PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Amkor Technology, Inc. of proxies to be voted at the Annual Meeting of Stockholders to be held on Tuesday, August 8, 2006, at 11:00 a.m., and at any adjournment that may take place.

The Annual Meeting will be held at the Valley Forge Suites (formerly known as the Wyndham), located at 888 Chesterbrook Boulevard, Wayne, Pennsylvania 19087, telephone number (610) 647-6700. Our principal executive offices are located at 1900 South Price Road, Chandler, Arizona 85248, telephone number (480) 821-5000.

We intend to mail definitive copies of these proxy materials on or about July 14, 2006 to stockholders of record who held our common stock on June 30, 2006.

The following is important information in a question-and-answer format regarding the Annual Meeting and this proxy statement.

Q: What may I vote on?

A: (1) The election of seven nominees to serve on our Board of Directors;

AND

(2) The ratification of the appointment of PricewaterhouseCoopers LLP (PricewaterhouseCoopers) as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

Q: How does the Board recommend I vote on the proposals?

A: The Board recommends a vote FOR each of the director nominees and FOR ratification of the appointment of PricewaterhouseCoopers as our independent registered public accounting firm for 2006.

Q: Who is entitled to vote?

A: Stockholders as of the close of business on June 30, 2006 (the Record Date) are entitled to vote at the Annual Meeting. Each stockholder is entitled to one vote for each share of common stock held on the Record Date. As of the Record Date, 178,096,177 shares of Amkor s common stock were issued and outstanding and held by 394 holders of record (including shares held by your broker, bank or other nominee in street name).

Q: How do I vote?

A: You may vote in person at the Annual Meeting or by signing and dating each proxy card you receive and returning it in the postage-prepaid envelope.

Q: How can I change my vote or revoke my proxy?

A: You have the right to revoke your proxy and change your vote at any time before the meeting by returning a later-dated proxy card, by voting in person at the meeting or by mailing a written notice of revocation to the attention of Joanne Solomon, Secretary, Amkor Technology, Inc., 1900 South Price Road, Chandler, Arizona 85248.

Table of Contents

Q: What is a quorum ?

A: A quorum is a majority of the outstanding shares. They may be present at the meeting or represented by proxy. There must be a quorum for the meeting to be held and action to be validly taken. If you submit a properly executed proxy card, even if you abstain from voting, then your shares will be counted toward the presence of a quorum. Abstentions are not counted in the tally of votes **FOR** or **AGAINST** a proposal. A withheld vote is the same as an abstention. If a broker indicates on a proxy that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be counted as present or represented for purposes of determining whether stockholder approval of that matter has been obtained but will be counted for purposes of establishing a quorum.

Q: Who can attend the Annual Meeting?

A: All stockholders as of the Record Date may attend. For stockholders of record, government-issued picture identification will be required to enter the meeting. If your shares are held in street name, please bring proof of share ownership with you to the Annual Meeting as well as your government-issued picture identification. A copy of your brokerage account statement or an omnibus proxy (which you can get from your broker) will serve as proof of share ownership. Individuals arriving at the meeting site will not be admitted unless the Company can verify ownership as of the Record Date as described above or by some other means.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the 2006 Annual Meeting other than the proposals described in this proxy statement, if any other business is properly presented at the Annual Meeting, your signed proxy card gives authority to James J. Kim, Amkor's Chief Executive Officer, and Kenneth T. Joyce, Amkor's Chief Financial Officer, to vote your shares on such matters at their discretion.

Q: How and when may I submit proposals for the 2007 Annual Meeting?

A: To have your proposal included in our proxy statement and form of proxy for the 2007 Annual Meeting of Stockholders, you must submit your proposal in writing on or before March 17, 2007 to Amkor's Secretary, c/o Amkor Technology, Inc., 1900 South Price Road, Chandler, Arizona 85248.

If you submit a proposal for the 2007 Annual Meeting after May 30, 2007, the proxy for the 2007 Annual Meeting may confer upon management discretionary authority to vote on your proposal.

You should also be aware of certain other requirements you must meet to have your proposal brought before the 2007 Annual Meeting. These requirements are explained in Rule 14a-8 of the Securities Exchange Act of 1934.

