Q:

Company, advocate for a thorough exploration of all pathways to deliver value to stockholders. Vintage believes that the Nominees have exceptional qualifications and will bring fresh, independent perspectives and insights to this essential review process. Vintage urges stockholders to support it in this effort by voting “FOR” the Nominees. Additional information concerning the background of, and Vintage’s reasons for, this proxy solicitation is set forth under the captions “Background of this Proxy Solicitation” and “Reasons for this Proxy Solicitation,” respectively.

Q:

Who are the Nominees?

A:

The Nominees, Keith M. Butler, Charles P. Hadeed, Lynn J. Hartrick, Andrew M. Laurence, Jeremy R. Nowak, Jeffrey T. The principal occupation and business experience of each Nominee is set forth under the caption “Proposal 1 — Election of Directors.”

Q:

Who can vote at the Annual Meeting?

A:

If you are a record or beneficial owner of shares of Common Stock as of the close of business on the Record Date, then you have the right to vote at the Annual Meeting.

Q:

How many shares of Common Stock must be voted in favor of the Nominees to elect them?

A:

Directors of the Company are elected by a plurality of all of the votes cast at the Annual Meeting, assuming a quorum is present. For this purpose, “plurality” means that the individuals receiving the greatest number of votes are elected as directors, up to the maximum number of directors to be elected.

The Company has disclosed that seven directors are standing for election at the Annual Meeting. Accordingly, at the Annual Meeting, the seven nominees who receive the greatest number of “FOR” votes (among votes properly cast in person or by proxy) will be elected as directors for terms expiring at the 2016 Annual Meeting and until their respective successors have been duly elected and qualified. A signed proxy that withholds authority with respect to the election of any or all nominees will be counted for purposes of determining whether there is a quorum, but, with respect to any specific nominee, will not be considered to have been voted for such nominee. Broker non-votes, if any, are not considered votes cast and will result in the applicable nominee(s) receiving fewer “FOR” votes for purposes of determining the seven nominees receiving the most votes.

Q:

How many shares of Common Stock must be voted in favor of the other proposals that come before the Annual Meeting?

A:

With respect to any other proposal that properly comes before the Annual Meeting, assuming a quorum is present, such proposal will be approved if the holders of a majority of the stock represented and entitled to vote at the Annual Meeting vote “FOR” the proposal. Abstentions have the same effect as a vote “AGAINST” a proposal. Broker non-votes, if any, will be disregarded and have no effect on the outcome of the vote.

Q:

What should I do in order to vote for the Nominees and any other proposals?

A:

If you hold your shares of Common Stock of record in your own name, please authorize a proxy to vote by signing, dating and returning the enclosed GOLD proxy card in the postage-paid envelope provided.

If your shares of Common Stock are held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee, only it can exercise your right to vote your shares of Common Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that a GOLD proxy card is submitted on your behalf. Please follow the instructions on the enclosed GOLD voting instruction form to provide voting instructions to your bank, brokerage firm, dealer, trust

company or other nominee. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered by the Internet or telephone, instructions will be included on the enclosed GOLD voting instruction form.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the Annual Meeting, Vintage encourages you to vote the enclosed GOLD proxy card TODAY so that your shares of Common Stock will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, Vintage recommends that you sign, date and return a GOLD proxy card so that your vote will be counted if you later decide not to attend the Annual Meeting.

Q:

Can I use the GOLD proxy card to vote for any of the Company's nominees?

A:

No. Under the proxy rules, Vintage may only solicit proxies in support of the Nominees. If you wish to vote for other nominees, you will need to return the Company's white proxy card or attend the Annual Meeting in person and vote by ballot.

Q:

How do proxies work?

A:

Giving Vintage your proxy means you authorize the proxy holders designated by Vintage to vote your shares of Common Stock at the Annual Meeting according to the directions that you provide. Whether or not you are able to attend the Annual Meeting, Vintage urges you to vote the enclosed GOLD proxy card TODAY. If you specify a choice with respect to any item by marking the appropriate box on the GOLD proxy card, the shares of Common Stock to which that proxy card relates will be voted in accordance with that specification. If no specification is made, the shares of Common Stock will be voted (i) "FOR" the election of the Nominees; (ii) "FOR" the ratification of the selection of Crowe Horwath LLP as the independent registered public accounting firm of the Company for the fiscal year ending September 30, 2015; (iii) "AGAINST" the approval, on a non-binding advisory basis, of the compensation paid to the Company's named executive officers; and (iv) in the proxy holders' discretion as to other matters that may properly come before the Annual Meeting.

Q:

What is the deadline for submitting proxies?

A:

Proxies can be submitted until the polls are closed at the Annual Meeting. However, to be sure that Vintage receives your proxy in time to utilize it, please provide your proxy as early as possible.

Q:

May I change my vote?

A:

Yes. Even after you have submitted your proxy, you may change your vote at any time by returning a later dated proxy card or voting at the Annual Meeting by ballot. Attendance at the meeting will not in and of itself constitute revocation of a proxy.

Q:

What should I do if I receive a WHITE proxy card from the Company?

A:

We urge you to discard any WHITE proxy card you receive from the Company. If you submit a GOLD proxy card, do not sign or return a WHITE proxy card solicited by the Company or follow any voting instructions provided by the Company unless you want to change your vote. Only your latest signed and dated proxy will count.

ABOUT VINTAGE

VCM and its affiliates (including VOP) are value-oriented, operations-focused private and public equity investors specializing in the defense, manufacturing and consumer sectors with a 15-year track record of consistently successful returns.

Vintage is the Company's largest stockholder and the beneficial owner of an aggregate of 710,960 shares of Common Stock, representing approximately 7% of the outstanding Common Stock.

