial shares of Series A Preferred Stock on an as-converted basis, the Blackstone Parties will have the right to designate a total of two directors for election to the Issuer's board of directors. So long as the Blackstone Parties beneficially own shares of Series A Preferred Stock and/or Conversion Common Stock that represent, on an as converted basis, at least 25% but less than 50% of the Blackstone Parties' initial shares of Series A Preferred Stock on an as-converted basis, the Blackstone Parties will have the right to designate a total of one director for election to the Issuer's board of directors. The representation afforded by the appointment of the Blackstone Parties' representative(s) on the Board may allow the Reporting Persons to have influence over the corporate activities of the Issuer, including activities that may relate to items described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Further, pursuant to the Investment Agreement, until the later of (a) the three year anniversary of the closing of the transactions contemplated by the Investment Agreement and (b) the date that no Blackstone Parties' designee serves on the Board and the Blackstone Parties have no rights (or have irrevocably waived their rights) to designate directors for

election to the Board, the Blackstone Parties will be subject to certain standstill restrictions, including, among other things, that the Blackstone Parties will be restricted from acquiring additional securities of the Issuer. Subject to certain customary exceptions, Blackstone will be restricted from transferring the Series A Preferred Stock or Conversion Common Stock until the 18 month anniversary of the Closing Date.

The description of the Investment Agreement in Item 3 and this Item 4 is not intended to be complete and is qualified in its entirety by the agreement, which is filed as an exhibit hereto and is incorporated by reference herein.

The Reporting Persons intend to review on a continuing basis the Blackstone Parties' investment in the Issuer. As a result of the Reporting Persons' continuous review and evaluation of the business of the Issuer, the Reporting Persons may communicate with the Board, members of management and/or other stockholders or other relevant parties from time to time with respect to operational, strategic, financial or governance matters or otherwise work with management and the Board with a view to maximizing stockholder value. Subject to the agreements described herein, the Reporting Persons may seek to sell or otherwise dispose some or all of the Issuer's securities (which may include, but is not limited to, transferring some or all of such securities to its affiliates or distributing some or all of such securities to such Reporting Person's respective partners, members or beneficiaries, as applicable) from time to time, and/or may seek to acquire additional securities of the Issuer (which may include rights or securities exercisable or convertible into securities of the Issuer) from time to time, in each case, in open market or private transactions, block sales or otherwise. Any transaction that the Reporting Persons may pursue may be made at any time and from time to time without prior notice and will depend on a variety of factors, including, without limitation, the price and availability of the Issuer's securities, subsequent developments affecting the Issuer, the Issuer's business and the Issuer's prospects, other investment and business opportunities available to the Reporting Persons, general industry and economic conditions, the securities markets in general, tax considerations and other factors deemed relevant by the Reporting Persons.

Other than as described in this Item 4, none of the Reporting Persons has any current plans or proposals that relate to or that would result in any of the transactions or other matters specified in clauses (a) through (j) of Item 4 of Schedule 13D; provided, that the Reporting Persons at any time and from time to time, may review or reconsider and change their position and/or change their purpose and/or develop such plans and may seek to influence management or the board of directors of the Issuer with respect to the business and affairs of the Issuer, and may from time to time consider pursuing or proposing any such transactions with advisors, the Issuer or other persons.

The information set forth in Items 3, 4 and 5 of this Schedule 13D is hereby incorporated by reference.

The preferences, limitations, powers and relative rights of the Preferred Stock are set forth in the Articles Supplementary classifying the Series A Preferred Stock (the Articles Supplementary). Holders of Preferred Stock will be entitled to vote with the holders of the Common Stock on an as-converted basis. The Preferred Stock ranks senior to the Common Stock and to any other classes of common and preferred stock, as to dividend and liquidation rights, winding up and dissolution. The Preferred Stock will have a stated value of \$1,000 per share. Holders of Preferred Stock will be entitled to cumulative dividends payable quarterly in cash at a rate of 5.5% per annum, as set forth in the

Articles Supplementary. If the Issuer does not declare and pay a dividend, the dividend rate will increase by 2.5% to 8.0% per annum until all accrued but unpaid dividends have been paid in full. Dividends shall be paid in-kind, through the issuance of additional shares of Series A Preferred Stock, for the first sixteen dividend payment dates, after which dividends will be payable in cash or in-kind at the option of the Issuer.

The Series A Preferred Stock is convertible at the option of the holders at any time into shares of Common Stock at an initial conversion price of \$30.00 per share and an initial conversion rate of 33.33 shares of Common Stock per share of Series A Preferred Stock, subject to certain anti-dilution adjustments. At any time after the third anniversary of the date of the issuance of the Series A Preferred Stock, if the volume weighted average price of the Common

Stock exceeds \$54.00, as may be adjusted pursuant to the Articles Supplementary, for at least 30 trading days in any period of 45 consecutive trading days, all of the Series A Preferred Stock may be converted, at the election of the Issuer, into the relevant number of shares of Common Stock.

On any date during the three months following March 16, 2024 and the three months following every third anniversary of such date, holders of Series A Preferred Stock will have the right to require the Issuer to repurchase all or any portion of the Series A Preferred Stock at 100% of the liquidation preference thereof plus all accrued but unpaid dividends. Upon certain change of control events involving the Issuer, holders of Series A Preferred Stock can require the Issuer to repurchase all or any portion of the Series A Preferred Stock at the greater of (1) an amount in cash equal to 100% of the liquidation preference thereof plus all accrued but unpaid dividends and (2) the consideration the holders would have received if they had converted their shares of Series A Preferred Stock into Common Stock immediately prior to the change of control event. The Issuer has the right, upon certain change of control events involving the Issuer, to redeem the Series A Preferred Stock at the greater of (1) an amount in cash equal to the sum of the liquidation preference of the Series A Preferred Stock, all accrued but unpaid dividends and the present value, discounted at a rate of 10%, of any remaining scheduled dividends through the fifth anniversary of the first dividend payment date, assuming the Issuer chose to pay such dividends in cash and (2) the consideration the holders would have received if they had converted their shares of Series A Preferred Stock into Common Stock immediately prior to the change of control event.
