Sol Resort, Inc. ("TDSR") from Harborage.

The shares of TDSR acquired by the Company represented the minority interest held in TDSR. The remaining shares were owned by the Company. TDSR is now the beneficial owner of 100% of TDSR which holds a 97.1% interest in the Tierra del Sol Resort project being developed by the Company near Orlando, Florida. The consideration for the purchase of the shares of TDSR consisted of the following:

- (i) A promissory note in the amount of \$1,411,705 payable by the Company to Harborage (the "Harborage Note"). The Harborage Note bears interest at the rate of 12% per annum and is payable in one lump sum of principal and accrued interest on July 1, 2006. Additionally, the Harborage Note may be paid by the Company at any time prior to its due date without penalty.
- (ii) The right to receive without payment two three-bedroom condominium units to be constructed at Phase 2 of the Tierra del Sol Resort at the time of their completion. In the event that the Company is unable to arrange for the transfer of such units to Harborage on or before December 31, 2007, then the Company is obligated to pay to Harborage the amount of \$500,000 for each such unit.
- (iii) 197,000 shares of the common stock of AMLH.
- (iv) Warrants to acquire 300,000 shares of the common stock of AMLH at an exercise price of \$5.00 per share (the "Harborage Warrants"). The Harborage Warrants are exercisable at any time on or after the date of issuance through December 31, 2010.

Under the terms of the Purchase Agreement, the Company has granted to Harborage a put option pursuant to which Harborage has the right to require the Company repurchase the 197,000 shares which the Company will issue to Harborage under the terms of the Purchase Agreement. The put option is subject to the following terms and conditions

- (i) The exercise price of the put option will be \$5.00 per share, subject to adjustments for stock dividends, stock splits and similar corporate actions.
- (ii) The put option may be exercised during the first sixty (60) days of 2007, provided that the put option has not been terminated prior to that date.
- (iii) The put option will expire and be of no further force and effect in the event that both of the following conditions are fulfilled: (A) Harborage has the ability to resell the 197,000 shares into the existing public market pursuant to either an effective registration statement under the Securities Act of 1933 or under Rule 144; and (B) after the fulfillment of the foregoing condition, the average closing price of the common stock of the Company for a period of thirty (30) consecutive trading days equals or exceeds \$5.00 per share.

The obligations of the Company under the Purchase Agreement and the Note have been personally guaranteed by Malcolm J. Wright, the Company's Chief Executive Officer. In consideration for Mr. Wright's guarantee, and pursuant to an existing agreement between Mr. Wright and the Company, Mr. Wright will earn a fee equal to three percent (3%) of the total amount guaranteed, including the Harborage Note, Harborage Warrants, 197,000 shares of the Company's common stock and the two three-bedroom condominiums.
