PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Grubb & Ellis Healthcare REIT, Inc., or Grubb & Ellis Healthcare REIT, for use in voting at the 2008 Annual Meeting of Stockholders, or the annual meeting, to be held on June 17, 2008 at 9:00 a.m. local time, at The Island Hotel, 690 Newport Center Drive, Newport Beach, California 92660, and at any adjournment or postponement thereof, for the purposes set forth in the attached Notice. The proxy solicitation materials are being mailed to stockholders on or about April 25, 2008.

About the Meeting

What is the purpose of the meeting?

At our annual meeting, stockholders will vote upon the following:

the election of six directors, each for a term of one year; and

the ratification of the appointment of Deloitte & Touche LLP, or Deloitte, as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

Management will report on the status of our initial public offering, or our offering, and our portfolio of properties and will respond to questions from stockholders. In addition, representatives of Deloitte are expected to be at the annual meeting to respond to questions.

What are the Board of Directors voting recommendations?

Unless you give other instructions on your proxy card, the individuals named on the card as proxy holders will vote in accordance with the recommendations of the Board of Directors. The Board of Directors recommends that you vote your shares **FOR** the election of each of the nominees of the Board of Directors and **FOR** the ratification of Deloitte as our independent registered public accounting firm. No director has informed us that he intends to oppose any action intended to be taken by us.

What happens if additional proposals are presented at the annual meeting?

Other than the matters described in this proxy statement, we do not expect any additional matters to be presented for a vote at the annual meeting. If other matters are presented and you are voting by proxy, your proxy grants the individuals named as proxy holders the discretion to vote your shares on any additional matters properly presented for a vote at the meeting.

Who is entitled to vote?

Only stockholders of record at the close of business on April 8, 2008, or the record date, are entitled to receive notice of the annual meeting and to vote the shares of common stock that they hold on that date at the annual meeting, or any postponements or adjournments of the annual meeting. As of the record date, we had 28,596,582 shares of common stock issued and outstanding and entitled to vote. Each outstanding share of common stock entitles its holder to cast

one vote on each proposal to be voted on.

What constitutes a quorum?

If a majority of the shares outstanding on the record date are present at the annual meeting, either in person or by proxy, we will have a quorum at the meeting, permitting the conduct of business at the meeting. Abstentions and broker non-votes will be counted to determine whether a quorum is present. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a

Table of Contents

particular proposal because the nominee does not have discretionary voting power with respect to that matter and has not received voting instructions from the beneficial owner.

How do I vote my shares at the annual meeting?

Voting by Mail Stockholders may vote by completing the accompanying proxy card and mailing it in the accompanying self-addressed postage-paid return envelope. Completed proxy cards must be received by June 16, 2008.

Voting by Fax Stockholders may vote by completing the accompanying proxy card and faxing it to (212) 645-8046 until 5:00 p.m. Pacific Daylight Time on June 16, 2008.

Voting by Telephone Stockholders may vote by telephone by dialing toll-free at 1-866-888-4067 until 5:00 p.m. Pacific Daylight Time on June 16, 2008.

Voting by Internet Stockholders may vote electronically using the Internet at <https://www.proxyvotenow.com/heal> until 5:00 p.m. Pacific Daylight Time on June 16, 2008.

Can I change my vote after I return my proxy card or after I vote by telephone or over the Internet?

If you are a stockholder of record as of April 8, 2008, you may change your vote at any time before the proxy is exercised at the annual meeting by delivering to our Secretary a written notice of revocation or a properly signed proxy bearing a later date, or by attending the annual meeting and voting in person (although attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request). To revoke a proxy previously submitted by telephone or over the Internet, you may simply vote again at a later date using the procedures set forth above, but before the deadline for telephone or Internet voting, in which case the later submitted vote will be recorded and the earlier vote revoked.

If you hold shares of our common stock in street name, you will need to contact the institution that holds your shares and follow its instructions for revoking a proxy.

What vote is required to approve each proposal that comes before the annual meeting?

