NEW HARTFORD, NY, PAR TECHNOLOGY CORPORATION (NYSE:PTC)

## Edgar Filing: PAR TECHNOLOGY CORP - Form 8-K

(New Hartford, NY- February 10, 2005) PAR Technology Corporation (NYSE: PTC), a leader in providing integrated hardware, software and service solutions to the hospitality industry, and provider of Government I/T solutions and services, today reported financial results for the fourth quarter and year ended December 31, 2004.

For the fourth quarter ended December 31, 2004, PAR Technology Corporation reported net revenues of \$51.4 million compared to \$41.2 million in the fourth quarter 2003, an increase of 25%. Net income rose 72% to \$1.9 million versus the \$1.1 million earned in the fourth quarter one year ago. The Company reported diluted net income per share of \$0.20 for this past quarter, compared to the \$0.12 reported for the same period a year earlier, growing 67%.

For the year ended December 31, 2004, PAR Technology Corporation reported net revenues of \$174.9 million, a 25% increase from the \$139.8 million reported one year ago. The Company also reported net income of \$5.6 million in 2004 versus \$2.4 million last year, an increase of 132%. Diluted net income per share in 2004 was reported at \$0.61, an increase of 126% compared to diluted net income per share of \$0.27 reported for the year 2003.

"Our strategic initiatives aimed at accelerating growth across our business segments and improving the fundamentals in our hospitality business specifically, led the way toward achieving our record results," commented Dr. John W. Sammon, PAR's Chairman & CEO. "During 2004 we increased product sales in our hospitality business by nearly 29%, and service revenues grew a comparable 25%. Our government contract revenues rose 20% with both our IT Outsourcing and applied technology sectors contributing equally to our ongoing success. This segment of our business will remain strong as we exited the year with a \$112 million dollar backlog."

Sammon continued, "This past quarter PAR completed the acquisition of Springer-Miller Systems. This acquisition strengthens our software capabilities and enables us to develop the next generation of hospitality management systems for the hotel/resort market space. In summary, we are pleased with our financial performance and business achievements of 2004. We have created strong momentum in product development, marketing efforts and margin improvement initiatives as we look ahead to 2005. It is the employees of PAR who continue to build value for the Company's shareholders and strive to make our goals a reality."

This release contains forward-looking statements concerning the Company's strategic plans, market opportunities, cash flows, liquidity, and future growth. These forward looking statements are neither promises nor guarantees but are subject to risks and uncertainties that could cause actual results to differ materially from those set forth in the forward looking statements, including without limitation, risks in technology development and commercialization, risks in product development and market acceptance of and demand for the Company's products, risks of downturns in economic conditions generally, and in the quick service sector of the restaurant market and the hospitality technology marketplace specifically, risks of intellectual property rights and litigation, risks associated with foreign sales and high customer concentration and other risks detailed in the Company's filings with the Securities and Exchange Commission. The Company cautions investors not to place undue reliance on these statements, which are current only as of the date of this release. The Company disclaims any obligation to update or supplement these statements as a result of changing circumstances or otherwise.
