Section 7 Regulation FD

Item 7.01 Regulation FD.

The Company is furnishing under Item 7.01 of this Current Report on Form 8-K the following information providing an overview of the tentative agreement reached with the International Brotherhood of Teamsters for a collective bargaining agreement with our pilots. The agreement remains subject to ratification by our pilots.

Tentative Agreement Overview

- Estimated increase in compensation and work rules in year one will equate to approximately \$44.5 million (driven mainly by a 30% average increase in hourly pay rate)
- Five-year duration. Increase in total cost over five years is estimated to be \$290 million

The cost estimates reflected above are based on numerous assumptions. Actual results will vary from the assumptions used and such variances may be material.

The information in Section 7 of this Current Report on Form 8-K shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section. As such, this information shall not be incorporated by reference into any of the Company’s reports or other filings made with the Securities and Exchange Commission.

Forward-Looking Statements: Under the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, statements in the management presentation that are not historical facts are forward-looking statements. These forward-looking statements are only estimates or predictions based on our management’s beliefs and assumptions and on information currently available to our management. Forward-looking statements may include, among others, guidance regarding future operating costs and other statements or comments about our future performance. Forward-looking statements include all statements that are not historical facts and can be identified by the use of forward-looking terminology such as the words “believe,” “expect,” “anticipate,” “intend,” “estimate,” “project” or similar expressions.

Forward-looking statements involve risks, uncertainties and assumptions. Actual results may differ materially from those expressed in the forward-looking statements. Important risk factors that could cause our results to differ materially from those expressed in the forward-looking statements generally may be found in our periodic reports and registration statements filed with the Securities and Exchange Commission at [www.sec.gov](http://www.sec.gov). These risk factors include, without limitation, labor issues and costs.

Any forward-looking statements are based on information available to us today and we undertake no obligation to update publicly any forward-looking statements, whether as a result of future events, new information or otherwise.