To elect the director nominees, the affirmative vote of a majority of the shares of our common stock present in person or by proxy at a meeting at which a quorum is present must be cast in favor of the proposal. To approve the ratification of the appointment of Deloitte, the affirmative vote of a majority of all votes cast at a meeting at which a quorum is present must be cast in favor of the proposal. Abstentions and broker non-votes will count as votes against the proposal to elect the director nominees, but will have no impact on the proposal to ratify the appointment of Deloitte.

Who will bear the costs of soliciting votes for the meeting?

Grubb & Ellis Healthcare REIT will bear the entire cost of the solicitation of proxies from its stockholders. We have retained Ellen Philip Associates, Inc. to assist us in connection with the solicitation of proxies for the annual meeting. We expect to pay approximately \$65,000 for such services. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors and officers who will not receive any additional compensation for such solicitation activities. We will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy solicitation materials to our stockholders.

Table of Contents

Director Attendance at Annual Meetings

Although we have no policy with regard to attendance by the members of the Board of Directors at our annual meetings of stockholders, we invite and encourage the members of the Board of Directors to attend our annual meetings to foster communication between stockholders and the Board of Directors.

Contacting the Board of Directors

Any stockholder who desires to contact members of the Board of Directors may do so by writing to: Grubb & Ellis Healthcare REIT, Inc., Board of Directors, 1551 N. Tustin Avenue, Suite 300, Santa Ana, California 92705, Attention: Secretary. Communications received will be distributed by our Secretary to such member or members of the Board of Directors as deemed appropriate by our Secretary, depending on the facts and circumstances outlined in the communication received. For example, if any questions regarding accounting, internal accounting controls and auditing matters are received, they will be forwarded by our Secretary to the Audit Committee for review.

Director Independence

We currently have a six-member Board of Directors. One of our current directors, Scott D. Peters, is affiliated with us and we do not consider him to be an independent director. The five remaining directors qualify as independent directors as defined in our charter in compliance with the requirements of the North American Securities Administrators Association's Statement of Policy Regarding Real Estate Investment Trusts. Our charter provides that a majority of the directors must be independent directors. As defined in our charter, the term independent director means a director who is not on the date of determination, and within the last two years from the date of determination has not been, directly or indirectly associated with our sponsor or our advisor, by virtue of (i) ownership of an interest in our sponsor, our advisor or any of their affiliates, other than us; (ii) employment by our sponsor, our advisor or any of their affiliates; (iii) service as an officer or director of our sponsor, our advisor or any of their affiliates, other than as a director; (iv) performance of services, other than as a director; (v) service as a director or trustee of more than three REITs organized by our sponsor or advised by our advisor; or (vi) maintenance of a material business or professional relationship with our sponsor, our advisor or any of their affiliates.

Each of our independent directors would also qualify as independent under the rules of the New York Stock Exchange and each of our Audit Committee members would qualify as independent under the New York Stock Exchange's rules applicable to Audit Committee members. However, we are not listed on the New York Stock Exchange.

Committees of the Board of Directors

We have one standing committee, the Audit Committee. From time to time the Board of Directors may establish certain other committees to facilitate the management of our company.

Audit Committee. Our Audit Committee's primary function is to assist our Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information to be provided to the stockholders and others, the system of internal controls which management has established, and the audit and financial reporting process. The Audit Committee is responsible for the selection, evaluation and, when necessary, replacement of our independent registered public accounting firm. Under our Audit Committee charter, the Audit Committee will always be comprised solely of independent directors. As of April 25, 2008, the Audit Committee is comprised of W. Bradley Blair, II, Maurice J. DeWald, Warren D. Fix and Gary T. Wescombe, all of whom are independent directors. Mr. DeWald currently serves as the chairman and has been designated as the Audit Committee financial expert.

The Audit Committee operates under a written charter, which was adopted by the Board of Directors on September 20, 2006. The Audit Committee held four meetings during the fiscal year ended December 31, 2007.

Table of Contents

Subsequent to the 2007 year end, the Audit Committee reviewed and discussed the 2007 year end audited financial statements with our management and discussed with Deloitte, our independent registered public accounting firm for fiscal year 2007, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended. In addition, the Audit Committee received the written disclosures and the letter from Deloitte required by Independence Standards Board Standard No. 1 and discussed the accountants' independence with Deloitte. Based on the review and discussions noted above, the Audit Committee recommended to the Board of Directors that the 2007 year end audited financial statements be included in our Annual Report on Form 10-K, filed with the SEC on March 25, 2008.

