Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On April 30, 2013, the Under Armour, Inc. (the “Company”) stockholders approved updates to the Under Armour, Inc. Executive Incentive Compensation Plan (the “Plan”). The Plan provides performance-based incentives to the Company's executives in a manner that preserves the ability to deduct, for tax purposes, incentive compensation paid to the executives. The Plan is administered by the Compensation Committee of the Board of Directors (the “Committee”). The Committee determines the executives that participate in the Plan. For 2013, the Committee determined that executives at the level of Vice President and above shall participate in the Plan.

The Committee sets one or more performance goals and the award amounts for each performance period. The performance goals measure performance of the Company or any subsidiary or business unit of the Company within the performance period based on one or more of the performance measures listed in the Plan. The Committee has the discretion to exclude the effect of unusual or nonrecurring items, changes in accounting treatment and other items as provided in the Plan.

After the end of the performance period, the Committee certifies, in writing, prior to payment of any award, the attainment of the performance goal for the performance period. Notwithstanding attainment of the performance goal, the Committee has the discretion to reduce or eliminate the award amount based upon the performance of the Company or the executive or such other factors as the Committee determines in its discretion. The Committee may not increase the amount of such award or waive the achievement of the performance goal.

Award amounts shall be based on a percentage of the executive's annual base salary or in an amount as otherwise determined by the Committee. The maximum award amount that may be paid to any executive under the Plan for any given year during the performance period shall be \$5.0 million. Payment under the Plan may be made in cash, stock, restricted stock, other stock-based or stock denominated units, or any other form of consideration or any combination thereof, as determined by the Committee.

The Board may amend or terminate the Plan at any time. Any amendment or other action which requires shareholder approval in order for the Plan to continue to comply with Section 162(m) of the Internal Revenue Code shall not be effective unless such action is approved by the Company's stockholders. The Plan provides that the Company shall seek to recover any award paid under the Plan as a result of certain improper conduct as required by the “clawback” provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable laws or rules. This description of the Plan is qualified in its entirety by reference to the Plan, a copy of which is attached as Exhibit 10.01 and is incorporated herein by reference.