Q: Who is soliciting proxies?

A: This solicitation of proxies is made by the Board of Directors, and all related costs will be borne by Amkor.

We have retained the services of Georgeson Shareholder to aid in the distribution of Annual Meeting materials to brokers, bank nominees and other institutional owners. We estimate we will pay Georgeson Shareholder a fee of approximately \$2,600 for such services.

Proxies may also be solicited by certain of Amkor's officers and regular employees, without additional compensation, in person or by telephone or facsimile.

Table of Contents**PROPOSAL ONE****ELECTION OF DIRECTORS**

There are seven candidates nominated for election to the Board of Directors (Board of Directors or Board) this year, all of whom are incumbent directors. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the election of the seven nominees named below. Each nominee has consented to be named a nominee in this proxy statement and to serve as a director if elected. Should any nominee become unable or decline to serve as a director or should additional persons be nominated at the meeting, the proxy holders intend to vote all proxies received by them in such a manner as will assure the election of as many nominees identified below as possible (and, if additional nominees have been designated by the Board to fill any vacancies, in such manner as to elect such additional nominees). All directors are elected annually and serve a one-year term until our next annual meeting, or until their successor is duly elected. We expect that each nominee will be able to serve as a director.

Required Vote

Directors are elected by a plurality of votes cast, so the seven candidates receiving the highest number of affirmative votes cast will be elected as directors. Votes withheld and broker non-votes are not counted toward the total votes cast in favor of a nominee.

The Board unanimously recommends a vote FOR the election of each of the nominees for director below.

The 1998 Director Option Plan (the *Director Plan*) was adopted by our Board of Directors in January 1998. A total of 300,000 shares of common stock have been reserved for issuance under the Director Plan. The option grants under the Director Plan are automatic and non-discretionary. As of January 1, 2003, the Director Plan provides for an initial grant of options to purchase 20,000 shares of common stock to each new non-employee director of the Company when such individual first becomes an outside director. In addition, each non-employee director will automatically be granted subsequent options to purchase 10,000 shares of common stock on each date on which such director is re-elected by the stockholders of the Company, provided that as of such date such director has served on the Board of Directors for at least six months. As of December 31, 2005, there were 105,000 shares available for future grants under the Director Plan. Future grants to non-employee directors may also be granted under the 1998 Stock Plan, which was adopted by our Board of Directors in January 1998 (the *1998 Stock Plan*), and has terms substantially similar to the Director Plan.

If the acquiring entity does not either assume all of the outstanding options under the Director Plan or 1998 Stock Plan, as applicable, or substitute an equivalent option, each option issued under the Director Plan or 1998 Stock Plan, as applicable, will immediately vest and become exercisable in full. The Director Plan and 1998 Stock Plan will terminate in January 2008 unless sooner terminated by the Board of Directors.

BOARD MEETINGS & COMMITTEES

Our Board of Directors meets approximately four times a year in regularly scheduled meetings, but will meet more often if necessary. The Board held thirteen meetings and acted by unanimous written consent on four occasions during 2005. Each director attended at least 75% of all Board and applicable committee meetings. The Board has determined that each of Messrs. Carolin, Churchill, Hinckley, Papadakis and Zug is independent under the listing standards of The NASDAQ Stock Market (*Nasdaq*).

Among its responsibilities, the Audit Committee: (1) appoints our independent registered public accounting firm, (2) discusses and reviews in advance the scope and the fees of the annual audit with the independent registered public accounting firm, (3) reviews the results of the audit with the independent registered public accounting firm and discusses the foregoing with the Company's management, (4) reviews and approves non-audit services of the independent registered public accounting firm, (5) reviews the Company's accounting policies and financial statements and discusses the foregoing with the Company's management, (6) reviews the activities, organizational structure and qualifications of the Company's internal audit function, (7) reviews management's policies and procedures relating to the adequacy of our internal control over financial reporting and compliance with additional laws and regulations, (8) reviews and discusses with our independent registered public accounting firm their independence, and (9) reviews and approves in advance any proposed related party transactions. The Audit Committee met fourteen times in 2005 apart from regular meetings with the entire Board, and acted by unanimous written consent on one occasion. In executing its responsibilities, the Audit Committee members regularly communicate with the Company's management and independent registered public accounting firm, including reviewing the Company's quarterly earnings prior to the public release of such financial information.