BACKGROUND OF THIS PROXY SOLICITATION

Vintage began investing in the Company in May 2013 because it believed that the Common Stock was undervalued. On February 13, 2014, VCM filed a statement on Schedule 13D with the Securities and Exchange Commission (the "SEC") disclosing its beneficial ownership of an aggregate of 564,828 shares of Common Stock, or approximately 5.6% of the then-outstanding Common Stock.

On April 22, 2014, W. Barry Gilbert, the Company's Chairman and Chief Executive Officer, met with a representative of VCM to discuss the Company. This meeting arose out of a request made by Mr. Nowak on February 19, 2014, to speak with Mr. Gilbert by telephone about the Company's business and ways in which Vintage and the Company could work constructively toward maximizing stockholder value. In response to this request, Mr. Gilbert suggested an in-person meeting, which was ultimately held on this date. During the meeting, Messrs. Nowak and Gilbert were joined by Mr. Kahn, who, like Mr. Nowak, is a partner of VCM. Messrs. Nowak, Kahn and Gilbert discussed the Company's strategy and plans for growth, as well as the composition of the Board. Mr. Gilbert refused to answer any questions posed by Messrs. Nowak or Kahn and stated that he could not provide any information other than what had already been publicly disclosed by the Company. At one point during the meeting, Mr. Kahn explored with Mr. Gilbert the possibility of the addition to the Board of a new director identified by Vintage.

On July 31, 2014, the Company announced the adoption of a stockholder rights plan (commonly known as a "poison pill") that would be triggered upon the acquisition by any person or group of persons of 4.99% or more of the Common Stock, or if any person or group of persons that then owned 4.99% or more of the Common Stock acquires any additional shares of Common Stock. At the time of the adoption of the poison pill, based on publicly available information, Vintage was one of only two stockholders with ownership of more than 4.99% of the Common Stock, and Vintage believes that the poison pill was adopted primarily to prevent Vintage from increasing its ownership of Common Stock.

On August 14, 2014, VCM sent a letter to the Board that, among other things, expressed its disappointment with the Board's decision to adopt a poison pill. VCM also filed an amendment to its Schedule 13D to disclose its beneficial ownership of an aggregate of 710,960 shares of Common Stock, representing approximately 7.1% of the then-outstanding Common Stock.

On October 2, 2014, Messrs. Kahn and Gilbert met at the request of Mr. Gilbert. During this meeting, Mr. Kahn again posed questions to Mr. Gilbert regarding the Company's strategy and plans for growth. Mr. Gilbert again refused to answer any questions posed by Mr. Kahn. Mr. Gilbert warned Mr. Kahn that if any affiliates of Vintage were to serve on the Board, then Vintage might be restricted from trading in the Company's securities because of the ongoing SEC investigation at the Company. Mr. Gilbert also told Mr. Kahn that if Vintage did not nominate director candidates at the Annual Meeting, then the Company might have an interest in acquiring API Technologies Corp. ("API"), another company in which Vintage is a significant stockholder. At one point during these discussions, Mr. Kahn proposed that the Company and VCM enter into a confidentiality agreement to allow the Company to share non-public information regarding the Company with VCM so that VCM could better understand the Board's perspectives on the Company's valuation.

Throughout October 2014, legal counsel to the Company and legal counsel to Vintage negotiated the terms of the confidentiality agreement. Once negotiations were substantially complete, Mr. Gilbert determined not to enter into the confidentiality agreement. Mr. Gilbert's explanation was that it would be inappropriate for the Company to enter into a confidentiality agreement with a major stockholder.

TABLE OF CONTENTS

On October 27, 2014, VOP delivered to the Company a formal notice of its nomination of the Nominees, as required by the Company's bylaws. VCM also filed an amendment to its Schedule 13D to disclose the submission of the nomination notice.

On October 31, 2014, the Company confirmed the receipt of the nomination notice. The Company stated that it would "consider ... [the Nominees] in connection with its regular review of potential nominees for the" Board and indicated that it might ask the Nominees to meet with one or more members of the Company's Nominating and Governance Committee as part of this "consideration" process.

On November 7, 2014, VCM sent a letter to Mr. Gilbert that, among other things, expressed VCM's belief that the Company's interview process would not be productive and detailed several reasons why, in VCM's view, the Board is not focused on or capable of increasing stockholder value. VCM also filed an amendment to its Schedule 13D to disclose the letter.

On November 26, 2014, VOP filed this Proxy Statement.

REASONS FOR THIS PROXY SOLICITATION

Vintage believes the challenges facing the Company call for directors with new ideas and open minds who are prepared to take bold action. To that end, Vintage has nominated seven highly experienced and respected individuals who it believes would, consistent with the best interests of the Company, advocate for a thorough exploration of all pathways to deliver value to stockholders. Vintage would expect these pathways to include, but not be limited to, operational improvements, capital allocation and strategic transactions, including the possible sale of the Company. Vintage believes that the Nominees have exceptional qualifications and will bring fresh, independent perspectives and insights to this essential review process.

Vintage and the Nominees have no preconceived ideas about the best ways to improve the Company, and the Nominees, consistent with their fiduciary duties, will seek to find the best solutions to the problems facing the Company. Vintage believes that the Company's ongoing challenges are primarily related to four factors:

1.

Poor capital allocation, such as the misguided acquisition of Southern California Braiding. More specifically, the Company spent \$20 million to acquire Southern California Braiding only to later take a \$14.2 million impairment charge due in part to annual sales at Southern California Braiding being significantly below the Company's original expectations.

2.