Compensation Committee. We do not have a Compensation Committee because we do not plan to pay any compensation to our officers. However, if in the future we provide any compensation to our officers, we will establish a Compensation Committee comprised entirely of independent directors to determine the nature and amount of such compensation.

Nominating and Corporate Governance Committee. We do not have a separate Nominating and Corporate Governance Committee. We believe that our Board of Directors is qualified to perform the functions typically delegated to a Nominating and Corporate Governance Committee and that the formation of a separate committee is not necessary at this time. Instead, the full Board of Directors performs functions similar to those which might otherwise normally be delegated to such a committee, including, among other things, developing a set of corporate governance principles, adopting a code of ethics, adopting policies with respect to conflicts of interest, monitoring our compliance with corporate governance requirements of state and federal law, establishing criteria for prospective members of the Board of Directors, conducting candidate searches and interviews, overseeing and evaluating the Board of Directors and our management, evaluating from time to time the appropriate size and composition of the Board of Directors and recommending, as appropriate, increases, decreases and changes to the composition of the Board of Directors and formally proposing the slate of directors to be elected at each annual meeting of our stockholders.

The Board of Directors will consider nominees for our Board of Directors recommended by stockholders. Notice of proposed stockholder nominations for director must be delivered not less than 120 days prior to any meeting at which directors are to be elected. Nominations must include the full name of the proposed nominee, a brief description of the proposed nominee's business experience for at least the previous five years and a representation that the nominating stockholder is a beneficial or record owner of our common stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. Nominations should be delivered to: Grubb & Ellis Healthcare REIT, Inc., Board of Directors, 1551 N. Tustin Avenue, Suite 300, Santa Ana, California 92705, Attention: Secretary.

In considering possible candidates for election as a director, the Board of Directors is guided by the principle that each director should (i) be an individual of high character and integrity; (ii) be accomplished in his or her respective field, with superior credentials and recognition; (iii) have relevant expertise and experience upon which to be able to offer advice and guidance to management; (iv) have sufficient time available to devote to our affairs; (v) represent the long-term interests of our stockholders as a whole; and (vi) represent a diversity of background and experience.

Qualified candidates for membership on the Board of Directors will be considered without regard to race, color, religion, gender, ancestry, national origin or disability. The Board of Directors will review the qualifications and backgrounds of directors and nominees (without regard to whether a nominee has been recommended by stockholders), as well as the overall composition of the Board of Directors, and recommend the slate of directors to be nominated for election at the annual meeting. We do not currently employ or pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential director nominees.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Executive Compensation

We have no employees. Our day-to-day management functions are performed by employees of our advisor and its affiliates. The individuals who serve as our executive officers do not receive compensation directly from us. Each of our executive officers, including those officers who serve as directors, is employed by our advisor or its affiliates, and is compensated by these entities for their services to us. We pay these entities fees and reimburse expenses pursuant to an advisory agreement with our advisor, or the Advisory Agreement. We do not currently intend to pay any compensation directly to our executive officers. As a result, we do not have, and our Board of Directors has not considered, a compensation policy or program for our executive officers and has not included a Compensation Discussion and Analysis in this proxy statement.

Option/SAR Grants in Last Fiscal Year

No option grants were made to officers and directors for the year ended December 31, 2007.

Compensation Committee Interlocks and Insider Participation

There are no interlocks or insider participation as to compensation decisions required to be disclosed pursuant to SEC regulations.

Director Compensation

Pursuant to the terms of our director compensation program, which are contained in our 2006 Independent Directors Compensation Plan, a sub-plan of our 2006 Incentive Plan, our independent directors receive the following forms of compensation:

Annual Retainer. Our independent directors receive an annual retainer of \$36,000.

Meeting Fees. Our independent directors receive \$1,000 for each board meeting attended in person or by telephone and \$500 for each committee meeting attended in person or by telephone. An additional \$500 is paid to the audit committee chair for each audit committee meeting attended in person or by telephone. If a board meeting is held on the same day as a committee meeting, an additional fee will not be paid for attending the committee meeting.