Nominating and Governance Committee

The Nominating and Governance Committee is comprised of Messrs. Churchill and Zug. The Nominating and Governance Committee among other duties: (1) assists the Board by identifying candidates for director and making recommendations to the Board as to director nominees; (2) develops and recommends to the Board corporate governance guidelines; (3) oversees evaluation of the Board; and (4) recommends committee assignments to the Board. The Board has adopted a written charter for the Nominating and Governance Committee which is available on our website at www.amkor.com. The Nominating and Governance Committee met three times during 2005 apart from regular meetings with the Board.

The Nominating and Governance Committee determines the required selection criteria and qualifications of director nominees based upon the needs of our Company at the time nominees are considered. The Nominating and Governance Committee considers factors including character, judgment, independence, age, expertise, diversity of experience, length of service and other commitments.

The Nominating and Governance Committee will consider the above factors for nominees identified by the Nominating and Governance Committee itself. The Nominating and Governance Committee uses the same process for evaluating all nominees, regardless of the original source of nomination. The Nominating and Governance Committee does not currently use the services of any third party search firm to assist in the identification or evaluation of Board member candidates. The Nominating and Governance Committee may, however, use such services in the future as it deems necessary or appropriate.

It is the policy of the Nominating and Governance Committee to consider both recommendations and nominations for candidates to the Board from stockholders. Stockholders wishing to recommend a candidate for consideration by the Nominating and Governance Committee for election to the Board of Directors can do so by writing to our Corporate

Secretary at our principal executive offices. Stockholders shall give such candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and Amkor within the last three years, written indication of the candidate's willingness to serve if elected, and evidence of the nominating person's ownership of Amkor stock.

Annual Meeting Attendance

All directors are encouraged, but not required, to attend our Annual Meeting of Stockholders. Five of our incumbent directors attended the 2005 Annual Meeting of Stockholders.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to oversee Amkor's financial reporting process on behalf of the Board of Directors. The Audit Committee is comprised solely of independent directors, as defined in the Nasdaq listing standards and SEC regulations, and it operates under a written charter adopted by the Board of Directors. The Audit Committee reviews and reassesses the adequacy of the Audit Committee Charter on an annual basis.

The Audit Committee's overall responsibility is one of oversight. Management is responsible for Amkor's consolidated financial statements as well as for maintaining effective internal controls over financial reporting, disclosure controls and procedures, compliance with laws and regulations and applicable ethical business standards. The independent registered public accounting firm is responsible for performing audits of Amkor's consolidated financial statements, management's assessment of Amkor's internal control over financial reporting and of the effectiveness of such internal controls in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB) and issuing reports thereon. The Audit Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of their audits and the overall quality of the Company's financial reporting.

In performing its oversight function, the Audit Committee considered and discussed Amkor's consolidated financial statements and management's report on internal control over financial reporting with management and the independent registered public accounting firm. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statements of Auditing Standards, as amended, including Statement of Auditing Standards No. 61, Communication with Audit Committees, and the PCAOB standards.

The Audit Committee discussed with the independent registered public accounting firm its independence from Amkor and Amkor's management and obtained the written disclosures from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee considered whether the provision of non-audit services by Amkor's independent registered public accounting firm is compatible with maintaining the independence of the independent registered public accounting firm. The Audit Committee concluded that the independent registered public accounting firm is independent from Amkor and its management.