Management changes that may have distracted the Company and impeded its ability to execute on its strategic plan. More specifically, two of the Company's most senior executives, Mr. Schlarbaum (who is one of the Nominees) and Donald Doody, left their positions with the Company in the past two years. Vintage believes that Mr. Schlarbaum was instrumental in establishing the strategic priorities that allowed the Company to grow significantly during his tenure.

3.

Potentially not acting on offers to acquire the Company, none of which were disclosed to stockholders. More specifically, during their meeting on October 2, 2014, Mr. Gilbert informed Mr. Kahn that the Company had previously received acquisition proposals at a premium to the prices paid by Vintage to acquire its stake in the Company. Mr. Gilbert refused to provide any additional details regarding these proposals, which the Company did not publicly disclose.

4.

Continued entrenchment efforts by the Board and management, including through the adoption of a poison pill with an extremely low 4.99% ownership trigger.

Vintage believes that the Nominees will take a fresh look at these and other challenges facing the Company with an eye toward improving stockholder value. In particular, Vintage believes that the Board should (a) conduct a comprehensive review of the Company's management team to ensure that it has the right strategic priorities for the Company; (b) consider consolidating the Company's operations into a unified structure to reduce redundancies and

eliminate inefficiencies; (c) pay down debt; and (d) reduce costs. Vintage has not discussed with the Nominees any particular actions that they might take or support if elected to the Board. If elected, Vintage expects its nominees to take actions that are in the best interests of the Company and its stockholders.

5

TABLE OF CONTENTS

PROPOSAL 1 — ELECTION OF DIRECTORS

The Company has disclosed that seven directors are standing for election at the Annual Meeting. Accordingly, at the Annual Meeting, the seven nominees who receive the greatest number of “FOR” votes (among votes properly cast in person or by proxy) will be elected as directors for terms expiring at the 2016 Annual Meeting and until their respective successors have been duly elected and qualified. Vintage is seeking your support at the Annual Meeting to elect the Nominees, Keith M. Butler, Charles P. Hadeed, Lynn J. Hartrick, Andrew M. Laurence, Jeremy R. Nowak, Jeffrey T. Schlarbaum and Eric Singer.

The Nominees have furnished the following information regarding their principal occupations and certain other matters. The ages of the nominees are given as of November 1, 2014. Each of the nominees is a citizen of the United States of America.

Keith M. Butler, age 56, has been the Chief Operating Officer of RxSafe LLC, a pharmacy automation equipment company, since April 2014. From October 2013 to April 2014, Mr. Butler pursued personal interests. From September 2010 to October 2013, Mr. Butler was Executive Vice President of Operations for OnCore Manufacturing Services, LLC, an electronic contract manufacturer (“OnCore”). From August 2007 to September 2010, Mr. Butler was Executive Vice President and General Manager of the San Diego division of OnCore. In 1979, Mr. Butler founded Verified Technical Corporation, a manufacturer of high quality through hole and surface mount technology assemblies (“Veritek”), and served as its President until 1997, when he sold Veritek to REMEC, Inc. (“REMEC”). From 1997 to July 2005, Mr. Butler served as the President of REMEC’S Global Electronic Manufacturing Services (“EMS”) division and in 2005, Mr. Butler purchased the San Diego based EMS division from REMEC and renamed it Veritek Manufacturing Services (“Veritek Manufacturing”), a company designed to provide turnkey manufacturing solutions to customers in the western United States. Shortly thereafter, Mr. Butler acquired two additional manufacturing sites and merged Veritek Manufacturing with Nu Visions Manufacturing, LLC to form OnCore. Mr. Butler served as the President of Veritek Manufacturing from July 2005 to December 2007.

Vintage believes that Mr. Butler will bring to the Board extensive operational experience in the contract manufacturing sector. Mr. Butler’s past and present service as a founder and executive of several contract manufacturing companies provides him with significant experience and insight into the Company’s operations. Mr. Butler serves as a member of VCM’s Strategic Advisory Board. In the past, he provided consulting services to API on a short-term basis for a discrete project.

Charles P. Hadeed, age 64, is the Chairman of the Board of Transcat, Inc., a provider of accredited calibration and compliance services and distributor of professional grade handheld test, measurement and control instrumentation (“Transcat”). Mr. Hadeed served as Transcat’s Executive Chairman from July 2013 until June 2014, as its Chief Executive Officer from April 2007 to July 2013 and as its President from May 2006 to September 2012. Mr. Hadeed also served as Transcat’s Chief Operating Officer from October 2004 to November 2011. Mr. Hadeed joined Transcat in April 2002 as Vice President of Finance and Chief Financial Officer, a role he served in until May 2006. Prior to Transcat, Mr. Hadeed most recently served as Vice President-Healthcare Ventures Group with Henry Schein Inc. Prior to that, he served as Group Vice President-Operations at Del Laboratories Inc., and in various executive positions during a 20-year career at Bausch & Lomb Incorporated. Mr. Hadeed also served on the Board of Directors of Rochester Rehabilitation Center, Inc., Rehabilitation Enterprises, Inc., Rehabilitation Philanthropies, Inc. and Center Information Services, Inc. until March 2014. Mr. Hadeed is a Certified Public Accountant and holds a B.S. in accounting from Syracuse University.

Vintage believes that Mr. Hadeed’s extensive general management and financial experience will be valuable addition to the Board.