Equity Compensation. Upon initial election to our Board of Directors, each independent director receives 5,000 shares of restricted common stock, and an additional 2,500 shares of restricted common stock upon his or her subsequent election each year. The restricted shares of common stock vest as to 20.0% of the shares on the date of grant and on each anniversary thereafter over four years from the date of grant.

Expense Reimbursement. We reimburse our directors for reasonable out-of-pocket expenses incurred in connection with attendance at meetings, including committee meetings, of our Board of Directors. Independent directors do not receive other benefits from us.

Our non-independent director does not receive any compensation from us.

2006 Incentive Plan and Independent Directors Compensation Plan

Under the terms of our 2006 Incentive Plan, the aggregate number of shares of our common stock subject to options, shares of restricted common stock, stock purchase rights, stock appreciation rights or other awards, including those issuable under its sub-plan, the 2006 Independent Directors Compensation Plan, will be no more than 2,000,000 shares.

On September 20, 2006 and October 4, 2006, we granted an aggregate of 15,000 shares and 5,000 shares, respectively, of restricted common stock, as defined in the 2006 Incentive Plan, to our independent directors under the 2006 Independent Director Compensation Plan. On April 12, 2007, we granted 5,000 shares of restricted common stock to our newly appointed independent director. On June 12, 2007, in connection with their re-election, we granted 12,500 shares of restricted common stock to our independent directors. Each of these restricted stock awards vested 20.0% on the grant date and 20.0% will vest on each of the first four anniversaries of the date of grant. The fair value of each share of restricted common stock was estimated at the date of grant at \$10.00 per share, the per share price of shares in our offering, and is amortized on a straight-line basis over the vesting period. Shares of restricted common stock may not be sold, transferred, exchanged, assigned, pledged, hypothecated or otherwise encumbered. Such restrictions expire upon vesting. For the year ended December 31, 2007 and for the period from April 28, 2006 (Date of Inception) through December 31, 2006, we recognized compensation expense of \$96,000 and \$51,000, respectively, related to the restricted common stock grants. Such compensation expense is included in general and administrative in our consolidated statements of operations. Shares of restricted common stock have full voting rights and rights to dividends.

As of December 31, 2007 and 2006, there was approximately \$228,000 and \$149,000, respectively, of total unrecognized compensation expense, net of estimated forfeitures, related to nonvested shares of restricted common stock. This expense is expected to be realized over a remaining weighted average period of 3.1 years.

Although we currently do not have any employees and do not currently intend to hire any employees, we have adopted an incentive stock plan, which we will use to attract and retain qualified independent directors, any employees we may hire in the future, and consultants providing services to us who are considered essential to our long-term success by offering these individuals an opportunity to participate in our growth through awards in the form of, or based on, our common stock.

The incentive stock plan provides for the granting of awards to participants in the following forms to those independent directors, employees, and consultants selected by the plan administrator for participation in the incentive stock plan:

options to purchase shares of our common stock, which may be nonstatutory stock options or incentive stock options under the Internal Revenue Code of 1986, as amended;

stock appreciation rights, which give the holder the right to receive the difference between the fair market value per share on the date of exercise over the grant price;

performance awards, which are payable in cash or stock upon the attainment of specified performance goals;

restricted stock, which is subject to restrictions on transferability and other restrictions set by the committee;

restricted stock units, which give the holder the right to receive shares of stock, or the equivalent value in cash or other property, in the future;

deferred stock units, which give the holder the right to receive shares of stock, or the equivalent value in cash or other property, at a future time;

dividend equivalents, which entitle the participant to payments equal to any dividends paid on the shares of stock underlying an award; and/or

other stock based awards in the discretion of the plan administrator, including unrestricted stock grants.

The maximum number of shares of our common stock that may be issued upon the exercise or grant of an award under the incentive stock plan is 2,000,000. In the event of a nonreciprocal corporate transaction that causes the per-share value of our common stock to change, such as a stock dividend, stock split, spin-off,

rights offering, or large nonrecurring cash dividend, the share authorization limits of the incentive stock plan will be adjusted proportionately.

