Following the Capital Increase approved in this Meeting, the head of the company By-laws' Article 4 shall become effective with the following wording:

"ARTICLE 4 ("caput") The Company's Capital Stock is of R\$ R\$ 4,222,667,807.01 (four billion, two hundred and twenty-two million, six hundred and sixty-seven thousand, eight hundred and seven Brazilian reais and one centavo), entirely paid in and divided into 228,701,320 (two hundred and twenty-eight million, seven hundred and one thousand, three hundred and twenty) shares with no par value, of which 99,679,851 (ninety-nine million, six hundred and seventy-nine thousand, eight hundred and fifty-one) common shares and 129,021,469 (one hundred and twenty-nine million, twenty-one thousand, four hundred and sixty-nine) preferred shares.

In relation to the second item of the Agenda, the Board members examined the results of the capital increase through private subscription of shares by the Board of Directors at the meeting held on April 08, 2008, considering that, out of the 7,714,055 (seven million, seven hundred and fourteen thousand, fifty-five) preferred shares, issued within the limit of the Company's Authorized Capital, 7,080,744 (seven million, eighty thousand, seven hundred and forty-four) preferred shares were subscribed, at the issue price of R\$ 35.46 (thirty-five Brazilian reais and forty-six centavos) per share, totaling a capital increase in the amount of R\$ 251,083,182.24 (two hundred and fifty-one million, eighty-three thousand, one hundred and eighty-two Brazilian reais and twenty-four reais), and 633,311 (six hundred and thirty-three thousand, three hundred and eleven) preferred shares were not subscribed, representing 8.2098% of the preferred shares offered to the shareholders' subscription, after the end of the term for preemptive right and for subscription of the remaining shares. The Board of Directors, pursuant to Guideline no. 8 of the Brazilian Securities and Exchange Commission (CVM) and considering the full accomplishment of the capital increase, that is, the reduction of the Company's indebtedness (the permission to capitalize credits of AIG Group, in conformity with Explanatory Note 9(a) of the financial statements of the fiscal year ended on 12.31.2007), resolved that the capital increase in progress shall be partially ratified. There will be no need of additional subscribers for the small quota of the remaining increase, since it would result in an unnecessary dilution and an insignificant increase in absolute values. Therefore, this Board resolved, pursuant to the CVM's regulations, that it will be granted to occasional subscribers the right to withdraw from the subscription within the term of 30 days as of the publication of the Notice to Shareholders, after which the capital increase shall be ratified at the value effectively subscribed.