Lynn J. Hartrick, age 67, has been the President and Owner of Business Leadership Professionals, LLC, an executive coaching and business advisory firm, since April 2010. From January 2007 to April 2010, Mr. Hartrick was the sole proprietor of Coyote Consulting, LLC, which provided contracted interim chief executive officer services. Prior to that, Mr. Hartrick was Managing Partner of Vitalwork, a management consulting firm. Before that, Mr. Hartrick worked for 26 years in multiple senior roles at Rochester Telephone Corporation, including roles in operations, personnel, construction, engineering, customer

TABLE OF CONTENTS

service and commercial operations. He has served as a member of the Board of Directors of Genesee Hospital, General Hospital and Rochester Mental Health. Mr. Hartrick holds a B.A. from Mount Union College and an M.B.A from the University of Rochester.

Vintage believes that Mr. Hartrick's executive and leadership experience will make him a valuable addition to the Board.

Andrew M. Laurence, age 40, is a partner at VCM. Mr. Laurence joined VCM in January 2010 and is responsible for all aspects of VCM's transaction sourcing, due diligence and execution. Mr. Laurence has served as Corporate Secretary of API since January 2011 and served as API's Vice President of Finance and Chief Accounting Officer from January 2011 to June 2011. From 2008 to January 2010, Mr. Laurence was a Partner at Coral Reef Capital Partners, a merchant banking firm making control and structured equity investments and providing strategic mergers and acquisition and capital raising advisory services. Before that, Mr. Laurence was the Managing Partner of Causeway Partners. Previously, Mr. Laurence spent seven years at Triumph Capital and its successor, Washington & Congress Managers. Mr. Laurence began his career at Bowles Hollowell Conner & Co., a boutique mergers and acquisitions advisory firm purchased by First Union Corp. Mr. Laurence serves on the Board of Directors of Energes, LLC, an oilfield services company. Mr. Laurence holds a B.A. in economics from Harvard University.

Vintage believes that Mr. Laurence's experience investing in, growing and improving companies will make him a valuable addition to the Board.

Jeremy R. Nowak, age 39, is a partner at VCM, and is currently responsible for VCM's business development, transactional due diligence and trading execution. Mr. Nowak joined KCM, a predecessor to VCM, in September 2006 and joined VCM in July 2010. Prior to joining VCM, Mr. Nowak worked at B. Riley and Company, a small cap and research based brokerage firm, where he served as Director of Institutional Sales and spearheaded the establishment of the firm's New York office. Mr. Nowak began his career with Tarpon Scurry Investments, a boutique investment bank, in March 1997. Mr. Nowak holds a B.A. in business administration from the University of Florida. Mr. Nowak holds a Series 63, Series 7, Series 4 and Series 24 license.

Vintage believes that Mr. Nowak's financial and investment experience will make him a valuable addition to the Board.

Jeffrey T. Schlarbaum, age 48, is a private investor. From June 2013 to June 2014, Mr. Schlarbaum served as Chief Operations Officer for LaserMax, Inc., a manufacturer of laser gun sights for law enforcement and the shooting sports community. From February 2013 to June 2013, Mr. Schlarbaum pursued personal interests. From October 2010 to February 2013, Mr. Schlarbaum served as the Company's President. Prior to that, Mr. Schlarbaum served as the Company's Executive Vice President and President of Contract Manufacturing from October 2008 to October 2010, Executive Vice President from November 2006 to October 2008, and Vice President, Sales & Marketing from May 2004 to November 2006. Prior to this, Mr. Schlarbaum served in senior management roles with various contract manufacturing companies. Mr. Schlarbaum holds a B.B.A. from National University and an M.B.A from Pepperdine University.

Vintage believes that Mr. Schlarbaum's experience as a senior executive of the Company provides him with extensive knowledge of the operating history of the Company, as well as general management and operational experience. Mr. Schlarbaum will bring valuable industry perspective to the Board.

On February 25, 2013, Mr. Schlarbaum and the Company entered into a Supplemental Salary Continuation and Non-Competition Agreement and Release of Claims (the "Supplemental Agreement"), which modified Mr. Schlarbaum's pre-existing obligations under his Salary Continuation and Non-Competition Agreement with the Company, effective as of October 1, 2010 (the "Prior Agreement"). As part of the Prior Agreement and the Supplemental Agreement, Mr. Schlarbaum became entitled to receive (a) one year's salary; (b) specified health insurance coverage for up to 18 months subject to his not having obtained alternative employment with health insurance coverage; and (c) modifications to the vesting conditions for 5,000 shares of unvested restricted stock awarded to him on November 6, 2009, to permit vesting, contingent upon compliance with the terms of the Supplemental Agreement. Mr. Schlarbaum and the Company mutually agreed to end their relationship due to a disagreement over executive succession at the Company.

TABLE OF CONTENTS

Eric Singer, age 40, is the Chairman of Vertex Capital Advisors, LLC, which he founded in May 2014. From March 2012 to May 2014, Mr. Singer served as a co-managing member of Potomac Capital Management III, L.L.C., the general partner of Potomac Capital Partners III, L.P., and Potomac Capital Management II, L.L.C., the general partner of Potomac Capital Partners II, L.P. Previously, Mr. Singer served as an advisor to Potomac Capital Management, L.L.C. and its related entities since May 2009. From July 2007 to April 2009, Mr. Singer was a senior investment analyst at Riley Investment Management. He managed private portfolios for Alpine Resources, LLC from January 2003 to July 2007. Mr. Singer has been a director of Meru Networks, Inc., a Wi-Fi network solutions company, since January 2014. Mr. Singer served as a director of PLX Technology, Inc., a semiconductor company, from December 2013 until its sale to Avago Technologies Limited in August 2014. Mr. Singer served as Chairman of the Board of Sigma Designs, Inc., a semiconductor company, from January 2013 until December 2013, and was a director from August 2012 until December 2013. From August 2008 until its sale in February 2010, Mr. Singer served as a director of Zilog Corporation, a semiconductor company. Mr. Singer holds a B.A. from Brandeis University.