The unsecured notes bore interest at a fixed rate and required monthly interest-only payments for the terms of the unsecured notes. As of December 31, 2007 and 2006, we had no outstanding balances under the unsecured note payables to affiliate.

Because these loans were related party loans, the terms of the loans and the unsecured notes were approved by our Board of Directors, including a majority of our independent directors, and deemed fair, competitive and commercially reasonable by our Board of Directors.

For the year ended December 31, 2007 and for the period from April 28, 2006 (Date of Inception) through December 31, 2006, we incurred interest expense to NNN Realty Advisors of \$84,000 and \$0, respectively.

Certain Conflict Resolution Restrictions and Procedures

In order to reduce or eliminate certain potential conflicts of interest, our charter and the Advisory Agreement contain restrictions and conflict resolution procedures relating to (1) transactions we enter into with our advisor, our directors or their respective affiliates, (2) certain future offerings and (3) allocation of properties among affiliated entities. Each of the restrictions and procedures that applies to transactions with our advisor and its affiliates will also apply to any transaction with any entity or real estate program advised,

managed or controlled by Grubb & Ellis and its affiliates. These restrictions and procedures include, among others, the following:

Except as otherwise described in our Registration Statement on Form S-11 (File No. 333-133652, effective September 20, 2006) filed with the SEC, we will not accept goods or services from our advisor or its affiliates unless a majority of our directors, including a majority of the independent directors, not otherwise interested in the transactions, approve such transactions as fair, competitive and commercially reasonable to us and on terms and conditions not less favorable to us than those available from unaffiliated third parties.

We will not purchase or lease any asset (including any property) in which our advisor, any of our directors or any of their respective affiliates has an interest without a determination by a majority of our directors, including a majority of the independent directors, not otherwise interested in such transaction, that such transaction is fair and reasonable to us and at a price to us no greater than the cost of the property to our advisor, such director or directors or any such affiliate, unless there is substantial justification for any amount that exceeds such cost and such excess amount is determined to be reasonable. In no event will we acquire any such asset at an amount in excess of its appraised value. We will not sell or lease assets to our advisor any of our directors or any of their respective affiliates unless a majority of our directors, including a majority of the independent directors, not otherwise interested in the transaction, determine the transaction is fair and reasonable to us, which determination will be supported by an appraisal obtained from a qualified, independent appraiser selected by a majority of our independent directors.

We will not make any loans to our advisor, any of our directors or any of their respective affiliates. In addition, any loans made to us by our advisor, our directors or any of their respective affiliates must be approved by a majority of our directors, including a majority of the independent directors, not otherwise interested in the transaction, as fair, competitive and commercially reasonable, and no less favorable to us than comparable loans between unaffiliated parties.

Our advisor and its affiliates shall be entitled to reimbursement, at cost, for actual expenses incurred by them on our behalf or on behalf of joint ventures in which we are a joint venture partner, subject to the limitation on reimbursement of operating expenses to the extent that they exceed the greater of 2.0% of our average invested assets or 25.0% of our net income, as described above.

Our Advisory Agreement provides that if Grubb & Ellis Realty Investors identifies an opportunity to make an investment in one or more office buildings or other facilities for which greater than 50.0% of the gross leaseable area is leased to, or reasonably expected to be leased to, one or more medical or healthcare-related tenants, either directly or indirectly through an affiliate or in a joint venture or other co-ownership arrangement, for itself or for any other Grubb & Ellis program, then Grubb & Ellis Realty Investors will provide us with the first opportunity to purchase such investment. Grubb & Ellis Realty Investors will provide all necessary information related to such investment to our advisor, in order to enable our Board of Directors to determine whether to proceed with such investment. Our advisor will present the information to our Board of Directors within three business days of receipt from Grubb & Ellis Realty Investors. If our Board of Directors does not affirmatively authorize our advisor to proceed with the investment on our behalf within seven days of receipt of such information from our advisor, then Grubb & Ellis Realty Investors may proceed with the investment opportunity for its own account or offer the investment opportunity to any other person or entity.
