Item 8.01 Other Events

On February 14, 2017, MoSys, Inc. (the “Company”) filed a certificate of amendment to its amended and restated certificate of incorporation with the Secretary of State of the State of Delaware to effect a one-for-ten reverse stock split of the Company’s shares of common stock. Such amendment and ratio were previously approved by the Company’s stockholders and board of directors, respectively.

As a result of the reverse stock split, every ten shares of the Company’s pre-reverse split outstanding common stock will be combined and reclassified into one share of common stock. Proportionate voting rights and other rights of common stock holders will not be affected by the reverse stock split. No fractional shares will be issued in connection with the reverse stock split; stockholders who would otherwise hold a fractional share of common stock will receive cash in an amount equal to the product obtained by multiplying (i) the closing sale price of the Company’s common stock on the effective date of the reverse stock split as reported on Nasdaq, by (ii) the number of shares of the Company’s common stock held by the stockholder that would otherwise have been exchanged for the fractional share interest.

All stock options and restricted stock units outstanding and common stock reserved for issuance under the Company’s equity incentive plans immediately prior to the reverse stock split will be appropriately adjusted by dividing the number of affected shares of common stock by 10 and, as applicable, multiplying the exercise price by 10, as a result of the reverse stock split.

The reverse stock split will be effective at 5:00 p.m., Eastern Time, on February 15, 2017, and the Company’s common stock will trade on the NASDAQ Capital Market on a post-split basis at the open of trading on February 16, 2017. The Company’s post-reverse split common stock will have a new CUSIP number, 619718208, and the par value will be adjusted to \$0.001 per share. Other terms of the common stock are not affected by the reverse stock split.

The Company’s transfer agent, Wells Fargo Shareowner Services, is acting as exchange agent for the reverse stock split and will send instructions to stockholders of record regarding the exchange of certificates for common stock for uncertificated shares of common stock. Stockholders owning shares via a broker or other nominee will have their positions automatically adjusted to reflect the reverse stock split, subject to the brokers’ particular processes, and will not be required to take any action in connection with the reverse stock split.

On February 14, 2017, the Company issued a press release with respect to the reverse stock split, which is being filed as Exhibit 99.1 to this Current Report on Form 8-K. A copy of the certificate of amendment to the amended and restated certificate of incorporation is being filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.