Vintage believes that Mr. Singer brings to the Board significant experience - as a director at public companies, as well as significant financial analysis and investment experience.

VINTAGE URGES YOU TO VOTE FOR THE ELECTION OF THE NOMINEES, KEITH M. BUTLER, CHARLES P. HADEED, LYNN J. HARTRICK, ANDREW M. LAURENCE, JEREMY R. NOWAK, JEFFREY T. SCHLARBAUM AND ERIC SINGER, ON THE ENCLOSED GOLD PROXY CARD TODAY.

If all of the Nominees are not elected, it is possible that the Nominees will not constitute a majority of the Board. In that instance, the Nominees will not alone be able to cause the Company to take any action. However, the Nominees expect to be able to actively engage other Board members in full discussion of the issues facing the Company and resolve them together. By utilizing their respective experiences and working constructively with the other Board members, the Nominees believe that they can effect positive change at the Company.

There can be no assurance that if any of the Nominees are elected any other members of the Board who are not the Nominees will serve with such Nominees.

Except as set forth in this Proxy Statement, Vintage believes that each Nominee is independent within the meaning of the rules of NYSE MKT and is not currently affiliated with the Company or any of its subsidiaries. Consequently, Vintage believes that if the Nominees are elected, a majority of the directors will be independent within the meaning of the rules of NYSE MKT and there will be a sufficient number of independent directors to serve on the Board's Audit Committee, Compensation Committee and Nominating and Governance Committee. If the Nominees are elected, the composition of the Board's committees will be determined by the Board.

Each of the Nominees has consented to being named as a nominee in this Proxy Statement and to serve as a director of the Company if elected. Vintage does not expect that any of the Nominees will be unable to stand for election to the Board or to serve as a director if elected. In the event that a vacancy in Vintage's slate of nominees should occur unexpectedly (including because any Nominee is unable to serve or for good cause will not serve), VOP may appoint a substitute candidate that it selects and the shares of Common Stock represented by the enclosed GOLD proxy card will be voted for such substitute nominee. If VOP appoints a substitute nominee, it will make a filing with the SEC that (i) identifies any such substitute nominee; (ii) discloses that such substitute nominee has consented to being named in this Proxy Statement, as supplemented, and to serve as a director of the Company if elected; and (iii) includes the information with respect to such substitute nominee required to be disclosed under the SEC's proxy rules. In the event that the Company refuses to permit a substitute nominee as contemplated by this paragraph by reason of the Company's bylaws or otherwise, Vintage reserves the right to challenge such bylaws or the application of such bylaws to such substitute nominee or take other action in an appropriate legal proceeding.

VOP reserves the right to nominate additional nominees if the Company (i) purports to increase the number of directorships; or (ii) makes or announces any changes to the Company's bylaws or takes or announces any other action that that purports to have, or if consummated would purport to have, the effect

TABLE OF CONTENTS

of disqualifying any of the Nominees. To the extent that the Company proposes to put up for election more than seven nominees at the Annual Meeting, VOP reserves the right to nominate an equal number of additional persons, which VOP believes would be an available remedy under Delaware law in response to any attempt by the Company to interfere with the voting rights of the Company's stockholders. Additional nominations made pursuant to the foregoing are without prejudice to the position of VOP that any attempt to change the size of the Board or disqualify any of the Nominees or any substitute or additional alternate nominees through amendments to the Company's bylaws or otherwise would constitute unlawful manipulation of the Company's corporate machinery. If VOP appoints an additional nominee, it will make a filing with the SEC that (i) identifies any such additional nominee; (ii) discloses that such additional nominee has consented to being named in this Proxy Statement, as supplemented, and to serve as a director of the Company if elected; and (iii) includes the information with respect to such additional nominee required to be disclosed under the SEC's proxy rules. VOP reserves the right to challenge any action by the Company that has, or if consummated would have, the effect of disqualifying any Nominee or substitute or additional nominee. To the extent only seven directorships are up for election at the Annual Meeting, VOP will use proxies solicited only to vote for the Nominees (or any substitute nominee, as described above). If VOP substitutes a nominee or proposes an additional nominee, VOP will make the filings with the SEC described above. Only then will the shares of Common Stock represented by the enclosed GOLD proxy card be voted for any substitute nominee or additional nominee.

If elected, the Nominees, together with the other directors of the Company, will be responsible for managing the business and affairs of the Company. Each director of the Company has an obligation to comply with his or her fiduciary duties under Delaware law. It is possible that circumstances may arise in which the interests of Vintage, on the one hand, and the interests of other stockholders of the Company, on the other hand, may differ. In that case, Vintage expects the Nominees to fully discharge their fiduciary obligations to the Company and its stockholders under Delaware law.

The Nominees will not receive any compensation from Vintage for their services as directors of the Company if elected. Each of the Nominees, if elected, will be entitled to receive from the Company compensation paid by the Company to its non-employee directors. The compensation currently paid by the Company to its non-employee directors is described in the Company's definitive proxy statement filed with the SEC on December 16, 2014 (the "Company Proxy Statement").

PROPOSAL 2 — RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has appointed Crowe Horwath LLP as the Company's independent registered public accounting firm to audit the Company's financial statements for the fiscal year ending September 30, 2015. The Company is submitting the appointment of Crowe Horwath LLP for ratification by the stockholders at the Annual Meeting.

Additional information regarding this proposal is contained in the Company Proxy Statement.

Vintage is not making any recommendation on this proposal. Vintage intends to vote its shares of Common Stock "FOR" this proposal.

