Item 1.01 Entry into a Material Definitive Agreement.

The information reported in Item 2.03 of this Current Report on Form 8-K is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On September 27, 2007, we, through NNN Healthcare/Office REIT Market Exchange, LLC, entered into a secured loan with Wachovia Financial Services, Inc., or Wachovia Financial. The secured loan is evidenced by a Loan Agreement, or the Market Exchange loan agreement, and a Promissory Note in the principal amount of \$14,500,000, or the Market Exchange note. The cash proceeds, net of closing costs, of approximately \$14,385,000, were used to reimburse funds that we originally used to finance the acquisition of 1 and 4 Market Exchange located in Columbus, Ohio, which we acquired on August 15, 2007. The Market Exchange note is secured by a Repayment Guaranty and an Open-End Mortgage, Assignment, Security Agreement and Fixture Filing, or the Market Exchange mortgage, on 1 and 4 Market Exchange. The loan matures on September 30, 2010, but may be extended for two consecutive 12 month periods, each subject to satisfaction of certain conditions, including payment of an extension fee equal to 0.125% of the principal balance then outstanding. The loan provides for monthly interest-only payments due on the first day of each calendar month, beginning on October 1, 2007. At our option, the loan bears interest at per annum rates equal to: (a) 30-day LIBOR plus 1.35%; or (b) the Prime Rate, as announced by Wachovia Financial from time to time. If any monthly installment that is due is not received by Wachovia Financial on or before the 15th day of each month, the loan provides for a late charge equal to 4.0% of such monthly installment. In the event of a default, the loan also provides for a default interest rate of 4.0% per annum plus the greater of the LIBOR Rate or the Prime Rate. The loan may be prepaid in whole or in part, without paying a prepayment premium. The loan documents contain certain customary representations, warranties, covenants and indemnities.

The material terms of the loan are qualified in their entirety by the terms of the Market Exchange loan agreement, Market Exchange note, Repayment Guaranty, Market Exchange mortgage and Environmental Indemnity Agreement attached hereto as Exhibits 10.1 through 10.5 to this Current Report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.