Based on all of the foregoing, the Audit Committee recommended to the Board of Directors that Amkor's consolidated financial statements and management's report on internal control over financial reporting along with the related reports of our independent registered public accounting firm be included in Amkor's Annual Report on Form 10-K and filed with the Securities and Exchange Commission. The Audit Committee also selected PricewaterhouseCoopers as Amkor's independent registered public accounting firm for the fiscal year ending December 31, 2006.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors currently consists of Mr. Winston Churchill (Chairman) and Dr. Constantine Papadakis. No member of the Compensation Committee during 2005 was an employee of Amkor or any of its subsidiaries. Each member meets the definition of "non-employee director" under Rule 16b-3 of the Securities Exchange Act of 1934, as amended, and is an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

The Compensation Committee has overall responsibility for Amkor's executive compensation policies and practices. The Compensation Committee's functions include:

Annually reviewing and making recommendations to the Board of Directors regarding the compensation policy for the executive officers and directors of the Company, and such other officers of the Company as directed by the Board.

Granting awards to executive officers under our stock option incentive plans.

Reviewing and making recommendations to the Board of Directors regarding compensation goals and guidelines for our employees and criteria by which bonuses to our employees are determined.

Administering the Company's stock plans.

Compensation Philosophy

Amkor's compensation philosophy is to attract and retain top talent within the electronics industry through a multifaceted compensation approach including aligning base pay with companies with whom we compete for top talent. These companies are within both the semiconductor and printed circuit board manufacturing sectors. Our approach to total cash compensation is that it should vary with Amkor's performance in attaining its financial and operational objectives. We have an incentive program for all employees which provides for awards that are proportional to our profitability. In addition, we have an executive bonus program that is based on annual operational performance.

Salaries

It is the Compensation Committee's objective to establish base salaries at levels that are comparable to those paid to executives with comparable qualifications, experience and responsibilities at other companies in the electronics industry, including semiconductor and printed circuit board companies. The Compensation Committee believes that it is necessary to attract and retain the leaders in the electronics industry, as Amkor competes with these companies for executive talent. At the end of the fiscal year, each executive officer was reviewed by our Chief Executive Officer. The executive officers' performance reviews for fiscal year 2005 considered their specific function within the Company and the results achieved by each executive officer relative to key performance factors. The Compensation

Committee considers independently these reviews with respect to the annual salary, including salary increases, for each executive officer. Industry, peer group and national survey results are also considered in making salary determinations to maintain parity of our pay practices within the electronics industry.

Compensation for the Chief Executive Officer

In fiscal 2005, James J. Kim served as the Chairman of the Board and Chief Executive Officer of Amkor. The Compensation Committee's criteria for determining Mr. Kim's compensation are driven by several factors: the competitive marketplace, our position in the rapidly evolving technology sector in which we operate, our operating

Table of Contents

and financial performance in 2005 and, most importantly, Mr. Kim's leadership and establishment and implementation of strategic direction for Amkor.

The Compensation Committee believes that Mr. Kim's performance throughout the fiscal year ended December 31, 2005 was outstanding and that he continues to demonstrate highly effective leadership.

Annual Incentive Compensation

Each executive officer's performance, as well as their total cash compensation on a peer-market level, is evaluated by the Compensation Committee to determine the appropriate cash bonus award. Additionally, industry standards regarding cash bonuses as a percentage of total base pay are reviewed to ensure alignment within the industry. No incentive compensation was awarded to executive officers in 2005.

Executive Bonus Plan

An executive bonus plan was established by the Compensation Committee in 2006. This executive bonus plan is a cash-based incentive bonus program. The purpose of this plan is to align executive officers' as well as key employees' performance with Amkor's objectives and financial performance. The executive bonus plan establishes targets for measuring the financial performance of the Company, and determines, by individual, a targeted bonus level based on that performance.

Employee Profit Sharing Plan

Most of our employees are eligible to participate in a cash bonus program which is proportional to corporate profitability. Annually, a percentage of our profit before taxes is allocated to the profit sharing pool. This allocation is distributed as a percentage of employees' base pay, to eligible participants within our Company.

Long-Term Incentive Compensation

Long-term incentive compensation currently consists solely of stock options. The Compensation Committee is responsible for the administration of our stock option program. While the Compensation Committee believes that stock options are a competitive necessity in the electronics industry, no stock options were granted to executive officers in 2005.

As a general rule, the Compensation Committee believes that a certain portion of the compensation package for all executive officers should be based on long-term incentives.