PROPOSAL 3 — NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS

As discussed in further detail in the Company Proxy Statement, and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Company has proposed a non-binding resolution to approve the compensation of the Company's named executive officers as described in the Company Proxy Statement. This is often referred to as a "say-on-pay" vote, and provides stockholders with the ability to cast a vote with respect to the Company's 2014 executive compensation programs and policies and the compensation paid to the named executive officers as disclosed in the Company Proxy Statement. This advisory vote on executive compensation is not binding on the Board.

Additional information regarding this proposal is contained in the Company Proxy Statement.

Vintage is not making any recommendation on this proposal. Vintage intends to vote its shares of Common Stock “AGAINST” this proposal.

VOTING AND PROXY PROCEDURES

Securities Entitled to Vote

Based on information publicly disclosed by the Company, the shares of Common Stock constitute the only class of outstanding voting securities of the Company. Accordingly, only holders of shares of Common Stock as of the close of business on the Record Date are entitled to vote at the Annual Meeting. Each share of Common Stock entitles its holder to one vote. There are no cumulative voting rights. The Company has disclosed that 10,135,129 shares of Common Stock were outstanding and entitled to vote as of the close of business on the Record Date. If you are a stockholder of record as of the Record Date, you will retain your right to vote at the Annual Meeting even if you sell your shares of Common Stock after the Record Date.

Quorum

The presence, in person or by proxy, of holders of a majority of the capital stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum. Your shares of Common Stock will be counted toward the quorum only if you submit a valid proxy (or one is submitted on your behalf by your bank, brokerage firm, dealer, trust company or other nominee) or if you vote in person by ballot at the Annual Meeting. Abstentions, broker non-votes and votes withheld will be counted toward the quorum requirement. If a quorum is not present or represented at the Annual Meeting, a majority of the stockholders entitled to vote at the Annual Meeting, present in person or represented by proxy, may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented.

Vote Required

Directors of the Company are elected by a plurality of all the votes cast at the Annual Meeting, assuming a quorum is present. For this purpose, “plurality” means that the individuals receiving the greatest number of votes are elected as directors, up to the maximum number of directors to be elected. The Company has disclosed that seven directors are standing for election at the Annual Meeting. Accordingly, at the Annual Meeting, the seven nominees who receive the greatest number of “FOR” votes (among votes properly cast in person or by proxy) will be elected as directors for terms expiring at the 2016 Annual Meeting and until their successors have been duly elected and qualified. A signed proxy that withholds authority with respect to the election of any or all nominees will be counted for purposes of determining whether there is a quorum, but, with respect to any specific nominee, will not be considered to have been voted for such nominee. Broker non-votes, if any, are not considered votes cast and will result in the applicable nominee(s) receiving fewer “FOR” votes for purposes of determining the seven nominees receiving the most votes. By voting using the enclosed GOLD proxy card, you will only be able to vote for the Nominees. If you wish to vote for a different slate of nominees, you will need to attend the Annual Meeting in person and vote by ballot. If your shares of Common Stock are held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee, you will not be able to vote in person by ballot at the Annual Meeting unless you have previously requested and obtained a “legal proxy” from your bank, brokerage firm, dealer, trust company or other nominee and present it at the Annual Meeting.

With respect to any other proposal that properly comes before the Annual Meeting, assuming a quorum is present, such proposal will be approved if the holders of a majority of the stock represented and entitled to vote at the Annual Meeting vote “FOR” the proposal. Abstentions have the same effect as a vote “AGAINST” a proposal. Broker non-votes, if any, will be disregarded and have no effect on the outcome of the vote.

TABLE OF CONTENTS

Pursuant to applicable SEC rules, the Company is required to announce the preliminary or final voting results within four business days of the Annual Meeting by means of a Current Report on Form 8-K filed with the SEC.

Voting by Proxy

Please authorize a proxy to vote by signing, dating and returning the enclosed GOLD proxy card in the postage-paid envelope provided TODAY.

If you hold your shares of Common Stock in more than one account, you will receive a GOLD proxy card for each account. To ensure that all of your shares of Common Stock are voted, please sign, date and return the GOLD proxy card for each account.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the Annual Meeting, Vintage encourages you to vote the enclosed GOLD proxy card today so that your shares of Common Stock will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, Vintage recommends that you vote your GOLD proxy card so that your vote will be counted if you later decide not to attend the Annual Meeting.

The enclosed GOLD proxy card may be signed only by holders of record of shares of Common Stock on the Record Date. If you were a stockholder of record as of the close of business on the Record Date, you will retain your voting rights at the Annual Meeting even if you sell some or all of your shares of Common Stock after the Record Date. Accordingly, it is important that you vote all of the shares of Common Stock held by you on the Record Date, or grant a proxy to vote your shares of Common Stock on the enclosed GOLD proxy card, even if you sell some or all of your shares of Common Stock after the Record Date.

If you are a beneficial owner of shares of Common Stock held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee, these proxy materials are being forwarded to you by your bank, brokerage firm, dealer, trust company or other nominee. As a beneficial owner, you must instruct your broker, trustee or nominee how to vote. Your broker cannot vote your shares of Common Stock on your behalf without your instructions.

If you are a beneficial owner of shares of Common Stock held in “street name” and do not provide voting instructions to your bank, brokerage firm, dealer, trust company or other nominee, your shares of Common Stock will not be voted on any proposal on which your bank, brokerage firm, dealer, trust company or other nominee does not have or does not exercise discretionary authority to vote, such as a non-routine matter for which you do not provide voting instructions. This is referred to as a “broker non-vote.” Vintage believes that due to the contested nature of the election at the Annual Meeting, all of the matters to be voted on at the Annual Meeting are considered non-routine.

Accordingly, banks, brokerage firms, dealers, trust companies and other nominees will be unable to exercise discretionary voting authority with respect to any of the proposals to be voted on at the Annual Meeting.

Depending upon your bank, brokerage firm, dealer, trust company or other nominee, you may be able to vote either by toll-free telephone or via the Internet. Please refer to the enclosed GOLD voting instruction form for instructions on how to vote electronically. You may also vote by signing, dating and returning the enclosed GOLD voting instruction form.

Because a beneficial owner is not the stockholder of record, if you wish to vote your shares of Common Stock in person by ballot at the Annual Meeting, you must obtain a “legal proxy” from the bank, brokerage firm, dealer, trust company or other nominee that holds your shares of Common Stock.

TABLE OF CONTENTS

IMPORTANT

Regardless of how many shares of Common Stock you own, your vote is very important. Please vote by signing, dating and returning the enclosed GOLD proxy card.

Please vote each GOLD proxy card that you receive as each account must be voted separately.

Do not return any WHITE proxy card that you may receive from the Company, even as a protest vote. If you have already submitted a WHITE proxy card, it is not too late to change your vote. To revoke your prior proxy and change your vote, simply sign, date and return the enclosed GOLD proxy card in the postage-paid envelope provided. Only your latest signed and dated proxy will be counted.

Attending the Annual Meeting

You are entitled to attend the Annual Meeting if you are a stockholder of record as of the close of business on the Record Date.

If you are a beneficial owner of shares of Common Stock held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee, your name will not appear in the Company’s register of stockholders. Those shares of Common Stock are held in the name of your bank, brokerage firm, dealer, trust company or other nominee on your behalf. In order for you to attend the Annual Meeting, you must bring a letter or account statement showing that you beneficially own the shares of Common Stock held by your bank, brokerage firm, dealer, trust company or other nominee. To ensure that your shares of Common Stock are voted at the Annual Meeting, you should promptly give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that a GOLD proxy card is submitted on your behalf.

Please refer to the Company Proxy Statement for additional information about attending the Annual Meeting, including any requirements to gain admission to the Annual Meeting.

Revocation of Proxies

If you are a record owner of shares of Common Stock as of the close of business on the Record Date and have mailed a proxy card to the Company, you may revoke that card before it is voted at the Annual Meeting by mailing a signed GOLD proxy card bearing a date later than the proxy card that you delivered to the Company either to Vintage in care of Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, NY 10022, or to such address as the Company may provide. Only your latest signed and dated proxy will count and will serve as a revocation of any prior proxy submitted. Proxies may also be revoked at any time prior to being voted at the Annual Meeting by: (i) attending the Annual Meeting and voting in person by ballot (attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy); or (ii) delivering a written notice of revocation. A written revocation may be in any form validly signed by the record holder or an authorized agent of the record holder as long as it clearly states that the proxy previously given is no longer effective. A written notice of revocation may be delivered either to Vintage in care of Innisfree M&A Incorporated, 501 Madison Avenue, 20th Floor, New York, NY 10022, or to such address as the Company may provide. Although a revocation is effective if delivered to the Company, Vintage requests that you mail or deliver either the original or a copy of any revocation to Vintage in care of Innisfree M&A Incorporated at the address above. Vintage may contact stockholders who have revoked their proxies.

If your shares of Common Stock are held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee and you wish to revoke a proxy card, you must return a later dated proxy to your bank, brokerage firm, dealer, trust company or other nominee. Only your latest signed and dated proxy will count. You may also revoke a proxy at any time before it is voted at the Annual Meeting by attending the Annual Meeting and voting in person by ballot (attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy). You will also need to obtain a “legal proxy” from the bank, brokerage firm, dealer, trust company or other nominee that holds your shares of Common Stock in order to vote in person by ballot at the Annual Meeting.

By submitting your proxy to Vintage by signing and dating the enclosed GOLD proxy card, you are revoking all prior proxies that you have previously given with respect to the Annual Meeting.

TABLE OF CONTENTS

SOLICITATION OF PROXIES

The initial solicitation of proxies by mail may be supplemented by telephone, fax, email, newspapers and other publications of general distribution, through the Internet, other electronic communication and personal solicitation by Vintage and the persons listed on Annex A who are “participants” in the solicitation of proxies. No additional compensation for soliciting proxies will be paid to such participants for their proxy solicitation efforts.

Vintage has retained Innisfree M&A Incorporated (“Innisfree”) for solicitation and advisory services in connection with the solicitation of proxies, for which Innisfree is to receive a fee of up to \$300,000. Up to 25 people may be employed by Innisfree in connection with the solicitation of proxies. Vintage has also agreed to reimburse Innisfree for out-of-pocket expenses and to indemnify Innisfree against certain liabilities and expenses, including reasonable legal fees and related charges. Innisfree will solicit proxies from individuals, banks, brokerage firms, dealers, trust companies, other nominees and other institutional holders.

Vintage’s expenses related to the solicitation of proxies are currently estimated to be approximately \$1,000,000, of which approximately \$100,000 has been incurred to date. Such costs include, among other things, expenditures for attorneys, public relations advisors, proxy solicitors, printing, advertising, postage and other miscellaneous expenses and fees. The entire expense of soliciting proxies by or on behalf of Vintage is being borne by Vintage. Bank, brokerage firms, dealers, trust companies and other nominees will be requested to forward solicitation materials to beneficial owners of shares of Common Stock. Vintage will reimburse banks, brokerage firms, dealers, trust companies and other nominees for their reasonable expenses for sending solicitation material to beneficial owners. To the extent legally permissible, if successful in the election of one or more of the Nominees, Vintage currently intends to seek reimbursement from the Company for the costs of this solicitation. Vintage does not currently intend to submit the question of such reimbursement to a vote of the stockholders of the Company.

CERTAIN EFFECTS OF THIS PROXY SOLICITATION

Based on information publicly disclosed by the Company, some of the Company’s compensation arrangements are affected by a “Change in Control,” including certain changes in the composition of the Board, as follows:

- The Company’s stockholder approved 2001 Stock Option and Incentive Plan (“2001 Plan”) and 2010 Omnibus Incentive Compensation Plan (“2010 Plan”) each contain provisions related to a “Change in Control” of the Company. As defined in the 2001 Plan and 2010 Plan, a Change in Control occurs if the election of at least two-thirds of the directors was not approved by a majority of the incumbent directors (or, in the case of the 2010 Plan, was approved as a result of an actual or threatened proxy contest with respect to election of directors). Thus, if two or more Nominees are elected, a Change in Control will be deemed to occur. The participant restricted stock award agreements under the 2001 Plan and the 2010 Plan include provisions for immediate lapse of all restrictions on shares of restricted stock upon the occurrence of a Change in Control. As of December 1, 2014, there were 302,248 unvested shares of restricted stock, with an aggregate value of \$1,644,229.12 based upon the \$5.44 closing price of the Company’s shares on that date. The participant stock option award agreements under the 2001 Plan provide that options may, in the Compensation Committee’s discretion, be vested and exercisable, or terminated subject to an equitable payment. The participant stock option award agreements under the 2010 Plan provide for vesting of unvested stock options, possible immediate exercise or termination subject to an equitable payment. On December 1, 2014 there were 99,500 unvested stock options, of which 55,000 had an exercise price below \$5.44. The aggregate intrinsic value (the difference between the exercise price of the unvested stock options and \$5.44) of these 55,000 options was \$68,190.

- The Company has a Deferred Compensation Plan (“Deferred Plan”) pursuant to which executive employees may elect to defer salary or bonus earned in a particular year to be paid out on later date specified by the employee. As defined in the Deferred Plan, a Change in Control occurs if the election of a majority of the directors was not approved by two-thirds of the incumbent directors.

TABLE OF CONTENTS

Thus, if four or more of the Nominees are elected, a Change in Control will be deemed to occur. Upon a Change in Control, payment obligations to the participants are accelerated and the entire deferred compensation account of participants are paid to them within ten days in a lump sum. Mr. Gilbert is currently the only participant in the Deferred Plan. If a Change in Control for purposes of the Deferred Plan had occurred on December 1, 2014, Mr. Gilbert would have been entitled to a payment of approximately \$682,000.

- The Company has an employment agreement with Mr. Gilbert. The agreement provides that a Change in Control is defined as provided in Section 409A of the Internal Revenue Code (including if the election of a majority of the directors was not approved by a majority of the incumbent directors). Thus, if four or more of the Nominees are elected, a Change in Control will be deemed to occur. If a Change in Control occurs during the Transition Term (as defined in the Company Proxy Statement), then Mr. Gilbert's salary and benefits for the remainder of the Transition Term are payable in an immediate lump sum. Additionally, if Mr. Gilbert is terminated without Cause (as defined in the Company Proxy Statement) or terminates his employment for Good Reason (as defined in the Company Proxy Statement) after a Change in Control, Mr. Gilbert will continue to receive the Advisory Term (as defined in the Company Proxy Statement) payments to which he otherwise would have been entitled. Any provisions in Mr. Gilbert's restricted stock agreements providing for forfeiture upon termination of employment also are waived and to the extent not yet vested, 50% of the remaining restricted stock will vest on each of the first and second anniversaries of his termination date. The various payments to which Mr. Gilbert may become entitled in the foregoing circumstances are quantified in the Company Proxy Statement.

- The Company has an employment agreement with Michael T. Williams, its Chief Financial Officer. The agreement provides that a Change in Control occurs if the election of at least two-thirds of the directors was not approved by a majority of the incumbent directors. Thus, if two or more members of the Nominees are elected, a Change in Control will be deemed to occur. After a Change in Control, if Mr. Williams is terminated by the Company without cause, or Mr. Williams terminates his employment for any reason, he is entitled to receive twelve months of salary continuation. His salary effective January 1, 2015, will be \$205,000 per year.

- The Company has a Salary and Non-Competition Agreements with Brett E. Mancini, its Vice President, Business Development and Engineering Solutions, and two other employees. The agreements provide that a Change in Control occurs if the election of at least two-thirds of the directors was not approved by a majority of the incumbent directors. Thus, if two or more of the Nominees are elected, a Change in Control will be deemed to occur. Within the twelve months after a Change in Control, if the applicable employee is terminated by the Company without cause or the employee terminates his or her employment for any reason, then the employee is entitled to receive salary continuation for a period between six and 12 months, varying by employee. The aggregate of all potential salary continuation payments at salary rates effective January 1, 2015, is approximately \$393,000.

The terms of the 2001 Plan and the 2010 Plan allow the Board, following the occurrence of a Change in Control, to elect not to permit the acceleration described above. At this time, neither Vintage nor the Nominees believe that it would be appropriate to allow the election of the Nominees to constitute a Change in Control for purposes of the 2001 Plan or the 2010 Plan, and the Nominees have advised Vintage that, if elected, they intend to take appropriate action to prevent that from happening (to the extent that it is within their control), including voting to determine not to permit any acceleration under the 2001 Plan or the 2010 Plan.

If other proposals are made thereafter, the persons named as proxies on the GOLD proxy card will vote such proxies in their discretion on such proposals.
